CHAPTER 4

PROCEEDINGS IN CRIMINAL CASES

4.005 CRIMINAL PROCEDURE COURT ESTABLISHED

There is established a Criminal Procedure Court for the handling of misdemeanor and certain felony matters under the direction of the Chief Criminal Court Judge and the Presiding Judge. The responsibilities and procedures in such court are indicated herein.

4.007 WRITTEN PETITION REQUIRED TO BE FILED BY VICTIM OR PERSONAL APPEARANCE OF VICTIM FOR HEARING TO REMOVE NO CONTACT ORDER IMPOSED UNDER ORS 135.250 OR CHAPTER 232 OREGON LAWS 2011

- (1) “Petition” as used in ORS 135.250 (2)(b)(A) and in ORS 135.247 (4) means a written petition signed and filed or presented at the hearing for filing in the criminal action by the victim or by a district attorney who has agreed to assert this right for the victim. In the alternative, an appearance by the victim at the hearing to modify or remove the no-contact conditions and stating on the record orally the petition to waive the required condition of release or custody that the defendant not have contact with the victim of the domestic violence or of the sex crime satisfies this requirement.
- (2) Absent a written petition or appearance by the victim at the hearing as set out in section (1) of this rule, the court will continue the no contact order imposed under ORS 135.250 (2)(a) or ORS 135.247 pending a petition by the victim.
- (3) A written petition under section 1 of this rule may be filed on the court’s form (see Form 23-90, Page 98, Appendix of Forms), or in a document that is in the same format and contains the same heading, caption and content.

4.012 SCHEDULING MOTIONS IN FELONY AND MISDEMEANOR CRIMINAL ACTIONS

Except for motions filed under SLR 4.025 and 4.065, or as otherwise provided in this rule, any filed motion must be scheduled for hearing by the moving party.

- (1) Scheduling Motions Filed Prior to Trial or the Court’s Acceptance of a Plea of Guilty on a Charge:

Except for cases specially assigned to a specific judge for all purposes, or for motions to be heard on the day of trial by the judge assigned for trial from a Call or Criminal Procedure Court

calendar, to schedule a pretrial motion for hearing, in addition to any other requirements set by law or rule, the moving party must contact the Criminal Calendaring Section (Room 106 of the main courthouse or call 503.988.3235), and request a date, time and location for the hearing. Motions in cases assigned to a specific judge may be scheduled by contacting that judge.

(2) For Motions Filed During or After Trial or After the Court has Accepted a Plea of Guilty on a Charge:

(a) Any motion filed at trial, post trial or post plea of guilty must be set for hearing by contacting the office of the judge who presided over the trial or plea. If motion is filed after sentence, and the sentence was to a period of probation and a probation judge was assigned who was not the sentencing judge, the motion must be set by contacting the probation judge.

(b) If a judge is no longer in office, then the motion must be set by contacting the successor in office in that circuit court position number. Information regarding which judge should be contacted to set a motion for hearing under this subsection may be obtained by calling Criminal Calendaring.

(c) If the motion arises from a trial or plea presided over by a Senior Judge or a Judge Pro Tempore, and that judge is no longer appointed to sit in this judicial district, then information regarding which judge should be contacted to set a motion for hearing under this subsection may be obtained by calling Criminal Calendaring.

(d) If a judge is requested to set a motion for hearing, and the judge determines that the court lacks jurisdiction over the matter, then the motion will not be set for hearing. The parties will be notified in writing by the court that it does not have jurisdiction and the legal basis upon which it bases its conclusion.

4.015 DISCOVERY

Before any Motion to Compel Discovery is filed, a demand must have been made for the materials. The motion shall include a statement that such a demand was made, but not complied with in whole or in part.

4.016 IN CAMERA REVIEW OF RECORDS

Unless otherwise ordered by the court, a motion for the *in camera* review of records by the court shall be presented to the court as follows:

(a) Parties seeking an *in camera* review of documents in a criminal action shall file a motion supported by an affidavit which includes a description of the records to be reviewed, the information the party seeks to discover or protect contained in the records, and the legal authority for the protection or disclosure of the information contained in the records.

(b) For cases to be heard in the downtown courthouse, motions for in camera review of records in misdemeanor cases will be calendared on the Criminal Procedure Court (CPC) docket. Motions for in camera review of records in felony cases will be calendared on the Presiding Judge's Short Matters call docket for assignment. Motions on cases proceeding in the East County Courthouse will be set on a Gresham judge's calendar for hearing.

(c) If the motion for the *in camera* review is granted, documents shall be directed to Room 131 of the Courthouse for cases that will be heard in any courtroom in that facility. Cases that are to be heard in the East County Courthouse shall be directed to 18480 SE Stark Street, Portland, OR, 97233.

The motion must be served on the Office of the District Attorney, and a courtesy copy delivered to the Chief Family Court Judge. The Chief Family Court Judge will set the motion for hearing. (2) Only a judge of the juvenile court may make a determination regarding the requested waiver of a youth from criminal court.

**4.021 DOCUMENTS FILED ON CONTEMPT MATTERS INVOLVING
REMEDIAL SANCTIONS (New SLR)**

All documents filed on contempt matters involving remedial sanctions must comply with SLR 19.021 requiring that such documents be filed separately from those addressing other matters in the underlying case.

**4.024 DEFENSE NOTICE OF SCHEDULING OR RE-SCHEDULING OF A
CRITICAL-STAGE HEARING IN CASES SUBJECT TO ORS 147.500 to
147.550**

(1) Whenever a defendant in a criminal action subject to ORS 147.500 to 147.550 determines that it is necessary to schedule or to change a date or time for any scheduled hearing which is defined as a critical-stage of the proceeding under ORS 147.500(5), the defendant must provide notice of this intent and of the proposed date and time for the setting or re-setting of the event to the prosecuting attorney. Except for good cause shown, such notice should be provided at least 4 judicial days in advance of the request being made to the court to schedule or re-schedule the event.

Notice for purposes of this rule may be provided by writing delivered to the office of the district attorney or by conferring with the prosecuting attorney or the prosecuting attorney's designee within the district attorney's office and providing the information.

(2) The duty to provide notice under this rule does not apply in any case where, for every person determined to be a victim by the prosecuting attorney, the prosecuting attorney has filed a "notice of compliance with victims' rights" as required by ORS 147.510 that reflects the victim waived their right to be informed in advance of any critical stage of the proceeding.

4.025 CRIMINAL CASE POSTPONEMENTS BY PRESIDING JUDGE; CRIMINAL EX PARTE

(1) Postponements of felony cases may be presented to the Presiding Judge at Call or to the Chief Criminal Judge prior to Call by setting a scheduling conference with Chief Criminal Court, at which both the defense attorney and assigned deputy district attorney are present. Requests for postponement will not be allowed by the Chief Criminal Judge if received less than three judicial days before the next Call appearance in Presiding Court. Such requests must be presented at the Call proceeding as required by SLR 7.035.

(2) Motions to Rescind Bench Warrants ordered at a Call proceeding shall be presented only to the Presiding Judge or designee at the morning ex parte session specified under SLR 5.025. All other felony ex parte matters shall be presented at the morning or afternoon ex parte sessions specified in SLR 5.025.

(3) The first or second request for postponement of a misdemeanor or other case assigned to the Criminal Procedure Court may be presented at the Friday pre-trial conference, if the requested postponement is for a period of less than five weeks. A written motion is not required for first set-over requests, except in cases involving domestic violence; a written request is required for every domestic violence set-over request and for a second set-over request to set-over any other misdemeanor case.

(4) Third or subsequent requests for postponement of a misdemeanor assigned to the Criminal Procedure Court or requests for a postponement longer than five weeks will be referred to the Criminal Procedure Court Judge. Written requests for postponement are required in those circumstances. The motion shall set forth the specific reason for the request and contain a statement that opposing counsel was contacted and indicate counsel's position. Opposing counsel must also be identified by name in the motion.

4.035 ISSUANCE OF SEARCH WARRANTS

(1) A request for a search warrant may be made to any Circuit Court Judge, subject to any procedures established by the Presiding Judge.

- (2) Prior to presenting a request for a search warrant, the applicant shall:
 - (a) Obtain prior approval from a District Attorney who has personally reviewed the facts underlying the application;
 - (b) Provide the name of the reviewing District Attorney; and
 - (c) Verify that the search warrant application has not been presented to any other judge.
- (3) For search warrant requests outside of the normal business hours of the court, the request for a search warrant must be made to the judge assigned to be the “duty judge” for after hour search warrant requests. If the duty judge cannot be contacted, the request may then be made to any other circuit court judge.

4.045 VIEWING EXHIBITS IN CRIMINAL PROCEEDINGS

In recognition of the need to insure the security of criminal exhibits, viewing shall be limited to the attorney of record unless otherwise ordered by the Court.

4.055 CIVIL COMPROMISE

The defendant must appear personally for a civil compromise hearing.

4.065 MOTIONS TO REMIT SECURITY FORFEITURE JUDGMENTS

- (1) A defendant or surety may apply to the Court for a remission of a forfeiture of the security amount by:
 - (a) Filing with the Court, and serving upon the District Attorney, a written Motion for Remission of the Judgment or Order of Forfeiture, accompanied by an affidavit stating good cause for the remission;
 - (b) If necessary, appearing at a hearing to further inform the Court why the Judgment or Order of Forfeiture should be rescinded.
- (2) If a hearing is necessary on the Motion for Remission, the Court will notify the applicant of the date and time of the hearing. In any case, the Court may decide to grant or deny the motion without any appearance by the applicant, and to notify the applicant by mail of its decision.

4.066 PAYMENT OF SECURITY DEPOSITS; PAYMENTS OF OTHER COURT ORDERED OBLIGATIONS

(1) For cases within the scope of this chapter, the form of payment accepted and the location and method for depositing security are as follows:

- (a) If a defendant is in the custody of the Multnomah County Sheriff's Office or any other agency on a warrant issued by the Multnomah County Court, security amounts for the release of the defendant are collected by the Sheriff's Office and processed pursuant to the cooperative agreement between that agency and the court.
- (b) A defendant who is in custody, or a surety for an in-custody defendant, must post cash, cashiers' check, or an Inmate Trust Account check to deposit security pursuant to ORS 135.265(2). Personal checks or debit/credit cards are not accepted as security for release from custody.
- (c) If the full amount of security is posted in the form of real or personal property, stocks or bonds, as prescribed in ORS 135.265 (3), the security release must be processed by the Criminal Division of the Trial Court Administrator's Office, and a Judge must review the supporting affidavits prior to the defendant's release from custody.
- (d) If a defendant is out of custody and a warrant has been issued, a court appearance is required prior to clearing an outstanding warrant, unless otherwise ordered by the court. If a court orders that the court appearance to withdraw the warrant is waived and the warrant is to be recalled from the Sheriff upon payment of the security deposit set, then the defendant or the defendant's surety may pay the security to the cashiers in Room 106 of the courthouse or at the East County Courthouse if the warrant arises in a criminal action filed in that court location. Payment must be in the medium allowed by this rule.

(2) In any case within the scope of this chapter, a defendant's attorney may write a check from the attorney's Lawyer Trust Account to deposit security for the defendant.

(3) Personal checks may be accepted by the Criminal Division of the Office of the Trial Court Administrator for payment of court-ordered obligations other than security.

4.067 REFUND PROCEDURES

All refunds are made by mail.

4.075 DUII DIVERSION

The following procedures shall apply to all driving under the influence of intoxicants (DUII) cases:

- (1) On each charge of DUII, the district attorney shall review the incident and the defendant's history to determine if the defendant is eligible for DUII Diversion or if the state will object to the defendant's participation in the diversion program. This review shall be completed prior to the date set for the first appearance of the defendant on the charge. The determination of whether the defendant is eligible for participation in DUII Diversion shall be announced at the first appearance proceeding.
- (2) If the defendant appears at the time set for first appearance, is unrepresented by counsel and requests time to obtain counsel, the defendant's arraignment will be set over for two weeks only, unless a longer period is permitted by the court.
- (3) In all other cases, counsel will be appointed if it is appropriate to do so, the defendant will proceed with retained counsel, or the defendant will be allowed to proceed without counsel.
- (4) The court will arraign the defendant at first appearance. If the district attorney has determined that the defendant is eligible to enter DUII Diversion, then the case will be continue for the defendant to file the diversion petition and to appear to enter a plea of guilty. (See 08-27 Forms 1-6, Pages 108-117, Appendix of Forms.) If the state is not able to determine if the incident or the defendant are diversion eligible at the time of arraignment or determines that the defendant is not eligible to enter diversion and files objections, then the case will be set for jury trial in the normal course with leave to the defendant to file a petition, if timely, and to set a hearing for the court to make a final determination on this issue.
- (5) If more than 30 days has elapsed from the date of first appearance set on the uniform citation summons and complaint or set in a release agreement on a release from custody on a law enforcement officer's probable cause arrest and booking of the defendant for DUII, the defendant must first appear for a determination by the court that there is good cause for the late filing of the petition before the defendant may be accepted into the diversion program.
- (6) Objections to Diversion
 - (a) The District Attorney's objections to diversion shall be in writing.
 - (b) The defendant or the defendant's attorney will be given notice by the Court that an objection has been filed.
 - (c) If the defendant elects to contest the objection, the defendant may set the objection for a formal hearing.
 - (d) Contested objection hearings may not be utilized to seek post-conviction relief on a prior conviction. Such relief shall be filed with the Circuit Court.
 - (e) If an objection is contested and the Court sustains the objection to diversion, or if the defendant elects not to contest the objection, the case shall be set for trial or plea.

(7) No refunds of diversion fees will be made to any individual who for any reason fails to complete the program after diversion has been granted.

(8) If companion violation offenses are filed at the time the diversion charge is filed, such companion citations will remain with that charge until the petition is allowed by the Court. If the petition is allowed, the judge in the diversion court will take a plea of no contest or set the companion charges for trial.

(9) If a misdemeanor is filed with a diversion charge, the cases shall be consolidated, and shall remain consolidated, until the Diversion hearing. If Diversion is granted, the cases shall be severed and the companion case will be set for trial.

(10) If a diversion offense is filed in a single charging instrument with one or more felony charges, unless severed, the diversion petition must be filed timely in the case containing the felony charges.

(11) Diversion cases filed in the East County Courthouse shall be processed and screened as indicated in this Rule. The judge will rule on the timeliness of the Diversion request and will determine whether Diversion will be allowed.

(12) Except for SLR 4.075(11), decisions on diversion eligibility or disqualification will be made by the judge assigned to the diversion court. Decisions on whether to grant or deny an extension of the 12 month diversion period under ORS 813.225 will also be made by the judge assigned to the diversion court. No attorney or defendant shall request that judge's decision to be reconsidered or reviewed by any other judge in the Circuit Court.

4.081 APPEARANCE AT CRIMINAL PROCEEDINGS BY MEANS OF SIMULTANEOUS ELECTRONIC TRANSMISSION

The court may conduct appearances in any criminal proceedings by simultaneous electronic transmission as provided in UTCR 4.080 (1) and under law, if the technology in the courtroom meets the requirements of the rule.

4.101 HABEAS CORPUS – DOCUMENTS AND FILING (New SLR)

A petition for a writ of habeas corpus must be filed separate from the underlying case in the circuit court, if such a case exists, and must be filed as provided by SLR 7.101.

CHAPTER 5

PROCEEDINGS IN CIVIL CASES

5.014 ASSIGNMENT OF A MOTION JUDGE FOR A CIVIL ACTION

(1) A motion judge for a case will be assigned to each civil action at the time all parties have appeared and any non-appearing parties are subject to an order of default, or have been dismissed from the action. The assignment of a motion judge will be by order of the presiding judge filed and entered in the action and written notice of the order will be provided by the court to each appearing party by sending it to the party's electronic or US Postal Service mailing address for purposes of the action.

(2) If a motion judge for a case is required prior to the times set out in section (1) or as provided in section (3), then the moving party must appear at the presiding judge's ex parte time for civil actions and request that a motion judge be assigned to the action. The presiding judge will assign a motion judge by order at that time. Actual notice of the assignment must be provided to all appearing parties by the party appearing at ex parte. Prior notice of the ex parte appearance must be given as required by SLR 5.025.

(3) A motion judge will not be assigned under this process to any case that is a writ of review or a writ of mandamus, that is otherwise specially assigned by the presiding judge to a judge, including complex cases, or any case assigned to arbitration, where the arbitrator has authority to hear and determine the matter. If the motion is beyond the authority of an arbitrator, if arbitration is concluded and the case will continue, or if the special assignment of the case is ended and additional pretrial motions are required, then a party may appear as provided in section (2) of this rule and request the assignment of a motion judge.

5.015 CIVIL ACTION MOTION SETTING; RESPONSIBILITY OF MOVING PARTY; AUTOMATIC CONSENT TO HEARING BY NON-APPEARING PARTY

Methods of Setting Civil Motions

(1) In circuit court civil actions, contested pretrial motions (excluding ex parte) shall be set for hearing by contacting the assigned motion judge in the action, by contacting the Civil Calendaring Motion Clerk for setting a motion for summary judgment, by an Order to Show Cause, or by order of the Presiding Judge or the Presiding Judge's designee.

(2) If the Presiding Judge places a motion on the civil motion docket, the Court may provide notice by telephone.

(3) Requests for an expedited setting of a civil motion must be presented to the judge assigned as the motion judge in the action. If no motion judge has been assigned, then the request for a motion

(4) This paragraph applies to cases for which a motion judge has been assigned under SLR 5.014. Except for motions for Summary Judgment, the moving party must coordinate for all parties dates of availability to the court for a motion hearing, contact the assigned motion judge and set the matter. The moving party must provide to all parties notice of the time, date, and location set for the hearing, and the name of the judge who will hear the motion. Notice to the parties may be by any means of communication to which the parties mutually have agreed. If there is no agreement as to the means for giving notice, then notice must be given in writing and delivered to each party. If notice is challenged, in a hearing on the matter of absence of a party at a hearing under paragraph (8) of this Rule, the moving party shall have the burden of proving notice in the manner agreed by the parties to the action was provided to the challenging party. Failure to provide notice of a hearing's time, date and location as required by this section may result in sanctions as provided by UTCR 1.090, including striking the underlying motion.

(5) Motions for Summary Judgment in actions subject to paragraph 4 must be set by calling the Civil Calendaring Motion Clerk at (503) 988-3168, and not the motion judge assigned to the case. In all other aspects, section (4) of this rule applies to the moving party setting a motion for summary judgment.

Service Period on Opposing Parties and Courtesy Copy of Motion, Response and Reply to Assigned Judge

(6) The moving party shall deliver a courtesy copy of the motion to the assigned motion judge and serve the parties on the date the motion is filed with the court. The moving party must file the motion, serve the opposing parties and provide a judge's courtesy copy of the document not later than 7 days following the date on which the time and date for a hearing is set for the motion. Any party opposing a motion shall submit a courtesy copy of the responding documents to the assigned judge and serve the parties at the same time the response is filed with the court, but in no event less than one judicial day prior to the date of the hearing unless time has been shortened by the assigned motion judge. Any party filing a reply to a response to a motion, must deliver a copy of the reply document to the assigned judge and serve the parties on the date the reply is filed with the court, but in no event less than one judicial day prior to the date of the hearing.

Failure to File Motion within Seven Days

(7) If the moving party fails to file the motion within seven days after the motion set for a date and time certain under paragraph (3) of this rule, absent an order of the court permitting additional delay, the court may impose sanctions as provided by UTCR 1.090.

Absence at Motion Hearing

(8) A matter set on a civil motion docket may be decided even though some or all of the parties or attorneys are not present. Such a hearing shall be deemed consented to by the parties not

 - (a) Motion to postpone trial;
 - (b) Application for a temporary restraining order under ORCP 79 (B)(1), when the adverse party appears and is permitted by the court to address the merits of the request.
- (3) Except as otherwise allowed by statute or waived or consented to by the opposing party, any party seeking ex parte relief must provide one judicial days' notice to the opposing party of the date, time and court where the ex parte relief will be sought. A party appearing will be required to advise the court if they have had contact with the opposing party prior to the ex parte appearance, and the opposing party's position on the matter presented to the court. Parties appearing at ex parte for purposes of compliance with timelines under SLR 7.045, Motion for Change of Judge, are excused from the one day notice requirement of this rule but must provide the notice prior to the ex parte appearance.

5.035 ORDERS BY PREVAILING PARTY; PRESENTING JUDGMENTS AND ORDERS FOR JUDICIAL SIGNATURE

- (1) After a motion ruling, unless otherwise ordered, it is the responsibility of the prevailing party to draft an order incorporating the ruling and to submit it to the proper judge, accompanied by proof of service on opposing counsel in compliance with UTCR 5.100.

If the motion is allowed, the *in camera* review will be given a date on the Presiding Judge's Short Matters Call docket for assignment to a judge for the review proceeding.
- (2) If the motion is allowed, documents to be reviewed by a judge *in camera* shall be directed to Room 131 of the Courthouse.

5.045 NO MOTIONS FOR RECONSIDERATION; EXCEPTIONS

- (2) This rule shall not apply to any statutory motion to modify, set aside, vacate, suppress, or rescind; nor shall it obstruct the authority of the assigned trial judge to review any previously-filed motions.

5.071 REMOVING A PARTY FROM A FILED ACTION OR THIRD PARTY ACTION IF AMENDED COMPLAINT OMITTS THE PARTY

After commencing an action under ORCP 3 or after commencing a third party action under ORCP 22, a party named will only be removed from the case as a party by entry of a court generated order pursuant to UTCR 7.020 or by an appropriate form of judgment (Limited or General) presented to the court. Merely omitting a party previously named from an amended pleading does not remove that party from the case.

CHAPTER 6

TRIALS

6.012 PRE-TRIAL SETTLEMENT CONFERENCE PROCEDURES

The following procedures shall apply to pre-trial conferences in all pending civil and domestic relations cases, when ordered by the Court pursuant to UTCR 6.010, 6.200, or requested by a party or the party's attorney:

- (1) If one party requests a pre-trial settlement conference, the settlement conference shall be held and shall be conducted according to the procedures set forth in this rule. Except in the case where the Court orders a conference, the pre-trial settlement conference will not be required if the opposing party demonstrates good cause why the settlement conference should not be held. The judge conducting the settlement conference may require the party requesting a conference to certify that reasonable efforts to achieve settlement have been attempted by the parties, and that they have been unable to resolve the controversy without the court's assistance.
- (2) The Presiding Judge shall designate a judge or judges who shall conduct pre-trial settlement conferences. In the event a party requests a specific judge to conduct a conference, that request shall be honored as fully as practical under the circumstances.
- (3) Each trial attorney and party or representative of a corporation or insurance company who has full authority to settle and compromise the litigation shall personally appear at the pre-trial settlement conference. However, the assigned judge may permit telephone appearances in lieu of personal appearance for good cause.
- (4) Each pre-trial settlement conference shall be scheduled to allow adequate time for meaningful settlement discussions. Additional settlement conferences may be scheduled by the assigned judge or by agreement of all attorneys and parties.
- (5) The pre-trial settlement conference shall not delay the trial scheduling, but the Presiding Judge may delegate to the assigned judge limited or unlimited authority to continue the trial date by the mutual agreement of the parties and their attorneys.
- (6) No judge conducting a pre-trial settlement conference under this rule shall be permitted to act as trial judge if the case does not settle, unless the parties stipulate to such procedure.
- (7) Each attorney or party shall submit to the assigned judge, at least one business day prior to the scheduled pre-trial settlement conference, information regarding the case. In domestic relations cases, counsel shall also provide a copy of the proposed distribution of assets and liabilities, and, if support is involved, the proposal for and computation of support, to opposing counsel at least one business day prior to the scheduled pre-trial settlement conference. Except for the information described in the preceding sentence, any documents or information submitted to the judge shall be

presumed confidential, unless a copy is provided to the opposing side(s). The assigned judge shall make available forms for the submission of such information, but an attorney or party may submit such other or further information to the judge to inform the court of the issues in the case.

(8) No submissions under SLR 6.012(7) shall be included in the court file, nor shall any notes prepared by the judge be filed or otherwise disclosed, except by permission of the attorneys and/or parties or by court order.

(9) The assigned pre-trial settlement conference judge shall inform the calendar clerk of the occurrence of the conference, the possibilities of settlement, and the estimated length of trial time, in the event the case does not settle at the conference. No other information regarding the case or the conference shall be communicated to the trial judge or the jury.

(10) The presiding judge may require a trial-setting conference prior to, or following, the pre-trial settlement conference, pursuant to UTCR 6.010.

6.015 SUBMISSION AND COPIES OF MOTIONS, BRIEFS, MEMORANDA, AND POINTS AND AUTHORITIES; COPIES TO BE DESIGNATED TRIAL COURT COPY

(2) The copy of the motion and all supporting documentation for the use of the judge shall be designated "TRIAL COURT COPY."

(3) Copies shall identify the name of the judge hearing the motion, the time of the hearing, the date of the hearing or the show cause assignment date, and the room number of the hearing.

(4) Jury Instructions, Verdict Forms, Trial Memorandums, Motions to Suppress, Motions in Limine, and similar materials, shall be submitted to the assigned trial department by noon of the day of trial assignment at daily call by the Presiding Judge. This rule does not apply to trial assignments made after daily call is concluded.

6.025 PAYMENT OF TRIAL FEES AND HEARING FEES

(1) A fee receipt, fee waiver, or fee deferral must be presented to the courtroom clerk prior to commencement of a trial or hearing where a fee is required to be paid under ORS 21.225 or 105.130.

(2) Fees payable at the conclusion of the trial shall be paid by 5:00 pm. on the day trial concludes unless the fee is waived or deferred. If the trial concludes after the close of business, the fees shall be paid the morning of the first court day thereafter. For purposes of this rule, a jury trial

shall be deemed concluded when the jury returns a verdict.

(3) The trial judge may elect to delay commencement of the case until the fees are paid, but failure to pay the fees as stated in SLR 6.025(1) shall not be grounds for a postponement.

6.027 PERSONAL COMMUNICATION DEVICES IN JURY ROOMS DURING DELIBERATIONS AND IN COURTROOMS DURING PROCEEDINGS

(1) Unless otherwise permitted by the judge presiding over the trial, personal data or communication devices (any electronic or other equipment capable of communicating with others outside a jury room, including, but not limited to personal computing devices, cell phones and pagers) are not allowed in a jury room during jury deliberations.

(2) After a jury has been instructed and charged to commence deliberations the courtroom clerk will collect all such devices and retain them in a secure place during deliberations.

(4) See SLR 3.182 regarding the operation of cell phones and other personal data and communication devices which have audio recording, photographic or any other visual or image recording or reproduction capability.

6.045 MOTIONS TO CORRECT TRANSCRIPTS

(1) If a motion under ORAP 3.40 is filed, a copy shall be delivered to each of the following:

- (a) Trial court reporter or audio transcriber;
- (b) Trial court judge (or the judge who presided at the matter under appeal).

(2) A form of order to correct, or add to, the transcript shall be submitted to the trial court judge.

(3) The moving party shall deliver a copy of the signed order to the trial court reporter or audio transcriber.

(4) If the signed order permits correction or addition to the transcript, then the trial court reporter or audio transcriber shall give notice and, upon any payment due, serve copies of the corrected or added material in the same manner as provided by ORS 19.370 for the initial uncorrected or un-augmented transcript.

6.055 BUILDING SECURITY

The Multnomah County Courthouse, the Multnomah County Justice Center, East County Courthouse, the Juvenile Justice Complex or any other facility or location where the court conducts its proceedings are Court facilities for the use of members of the public to exercise their rights to view proceedings and handle their affairs through the Court. This right of access may, however, be overcome by conduct detrimental to the safety of the Court's Judicial Officers, other Officers of the Court, its employees, and members of the public. This type of conduct may result in the ejection of a person or party from these facilities and possibly their restraint from entering these buildings for a specified period of time. Such detrimental conduct may include, but is not limited to:

- (1) Direct physical assault upon any person;
- (2) Destruction or theft of Court records or posted public notices;
- (3) Vandalism, defacing, burning, or other physical destruction of any device or room within these facilities;
- (4) Intimidation, extortion, coercion, or other forcible conduct aimed at interrupting the Court's Judicial Officers, other Officers of the Court, and its employees in the course of their work or at interfering with members of the Bar or of the public in their dealings with the Court;
- (5) Any conduct which interferes with or interrupts a Court proceeding;
- (6) Any entrance into an area of these buildings designated off-limits or for employees only;
- (7) Any introduction of noxious odors designed to deny members of the public the use of any public part of these buildings;
- (8) Any attempt, either by fraud or threat, to gain access to confidential Court records or material;
- (9) Any attempt, either by fraud or threat, to gain access to the private office of a Judicial Officer, the Court Administrator, or other Court Officer;
- (10) Any attempt by a member of the public to deny any other member of the public the use of these buildings.

6.145 HAZARDOUS SUBSTANCES

In addition to the definition found in UTCR 6.140 (2), a hazardous substance is defined as any substance listed in, or hereinafter added to, the Federal Aviation Authority Regulations on Hazardous Substances, any provisions of the United States Code defining hazardous substances, or the Federal Controlled Substances Act; or is any potentially dangerous or contaminated substance

capable of inflicting death or serious physical injury either immediately or over the course of time. A hazardous substance shall include any device or implement which carries, contains, or exhibits such characteristics.

CHAPTER 7

CASE MANAGEMENT AND CALENDARING

7.015 TRIAL READINESS CIVIL CASE MANAGEMENT CONFERENCE

- (1) The parties in all civil cases must participate in a trial readiness case management conference unless the case has been dismissed, transferred to arbitration, transferred to the Expedited Civil Jury Trial Program or transferred to a special assignment, unless the Presiding Judge otherwise directs. The court will not generate a trial date in these cases without conferring with the parties and there will be no “regular course” trial date postponements. The purpose of this conference is to facilitate the selection of a firm trial date and to assess readiness for trial. The court will ask the parties to identify remaining tasks to be resolved including discovery issues, expected remaining pretrial motions, and any known scheduling problems for parties and witnesses. Parties are expected to be prepared to discuss these matters and to present to the court a proposed trial date to which the parties have agreed. The court will set a trial date no later than one year from the filing of the original complaint or six months from the filing of a third party complaint under ORCP 22C, whichever is later, unless the parties establish good cause for a later trial date. If the court permits a case to be scheduled beyond one year, the parties will be subject to SLR 7.016 and will be required to participate in a case status conference prior to the trial date. Any request for a postponement of the trial date selected at the trial readiness conference must be presented as provided in SLR 7.035 (2) (c) and will not be granted without a showing of good cause.
- (2) At least, thirty-five days prior to the conference the Court will send notice to all counsel or self-represented litigants who have appeared in the case unless this period is waived or shortened by the Presiding Judge. The notice will announce the date and time for the conference, the location and instruct the parties to come prepared with an agreed upon trial date. A postponement of the Trial Readiness Civil Case Management Conference may be granted for good cause shown presented by a request, supported by a motion and declaration, at the Presiding Judge’s ex parte.
- (3) The parties may appear by phone unless the court otherwise indicates.

7.016 PARTICIPATION IN APPROPRIATE DISPUTE RESOLUTION

- (1) Every civil case shall be subject to subsection (2) of this rule.
- (2) All parties and their attorneys, if any, are required to participate in some form of appropriate dispute resolution, beyond negotiation directly or indirectly to reach a joint settlement, including, but not limited to, arbitration, mediation or judicial settlement conference. The parties must sign and file, within 365 days from the filing of the first complaint or petition in the action, a certificate (See Form 05-31, Page 100, Appendix of Forms) indicating that the parties have participated in such ADR mechanisms. If the action is fully disposed of in the circuit court within 365 days from the filing of the first complaint or petition in the action, no certificate need be filed under this rule.

- (3) The requirements of this rule shall not require mediation or arbitration of a case otherwise exempt from arbitration or mediation requirements by statute, but the parties and attorneys, if any, of any case so exempted shall be required to participate in a judicial settlement conference.
- (4) The court may impose sanctions pursuant to UTCR 1.090 against any party who fails to comply with subsection (2) of this rule, or who
- (a) fails to attend a scheduled mediation session, arbitration hearing or judicial settlement conference;
 - (b) fails to act in good faith during the mediation, arbitration or judicial settlement conference;
 - (c) fails to submit on a timely basis paperwork required as a part of the mediation, arbitration or judicial settlement conference; or
 - (d) fails to have a principal necessary to approve the resolution of the case present or readily available, by telephone or other means, at the time of the mediation, arbitration or judicial settlement conference, unless, in advance, the court grants the party or attorney leave from compliance with this subsection of the rule.
- (5) Nothing in this rule restricts or removes the constitutional right of the parties to a trial.

7.021 UTCR 7.020 CONTINUANCES; STAY OF DEFAULTED PARTIES PENDING TRIAL

- (1) Continuances pursuant to UTCR 7.020 shall be on a form prescribed by the Court. (See Form 05-41, Page 104, Appendix of Forms) A request for a continuance must be presented at the Presiding Judge's ex parte.
- (2) In multiple party cases, when a default order has been taken against a specific party and the other defendants will proceed to trial, an attorney may move the Court to stay the requirement to apply for a judgment by default and avoid dismissal under UTCR 7.020 for the defaulted party, pending the outcome of trial.

7.025 POSTPONEMENT CONFERENCES

A conference with the Presiding Judge may be required to postpone a civil case currently 12 months of age or which will exceed 12 months of age if a set over is granted.

7.035 CALL NOTICES; MINIMUM NOTICE FOR POSTPONEMENTS

- (1) Attorneys of record in each case taken from the list of cases set for trial will be notified at least 28 days before the date of Call, unless this period is waived or shortened by the Presiding Judge.
- (2) Counsel seeking postponements of assigned trial dates shall give opposing counsel(s) not less than one judicial day's notice of the date and time when an application for postponement is to be presented to the Court at ex parte as required by these Rules and SLR 5.025.
 - (a) Motions for postponement shall be on a form prescribed by the Court and shall be submitted in duplicate (See Form 05-82, Page 105, Appendix of Forms);
 - (b) Any motion for postponement, including an opposed motion, must be presented at the ex parte time;
 - (c) Counsel must appear in person and present good cause for the postponement of the trial date in every instance. Opposing counsel may appear and be heard.
 - (d) Three judicial days or less before the Call date, a motion for postponement will not be considered. Appearance at Call is mandatory.

7.045 MOTION FOR CHANGE OF JUDGE

- (1) If a judge is assigned at Call or at a case assignment or scheduling conference before the presiding judge and a party intends to file a motion for a change of the judge assigned, the intention to file the motion must be announced at the time of assignment. An original and one copy of a motion, order, and supporting affidavit must be delivered to the Presiding Judge by the close of business on the next judicial day. Failure to submit all three documents timely, with the copy, will result in sanctions as provided by UTCR 1.090. The requesting party is responsible for serving a copy of the motion, affidavit and unsigned order on the judge being disqualified and each other party to the action who is not in default.
- (2) For Judges assigned by order of the Presiding Judge and the order did not arise at Call or a case assignment or scheduling conference, the following procedures shall apply:
 - (a) If a party is notified at an ex parte appearance of the name of the assigned motion judge and the party intends to disqualify the assigned judge, the party must announce the intent to the Presiding Judge at the time of assignment and deliver to the Presiding Judge by the close of the next judicial day an original and one copy of the motion, order and affidavit. Failure to submit all three documents timely, with the copy, will result in sanctions as provided by UTCR 1.090. The requesting party is responsible for serving a copy of the motion, affidavit and unsigned order on the judge being disqualified and each other party to the action who is not in default.

(b) In any other situation than set out in subsection (a), if a party intends to disqualify the assigned motion judge, that party must, by the close of the next judicial day after receiving actual notice of the judge assigned, appear at ex parte to present an original and one copy of a motion, order, and affidavit. The requesting party is responsible for serving a copy of the motion, affidavit and unsigned order on the judge being disqualified and each other party to the action who is not in default.

(c) If a motion for change of judge under this provision is allowed, the Presiding Judge may assign a replacement judge and announce that assignment at the ex parte presentation required under subsections (a) and (b) above. Actual notice of the new assignment must be provided to all appearing parties by the party appearing at ex parte. If a new judge is not announced at the ex parte proceeding, a written notice of the new assignment will be provided by the court to each appearing party by sending it to the party's electronic or US Postal Service mailing address for purposes of the action.

(3) If a judge is assigned in any other manner, an original and one copy of a motion order and supporting affidavit, must be presented to the Presiding Judge at ex parte by the close of the judicial day following actual notice of the assignment. A copy of the motion, affidavit and unsigned order must be served on the judge being disqualified by the moving party and each party to the action who is not in default.

(4) In small claims, FEDs, violations and misdemeanor offenses, the Presiding Judge may assign a motion for change of judge to another judge for decision.

(5) For purposes of ORS 14.250 et seq. and this Rule, a judge who enters rulings or orders in any arraignment, pre-trial release request at the time of arraignment, pre-trial conference, Trial Readiness Conference pursuant to SLR 7.015, or daily Call pursuant to SLR 7.055, shall not be considered to have ruled on a particular matter within the meaning of ORS 14.260(3). A party shall not waive any right pursuant to ORS 14.250 et seq. as to such judge by failing to move for change of judge at the time of appearance before such judge at any proceeding listed in this paragraph.

7.055 CALL

Call for Civil and Criminal cases; Family Law, Probate, and Juvenile, Small Claims and FED Dockets Kept Separate

(1) Unless otherwise designated or posted, the Presiding Judge shall announce the cases listed on the Daily Trial Call Calendar each judicial day.

(a) Call for Family Law, Probate, Juvenile, Small Claims and FED matters will be conducted separately, as provided in these Rules.

(b) When a jury trial is requested in an FED action, the case will be placed on the civil

Call calendar.

Assignment Times

(2) Unless altered by the Presiding Judge or designee, Call shall be at 9:00 am for all felony offenses and civil matters.

Presiding Judge to assign judge, day and time

(3) Except for cases set to follow, and cases assigned in multiple assignment groups, the Presiding Judge will announce the day and hour that the trial will begin.

Cases set to follow

(4) When a case is assigned to a trial judge to follow another case, the attorney on the case set to follow shall be prepared to commence trial promptly upon the completion of the preceding case.

Standby Cases

(5) A case on the Call calendar may be designated as a standby case at Call proceeding. These cases are assigned later in the day, if judicial time becomes available.

(a) A standby case may be assigned out for the following day prior to 4:00 pm on the day of Call.

(b) If an attorney on a standby case announces to the clerk an inability to go to trial when assignment is made, the case will either be placed on Call the following judicial day or postponed, at the discretion of the Presiding Judge.

Carried Cases

(6) For good cause shown, a case may be carried to the Call docket for the following judicial day.

Abated and Stayed Cases

(7) For good cause shown, the Presiding Judge may abate any case upon motion of counsel or upon motion of the Court. (See Forms 05-32 and 05-38, Pages 101 and 103, Appendix of Forms.)

(a) Unless prohibited by law, an abated case may be dismissed, without prejudice, for want of prosecution following notice by the Court of intent to dismiss pursuant to ORCP 54B(3) two years from the date of the abatement order if the case has not been removed from abated status or dismissed at an earlier time. A case may be removed from abated status upon motion of counsel or on the Court's own motion.

(b) No abated case shall be placed on the trial docket, or be subject to court arbitration or

mediation, or have any motion practice conducted during the period of abatement. Parties may by mutual consent proceed with discovery during the period of abatement or inactive status.

(c) A case will be stayed, rather than abated as provided in this section, by a notice of bankruptcy.

(d) Once a case is reinstated to the active trial docket, the case will be assigned a trial date within 30 days. (See Form 05-33, Page 102, Appendix of Forms)

Duty of Attorney at Call

(8) The attorney of record on a case shall be present at Call, except that:

(a) The attorney may appear via a substitute counsel; or

(b) The attorney may report unconditionally ready in a civil case by telephone to the Call clerk by 4:45 pm on the judicial day immediately preceding the date of Call. A telephoned report as allowed under this section shall constitute a waiver of the right to file a motion for change of judge as to any judge assigned to hear the matter and of the right to object to another party's request made at the time of Call that the matter be postponed.

(c) If an attorney is not present at Call, does not otherwise report to the Court ready on the case, or the Presiding Judge deems the report inadequate or misleading, the Presiding Judge may direct:

(i) The entry of a Judgment of Dismissal, following notice by the Court of intent to dismiss pursuant to ORCP 54B(3), without prejudice, for want of prosecution, an Order of Default, or such other order as may be appropriate under the circumstances including the imposition of sanctions under UTCR 1.090 and jury expenses under UTCR 6.020; or

(ii) That the attorney appear before the Court in person to explain the cause for the non-appearance. The proceeding shall be made a matter of record, and if the Presiding Judge determines that such conduct is willfully inexcusable, such conduct may be considered an act of contempt.

Multiple Case Assignment

(9) Cases on the Call calendar may be assigned in multiple case groups.

Felony Defendants to Appear at Call

(10) All out-of-custody felony defendants shall appear on all Call dates, unless the Presiding Judge directs otherwise.

Cases Specially Set

- (11) The Presiding Judge may specially assign any case.

Advising Presiding Judge

- (12) An attorney may advise the Presiding Judge in open court at the time a case is to be assigned that a particular judge has previously ruled upon some aspect of the case, or has tried a companion case, and therefore is familiar with the issues of the case.

Improper Influencing of Case Assignment

- (13) Except as provided in 7.055(12), no attorney, party, or other person may directly or indirectly attempt to influence the Presiding Judge or court staff to assign a case to any particular judge, or to avoid assignment of a case to any particular judge.

7.056 DISPOSITION OF CASE AFTER ASSIGNMENT TO TRIAL JUDGE, MOTION TO POSTPONE CASE ASSIGNED AT CALL MUST BE PRESENTED TO PRESIDING JUDGE

Once a case is assigned for trial, including as a case set to follow, all matters affecting the trial, except any request to delay the assignment date for trial, are to be presented to the trial judge. The immediate unavailability of the trial judge is not grounds, absent an emergency, to present a matter to the Presiding Judge or any other judge. Requests for a delay of the trial date assigned by the Presiding Judge at Call must be presented to the Presiding Judge only, and shall not be made to the judge assigned for the trial of the action.

7.061 NOTICE TO THE COURT FOR SPECIAL ACCOMMODATION UNDER THE AMERICANS WITH DISABILITIES ACT (ADA)

THE COURT** (New SLR)

- (1) All documents required to be filed with the Clerk of the Court in habeas corpus matters must be filed in the Civil Section of the Office of the Trial Court Administrator and will be assigned a case number for that matter separate from the underlying case if such a case exists in the circuit court. This rule applies to petitions, writs, motions, affidavits, proposed orders, judgments, and any other document regarding the matter. The Civil Section is located in Room 210 of the Multnomah County Courthouse.
- (2) If the petition for the writ of habeas corpus arises from an underlying case in this circuit court, the identity of that case, the caption, and the circuit court’s case number must be set out in the first allegation of the petition. For purposes of this rule, an extradition action pending within the jurisdiction of the circuit court is a “case”.

8.011 SUBJECT MATTER JURISDICTION

The following cases shall be subject to the rules of this chapter: dissolution and annulment of marriages, separation, child and spousal support, filiations, dissolution of domestic partnerships, family abuse prevention, adoption, name changes, and habeas corpus proceedings involving children, civil commitments and such other cases as shall be assigned to the Chief Family Law Judge for case management purposes by the Presiding Judge.

The Family Law Clerks (currently in Room 211) place cases on this docket when the pleadings indicate the case is at issue. On Monday and Thursdays, these matters are abuse prevention restraining order hearings; on Tuesdays, the matters are State child support cases. Early Thursday morning, name change requests are also heard on this docket. The Family Law Rotation does not handle short matters other than these proceedings.

(i) When an individual matter set on the Rotation Docket is expected to last more than 30 minutes, a party shall contact the Family Law Clerk to request that the case be transferred to the Trial Assignment Docket, after notice to the other party. This transfer will be granted but the case will be placed on the Trial Assignment Docket for hearing the same day as the matter would have been heard on the Rotation Docket, unless the parties agree otherwise. The party requesting the transfer must provide written notice of Trial Assignment Docket procedures to the other party and certify this action in writing.

(ii) The request to transfer must be made at least three (3) working days before the date of the scheduled hearing on the Rotation Docket. If the request is made less than three days before the scheduled hearing, the parties must either (a) appear before a Judge assigned ex parte responsibility and request court approval of a late transfer or (b) direct the request to the Rotation Judge at the time of the scheduled hearing.

(3) Matters on the Trial Assignment Docket may be reset twice in the “regular course” by agreement of all parties through the Calendar Unit of the Family Law Clerks. ARegular course@ is a one-month postponement. Other requests to reset a hearing on the Trial Assignment Docket must be made by motion to the Chief Family Law Judge or designee at ex parte, after notice to the other party. If the motion to reset is made at ex parte time, the party requesting the re-set must comply with SLR 8.041(3). Set-over requests of motions assigned to the Judge of the Case shall be heard by that Judge or the Judge’s designee.

(4) Motions to postpone docketed hearings on abuse prevention restraining orders must be in writing and presented to a Family Law Judge. If the motion to reset is made at ex parte time, the party requesting the re-set must comply with SLR 8.041(3). Subsection (2) of this rule applies to requests to transfer an abuse prevention restraining order case from the Rotation Docket to the Trial Assignment Docket.

(5) Motions to modify judgments require written responses from opposing parties within 30 days from the date of service if the motion is contested. If a written response is filed, the Family Law Clerks will set the motion on the Trial Assignment Docket for assignment for hearing and will send notice to all parties of the date set for Trial Assignment for assignment of the motion. If the motion to modify a judgment is filed on a case that has been retained by a specific judge, then the Family Law Clerks will notify the judge. The judge’s staff will set the motion to modify the judgment for hearing and will notify the parties of the date and time of the event; all scheduling issues must be submitted to the judge who retained the case.

(6) The Family Court Services Division may designate a matter as a priority case if custody is in dispute and the child or children will suffer exposure to substantial harm by the existing custodial arrangement. The Director of the Family Court Services Division shall notify the Chief Family Law Judge of the designation and also advise the parties and/or their attorneys. The Chief Family Law Judge will assign an expedited hearing date and shall give priority to such designated cases on the trial docket.

(7) In Domestic Relations cases consolidated with Juvenile cases, all matters will be docketed and heard at the Juvenile Justice Center located at 1401 NE 68th Avenue in Portland, unless the Judge of the Case orders otherwise.

8.013 IN CAMERA REVIEWS

(1) Parties in a domestic relations case seeking an in camera review of documents shall file a motion describing the records to be reviewed, the information the party seeks to obtain from the records, and the authority for the in camera review.

(2) The motion will be placed on the Trial Assignment Docket to be assigned for hearing. If the motion is stipulated, the parties will report to the Family Law Clerks that fact and the estimated amount of time needed for the review when the case is assigned. The Judge receiving the assignment from the Trial Assignment Docket will conduct the in camera review if the motion is granted or stipulated. If the case has an assigned Judge of the Case, the party requesting the review must contact that trial department to schedule a hearing on the motion. The Judge of the Case will make arrangements for another judicial officer to conduct the review, if the motion for review is granted.

(3) Parties seeking in camera reviews shall direct delivery of the documents to be examined to room 131.

8.015 CASE ASSIGNMENT

Case Assignment for Family Law from the Trial Assignment Docket

(1) An explanation and suggested language for the Family Court's Trial Assignment procedures are posted on the Multnomah County Circuit Court's public website at <http://courts.oregon.gov/Multnomah>.

(2) In all cases set on the Trial Assignment Docket, the parties must report in person at the designated courtroom at 9:00 a.m. on the court business day prior to the date of the hearing or trial. The parties shall report at that time the settlement or the time needed for hearing or trial of the case. A party may report information for another party only with the agreement of both parties. The courtroom designated for Trial Assignment is listed daily on the Domestic Relations bulletin board in Room 210. When assignment to a specific judicial officer is made at the time of Trial Assignment, a party desiring a change of judge must inform the judge presiding at Trial Assignment that a Motion to Change Judge will be filed.

(3) Once a case is assigned to a Family Law Judge and the matter is heard for one hour duration or more, that Judge becomes the Judge of the Case unless the judge expressly states to the contrary. All future hearings will be specially set with that Judge's staff. Once a Response is filed, the setting of trials in dissolution cases, etc. will be effected by the parties through the Judge of the Case's Judicial Assistant.

(4) Cases needing status as a "special set" (a case requiring one (1) or more days of judicial time, i.e., six (6) or more hours of court time) will be assigned in advance to an individual judge when a party makes this request to the Chief Family Law Judge or designee.

Advising the Chief Family Law Judge

(5) Any party appearing before the Chief Family Law Judge or designee for purposes of assignment must advise that Judge that a particular judge has previously ruled on some contested aspect of the case.

Improper Influencing of Case Assignment

(6) Except as provided in 8.015(4) above, no attorney, party, or other person may directly or indirectly attempt to influence the Chief Family Law Judge or designee or court staff to assign a case to any particular judge, or to avoid assignment of a case to any particular judge.

8.017 TRIAL SETTINGS FOR DISSOLUTION, ANNULMENT, AND SEPARATION PETITIONS; CASE AGE LIMITATIONS

(1) Immediately upon the filing of any Petition for Dissolution, Annulment, or Separation, the Court will assign a dismissal date 180 days from the date of filing.

(2) If no appearance is made or a default judgment has not been entered by the 180th day, the case will be dismissed for want of prosecution by the Chief Family Law Judge or designee. This dismissal shall be final unless the Chief Family Law Judge or designee, for good cause shown, orders otherwise.

(3) If, prior to the 180-day dismissal date, and upon application to the Chief Family Law Judge or designee by motion and in person at ex parte, good cause is shown, the Chief Family Law Judge or designee may extend the dismissal date.

(4) Cases at issue shall be set for trial. Postponements shall be requested pursuant to SLR 7.035, to the Chief Family Law Judge or designee, but to the Judge of the Case when one exists.

(5) Dissolution, annulment, and separation cases shall proceed to trial within eight months of the date of filing, except upon application at ex parte to the Chief Family Law Judge or designee and after notice to the other party as set out in SLR 8.041(3).

8.021 DOCUMENTS FILED ON CONTEMPT MATTERS INVOLVING REMEDIAL SANCTIONS (New SLR)

All documents filed on contempt matters involving remedial sanctions must comply with SLR 19.021 requiring that such documents be filed separately from those addressing other matters in the underlying case.

8.041 EX PARTE APPEARANCES AND OTHER MATTERS NOT DOCKETED FOR HEARING

(1) Matters Heard Ex Parte

No matter shall be heard ex parte (i.e., without notice to the other side) unless specifically authorized by Oregon statute or court rule. Any motion presented without notice to the other party shall comply with UTCR 5.060 (2) (contain the words “ex parte” in the caption) and shall also cite the specific statute or rule that allows the motion to be presented without notice.

(2) Matters Heard at Ex Parte Time

At least one Family Court Judge is available twice daily (at 8:30 a.m. and 1:30 p.m.) to hear permissible ex parte matters and potentially contested emergency and scheduling motions. The assignment of those judges is posted daily in Room 211. On retained cases, parties should contact the Judge of a Case regarding that Judge’s availability.

(3) Notice Requirements on Ex Parte, Emergency, or Scheduling Motions

Except where a statute or rule explicitly allows an appearance without notice to the other party, a party seeking relief at scheduled or specially-arranged ex parte times must provide two (2) working days notice to the opposing party of the date, time, and court where the relief will be sought. The party seeking relief at ex parte time must provide written certification of the date, time, and manner in which the opposing party was provided notice of the planned appearance as well as the opposing party’s position on the matter to be presented (for example, “Agrees,” “Disagrees,” or other short explanation).

(4) Motions Not Docketed for Hearing

(a) All motions or requests shall be handled under this rule unless they are stipulated, have been scheduled for hearing, are accompanied by a statutorily-required notice regarding the opposing party’s right to request a hearing, or are appropriately heard under SLR 8.041(1-3).

(b) Any motion subject to this rule shall be filed with the court and shall be in a document separate from a proposed order. The motion and a proposed order must be served on all parties entitled to notice. The proposed order must be clearly labeled as a Proposed Order. The motion must contain in bold type in the body of the motion and following the caption the following Notice:

“NOTICE TO PARTY RECEIVING THESE PAPERS: If you disagree with any request in this Motion or Proposed Order, you must file with the Court a written Request for Hearing setting out in specific terms what request(s) you oppose. You must also serve (deliver) a copy of your Request for Hearing to the other party’s lawyer (or to the other party if the other party has no attorney). You must pay any filing fee required by law for filing your Request for Hearing or obtain a court order

waiving (canceling) or deferring (postponing) payment of this fee. You must file this written Request for Hearing no later than fourteen (14) days after this motion and Proposed Order has been served on you. You must include your case number on this Request for Hearing. If you do not file a Request for Hearing within the time allowed, the Court may sign the Proposed Order without further notice to you.”

(c) If no Request for Hearing is filed within the 14 day period, the moving party may present the proposed order on the 17th day after service. The moving party may seek the proposed order during scheduled ex parte time or by mail directed to the court. The proposed order submitted shall contain proof of service including the written certification of the moving party that the motion and proposed order were served in compliance with this rule and that no Request for Hearing was filed by the deadline. The moving party need not provide additional notice to the served party of the moving party’s intent or appearance to seek approval of an order consistent with the motion.

(d) If the moving party is served with a copy of a Request for Hearing objecting to any part of the motion, that moving party shall contact the Family Law Clerks to schedule a hearing date. The parties shall take reasonable efforts to confer with the Family Law Clerks on the setting of the date.

8.044 MOTIONS TO SET ASIDE ORDERS AND JUDGMENTS OF DISMISSAL

Unless stipulated, Motions to vacate (1) Orders of Dismissals when the motion has not been scheduled for hearing and (2) Orders of Dismissal not yet reduced to Judgment are handled under SLR 8.041. Once a Judgment of Dismissal has been entered, parties must comply with ORCP 71 unless they stipulate otherwise.

8.045 See SLR 12.015 regarding mediation in family law cases.

8.046 MEDIATION COMPLIANCE REQUIRED TO PROCEED TO HEARING

(1) No temporary hearing regarding custody or parenting time will be set unless an Order for mediation has been obtained, an Order Waiving Mediation has been entered, or the parties have attended mediation since the filing of the Petition.

(2) When the parties call in to report readiness for a trial setting, if Mediation and Parenting Time Education have not been completed, in cases where child custody or parenting time are at issue, trial will not be set. On cases retained by a Family Court Judge, trial settings sought through that Judge’s judicial assistant will not be set unless mediation has been completed or waived or an Order for Mediation has been entered. Parties confirming trial readiness with that judge’s department will be expected to confirm completion of Mediation and of Parenting Time Education.

(3) For motions to modify child custody or parenting time, a Mediation Order will be a condition to the setting of a hearing date. If any cases come before the court without completion or waiver of mediation, the hearing will be reset and the parties sent to mediation.

8.047 CUSTODY AND PARENTING TIME EVALUATIONS BY FAMILY COURT SERVICES DIVISION

- (1) Evaluations are conducted only by Order of the Court.
- (2) All requests for evaluations require the filing of a Motion for Custody or Parenting Time Evaluation which shall be scheduled on any Friday morning at 8:30 am. The adverse party must be served with such Motion and Order which the moving party may obtain ex parte.
- (3) Parenting time and custody evaluations are not permissible in the following cases:
 - (a) Contempt or parenting time enforcement cases;
 - (b) Cases in which the current matter has been pending for more than 6 months;
 - (c) Cases in which the children are all over 15;
 - (d) Cases in which there has been a professional evaluation within the past two years, except to obtain an update. Updates only will be ordered where there has been a substantial change of circumstances since the completion of the last evaluation;
 - (e) Pending Juvenile Dependency cases;
 - (f) Cases in which the only matter pending is a Family Abuse Prevention Act restraining order;
 - (g) Cases in Probate Guardianship; and
 - (h) Cases in which a parent is in prison.
- (4) At the appearance on Friday morning, the parties shall present to the court a one-page list of reasons why an evaluation is needed.

8.057 WHEN FAMILY COURT SERVICES DIVISION WILL NOT BE REQUIRED OR AVAILABLE TO CONDUCT AN EVALUATION

Under the following circumstances Family Court Services Division will not conduct an evaluation.

- (1) A custody or parenting time evaluation will not be performed without the order of a Family

Court Judge if a case involving the parties has recently been filed in the Juvenile Court.

(2) In cases where there has been a substantial break in the parent-child relationship, a history of abuse or significant criminal history, supervised visits, if any, would be the first step, not an evaluation.

(3) Resources of the Family Court Services Division must not be further allocated to a family. This applies when the family has been the subject of prior evaluations by Family Court Services Division and a conclusion has been reached by Family Court Services Division or the Court that the state of the relationship between the parties is such that the issues require no further consideration by Family Court Services Division. Although not limited to the following circumstances, this applies when:

(a) Closure of the case is in the child's best interest;

(b) A non-custodial parent's actions reflect an unwillingness to accept prior determinations in the case, to the extent that a pattern of harassment has developed;

(c) Both parents have engaged in ongoing, destructive litigation rather than seeking solutions and Family Court Services Division resources have been utilized to the extent that no further benefit could be achieved by continuing Family Court Services Division involvement.

(4) If the Family Court Services Division (or one or more staff members) becomes the subject of a complaint to a professional licensing body, or in the event that an action is filed against Multnomah County based on activity of an employee of Family Court Services Division, there shall be no further involvement of Family Court Services Division with the parties.

8.061 CHILD SUPPORT WORKSHEETS

The child support computation worksheets appended to OAR 137-050-0320 to 137-050-0490 are required whenever a claim for child support has been raised by the pleadings. Even if the parties have agreed to an award of zero support at the time an order or judgment is signed or the court otherwise orders zero support, the worksheets are required to enable the court to make the legally required findings regarding the presumptive amount of support and the reason(s) to rebut that presumptive amount.

8.075 MULTNOMAH COUNTY PARENTING PLAN GUIDELINES

(1) The Fourth Judicial District does not adopt a standardized parenting plan, and the previous "Multnomah County Standard Parenting Time Guidelines" formerly contained in the Appendix to the Supplementary Local Rules are withdrawn.

(2) Oregon law requires that judgments addressing parenting time contain a parenting time plan. The Fourth Judicial District expects that parenting time plans will meet the individual needs and circumstances of children and their families by taking into consideration the following basic parenting principles:

(a) It is usually in a child's best interest to have frequent, meaningful and continuing contact with each parent. It is assumed that each parent nurtures his or her child in important ways which are significant to the development and well being of the child;

(b) Each child and family is unique. In order to meet the individual needs of the child(ren) the parties shall consider the following:

- i. the developmental stage(s) and any special needs of their child(ren),
- ii. the child(ren)'s school and activity schedules, and
- iii. practical factors such as the distance between households, the number of transitions for the child(ren), and any other relevant practical considerations.

(c) A safety focused parenting plan, which may restrict parenting time, shall be considered whenever the family has been experiencing domestic violence, child abuse, serious mental illness, or significant substance abuse issues;

(d) It is usually best for the parties to develop their own parenting time schedule through mediation or with the help of legal counsel. Unless waived by the Court, mediation is required when parents are in dispute about custody or parenting time; and

(e) Changes in the developmental needs of children may require a modification of the parenting plan.

(3) The court recommends the following resources to create an appropriate parenting plan:

(a) The "Basic Parenting Plan Guide for Parents," "Safety Focused Parenting Plan Guide for Parents," or "Long Distance Parenting Plan Form" which are available at <http://courts.oregon.gov/>, or at the Multnomah County Family Law Facilitator's Office, Room 211 of the County Courthouse, and

(b) Other materials, forms and resources available at the following sites:

- i. Multnomah County Family Law Facilitator's Office, Room 211 of the County Courthouse – 503.988.4003
- ii. Multnomah County Family Court Services, Room 350 of the County Courthouse – 503.988.3189
- iii. The Multnomah County Circuit Court Website - <http://courts.oregon.gov/Multnomah/>.

8.077 SUPERVISED PARENTING TIME

For Domestic Relations and Family Abuse Prevention Act cases in which the court imposes the requirement of supervised parenting time, the parties to the case and the supervisor must comply with the following:

- (1) The supervisor is required to explain the rules for supervised parenting time to the parent who is supervised, unless the supervisor knows that the parent was previously informed. This must include an explanation of supervised parenting time rules set forth in any court order or judgment in the case, and any other rules that are necessary due to unique conditions at the designated location or other circumstances that may reasonably impact a successful parenting time experience, as identified by the Judge, the supervisor, or the involved agency;
- (2) The custodial parent is not allowed to be present or to impose additional rules or to make additional demands concerning supervised parenting time;
- (3) Only if accompanied by the supervisor and with the supervisor's express consent, may the supervised parent and children leave the designated location for the supervised parenting time;
- (4) The supervised parent shall not engage in conversation that exposes the child to "adult issues" in the case, especially if the case involves an allegation of verbal abuse or an allegation of attempts to alienate the other parent from the child. The supervisor is required to immediately address the problem with the supervised parent if this rule is violated. If the supervised parent makes additional statements in violation of this rule after the supervisor's admonition, or if the nature of the initial comment is a significant violation of this rule, parenting time on that particular date shall be terminated and the case shall be reviewed by the court to determine whether any further supervised parenting time will be allowed;
- (5) Physical discipline of the child during supervised parenting time is prohibited;
- (6) The supervisor is required to keep the supervised parent within view and within hearing range for the duration of the supervised parenting time;
- (7) The purpose of supervised parenting time is to allow interaction with the child for the benefit of the child. Therefore, the supervised parent is prohibited from initiating or engaging in conversation during supervised parenting time which does not further this objective. The supervisor's role is to prevent the child's exposure to "adult issues" in the case and to discourage any inappropriate communication.

8.085 APPOINTMENT OF COUNSEL FOR CHILDREN

The Court may appoint counsel for children in cases arising under ORS Chapter 107 upon its own motion or upon motion of either party pursuant to ORS 107.425(3), and shall appoint counsel if requested to do so by one or more of the children. A reasonable fee may be imposed by the Court against either or both of the parties or as a cost in the proceedings.

The procedure for appointment of counsel for children in cases arising under ORS Chapters 107-109 shall be as follows:

- (1) In its sole discretion, the Court may appoint counsel for the children on its own motion with or without prior notice to the parties.
- (2) A person requesting appointment of counsel for a child or children must petition the Court for an order setting forth the reasons for such request. After reasonable notice to all parties, the person seeking such appointment shall appear and request an Order Appointing Counsel.
- (3) The Court will appoint counsel where requested to do so by one or more children.
- (4) Orders appointing counsel issued by the Court may contain provision for payment of attorney fees and terms for payment. No Order will be issued until counsel has agreed to accept such appointment upon the fee terms set forth.
- (5) To the extent possible, appointed counsel will represent their clients' legal interests in obtaining a secure, stable home life and a balanced relationship with both parents and will be answerable only to their client and to the Court. The parents or persons having physical custody of the child shall cooperate in allowing counsel opportunity for private consultation with the child or children, including making or assisting with arrangements for the children's transportation to the attorneys' office or some other reasonable meeting place and reasonable phone communication if needed.
- (6) Counsel to be appointed for children shall meet the Court's standards for qualification in family law matters and in the resolution of custody/parenting time issues.

8.125 PARENT EDUCATION PROGRAM

- (1) The following cases are subject to this rule:
 - (a) annulment or dissolution of marriage actions;
 - (b) legal separation actions;
 - (c) petitions to establish paternity, custody or parenting time;

In these cases, the class must be completed prior to entry of judgment unless the court orders a earlier completion date. On post-judgment status quo orders under ORS 107.138, the movant must register for the class prior to the hearing, and complete it if possible prior to the hearing, if the movant did not attend the class prior to judgment.
- (c) Parties who have completed successfully the parent education program once are not required to repeat this program at a later time in order to seek modification of the judgment.
- (3) Notice and instructions to the moving party of this requirement will be provided by the trial court administrator at the time the initial pleadings are filed. The moving party shall serve a copy of such notice on respondent along with the summons and pleadings. The moving party's return of service on the responding party shall indicate service of the notice with the summons and pleadings.
- (4) The fee for the court-offered program may be waived or deferred if the party has obtained a waiver or deferral of fees in the case in chief.
- (5) Each party who successfully completes the Court's program or a pre-approved alternate program, shall submit a certificate of completion to the judge at trial or with documents resolving the matter.
- (6) Upon a showing of good cause, a party may request a waiver of the requirements of this Rule. The request must be made by motion, supported by affidavit, and filed within 15 days of receipt of the Trial Court Administrator's notice.
- (a) "Good Cause" includes that the party lives more than 100 miles from Portland or is in poor health.
- (b) If good cause is found, the court may require the party excused to view video materials having the same or similar information.
- (c) The fact that one party is relieved from the requirements of this Rule, does not form a basis for excusing the other party.
- (7) Court action in these cases shall not be delayed by a party's refusal, failure or delay in registering for or completing this program or the failure to comply with the requirements of this Rule, unless the noncomplying party is the moving party. Upon a party's failure to complete the education program successfully or failure to comply with the requirements of this Rule, the court may take appropriate action including but not limited to denial of the relief sought by that party, or

proceedings for contempt.

CHAPTER 12

MEDIATION

12.015 FAMILY-LAW MANDATORY CUSTODY OR PARENTING TIME MEDIATION; VOLUNTARY MEDIATION; GOOD FAITH REQUIRED; WAIVER

Mandatory Mediation

- (1) Any formal action filed in Circuit Court involving a controversy over custody of or parenting time for minor children, including contempt disputes involving parties who are non-parents, shall be subject to mediation. However, for parties to a Family Abuse Prevention Act order, mediation will occur only on the request of the petitioner to the FAPA proceeding.
- (2) The Court may decline to hear a custody or parenting time dispute until and unless the parties have participated in mediation which has not resolved the issues between them. The Court may order mediation on its own motion.
- (3) The provisions of this Chapter shall not apply to those cases specifically exempt from mediation requirements by statute.

Waiver of Mandatory Mediation

- (4) A party may seek waiver of mandatory mediation for good cause. Such waivers will be allowed only after a showing of danger or other compelling circumstances. In the absence of an order waiving mediation, all matters including contempt, cases with an out-of-state party or parties where Oregon has jurisdiction over the case, and cases involving allegations of sexual abuse and physical abuse where there is no active Juvenile Court or State Office of Services to Children and Families involvement will be referred to mediation and a custody/ parenting time study.

Request for mediation

- (5) Mediation may be requested by stipulation of the parties or upon request of one party.
 - (a) **Commencement of Mediation by Stipulated Request for Mediation.** If there is a disagreement between the parents concerning custody or parenting time at any stage of a domestic relations proceeding, both parents, or their attorneys may sign and file with the Court a Stipulated Request for Mediation and a Custody Parenting Time Study in substantially the same form as provided by the Court. The parents will be referred to the Family Court Services Division for mediation, or the parents may agree and stipulate to an independent mediator in their Stipulated Request for Mediation.
 - (b) **Commencement of Mediation by Request for Mediation by One Parent.** If there is a

disagreement between the parents concerning custody or parenting time at any stage of a pending proceeding subject to mandatory mediation under this rule, either parent seeking to resolve the matter must file with the Court and serve upon the other parent, or his/her attorney, a Request for Mediation in substantially the form as that prescribed by the Court. The moving party shall obtain the date for appearance for mediation orientation from the Family Law Department or through Family Court Services.

Temporary Support

(6) If the parents cannot agree on the amount of support to be paid by one to the other, and they are also in dispute as to custody and/or parenting time, upon the request of the parents, the mediator may assist in resolving the support issue as well.

Temporary Custody and Parenting Time Orders

(7) At any point during mediation, the Court may approve a Temporary Custody and Parenting Time Order reflecting the parents' agreement as to the issues. If the agreement is reached through mediation by the Family Court Services Division and prepared by one of its counselors, the counselor shall hold the signed agreement for seven calendar days from the date of the last signature and mail notice of the agreement to the parties and their attorneys, if known to the Family Court Services Division. The counselor shall forward the signed agreement to the Court for approval unless, within that time period, the counselor receives written notice of a party's repudiation.

Duration of Mediated Orders

(8) If the parties agree in Mediation through the Department of Family Services (hereinafter Family Services), that agreement shall be reduced to writing and, after the waiting period provided in the SLRs, made an Order of the Court.

If such agreement is reached after a domestic Relations case has been filed but prior to the taking of a judgment, the duration of that Order shall be temporary and, if not reduced to final judgment, will be dismissed if the underlying proceeding is dismissed.

If an agreement is reached after the filing of a Motion to Modify, it will be reduced to an Order which is final and binding on the parties if there are no other issues before the court except those addressed in the Agreement. If there are other issues, the form of Order described above for a temporary duration Order shall be entered.

Good Faith Required

(9) Mediation shall not be used by any parent in bad faith for the purposes of delay or resolution of other issues. If the Court finds at any time that the mediation process is being misused, it may determine that mediation has been unsuccessful.

Unsuccessful Mediation

(10) In the event the parents are not successful in mediating the custody or parenting time controversy, the mediator shall notify the Court. The matter will be scheduled for hearing in the same course and with the same priority on the docket as though there had been no mediation.

Jurisdiction

(11) The Court on its own motion may order parties to mediate their disputes.

(a) The Court may order parties to mediation when the parties have a closed or open case in Multnomah County, as evidenced by a case number, if the parties are not the subject of a Family Abuse Prevention Act order, and:

- (i) The custody or parenting time dispute has arisen prior to the entry of a Judgment of Dissolution, Separation, Annulment or Paternity; or
- (ii) The Judgment of Dissolution, Separation, Annulment, or Paternity has been entered, and a parenting time dispute has arisen; or
- (iii) The Judgment of Dissolution, Separation, Annulment, or Paternity has been entered, and a custody dispute has arisen and a Motion to Modify Custody has been filed with an Affidavit setting forth allegations sufficient to support a claim of change of circumstances; or
- (iv) An action alleging a violation of a custody or parenting time order has been filed; or
- (v) An action alleging a violation of a custody or parenting time by a parent or a party who is a non-parent has been filed.

(b) As a rule, the Family Court Services Division will decline to mediate or evaluate the parties when:

- (i) There is a pending Juvenile Court petition regarding the child or children in question; or
- (ii) Temporary or permanent custody or wardship of the child or children in question has been granted to the Department of Human Services; or
- (iii) The Juvenile Court has assumed temporary or permanent jurisdiction over the child or children in question.

(c) A domestic relations case filed in the Circuit Court remains under the jurisdiction of that Court in all phases of the proceedings, including mediation. The Court which refers a case to mediation may set, in its referral order, the limits of the mediator's scope of authority in the case.

12.016 See SLR 8.125 for the mandatory Parent Education Program

12.021 MEDIATION COMMISSION

- (1) There is established a mediation commission which includes judges and attorneys, some of whom have experience as a mediator, non-attorney mediators, and the presiding judge and the trial court administrator are ex officio members.
- (2) All members shall be appointed by, and serve at the pleasure of, the presiding judge for two year terms.
- (3) The functions of the mediation commission are to review the qualifications and training of applicants seeking to be identified as court-connected mediators under CJO 05-028, to make recommendations to the presiding judge or designee on the inclusion of such applicants on court-maintained lists, and to monitor the continuing qualifications of mediators included on such lists.

12.022 COURT-CONNECTED MEDIATOR LISTS ESTABLISHED

The court will maintain lists of mediators who have met the qualifications established in the Oregon Judicial Department Court-Connected Mediator Qualifications Rules, adopted by CJO 05-028. Separate lists shall be maintained for general civil mediators, domestic relations custody and parenting mediators, domestic financial mediators, probate mediators, and other subject areas as approved by the presiding judge. The lists of mediators will be published on the circuit court's web site at http://courts.oregon.gov/Multnomah/General_Info/Civil/listofapprovedmediators.page?.

12.023 APPOINTMENT TO COURT-CONNECTED MEDIATOR LIST

- (1) A mediator seeking inclusion on one or more lists must sign and file an application provided by the court for inclusion on the list of court-connected mediators. The presiding judge or the presiding judge's designee may require substantiation of any information submitted on the application. The commission may contact any program or individual referenced in the application or any other resource necessary to make a recommendation to the commission.
- (2) The mediation commission shall review each application and make a recommendation to the presiding judge or designee.
- (3) Appointments to any list shall be at the discretion of the presiding judge or designee. Inclusion on the list shall in no way establish any requirements for compensation for mediators, except as provided in SLR 12.025, nor serve as an endorsement or warranty of the mediator by the court.
- (4) The presiding judge or designee may remove a mediator from any court-connected mediator list if the mediator is no longer qualified under the Oregon Judicial Department Court-Connected Mediator Rules, upon the recommendation of the mediation commission, or upon the written request of the mediator or agent, if the mediator is unable to make such request.

(5) Qualified court-connected mediators will be identified as such to the public, together with contact information for such mediators. The initial applications of qualified court-connected mediators, as well as amended or supplemental applications, will be available for review by the public.

12.025 ALTERNATE MEDIATION PROCEDURE IN CIVIL AND DOMESTIC RELATIONS ACTIONS SUBJECT TO 36.400 TO 36.425

(1) Mediation, as used in these rules, is a facilitated negotiation process in which a neutral third-party assists the parties in attempting to reach a resolution of their controversy. The mediator has no authority to make a decision or impose a solution.

(2) On the parties' written stipulation, filed with the court at any time prior to the commencement of the arbitration hearing, the parties may elect to mediate (pursuant to ORS 36.185 to 36.238) rather than arbitrate any civil or domestic relations case subject to mandatory arbitration under 36.400 to 36.425. Such mediation shall be accomplished within the same time period required for court-annexed arbitration under these rules. If the parties mediate in good faith, they shall be deemed to have met the requirements for 36.400 to 36.425 and SLR 7.075 whether or not the mediation results in resolution of all claims, and shall not thereafter be required to submit to arbitration. Nothing in this rule, however, precludes the parties from entering into arbitration in the event that mediation is unsuccessful in resolving the controversy. Any such request to arbitration after mediation shall be governed by Chapter 13 of these Supplemental Local Rules.

(3) If no arbitrator has been selected or assigned at the time of the filing of the stipulation to mediate, the parties select a mediator by stipulation.

(4) If an arbitrator has already been assigned at the time of the stipulation to mediate, the arbitrator shall be informed immediately, and shall be compensated, pursuant to UTCR 13.120 and the Supplementary Local Rules, for any time already invested in the case.

(5) If the parties select a mediator who is not qualified under the Oregon Judicial Department's Court-Connected Mediator Qualification Rules, they shall be deemed to have waived any protections under those rules.

(6) Unless the parties agree to different compensation, the mediator is to be compensated pursuant to UTCR 13.120, the Supplementary Local Rules, and the hourly rate established by the arbitration commission.

(7) If requested by the mediator, the parties shall supply to the mediator a statement of the nature of the case, the status of settlement negotiations, and any other information requested by the mediator or deemed helpful by any party for the resolution of the dispute. This must be supplied to the mediator at least one day prior to the scheduled mediation.

(8) Within five days of the conclusion of the mediation, the mediator shall file with the court a

report, together with proof of service of the report upon each party, stating the status of the action following mediation as either “settled” or “not settled.” If settled, the terms of the settlement may be stated in the report, unless the parties have agreed that the terms shall be kept confidential. A written statement of the terms of the settlement signed by the parties and/or their attorneys shall be retained by the mediator. A written settlement agreement or memorandum of agreement shall be admissible to prove the settlement under to ORS 36.220 to 36.238. If the mediator’s report is “settled” the parties must, within 30 days of the filing of the report being filed, submit to the Presiding Judge a stipulated judgment as the final order in the action. If the mediator’s report is “not settled” the action will be assigned an initial trial date and will proceed on the court’s civil calendar.

(9) In the event any party fails to mediate in good faith after signing a stipulation for mediation pursuant to this rule, the Court may assess as costs any other party’s costs necessarily incurred in the mediation, in any subsequent judgment.

(10) The mediation proceedings described by this rule are compromise negotiations for purposes of ORE 408 (ORS 40.190) and are confidential under ORS 36.220 to 36.238.

12.035 MEDIATION IN SMALL CLAIMS ACTIONS; FAILURE TO COMPLY WITH SETTLEMENT

(1) All small claims actions shall go to mediation orientation before going to trial.

(2) Agreements reached while in mediation shall be signed by the parties and filed as stipulated orders.

(3) Failure of either party to abide by the stipulated order will be grounds for the opposing party to file an Affidavit of Non-Compliance and obtain a judgment on the original claim, without further hearing.

12.045 MEDIATION IN PROBATE PROCEEDINGS

(1) Scope and Objectives. Probate proceedings shall be subject to mediation in accordance with these rules.

(a) Unless excluded below, all matters in Chapters 111 to 116 and 125 to 130 of the Oregon Revised Statutes under the jurisdiction of the Circuit Court shall be subject to mediation. These include protective proceedings, gifts, trusts, health care directives, powers of attorney, probate estates and estate matters outside of probate.

(b) The following matters are excluded from mediation: temporary protective proceedings under Chapter 125.

- (c) If there is a dispute about whether a specific matter is subject to mediation under these rules, a court shall make the determination and shall rely on the policy to encourage the use of mediators in alternative dispute resolution and to discourage litigation.
 - (d) Mediation shall occur with the objectives of allowing parties to air their grievances informally, craft personal and creative solutions, forestall future possible disputes, work in an atmosphere that is outside of the formal rules of the courtroom, and to save on the expense of the judicial process.
- (2) Presentation for Mediation
- (a) Matters may be assigned for mediation by order of the court on its own motion.
 - (b) Matters may be mediated by agreement of all of the parties or notice by any party. A party may notice mediation without court permission.
- (3) Nothing in these rules shall prevent:
- (a) Matters from being mediated before the filing of a legal proceeding except that the court cannot be used to resolve disputes in the mediation unless a legal proceeding is filed; or,
 - (b) Parties from settling disputes without mediation or through settlement conferences.
- (4) Procedure – In cases subject to mediation under these rules:
- (a) The parties shall initiate the mediation process upon the filing of an objection or other responsive pleading setting a matter at issue. A court may notify the parties with a court notice of the mediation requirements.
 - (b) A party may notice a mediation by serving a written notice of mediation on all other parties stating that the party has elected to mediate the matter pursuant to these rules. The Notice shall include a plain and concise statement of the facts that inform the parties and the court of the questions in dispute. The Notice may be substantially in the form set forth as Appendix (See Notice Form, Page 121, Appendix of Forms) to these rules.
 - (c) The parties or one of them, if by agreement, shall provide a status report to the court within thirty (30) days of the filing of the objection or other responsive pleading setting a matter at issue. The status report shall include the dispute resolution plan, any request for a settlement conference, whether there is a pending motion to waive mediation or a request for a hearing date.
- (5) Waiver of Mediation. If a party determines that mediation is not appropriate in the matter at issue, the party may move to waive mediation and serve the motion on all other parties. The motion shall include a plain and concise statement of the facts so as to inform the parties and the court of

why the party is objecting to mediation. The Motion to Waive Mediation may be substantially in the form set forth as Appendix (See Motion Form, Page 123, Appendix of Forms) to these rules.

- (a) A motion to waive mediation must be made within fourteen (14) days of the court notice or the pleading setting the matter at issue. The motion may be accompanied with pleadings necessary to set the substantive issues before the court.
 - (b) The court may set a hearing on the motion to waive the mediation for no later than fourteen (14) days from the filing of the motion and shall notify all parties.
 - (c) A court hearing on a motion to waive mediation shall order that mediation proceed except for good cause shown. If the court determines that the matter should not be subject to mediation, the court shall set the matter for a hearing on the substantive questions in dispute.
- (6) Other Procedure
- (a) The court may modify the times for notice and objection if a party is unrepresented by legal counsel or for good cause shown. A modification can be retroactive.
 - (b) The calculation of the timelines under these rules shall be made in accordance with ORCP 7D(2)(d)(ii).
 - (c) Service of pleadings shall occur as set forth in Chapters 111 to 116 and 125 to 130 or shall be governed by the Oregon Rules of Civil Procedure. Proof of service of pleadings required by these rules shall be filed with the court with a copy of the pleading.
 - (d) In the event the times set forth in these mediation rules prejudice a party's statutory rights, the court shall provide relief for the party if the relief is consistent with the fair adjudication of disputes.
 - (e) If there is a dispute about whether or not an attorney or other advocate should be present at mediation under these rules, a court shall make the determination and shall rely on the policy to encourage the use of attorneys and advocates.

(7) Choice of Mediator

A mediator shall be chosen by the parties or the court as follows:

- (a) By stipulation of the parties.
- (b) If there is no objection to mediation, each party shall provide all parties a list of acceptable mediators within fourteen (14) days of pleading setting the matter at issue.

(c) If there is an objection to mediation and a court determination that mediation shall proceed, each party shall provide all parties a list of acceptable mediators within seven (7) days of the order on the objection.

(d) The parties shall make a good faith effort to find a mutually agreeable mediator. Once a mediator is chosen by the parties the noticing party shall inform the court of the mediator's name and address.

(e) If the parties cannot agree to a mediator within seven (7) days from the date the list was required to be furnished, a party may file a motion to appoint a mediator. That motion must be served on all parties and any party may file a response with a list of their choice of mediators and a plain and concise statement of facts about why one of the mediators on their list should be appointed. The court shall appoint a mediator qualified under paragraph (8) (b) of this rule that appears on the list of at least one party and is not required to hold a hearing.

(8) Qualification of Mediator

(a) A mediator qualified for probate mediation must be: (i) An attorney licensed to practice before the courts of this state having at least five years of experience in estates, trusts or protective proceedings, (ii) an individual with special skill or training in the administration of estates, trusts or protective proceedings, or (iii) an individual with special skill or training as a mediator.

(b) A mediator appointed by the court rather than by agreement of the parties shall also (i) comply with the Oregon Judicial Department Court-Connected Mediator Qualification Rules and (ii) have attended the Multnomah County Probate Department mediation training.

(c) The mediator shall not have an interest in any of the issues subject to dispute and shall not be related to a party.

(9) Date for Mediation

Upon the designation of a mediator by the parties or the court appointment of a mediator, the mediator and the parties shall establish a date for the mediation. If a date cannot be agreed upon within fourteen (14) days of the designation or appointment of the mediator, a party may move the court to set a date for the mediation and the procedure shall be substantively similar to that for the appointment of a mediator in Rule 12.045(7)(E).

(10) Duration of Mediation

Parties to mediation shall mediate in good faith. In all cases the mediation must last at least three (3) hours unless the matter is conclusively resolved in less time or if the mediator concludes that no progress is likely to occur.

(11) Mediation Agreement. A resolution of the matter that is the subject of the mediation shall be

memorialized in writing and signed by the mediating parties. Subject to the waiting period set forth below, the agreement shall be binding on all signors.

- (a) Each party to the mediation shall have seven (7) days to repudiate the agreement. A repudiation shall be in writing. Parties may agree to eliminate or change the period of time during which repudiation may occur.
- (b) After seven (7) days or such different time period as the parties may agree, the parties to the agreement shall reduce it to a court order or judgment for approval of the court.
- (c) If a party repudiates the agreement, the party shall immediately inform the mediator and all parties and the mediator or any party shall inform the court. The matter shall be scheduled for hearing by the court in the same course and with the same priority on the docket as though there had been no mediation.

(12) **Costs of Mediation.** Costs of the mediation, including reasonable compensation for the mediator's services, shall be borne equally by the parties unless the parties agree otherwise.

- (a) The details of mediation costs and fees, including the compensation of the mediator, must be set forth in a mediation agreement between the mediator and all parties to the matter.
- (b) Nothing in these rules is intended to affect a party's right to petition for payment or reimbursement of fees and costs pursuant to another rule or statute in the underlying matter.
- (c) A party shall not be kept from mediation due to indigency and the court shall establish procedures for mediation when there is an indigent party.

(13) **Compliance**

If a party does not comply with these rules, any other party may move the court for an order compelling compliance. A party obtaining an order compelling compliance is entitled to reimbursement of costs and attorneys' fees incurred in connection with the compliance proceeding unless the court at the hearing determines otherwise for good cause shown. Reimbursement must be from the party or parties whose failure to comply was the basis for the petition.

CHAPTER 13

ARBITRATION

13.025 REQUEST FOR AND OBJECTIONS TO ARBITRATION

- (1) Any party may file and serve notice of a request that the Court transfer a case to arbitration.
- (2) A party opposing exemption from arbitration pursuant to UTCR 13.070 shall file such opposition, in writing, within three days of the filing of the motion for exemption. A Court decision on such exemption will be rendered within five days following the filing of a motion for exemption from arbitration, regardless of whether opposition was filed. If the motion is allowed, the case will be returned to the active trial docket for future disposition. If the motion is denied, the case will remain in arbitration in accordance with these rules and the UTCR.

13.032 SUBMISSION OF COPIES OF MOTIONS AND OTHER DOCUMENTS TO CHIEF ALTERNATIVE DISPUTE RESOLUTION JUDGE

For cases subject to arbitration, and except for motions requiring decision by the arbitrator, any motion, challenge, response or reply required or allowed by these rules, the Oregon Revised Statutes or the Uniform Trial Court Rules, must include a copy which shall be delivered to the Chief Alternative Dispute Resolution Judge contemporaneous with the filing of such motion, challenge, response or reply. The party preparing the document is responsible for delivery of the copy to the Chief ADR Judge.

13.035 COURT SHALL DETERMINE WHETHER CASE IS SUBJECT TO ARBITRATION; AMENDMENT OF PLEADINGS

- (1) A case assigned to arbitration will not be exempted without an order, supported by a motion and affidavit, declaration, or certification under ORCP 17C.
- (2) Only in extraordinary circumstances will the Court order a case returned from arbitration to the Court docket after a case has been assigned to an arbitrator.
- (3) In the event that amended pleadings are allowed by the arbitrator (e.g., amended complaint, third-party complaint, etc.), in which a party or parties will be added to the case, or which causes the case not to be subject to mandatory arbitration, the party filing such an amended pleading must notify the Arbitration Clerk in the Civil Division of the Office of the Trial Court Administrator and file the amended pleadings, together with the Arbitrator's Order allowing such amended pleadings, with the Court. Amendment of the pleadings in the foregoing manner does not, by itself, remove a case from arbitration.

(4) If a party seeks to exempt a case from arbitration in accordance with subsection (3) of this rule, or on any other basis, or seeks an order exempting from arbitration a case that would otherwise be referred to arbitration, that party shall file a motion, supported by affidavit, declaration or certification, with the court, and serve the motion:

- (a) on the other party or parties in the case;
- (b) on the arbitrator, if an arbitrator has been assigned to the case; and
- (c) on the Arbitration Clerk in the Civil Division of the Office of the Trial Court Administrator.

(5) A party that moves for an order under subsection (4) of this rule shall promptly advise the arbitrator in the case, if one has been assigned, of the resolution of the motion.

(6) Cases exempted from arbitration under this rule may, when again appropriate, be reinstated into arbitration.

13.042 ASSIGNMENT TO ARBITRATION

If the first appearance of a defendant is not an answer, but is a motion directed to the complaint or a dispositive motion, the motion shall be decided before the case is assigned to arbitration. No case shall be assigned to arbitration until all parties have appeared or have had a judgment of default entered against them. If a case has been assigned to arbitration prior to the filing of a motion directed to the complaint or a dispositive motion, the motion shall be heard and decided by the arbitrator pursuant to UTCR 13.100.

13.048 INDIGENT PARTIES

(1) In the event that funds are available under ORS 36.420 for the payment of fees that are waived or deferred, the arbitrator shall be reimbursed after completion of the arbitration, filing of the arbitration award, and submission of a request for payment to the Trial Court Administrator. Such request shall be in the form of a certificate stating the identity of the case, the total hours of service the arbitrator provided, and the share of those hours chargeable to the indigent party. If funds are available, reimbursement will be provided for the hours authorized by the court under the UTCR 13.120 (1) compensation schedule for each indigent party. The certificate must be accompanied by a copy of the order deferring or waiving fees of the indigent party. Requests for payment should be submitted with the award or within 90 days of the submission of the arbitration award.

(2) In the event funds are not available under ORS 36.420 for the payment of fees that are waived or deferred by court order, a party may request that the clerk provide to the parties a list of arbitrators who have agreed to serve for no compensation, for compensation from one party only, or at a reduced rate.

(3) The clerk shall provide names of available arbitrators, but no arbitrator is required to serve unless he or she has agreed to such alternate fee arrangement.

13.055 ARBITRATORS

(1) To qualify as an arbitrator, a person must sign and file an application to be placed on the list of arbitrators, and, if not a retired or senior judge or stipulated non-lawyer arbitrator, be an active member of the Oregon State Bar at the time of each appointment. The Chief Alternative Dispute Resolution Judge may remove a person as an arbitrator if such person fails or refuses to comply with the rules governing the performance of arbitrators, as required by the Oregon Revised Statutes, UTCR or these rules. The Arbitration Commission may adopt additional requirements for inclusion or retention on the list of arbitrators, including experience, training and continuing education.

(2) There shall be a panel of arbitrators in such number as the Arbitration Commission may from time to time determine. Persons desiring to serve as an arbitrator shall submit in writing their desire to be placed on the arbitration panel, with the date they were admitted to the Bar, their name, street address, email address, fax, and phone numbers, and if they have any preference against certain types of cases (e.g., no family law). A list showing the names of arbitrators available to hear cases will be available for inspection in the Room 210 of the Multnomah County Courthouse. An arbitrator who is no longer willing or able to serve as an arbitrator shall immediately notify the arbitration clerk.

(3) The appointment of an arbitrator is subject to the right of that person to refuse to serve on an individual case. An arbitrator must notify the clerk immediately if refusing to serve, or if any cause exists for the arbitrator's disqualification from the case upon any of the grounds of interest, relationship, bias, or prejudice governing the disqualification of judges.

(4) If such disqualification or refusal occurs, the arbitrator must notify all parties and immediately return all appointment materials in the case to the clerk.

(5) The parties shall confer, pursuant to UTCR 5.010, to select an arbitrator. The plaintiff or petitioner shall initiate communications for such selection. However, if the plaintiff or petitioner is appearing pro se, an attorney for the defendant(s) shall initiate such communications. If all parties are appearing pro se, or if good faith conference is unsuccessful, each party shall strike 2 names from the list of arbitrators, and return such list to the Chief ADR Judge, with a copy to and proof of service on the other party or parties. The Chief ADR Judge shall then select the arbitrator from the remaining names. In the event no names remain, the Chief ADR Judge may approve the issuance of a second list.

13.065 STIPULATIONS

No agreement or consent between parties or lawyers relating to the conduct of the arbitration proceedings, the purpose of which is disputed, will be regarded by the arbitrator unless the

agreement or consent is made at the arbitration hearing or is in writing and signed by the lawyers or parties.

13.071 UNTIMELY FILED MOTIONS TO EXEMPT FROM ARBITRATION

If a party moves the court for an order of exemption from arbitration, pursuant to the provisions of ORS 36.405(2)(b) and UTCR 13.070, more than 14 days after the court's notice to the parties that the case has been assigned to arbitration, the court may allow such motion and enter an order under ORS 36.405 (2)(b), but only upon the condition that the parties have elected to comply with SLR 12.025 or are not in violation of SLR 7.075.

13.075 See 12.025 et seq. for mediation as an alternative to arbitration.

13.085 FILING AWARD

(1) The arbitrator shall not file an arbitration award with the court until the issues of attorney fees and costs have been determined. The arbitrator shall certify on the award that no issues of costs or attorney fees remain undecided upon filing of the award. Unless otherwise ordered by the court, no amended or supplemental arbitration award shall be filed, regardless of whether judgment has been entered on the original.

(2) At the conclusion of arbitration, if the arbitrator attempts to file the award with the Court without the proof of service of a copy of the decision and award upon each party as required by ORS 36.425(1), the award will not be filed and will be returned to the arbitrator.

13.165 TIME FOR ARBITRATION HEARING - 91 DAY TIME PERIOD PURSUANT TO UTCR 13.160 (2)

Pursuant to UTCR 13.160 (2), except for good cause shown, the hearing must be scheduled to take place not later than 91 days, measured from the date of assignment to arbitration. With the exception of applying this 91 day time period in place of the 49 day time period set in UTCR 13.160 (3), all other requirements of UTCR 13.160 (3) and (4) apply to the scheduling, postponement or continuance of an arbitration hearing.

13.255 RETURN OF WRITTEN NOTICE OF APPEAL AND REQUEST FOR TRIAL DE NOVO SUBMITTED FOR FILING BEYOND THE TIME PERMITTED

A written notice of appeal and request for a trial de novo received by the trial court administrator for filing beyond the time for filing such a notice under ORS 36.425 and, if applicable, ORCP 10 C, may be returned by the presiding judge, or a designee judge, to the party who submitted the

document, with an order, copied to all parties, stating the finding that the document was received beyond the time permitted by law. A copy of the returned notice of appeal and request for trial de novo will be attached to the filed original of the order as a record of the submitted document, but will not be filed separately in the action.

 - (a) The defendant may file a written plea no contest and pay the base fine amount on the summons, or, if available, the fine established by the Violation Bureau, by mailing the written plea and a check or money order for the fine to the Court. The plea and payment must reach the Court on or before the arraignment date.
 - (b) The defendant may enter a written plea no-contest and submit a written explanation of the incident in mitigation of the penalty. A check or money order for the amount indicated on the summons must be included. The letter and plea must reach the Court prior to the arraignment date.
 - (c) Except for violations based on photo radar or photo red light enforcement (ORS 810.434 through ORS 810.439), the defendant may appear, enter a plea of not guilty, and sign a waiver of the defendant's right to have testimony presented orally, as provided in ORS 153.080. (See Form 06-45, Page 107, Appendix of Forms.) The waiver shall be on a form provided by the Criminal Division of the Trial Court Administrator's Office. The waiver shall include an agreement to pay, within 30 days after receiving notification from the court, any fines and fees imposed by the court following review of the case. At the trial, any witness, including the defendant, may have the witness' testimony presented to the Court by affidavit and need not appear personally.
 - (d) The defendant may enter a written plea of not guilty and request that the matter be set for court trial. Any defendant electing to proceed under this subsection must verify his or her residence address and current mailing address. Defendants may request a court trial either in writing, mailed to the Court, or in person. The request must be received on, or prior to, the arraignment date. The notice and plea must be signed by the attorney and the signed original notice must be filed prior to the date of the first appearance set on the summons.
- (2) If a defendant is to be represented by an attorney at trial on a violation, and a notice of representation has not been filed previously, notification in writing of such representation together with proof of service on the District Attorney must be filed. - (3) Letters submitted for filing under this rule may not be submitted by facsimile transmission (FAX).

16.085 POSTPONEMENTS

or in written form signed by the party. If the request is made in written form, the request must be received by the Court at least two judicial days prior to the original arraignment date. Prior to the arraignment date specified in the summons, the defendant may select one of the options described in SLR 16.025(1) as an alternative to requesting a postponement.

- (b) Arraignments for cases cited to appear in a Community Court may not be postponed.
- (c) Personal appearances for the purpose of requesting a postponement of an arraignment must be made at the location specified in the citation.
- (d) Requests made in written form for a postponement must be delivered for filing to the Circuit Court at:
 - (i) 1021 S.W. 4th Ave, Room 106, Portland, Oregon 97204 for cases cited to appear in the downtown court facility; or
 - (ii) 18480 SE Stark Street, Portland, OR for cases cited to appear in the East County Courthouse.

(2) Court Trials

(a) A party's first request for a postponement of a court trial must be made in written form signed by the party and received in the Criminal Calendaring Section at the downtown courthouse, or the East County Courthouse if the violation was filed in the East County Courthouse, more than 14 calendar days prior to the scheduled trial date.

(b) Subsequent requests for a postponement of a court trial must be made by personally appearing in court or in written form signed by the party. The motion must demonstrate good cause for the request in order to be granted.

(i) If the request is made in written form, the request, along with proof of notification of the request for postponement to the opposing party, must be received by the Court at the locations listed in paragraph (1)(d) of this rule more than 14 calendar days prior to the scheduled trial date.

(ii) Requests made in person shall be submitted ex parte in courtroom 112 of the downtown courthouse, or in the East County Courthouse if the case is cited to appear in that facility, at 8:30 am or 1:30 pm, Monday through Friday when court is in session.

The notice must specify whether the postponement request will be made in written form or by personal appearance. If the request is to be submitted by personal appearance, the party must provide notice to the opposing party of the date, time and location of the appearance, and indicate that the opposing party may appear to contest the request. The opposing party may contest the request either in written form delivered for filing to the appropriate court location, as defined

in (1)(d) above, more than eight days prior to the date of the ex parte appearance, or in person by appearing at the ex parte hearing to contest the opposing party's request for the postponement.

(3) Notice to Parties of Postponement

When the court grants a postponement, the court will notify all parties to the action. If the postponement is granted in open court, parties personally present are deemed notified. Any witnesses must be notified of the postponement by the party intending to call the witnesses.

(4) Requests for an order for postponement of an appearance may not be submitted for filing by facsimile transmission (FAX).

16.195 SETTING ASIDE DEFAULT JUDGMENTS

A defendant against whom a default judgment is entered may file a motion for relief from default judgment, within a reasonable time, not to exceed one year. The Court requires a written motion for relief, accompanied by an affidavit setting forth facts which demonstrate that the failure to appear or to exercise one of the options described in SLR 16.025, was due to mistake, inadvertence, surprise or excusable neglect. At the time the motion for relief is filed, the defendant must pay to the court the amount of the fine imposed in the judgment. The payment requirement may be waived by the Court for good cause. A motion for relief cannot be filed until the payment is made or waived. The court may rule on the motion without a hearing or may require the defendant to appear and present oral argument.

CHAPTER 17

PARKING VIOLATIONS

17.015 PARKING CITATIONS - DEFENDANT'S APPEARANCE

- (1) A person receiving a parking citation has three options to appear:
 - (a) Plead guilty by paying in full the bail indicated on the citation, either by paying on-line, mailing or personally delivering the payment, together with the citation, to the Multnomah County Courthouse. All payments in full must be received within 30 days of the date of violation.
 - (b) Mail the full amount of the bail applicable at the time of the request, together with the citation and a letter of explanation to the Multnomah County Courthouse, requesting a judge to make a determination. The court may refund the bail or forfeit all or part of it.
 - (c) Request a court hearing either by letter or by personally appearing at the Parking Section of the Criminal Division located in the Multnomah County Courthouse. All such requests must be accompanied by a check or money order for the full amount of bail applicable at the time of the request. Bail is forfeited if the person fails to appear at the hearing.
- (2) The bail amount set on a parking citation will double after 30 days from the date of issuance of the citation if the defendant has not appeared in a manner indicated by this rule. A partial payment of the bail does not constitute an appearance under this rule.
- (3) An Order for impoundment of a vehicle may be issued in the manner set forth in SLR 17.035 if the defendant does not appear in a manner indicated in this Rule.

17.025 DISMISSAL OF A PARKING CITATION BEFORE TRIAL

- (1) The Presiding Judge or the Chief Criminal Law Judge may dismiss parking citations without the appearance of the defendant in the following instances:
 - (a) The parking citation was issued prior to release of title interest and transfer of possession of the vehicle to the new owner, but the new owner is named as the defendant on the notice of delinquency, the new owner will be dismissed from the parking offense without a hearing. However, the new owner's failure to submit an application for title to the Department of Transportation within 30 days of the transferor's release of interest shall not be grounds for summary dismissal of the citation and an appearance shall be required;
 - (b) The parking citation was issued subsequent to the release of title interest and transfer

of possession to the new owner but the named defendant on the notice of delinquency is the prior registered owner. A prior owner who provides documentation described in SLR 17.025(3), below, will be dismissed from the parking offense.

- (c) There was no vehicle license number or other registration number written on the citation;
- (d) The vehicle license number written on the citation does not correspond to the vehicle registration information filed with the Motor Vehicles Division;
- (e) The mechanical parking space meter at which an overtime parking citation was issued was defective, according to the City of Portland's Office of Transportation;
- (f) No violation is indicated on the parking citation;
- (g) The parking citation was issued to a vehicle that was reported to the police as stolen within 24 hours of the date and time listed on the citation or was issued on a date when the status of the vehicle remained listed as stolen, and a stolen report was on file with the Police Bureau;
- (h) A parking citation was issued to a vehicle on government business of such urgency that the driver was prevented from complying with parking regulations. The driver must sign an affidavit describing the urgent circumstances, and the department owning the vehicle must verify that the vehicle was on urgent government business;
- (i) The Court received a special written report from the issuing officer or Parking Patrol deputy explaining that there was no basis for the parking citation and requesting that it be dismissed; or
- (j) The exemption or privilege in ORS 811.635 for the holder of a disabled person parking permit is applicable to the type of parking offense cited and the registered owner or other recipient of the ticket provides proof to the Clerk of the Court of a valid disabled person parking permit at the time of the violation. This includes:
 - (i) Overtime tickets, or tickets for parking in a metered space without paying, unless the zone allows parking for only 30 minutes or less; or
 - (ii) Parking in a disabled zone pursuant to ORS 811.615(1)(a); or
 - (iii) Disabled zone parking offenses cited under Portland City Code 16.20.250 if a disabled person was being transported; or
- (k) A parking citation was issued for unlawful use or misuse of a disabled person parking permit for parking in a manner that would otherwise be a privilege for a permit holder and the registered owner or other recipient of the ticket provides proof to the Clerk of the Court of renewal of an expired disabled person parking permit.

(2) The Presiding Judge or the Chief Criminal Judge may dismiss the parking citations listed in SLR 17.025(1) by signing a list containing the license numbers of the vehicles and the reasons for the dismissals.

(3) When a parking citation is subject to dismissal under SLR 17.025(1)(A) or (B), above, the person receiving the notice of the citation must bring the parking citation(s) and relevant documents relating to the transfer of the vehicle, including title, bill of sale or contract and vehicle registration if available, to the Parking Section of the Criminal Division. Proof that the prior owner notified the Department of Transportation of the transfer of the vehicle as required by Oregon law, together with proof of delivery of possession of the vehicle and assignment of title to a transferee, shall exempt the prior owner from liability for the parking of the vehicle by another person, provided the date of issuance of the parking citation is subsequent to the date of transfer of the vehicle reported by the prior owner.

(4) In all cases, the Presiding Judge or the Chief Criminal Judge may order a hearing to prevent abuse of the summary dismissal proceedings.

17.035 TOWING AND IMPOUNDMENTS

(1) The Court may order a vehicle towed and impounded if the registered owner or any other person, has not paid the bail or fine accrued on the parking citation in full, including all amounts that have accrued after the first 30-day period, or posted bail in full and requested a hearing. The Court order for towing and impoundment of the vehicle may be issued 60 days after the date on which the notice of delinquent parking citation is mailed to the registered owner or 90 days following filing of the citation if a registered order cannot be determined. The towing and impoundment order attaches to the vehicle for which it is issued *in rem*, as the instrumentality of the parking offenses, and will not be removed until further order of the court.

(2) Requests for a court hearing on the validity of a parking citation after receipt of an impoundment notice, or after impoundment, must be made personally at the Multnomah County Courthouse. All requests must include the posting of the total amount of the financial obligations against the vehicle for parking citations that are unpaid in full or in part applicable at the time of the request, unless waived by a judge.

(3) Subsequent Bona Fide Purchaser for Value Hearing on Impounded Vehicle

(a) A subsequent bona fide purchaser for value of a vehicle that is towed and impounded under an order of the court for unpaid financial obligations which all relate to the prior owner of the vehicle, other than citations incident to the towing, may request an ex parte hearing to apply for an order for the release of the vehicle from the impoundment order without complying with the requirement of section (2) of this rule. The person requesting the hearing must provide to the court at the hearing the documents supporting the claim that the person is a bona fide purchaser for value relating to the transfer of the vehicle, including title, if available, bill of sale or contract stating the purchase price for the vehicle and proof that the

purchaser has registered and titled the vehicle in the purchaser's name in the appropriate jurisdiction as required by statute and proof that a fair market price was paid for the vehicle. Proof of payment consists of a negotiated bank check payable to the seller (or a bank image of such a check), endorsed by the seller and drawn on the checking account of the purchaser or such other proof of payment as the court may find acceptable. In addition to documentation of the purchase and transfer, the person must provide evidence that the transfer of ownership on the sale was not a transaction between parties with a shared interest in avoiding the towing and impoundment of the vehicle and the financial liability due on the outstanding parking citations. Transfers of vehicles for no value or between family members or individuals who share or have shared a residential address will raise a rebuttable presumption that the transfer or purchase of the vehicle was to avoid the financial obligations due on the parking citations for which the vehicle was impounded and was not a bona fide purchase for value.

(b) An ex parte hearing requested under this rule will be conducted as soon as is possible and within two business days. Following the hearing, the court may release the vehicle to the subsequent bona fide purchaser for value without requiring payment of the outstanding financial obligations by the prior registered owner arising from unpaid parking citations owed on the vehicle. If the court denies relief under this section, then the person may only proceed under section (2) of this rule for a hearing.

(c) The release of the vehicle under this rule will not address any other financial obligations arising from the towing and impoundment of the vehicle owed to third parties or the rights of the subsequent bona fide purchaser for value against a prior owner of the vehicle.

(d) A release without payment of the financial obligations due on the vehicle under this section does not remove the duty of any prior registered owner or defendant to pay those unpaid financial obligations for parking citations incurred in the ownership or use of that vehicle. The release only dissolves the court's hold on the vehicle and removes it from further orders for towing or impoundment based on the citations issued prior to the sale of the vehicle to the person given relief under this process.

17.045 NOTICE OF REPRESENTATION BY AN ATTORNEY

An attorney representing a person in a parking citation case must notify the Court in writing of the representation at least seven days before the date of trial. The notification must certify that a copy has been delivered to the prosecuting attorney.

17.055 POSTPONEMENTS AND OTHER MOTIONS

(1) When requested at least 14 days prior to the scheduled trial date for a parking citation, a person may obtain a single postponement of the court hearing. Such requests may be made in

writing or by appearing personally at the Parking Section of the Criminal Division. The person making the request must state a reason for the postponement.

(2) Additional postponement requests must be decided by the Court and will only be granted if good cause is shown. The request must be in writing and state the reasons relied on for the request. Such requests must be received by the Court at least 14 days prior to the scheduled hearing date. At its discretion, the Court may require an appearance, oral argument, and the presentation of evidence on a motion for postponement.

(3) At any time before the trial date, the person cited, whether or not represented by counsel, may withdraw a not guilty plea or remove the case from the court docket by following the procedure for mail pleas set out in SLR 17.015. The Court will notify the police officers, the parking enforcement deputies and volunteers and the District Attorney, when appropriate.

(4) A person whose car has been ordered impounded by the Court may appear personally at the Parking Section of the Criminal Division and request that the matter be placed on the Traffic Court Calendar. Bail is required unless waived by a judge.

17.065 HEARING PROCEDURE IN PARKING CITATION CASES

(1) In trial, the judge may take an active role in questioning the witnesses to insure substantial justice will be done.

(2) Jury trials are not permitted in parking citation cases.

(3) Parking citations issued against a particular defendant's vehicle may be consolidated for trial only at the discretion of the Court.

17.067 FAILURE TO APPEAR

(1) The registered owner of a vehicle for which a parking citation is issued, is required to appear, as described in SLR 17.015, above, on the cited offense. If the registered owner of a vehicle for which a parking citation has been issued, or any other person, fails to appear to answer the citation within 30 days, the court may, after notice to the named defendant, enter a default judgment against the defendant 60 days from the date of the citation. The notice of citation mailed to the named defendant will indicate the length of time before which the court will make a finding on the citation based on available evidence, without a hearing, and enter judgment thereon. If the determination is one of conviction, the court may impose a sentence of a fine up to the maximum amount allowed by law and may order a warrant for the impoundment of the vehicle listed on the citation to enforce the collection of the fine. Citations may also have collection and late fees added to the financial obligations to be paid and be assigned for collection. Unless otherwise ordered by the court, a judgment of conviction on the parking citation shall be entered against the registered owner of the vehicle.

(2) A defendant against whom a judgment is entered under subsection (1) of this section may file a written motion for relief from default judgment within a reasonable time, not to exceed one year. An accompanying affidavit must set forth facts demonstrating that the failure to appear on the citation in a manner set forth herein was due to mistake, inadvertence, surprise or excusable neglect. At the time the motion for relief is filed with the court, the defendant must post bail in the amount of the fine imposed in the judgment. The bail requirement may be waived by the Court for good cause. A motion for relief cannot be filed until the bail is posted or waived by the Court. The Court may rule on the motion without a hearing or may require the defendant to present oral argument, and may grant or deny relief from the default judgment.

If an FED case is not resolved by the parties at first appearance, parties may be required to participate in mediation orientation before the case is set for trial.

18.045 PAYMENT OF ADDITIONAL FILING FEES FOR TRIAL DEMAND

- (1) If a defendant makes a demand for a trial under ORS 105.137 (5) at the time of the first appearance, the filing fees required to be paid under ORS 105.130 (3) and (6) shall be paid no later than 5:00 pm of the same judicial day unless otherwise ordered by the court. No trial will be scheduled in the action until the required fees are satisfied.
- (2) Failure of the plaintiff to pay the fee required will result in dismissal of the action.

DUII Diversion Form 2A EXPLANATION OF RIGHTS AND DUII DIVERSION AGREEMENT

ADDITIONAL INFORMATION AND WAIVER OF RIGHTS

- a. The diversion agreement applies only to the DUII charge. Prosecution of the DUII charge will be delayed during the diversion period. If you are charged with other offenses arising from the same incident as the DUII, the other charges will be prosecuted separately. By entering into a diversion agreement, you give up the right to have the DUII charge decided at the same time as your other charges (former jeopardy).
- b. If you have a prior DUII conviction, the Interstate Compact for Adult Offender Supervision rules may prohibit you from leaving the state without permission during the diversion period.
- c. If you successfully complete the diversion agreement you must file a motion at the end of the diversion period asking the court to dismiss the DUII charge.
- d. If the court finds that you violated the terms of the diversion agreement or that you were not eligible for diversion, the court will terminate the diversion agreement. The court may hold a hearing where you can “show cause” why the court should not terminate your diversion. **The court will send notice of such hearings by regular mail. If you fail to appear in court, the court can terminate the diversion agreement and may issue a warrant for your arrest.**
- e. If the court terminates your diversion agreement or you fail to fulfill the terms of the agreement by the end of the diversion period, the court will sentence you without a trial.
- f. You may file a motion asking the court to extend the diversion period, **but you must file the motion within the last 30 days of your scheduled diversion period.** The court may grant an extension if the court finds that you have made a good faith effort to complete the diversion program and that you can complete all remaining conditions within the extension period. The court may grant an extension **only once** and for **not more than 180 days.**
- g. The court will find that you have violated the diversion agreement if the court receives notice, at any time during the diversion period, that you committed the offense of DUII or of the open container laws under ORS 811.170.
- h. If the court denies the diversion petition, the state cannot use your guilty or no contest plea (in Form 4) when the state continues the prosecution.

ADDITIONAL INFORMATION FOR ACTIVE MILITARY PERSONNEL. The following may apply if you are engaged in active military service:

- a. The court **may not deny** your petition for a driving under the influence of intoxicants diversion agreement because:
 - You are a member of the Armed Forces of the United States, the reserve components of the Armed Forces of the United States or the National Guard;
 - You have been called to active duty; and
 - The military service will impair your ability to complete the diversion program.
- b. You may request that the court allow you to participate in a comparable treatment program conducted by or authorized by a government entity in another jurisdiction.
- c. You may file a motion asking the court to extend the diversion period. The court may grant an extension if the court finds you have made a good faith effort to complete the diversion program and that you can complete all remaining conditions within the extension period. **If you are serving on active duty, you must file the motion by the end of your scheduled diversion period.** The court may grant an extension **only once** and **may extend the diversion period as necessary** to allow you complete the conditions of the diversion agreement.
