

Request for Funding — *Individual or Group* Professional Development Funds

Oregon Judicial Department's Juvenile Court Improvement Program (JCIP)

Our Vision: Raising the Profile and Priority of Child Abuse and Neglect Cases in Oregon

Our Goals: Children are, first and foremost, protected from abuse and neglect. Children have permanency and stability in their living situation. The continuity of family relationships and connections is preserved for children. Families have enhanced capacity to provide for their children's needs. Increase the number of local courts that have developed intergovernmental plans supporting permanency outcomes for children in foster care.

***Funding available for training proposals and scholarships varies from year to year
