

**Instructions for purchasing a digital copy of the electronically stored record of the Water Resources Board for the Klamath Basin Adjudication.**

Use the public records request that is located below for requesting documents.

In the section "Document Title and Description", write in "*Electronically stored record of the Water Resources Board*" and leave other columns blank.

Under charges section enter in the Other section "*water record on hard drive.*" The cost is \$3.00 plus the cost of the hard drive, currently at \$75.00. (see CJO 14-045)

Please make sure you have complete address information so that we can mail the hard drive to that location.
