

Wasco County Circuit Court Instructions for Filing Exhibits (Documents and Photos) During Covid

During COVID-19 restrictions, most court hearings will be held by phone or by video. Sometimes, parties have Exhibits such as documents or photos that they want to ask the Judge to look at. These are instructions for getting your exhibits to the court correctly so that the Judge can look at them during your court hearing.

Exhibits can be provided to the court electronically (by computer), or in person. Below are instructions for each type of filing.

Rules for both Electronic and In Person Filings

1. Labeling Exhibits – Exhibits must be labeled with an Exhibit Number on the bottom right hand corner of each page of each exhibit. You can just use a pen or pencil to do this. For a photo, it is a good idea to use a sticker to label your exhibits. ***Exhibits must be labeled using the following numbering system:***

- **Plaintiffs/Petitioners** use exhibit numbers **1 - 100**
- **Defendants/Respondents** use exhibit numbers **101 – 199**

○ Example: Plaintiff's Ex. #2 page 3

- **This is to avoid both parties using the same exhibit number.**

2. Please submit all Exhibits ***at least two (2) court days, prior to your hearing.***

3. Anything that is submitted to the court, must also be given to the other party to the case.

To show the court that you have followed this rule, you must fill out the Certificate of Service included in this packet. If you do not do this, the judge may not be able to look at your Exhibits during your hearing.
