I, _____, am filing for dissolution without full representation of an attorney.

I understand that I must pay all filing, service or hearing fees which are not deferred or waived by the court.

I understand I should seek an attorney's help if my case involves any of the following issues:

- Custody/parenting time of minor children who have not been living in Oregon for the last six months;
- Pensions, retirement benefits or profit-sharing plans;
- Pending personal injury case involving my spouse or me;
- Real estate that my spouse or I own along with someone else, or real estate located outside of Oregon;
- Family business;
- Bankruptcy case filed by me or my spouse;
- Complex tax issues; or
- Domestic violence.

I understand that I am responsible for all information that I provide on these forms and any changes I make to the printed language.

I understand that if my spouse contests the dissolution (files court papers disagreeing with what I requested), I should see an attorney immediately.

I understand laws and legal procedures change and I should not use these forms unless they were recently approved by the court.
