

JOSEPHINE COUNTY STANDARD PARENTING PLAN

It is the policy of this court to encourage the parties to work out their own Parenting Plan, either between themselves, with the help of legal professionals or through mediation. The court will generally approve any Parenting Plan agreed upon by the parties.

The intent of the Standard Parenting Plan is to provide a Parenting Plan to parties who have not been able to agree to an alternate, more flexible plan. Because each family's circumstances are different, the court may make provisions for more or less parenting time than provided for in the Standard Parenting Plan. The best interest of the child is the only consideration.

B. DECISION MAKING

- 1. Day-to-day decisions.** Each parent shall make decisions regarding the day-to-day care and control of the child(ren) while the parent is caring for the child(ren). Both parents are authorized to make emergency decisions affecting the health or safety of the child(ren).
- 2. Sole legal custody.** If the residential parent has sole legal custody, then the residential parent shall make the decisions regarding the child(ren)'s education, non-emergency health care and religious training.
- 3. Joint legal custody.** If the parties have joint legal custody, then both parents shall discuss and make major decisions for the child(ren) together. Otherwise, the residential parent shall have sole decision-making authority in major decisions concerning the child(ren).
- 4. Changes to schedule.** Decisions about any changes in the residential schedule shall be made by mutual written agreement of both parents.

C. NO NEGATIVE COMMENTS ABOUT OTHER PARENT. Father and Mother are restrained and enjoined from making any negative comments about each other to, or in the presence of, the children, or in any way diminishing the love, respect, and affection that the children have for either parent.

D. NO DISRESPECT TO BE SHOWN TOWARDS OTHER FAMILY MEMBERS. Neither parent shall make disrespectful remarks about any other family member, including parents, stepparents, children and siblings. Neither parent shall allow any other person to make such remarks in the presence of the child.

E. INFORMATION SHARING. Unless otherwise ordered by the court, each parent shall have equal access to important information regarding the child(ren); including, but not limited to, the child(ren)'s current address and telephone number, education, medical, governmental agency, psychological, and law enforcement records. Each parent must immediately notify the other regarding any emergency circumstances or substantial changes in the health of the child(ren).

F. RELOCATION OF A PARENT

- 1. Notice.** Parents shall provide each other with at least 30 days prior **written** notice of any planned relocation which results in a parent living more than 60 miles away from the other parent.

2. Change to parenting schedule. If, after one parent relocates, the parents live more than 60 miles away from the other parent, the parties will follow the appropriate schedule for medium or long distance parenting under section III of this plan unless otherwise agreed to in writing by the parents or otherwise ordered by the court.

3. Notice of new contact information. Each parent shall notify the other parent of his or her contact phone number and address and shall notify the other parent of any change in that information within 72 hours of such a change. Further, if either parent takes the child(ren) from that parent's usual residence, he or she shall notify the other parent of any emergency contact phone number and where the child(ren) will be staying.

G. COMMUNICATION WITH CHILD(REN). The nonresidential parent shall have the unlimited right to correspond with the child(ren), which includes email and instant messaging, and to telephone the child(ren) during reasonable hours without interference or monitoring by the residential parent or anyone else in any way. The residential parent shall have the same communication rights when the child(ren) are with the nonresidential parent. The child(ren) shall have the unlimited right to telephone either parent. Long distance charges are to be paid by the parent receiving the call.

H. GENERAL PROVISIONS

1. REMOTE SCHOOLING

Definition of School Day. If the child is enrolled in school, the parenting plan is based on the school calendar where the child is enrolled. A "school day" includes any day in which school is considered by the district to be a "day taught" or a day "in session" even if the classes are remote.

A "no school day" shall be as defined by the district and include all days designated as having "no classes" including observed legal holidays, professional development days, in-service/clerical days, and conference days.

Parenting Time Exchanges. If the parenting plan requires an exchange at the start or end of a "school day" but school is not physically in session at the school campus, then the exchange time shall be at the ordinarily set for school to commence or end as though school was physically in session at the campus. The parent who is starting hi/her parenting time shall pick

up the child(ren) from the residence of the parent whose parenting time is ending.

- 2. Meals and Clothes.** The residential parent shall have the child(ren) fed and ready on time with sufficient clothing packed and ready for the nonresidential parent's parenting time. The nonresidential parent shall return all the clothing which accompanied the child(ren) and shall have the child(ren) fed before the child(ren) return to the residential parent.
- 3. Exchange of Children From One Parent to the Other.** When parents live no more than 60 miles apart, unless the nonresidential parent's parenting time begins or ends at the child(ren)'s beginning or dismissal from a school day, the nonresidential parent shall pick up the child(ren) from the residential parent's residence no earlier than nor later than 15 minutes from the scheduled beginning of the parenting time. The residential parent shall pick up the child(ren) from the nonresidential parent's residence no earlier than nor later than 15 minutes from the ending of the nonresidential parent's parenting time. On a school day, if the nonresidential parent's parenting time begins or ends at the beginning or dismissal from school, the nonresidential parent shall pick up or drop off the child from school as may be necessary, or shall arrange for the child to be transported to or from child care as needed. Unless otherwise ordered by the court, parents who live more than 60 miles apart will equally participate in the cost and effort of exchanging the child(ren) from one parent to the other.
- 4. Makeup Of Missed Parenting Time.** Only substantial medical reasons will be considered sufficient for postponement of parenting time. If a child is ill and unable to visit, a makeup parenting time shall occur on the following weekend. If, however, the nonresidential parent fails to exercise his/her parenting time, there will be no makeup parenting time.
- 5. Affection and Respect.** Neither parent shall say things or willfully allow others to say things in the presence of the child(ren) that would harm the natural development of the child(ren)'s love and respect for the other parent.
- 6. School Involvement.** Unless otherwise ordered by the court, both parents are encouraged to participate in the child(ren)'s school activities including visiting the classroom, attending parent-teacher conferences, and sports activities.

7. **Non-assigned Time.** Unless otherwise agreed in writing, the residential parent is responsible for the child(ren) during all times not awarded to the nonresidential parent.
 8. **Failure To Comply.** If a parent fails to comply with a provision of this plan, the other parent's obligations under the plan are not affected.
 9. **Parenting Time is NOT the Child(ren)'s Decision.** The child(ren) will not be permitted to decide whether to participate in parenting time with the nonresidential parent. The residential parent and the child(ren)'s personal plans, elective school activities, church activities, and other such considerations are not sufficient reasons to fail to follow the parenting time schedule. However, the parents should both take the parenting time schedule into account when scheduling or planning activities for the child(ren). The nonresidential parent shall transport the child(ren) to and from events regularly scheduled during the parent's parenting time when to do so is reasonable and would not seriously interfere with the nonresidential parent's time spent with the child(ren).
 10. **When the Children are in Different Age Groups.** When more than one child is subject to the terms of this parenting plan and the children would have different parenting time schedules due to their ages, the nonresidential parent shall have parenting time with all the children together under the schedule that applies to the youngest child, unless otherwise agreed by the parties.
- I. **STARTING THE SCHEDULE.** If parenting time has not already begun, the nonresidential parent shall have the child(ren) on the second Friday following the entry of the Judgment. The nonresidential parent shall continue to have parenting time/ contact with the children as set forth under any temporary order or restraining order in effect as of the date of judgment until the parenting plan set forth herein commences on the second Friday following entry of judgment.
 - J. **DISPUTE RESOLUTION.** The parents will attempt to cooperatively resolve any disputes that arise over the terms of the Parenting Plan. If the parents are unable to resolve a dispute, they are required to use mediation as a first recourse. Any cost for mediation shall be shared equally by the parents or as determined in the dispute resolution process. A written record shall be prepared of any agreement reached in mediation and shall be provided to each parent. If the parents are unable to resolve a dispute through any other dispute resolution process, the dispute shall be resolved through court action.

The holiday and vacation schedule overrides the residential schedule. If the holiday schedule would prevent a parent from having the child(ren) for more than two consecutive weekends, that parent shall have the child(ren) for weekend parenting time so that neither parent will go without having the child(ren) for more than two consecutive weekends.
