Jackson County Circuit Court Telephonic Hearing Access Instructions

You must submit a motion and order to the court requesting a remote appearance by phone or video. Different hearing types, due to different needs and requirements, have different types of remote access. If your order was allowed and signed by a judge, please follow the instructions for your hearing type.

Remote Hearing Access Line sessions: If you are appearing by telephone and will be calling into one of our regularly scheduled Remote Hearing Access Line sessions, you will need to obtain the phone number and access pin to join this conference call, located on our website at:

<https://www.courts.oregon.gov/courts/jackson/go/Documents/Remote%20Court%20Access%20Lines.pdf>

Non-Remote Access Line sessions: Telephone or video appearances, for remote hearings that do not have a regularly scheduled access line, require a Motion, Order, and Remote Hearing Form to be filed with the court. These forms provide the court with your request and contact information. If you request to appear by video, the court will use the email you provide on the Remote Hearing Form to send you the information needed to join the video conference. If you request to appear by phone, the court will contact you at the phone number you provide on the form.

Small Claims Trials: All parties will receive an emailed WebEx invitation providing the link to appear by video. If you are unable to appear by video, there is also a phone number and access pin provided to attend by phone.

- This form applies ONLY to the case number listed. If you have more than one Jackson County case, you must fill out a separate form for each case.
- Court rules do not allow the other party to officially “serve” you by email if you are representing yourself. Providing the court with your email address does not mean the other side or attorney will serve you by email.
- YOU are responsible for notifying the court if any of this information changes. You can use this form to update your information for this case. You may not call and update your information.
- You are responsible for checking your voicemail and/or email (and junk folder) for notifications from the court. You may not receive a reminder call or email and much of what you will receive is time sensitive.
- To prepare for your telephonic hearing, please review the Guidelines for Telephonic Appearances on our website at:
