

# Motion and Order to Set Aside Judgment Forms and Instructions

## Instructions

The attached forms are to be used by a Respondent in an original Dissolution, or other family law case who wants to request that a Judgment entered by default be set aside based on the grounds of mistake, inadvertence, surprise or excusable neglect; fraud, misrepresentation, or other misconduct of an adverse party. Do not use this form for post-judgment Motions to Modify.

### I. General Instructions

**A. Use black ink and print or type when you fill out your forms.**

**B. Always file the original forms with the clerk.** Be sure and make yourself an extra copy of any document before you file it with the clerk.

**C. Case heading.** On each document, fill out the case caption exactly as it appears in the original case filing, including the case number.

**D. Completing the declaration.** Explain in clear detail why you did not respond to the Petition within the required time set out by Oregon law and/or the actions of the adverse party.

**E. Address information.** On most pages you are asked for your address and telephone number. You must give a contact address and telephone, which may be your own. However, if you do not wish the other side to know your address, you may give the address of some person who can be relied upon to get mail and messages to you promptly.

**F. Representing yourself.** We strongly recommend that you seek legal advice and representation to protect yourself. If you are unable to hire an attorney, an explanation of the process you will go through is described below.

### II. Completing the form

Fill out the Motion, Declaration, and the case heading on the Order. You must also be prepared to tender a Response to the original Petition in the case at the time you file your Motion. There are filing fees for filing a Motion or Response with the Court. If you can't afford to pay the filing fee you may request that the fees be waived or deferred. The fee schedule, Applications for Waiver or Deferral of Fees/Costs, and Response forms are all available at the

Family Court Assistance Office as well as to download directly from the Lane County Circuit Court website at: <http://courts.oregon.gov/Lane/>. Make two sets of copies of the documents; one for yourself and one to mail to the other party in the case. The Court always gets the originals.

### **III. Review of Document**

You may schedule an appointment for the Family Court Assistance Office to review your documents by calling 541-682-4302 or emailing [LANFamilycourt@ojd.state.or.us](mailto:LANFamilycourt@ojd.state.or.us).

### **IV. Filing the Forms**

If you are requesting a waiver or deferral of the filing fees, you must be prepared to submit your court documents with the cashier at the same time you present your fee application. In most circumstances, fee applications can be reviewed by the cashiers during regular business hours. The Civil/Domestic cashiers are located on the second floor of the courthouse. The cashiers are available Monday through Friday from 7:45 a.m. to 5:00 p.m.

Mail a copy of the Motion, Declaration and proposed Order to the other party and file the Certificate of Mailing.

The Motion will be forwarded to the Motions judge and the Judge will have several weeks to make a decision. The Judge **MUST** have proof (see Certificate of Mailing) that the other party has received a copy of the Motion, Declaration and Order.

### **V. Completion**

If the Judge allows the Motion and signs an Order to Set Aside the Judgment, the Court will enter your Response and the case will be set at issue. The court docket and calendar division will send letters to both parties regarding the scheduling of a trial date.

ORCP 71B(1) allows the court to relieve a party from a judgment or order for mistake, inadvertence, surprise or excusable neglect; fraud, misrepresentation, or other misconduct of an adverse party when accompanied by a pleading containing an assertion of a defense. In the case of an involuntary dismissal for failure to prosecute, a party should be able to meet the intent of that rule by submitting the next appropriate pleading.
