

Multnomah County Circuit Court COVID-19 Update for April 22, 2020

Out of concern for public health and preventing the spread of COVID-19, the Multnomah County Circuit Court continues to restrict operations in order to greatly reduce the number of people coming into court facilities. The court is following the Chief Justice Order issued March 27, 2020, limiting the court to statutorily required proceedings through June 1st, or the date the Level III restrictions are limited, whichever is later. The restrictions imposed under the Chief Justice's orders may be extended beyond June 1, 2020, depending on the circumstances surrounding the COVID-19 virus.

Most public service counters and phone lines have been shut down. See below for department specific information and email addresses.

As more changes are determined we will notify the community, the local bar, and post changes on the court's website: <https://www.courts.oregon.gov/multnomah>

JURY

- If you are a Grand Juror please report as instructed.
- Most matters needing jurors have been rescheduled. We recognize this is a very challenging time and the governor's order to Stay Home is to be taken very seriously. Some matters requiring jurors, including a small number of trials and grand juries, have been deemed to be essential matters that must continue to occur even while restrictions are in place. We are working to keep the courthouse a safe place for jurors, staff, and visitors.
- Jurors should call the number on their juror summons after 5:00pm the day before they are summoned to report to find out if they need to appear for service.
- You can also check the web site at <https://www.courts.oregon.gov/courts/multnomah/jury/Pages/jury-schedule.aspx>
