**ORDER ON REMISSION OF FINES PURSUANT TO ARTICLE V,
SECTION 14, OF THE OREGON CONSTITUTION
(Circuit Court Cases)**

WHEREAS, on December 21, 2022, former Governor Kate Brown ordered the remission of fines associated with nonpayment of traffic fines that were incurred prior to the adoption of HB 4210, which repealed debt-based license suspensions in Oregon,

WHEREAS, the remission was intended to address all cases where the 1) the affected person received a traffic violation, under state law, in Oregon; (2) the affected person has a driver license that is currently suspended or, due to the suspension, has downgraded to an ID card or has a valid hardship permit; (3) the only sanction preventing DMV from reinstating the affected person's driver license is a Failure to Comply or Failure to Appear sanction obtained in the underlying traffic violation case; (4) that sanction occurred prior to October 1, 2020; and (5) DMV has an Oregon address for the affected person and its records reflect that the affected person is not deceased (collectively the "Remission Criteria"),

WHEREAS, the list of names attached to former Governor Brown's 2022 order did not include all people who met the defined Remission Criteria,

WHEREAS, the Oregon Department of Motor Vehicles has updated the case list using the same Remission Criteria, to ensure that all people eligible for the remission are included,

WHEREAS, each Remission Case listed in Exhibit A includes fines and fees imposed on the respective individual in that Remission Case (the "Court-Ordered Fines and Fees").

NOW THEREFORE, by virtue of the authority vested in me under Article V, Section 14, of the Oregon Constitution, I, Tina Kotek, Governor of the State of Oregon, hereby:

1. Remit all outstanding Court-Ordered Fines and Fees imposed by the judgments in each Remission Case listed in Exhibit A, except for any restitution awards, as defined in ORS 137.103(3), and compensatory fines, as described in ORS 137.101; and

**ORDER ON REMISSION OF FINES
PAGE TWO**

2. All outstanding Court-Ordered Fines and Fees imposed under the judgments listed in Exhibit A of this Remission Order, with the exception of restitution awards, as defined in ORS 137.103(3), and compensatory fines, as described in ORS 137.101, shall be considered paid in full and satisfied as of the date of this Remission Order; and
3. Notwithstanding any of the above, this Remission Order shall not apply to any Remission Case listed in Exhibit A for which the underlying offense associated with that case number is a misdemeanor or felony, as defined in ORS 161.505 *et seq.*; and
4. This Remission Order does not create a right of reimbursement for any affected individuals with a Remission Case listed in Exhibit A; and
5. Nothing in this Remission Order authorizes the affected individuals with Remission Cases listed in Exhibit A to drive without first satisfying the requirements for a valid driver license, registration, and insurance; and
6. I direct my staff to provide copies, electronically or otherwise, of this Remission Order to the presiding judge of the court that issued each judgment imposing Court-Ordered Fines and Fees that are remitted by this Remission Order, so that those courts may update their records, promptly provide the DMV with notice to reinstate the affected individual's suspended driving privileges as required by ORS 809.220(3)(a) and ORS 809.130(2), and take such other steps that are necessary to effectuate this Remission Order.

Done before me at Salem, Oregon this 1st day of December, 2023.

TINA KOTEK
GOVERNOR
