

KLAMATH ADJUDICATION

AGENDA FOR CASE MANAGEMENT CONFERENCE

March 18-19 (if needed), 2015

Klamath County Courthouse

- I. Court's Welcome (Judge Wogan)

At this conference we will hear and discuss management suggestions. After the conference the court may enter case management orders setting forth the operation of the case, may ask the case management committee to perform further work, and/or may schedule more case management conferences to solicit further input.
- II. Introductions of those present in person and by phone (Judge Wogan)
- III. Court's current service list (Judge Wogan)

The court will explain the operation of the current service list and will encourage parties to submit any corrections.
- IV. Obtaining hard drive of the Water Resources Department Record (Trial Court Administrator John Powell)
- V. Odyssey E-court system (Trial Court Administrator John Powell)
- VI. Spreadsheet of exceptions and requests to be heard (Judge Wogan).

The court's staff have prepared a spread sheet of exceptions and requests to be heard which can be found on the court's web site (<http://courts.oregon.gov/Klamath/pages/water.aspx>). The court would appreciate comments about whether it should maintain and improve this document. If so, the court will discuss a proposed process to do so.
- VII. Explanation of and comments upon case management suggestions (Judge Wogan, Case management committee, others submitting suggestions).

Those who submitted recommendations for the structure and processing of future proceedings will explain their proposals and participants can make comments and ask questions about those recommendations. This will be a dialog.

 - a. Case management committee presentation. Their recommendations can be found on the court's web site (<http://courts.oregon.gov/Klamath/pages/water.aspx>.)
 - b. Stoel Rives presentation. Their recommendations can also be found on the court's web site.

- c. KPWU/Tribes/US presentation of their responses. Those responses can also be found on the court's web site.

VIII. Other general comments and suggestions about items identified in the June 12, 2013 case management conference as follows. (Judge Wogan).

- a. Whether the court should separately address threshold issues such as burden of proof, standing, standard of review, and limitations, if any, on extra record evidence, and if so, a process for that determination.
- b. Telephonic hearings and appearances
- c. Should there be a process to consolidate exceptions for briefing and hearing, and if so, what?
- d. How should parties cite to the Office of Administrative Hearing's record and/or should documents or excerpts be attached?
- e. Should the court impose page limits for briefing?
- f. Any issues regarding service lists.
- g. Should there be a continuing case management process involving the committee and/or case management conferences?
- h. Discovery Issues.

IX. Any other comments or suggestions for the management of this case. (Judge Wogan).

X. Adjourn.
