This Case Management Order #37 will be mailed to those listed on the current service list provided by the Court on September 12th, 2018 and emailed to all parties/attorneys for which the court has an address.

Rescheduling Hearings Set For February 26, 27, and 28, 2019 and Allowing Parties to Attend Hearings by Telephone.

Case Management Orders (CMO) #35 and #36 set a schedule for oral arguments and a case management conference to be conducted February 26, 27 and 28.

The morning of February 25th it came to the court's attention that due to a severe storm a number of highways leading to Klamath Falls were closed and some relevant airline flights had been cancelled. As a result, the court emailed a number of parties/attorneys to arrange a phone conference. At that conference the court received input about whether the parties desired to reschedule the hearings and conference. As a result of that input, the court enters the following
