PARENTING TIME ENFORCEMENT

These forms will help you ask the court for an order to enforce or change a parenting time judgment or order from a court. There are multiple ways to enforce or change custody and parenting time judgments or orders. Talk to a lawyer about other options you may have.

Note about custody: If you want the court to change orders related to custody and the judge grants your *Motion for Order to Show Cause* in this action, you will have to file an additional motion to modify your judgment or order. Go to www.courts.oregon.gov/forms for forms to file a motion to modify your judgment.

If you do not have a judgment or order awarding custody or parenting time, do not use these forms. Go to <u>www.courts.oregon.gov</u> for the appropriate forms or talk to a lawyer.

Where to File

For Oregon Orders or Judgments – File in the county where the judgment you are enforcing was issued

Non-Oregon Orders or Judgments - File in the Oregon county where either party or any of the children live. Be aware that Oregon may not have authority to make permanent changes to your judgment or order.

If your order was issued by a court other than an Oregon Circuit Court, you can (but don't have to) register your order in Oregon first. You may need to register your judgment or order in Oregon if you:

- want to make changes to your child support order or
- > expect serious problems with enforcement or ongoing interstate conflicts

Go to <u>www.courts.oregon.gov/forms</u> for forms to register a non-Oregon judgment. Talk to a lawyer for more information.

Step 1: Filling out the Forms

- ➤ MAKE SURE YOU COMPLETE THE **COUNTY NAME** WHERE YOU ARE FILING AT THE TOP OF THE FIRST PAGE OF EACH FORM!
- **Parties:** The parties are the same as they are on your original case
- > Case Number
 - Oregon judgments or orders: the case number is the same as it is on your original case

- o Non-Oregon judgments or orders: the court will assign your case a new number when you file your *Petition*
- ➤ **Copy of judgment or order**: Attach a copy of the judgment or order you are enforcing. If you are enforcing a judgment or order from a non-Oregon court, you must attach a certified copy of the judgment or order (you can use a photocopy of the certified copy).

Fill out the Ex Parte Motion or Petition for Order To Show Cause Re: Parenting Time Enforcement

Have your documents reviewed

You may have your documents reviewed by a lawyer or a court facilitator (if your court has one) before you file. For information about how to find a lawyer, call the Oregon State Bar at the number on Page 1. If you are low-income, you may get your documents reviewed for a smaller fee through the Oregon State Bar's Modest Means program, or call your local Legal Aid office. Facilitators may be available for free in your court, but you may have to make an appointment. Call your court for information.

Make a copy of all forms for your records. You will also need copies for service. See Step 2 for information about service.

File the original Motion or Petition with the court clerk. When you file, ask the court what will happen next.

You will have to pay the filing fee when you file your papers. Go to <u>www.courts.oregon.gov/Pages/fees.aspx</u> for the filing fee.

• If you are low income, you may ask the court to defer (postpone) or waive your filing fee. You must complete an *Application and Declaration for Deferral or Waiver of Fees* and an *Order Regarding Deferral or Waiver of Fees* and file them with your papers. If the fee is deferred, you will have to pay the fee later. If the fee is waived, you don't have to pay it now. However, the judge may reconsider waived and deferred fees at the end of the case.

The Order on Motion or Petition to Show Cause

The judge will review your filing. The court will send (or give) you an *Order on Motion or Petition to Show Cause* which either grants or denies your request to have the other party respond to your requested changes. The order will have information for both you and the other party about how your case will proceed. If a hearing is scheduled, you *must* appear or the court will deny the changes you asked for.

- If the court denies your request, no changes will be made and no hearing will be scheduled
- If the court grants your request, you must serve the *Order* and a copy of the *Motion or Petition and Declaration* on the other party. See the next section for service information.

You must officially notify the other party if the court grants your *Order to Show Cause*. This is called "service." **NOTE:** If the other party has a lawyer, you MUST serve the lawyer – NOT the party!

More information about service (including how to serve someone in jail and special rules for military personnel) is available here:

www.courts.oregon.gov/programs/family/selfhelp/Documents/HowToServeLegalPapers.pdf

Acceptance of Service – If it is safe for you to give the respondent the papers yourself, you will need an *Acceptance of Service* form. If the respondent signs an *Acceptance of Service*, no other kind of service is required. Signing the *Acceptance of Service* does *not* mean the respondent agrees with anything in your *Petition*, only that he or she received the papers. You must file the papers with the court before you give the copies to the respondent.

Formal Service

If the respondent does not want to sign the *Acceptance of Service*, you must use another method. There are four ways you can serve. Service must be done *after* your *Petition* is filed.

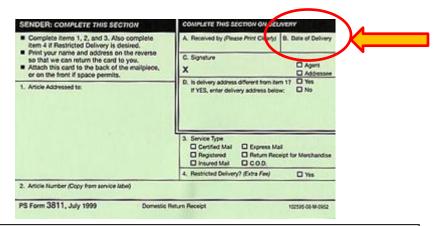

1. Personal Service:

- a. <u>By Process Server</u>: Take a copy of your papers to the sheriff's office in the county where the other party is located and have a sheriff's officer serve the papers. The sheriff's office charges a fee for service. You can also hire a private process server of your choice.
- b. <u>By a Non-Party</u>: Have a competent* person 18 years or older who is a resident of Oregon **and who is not a party** to the case (Petitioner or Respondent), **nor** the lawyer of a party, serve the papers. The server cannot be an employee of any party. If the other party is outside of Oregon, the server can be a resident of the state where the other party is. If you have safety concerns, have the sheriff perform service.
- *competent means a person who can understand, remember, and tell others about an event.

A *Certificate of Service* must be filed with the court by whoever serves the other party. The certificate must include the date of service and the name of the person served.

- 2. **Substituted Service:** The process server may leave the papers at the other party's residence (where he or she normally lives) with someone 14 or older who lives there. The process server must also mail a copy of the papers (with a statement of the date, time, and place that the papers were served) to the other party by first class mail. Make sure the process server completes a *Certificate of Service*. The date of service is the day the first class mailing is put in the mail.
- 3. **Office Service:** The process server may leave the papers with someone *in charge* of the other party's office or normal workplace. The process server must also mail a copy of the papers (with a statement of the date, time, and place that the papers were served) to the

- other party by first class mail. Make sure the process server completes a *Certificate of Service*. The date of service is the day the first class mailing is put in the mail.
- 4. **By Mail:** First, the process server must send the papers to the other party's home or business address by first class mail. Second, the server must send a copy by certified mail, return receipt requested. The process server **must** file proof of service with the court, including the signed green card, date of receipt, and item number along with a **Certificate of Service**. If the green card is not returned or if someone other than the other party signed for it, then service by mail was not effective and you must try another type of service. The date of service is the day the other party signs the returned green card.

Proof of Service

The Certificates are your <u>proof of service</u>. An original *Certificate of Service* or *Acceptance of Service* must be filed with the court for your case to proceed, regardless of the method of service.

If proof of service is not received within **63 days** of filing your *Motion or Petition*, the court may send you a notice of dismissal. Your case may be dismissed if you do not provide proof of service within 28 days of the notice.

If you are not able to have the other party served by any of the methods listed above, you may ask a judge to allow you to use another service method. The judge might allow you to publish or post the documents. Forms to make this request are available online at http://www.courts.oregon.gov/forms.

Courts handle these cases differently. Your court can tell you how your case will proceed.

If your court schedules a hearing, you **must** attend the hearing or your requests will not be granted. If you need an interpreter or ADA accommodation for your hearing, contact the court as soon as possible.
