

# Dependency Safety Framework Community of Practice

## Connect. Collaborate. Strengthen Practice.

Join fellow dependency practitioners across Oregon who are using the **ABA Safety Framework** to improve outcomes for children and families. This **Community of Practice** offers a space to:

- Share real-world successes
- Problem-solve implementation challenges
- Exchange ideas and strategies
- Build a strong, supportive network

Rob Wyman from Casey Family Programs will provide a grounding in key Safety Framework concepts before we jump into a collaborative discussion hosted by OJD's Juvenile team.
