ACKNOWLEDGMENTS

The Task Force acknowledges the contributions of the thousands of Oregonians who responded to our surveys, testified at our public hearings, attended our focus groups, and called and wrote to us about their experiences with gender fairness issues in the justice system and the legal profession.

We also are grateful, and indebted, to our many volunteers for their dedication, perseverance, and steadfast support. A special thanks is extended to all of the Task Force and work group members, to Chief Justice Wallace P. Carson, Jr., to State Court Administrator Kingsley Click, OSB Executive Director Karen Garst, and to Steven Berman, Antonia DeMeo, and Michael Rooke-Ley, our editors extraordinaire. Our thanks to:
