3. For copies of records or files: **25** cents per page for each photographic or printed copy of a page, without regard to medium.
4. For certified copies of letters, records, or files: **\$5.00**, plus **25** cents for each page (first page and each page thereafter). This applies to certified copies requested after any original certified copy or courtesy copy supplied to parties or appointed officer of the court at conclusion of event or proceeding (or as required by law).

1. Subject to the limitations in section B.2 below, none of the fees prescribed in this Order for services in the circuit court shall be collected from the state or from the county in which the court is located or from a city in the county in which the court is located or from attorneys providing public defense services under contract to the state Office of Public Defense Services for court documents relevant to that representation.
