Working with Interpreters

When working with an interpreter:

- The interpreter must be Certified, Registered or Conditionally Approved through CIS
- * The interpreter may use any of the three modes of interpreting
- Always speak to the LEP person directly
 - * (avoid 3rd person "tell him/her...")
- * The interpreter is bound by the Code of Professional Responsibility and is not allowed to explain, summarize, omit, interject or give an opinion on the proceeding at hand.

Working with Interpreters

When working with an interpreter:

- * Don't leave the interpreter alone in the room with the LEP person.
- * Only one speaker at a time.
- * The interpreter may need to interrupt for clarification or repetition.
- * If using an ASL interpreter, there needs to be clear sight lines between the interpreter and the consumer.
