

True or False Questionnaire

Mark True or False if you feel the question is an **appropriate** question to ask during a CRB review.

- True False How do you feel about the possibility of Jack returning home this summer?
- True False Is there a reason you are not paying child support?
- True False Have you conducted a safety check of the mother's residence?
- True False I'm concerned about your mood instability during visits, have you been evaluated for bi-polar medication?
- True False How often does Renea meet with her Neurologist to monitor her seizure condition?
- True False I read that you are sexually active? Are you using birth control?
- True False Has Storm received an eye examination? My granddaughter was getting headaches and it was later discovered that she just needed glasses.
- True False Is the child participating in PCIT or just FSAT services? Does her IFSP reflect the results of her EI assessment?
- True False What is your means of income and where do you work?
