Current Situation

In the Matter of Certain Closures of All Courts and Offices of the Oregon Judicial Department to Address Shortfalls in Funding

) CHIEF JUSTICE ORDER
) No. 11-033
)
) ORDER DIRECTING CERTAIN CLOSURES
) OF ALL COURTS AND OFFICES OF THE
) OREGON JUDICIAL DEPARTMENT TO
) ADDRESS SHORTFALLS IN FUNDING

In order to address a portion of the severe shortfalls in funding for the Oregon Judicial Department during the 2011-13 biennium, it is necessary to include certain statewide court closure days. For the purpose of activating the extension of time limitations available under ORCP 10 A and ORS 174.120, I ORDER the following pursuant to my authority under ORS 1.002 and 1.060(3):

The following nine calendar dates are designated as Oregon Judicial Department mandatory state court closure dates. To facilitate state service coordination on open days, and to provide advance notice and lessen public confusion, the dates selected for state court closure coincide with the dates designated by the Governor for state government closures in the executive branch beginning with November 2011. These dates are:

<u>2011</u>	<u>2012</u>	<u>2013</u>
Friday, Nov. 25, 2011	Friday, March 23, 2012	Friday, January 18, 2013
	Friday, May 25, 2012	Friday, April 19, 2013
	Friday, August 17, 2012	Friday, May 24, 2013
	Friday, October 19, 2012	
	Friday, November 23, 2012	

Closure dates are applicable to activities, judges, and personnel of the Oregon Judicial Department as follows:

1. All courts and offices (appellate courts, Tax Court, circuit courts, and Office of the State Court Administrator) of the Oregon Judicial Department are closed for public business on the nine designated state closure dates.
2. All SLR 1.151 and Presiding Judge Orders that implement specific hours of operation on these dates in conflict with this order are superseded for those dates during the duration of this order. The portions of those rules and orders that do not conflict with this order remain in effect.

- Public Expectation for Services
 - Increasing Public expectation for information and self-service
 - Growing request for self-represented services
- Access To Justice
 - Reduced access to justice services
 - Expanding case backlogs
- Justice and Public Safety
 - Limited Interagency information sharing
 - Decision making based on incomplete information
- Aging and Unsupported Technology

What will Oregon eCourt do for me?
