

DOMESTIC RELATIONS INCREASE JULY 1, 2010

NOTICE

Due to an increase in the Conciliation/Mediation fee (ORS 21.112) under a schedule for such adjustments to occur annually from 2009 through 2012, the total fee due for Domestic Relations matters subject to ORS 21.112 will increase on July 1, 2010. The schedule of annual fee adjustments was adopted by the Board of County Commissioners in Multnomah County Resolution 09-035 on April 9, 2009.

The new fees for Domestic Relations matters are set out in the new circuit court fee schedule to be effective on July 1, 2010. The new Domestic Relations fees are effective as of that date in every instance in which a document is filed regardless of when the action or proceeding was commenced.

There are no other changes to circuit court fees contained in this new schedule.
