I, \_\_\_\_\_,  Mother  Father  Guardian  Other: \_\_\_\_\_,

number \_\_\_\_\_,  as amended herein. The petition language to which I admit is amended as

If you require more room please attach an additional page.  Amending language is on the attached page, labeled Addendum 1.

In making these admissions, I understand and agree that what is alleged is true or could be proven in court. I further understand that by making this admission, I am giving up my right to a hearing on the petition including the right to confront witnesses called to testify by the state or another party, the right to call witnesses on my own behalf and to testify on my own behalf, and I am giving up the right to have the state prove these allegations by a preponderance of the evidence. (In an ICWA case it would be by clear and convincing evidence.)

I understand that if I make these admissions the court may place my child outside my home for as long as the court deems necessary, or until the age of 21. I have discussed this with my attorney as much as I need to in order to make this decision and I am satisfied with the representation I have received by my attorney. No one has made any threats or promises to force me to do this against my will.
