Courthouse Security

The main objective of Court Security is to maintain a safe and secure environment for everyone in the building. **Weapons of any kind are strictly prohibited and may be confiscated.** Among items prohibited from court facilities are guns, knives, ammunition, pepper spray, mace, razor blades, illegal drugs, and any other type of dangerous or hazardous material or property. A variety of items may be prohibited because they are hazardous or could be used as potential weapons; including any object that is sharp, pointed or has a cutting blade. The prohibited items listed below are not intended to be all-inclusive and will be updated as necessary.

If you are unsure whether an item is allowed or not, the safest option is to not bring it into the courthouse.

Courthouse security will not hold unauthorized items. Any prohibited item that is brought to the courthouse will be taken from you and permanently destroyed.
