Post jurisdiction petitions must be filed under the ward's existing dependency case number, unless otherwise permitted under ORS 419B.118

If there is more than one existing case number for the current wardship episode, the petition must be filed under the first case number for the child during that wardship episode.

 - The date of the initial judgment establishing jurisdiction

 - Pending allegations from previous petition and petition title
 - Consecutively numbered allegations

POST JURISDICTION PETITIONS: FILE AND SERVE

Presenter: Amy Emig,
ETSD Lead Business
Process Analyst

PETITIONS SUBMITTED IN FILE & SERVE

- All subsequent petitions while the child is a ward of the court must be submitted in the existing dependency case.
- If multiple active dependency cases exist, the petition should be submitted in the child's first dependency case.
- The filing code of **Petition - Dependency (PTDP)** should be used.
 - This code triggers Odyssey functionality to track the dependency petitions.
- Delinquency petitions are still filed in a separate Juvenile Delinquency case record, not in the Dependency case.

REVIEWING FILINGS

Rejection Reasons

- Use of the incorrect filing code
- Filing into the incorrect case

Contact the Filer (AAG)

- Allegation numbered incorrectly
 - Allegations not numbered
 - Allegations not numbered consecutively with other current petitions
- Petition numbering not correct

Accept the Filing

- Summons or proof of service not submitted
 - These can be submitted at a later date and are not requirements for the petition.

A Child. _____) **ADMISSIONS TO PETITION**

I, _____, Mother Father Guardian Other: _____,

_____ admit allegations as true and accurate as set forth in paragraphs _____
and related text of petition number _____, as amended herein. The petition language to which I
admit is amended as follows: (Include paragraph number and amended language)

 Additional page attached (Addendum 1).

I understand that I am waiving (giving up) my right to have a trial on the admitted allegations at which the State would have to prove the allegations by a preponderance of the evidence (or clear and convincing evidence, if the child is an "Indian child" as defined in the Indian Child Welfare Act). As to the facts that I am admitting, I am waiving (giving up) my right to confront (question) witness called to testify by the state or another party, the right to testify in court, and the right to call my own witnesses.

I understand that if I make these admissions, the court will consider the facts I admit in determining whether there is a legal basis to make my child a ward of the court. Also, the court may place my child outside my home for as long as the court deems necessary, or until the age of 21. I have discussed this with my attorney as much as I need to in order to make this decision and I am satisfied with the representation I have received by my attorney. No one has made any threats or promises to force me to make this admission against my will.

Parent / Guardian/Guardian ad Litem

Date

I have personally reviewed the petition in this case, have discussed available legal options with my client, and have fully explained the potential consequences of admission to my client. To the best of my knowledge and belief, my client's decision to make this admission is made voluntarily, intelligently, and knowingly.

YOU ARE THE **KEY** TO IMPROVING
OUTCOMES!

A Few Terms To Know

- Mean (average): 2,4
Add $2 + 4 = 6$ and then divide by 2.
So, $2 + 4 = 6$
 $6 / 2 = 3 \leftarrow$ Mean
- Median (middle number, half above and half below): 2, 4, 6
But what if the numbers are even?
2, 4, 6, 8 OR $4 + 6 = 10 / 2 = 5 \leftarrow$ Median
- Percentage Change vs. Percentage Point Difference
Percentage Change $802 - 754 = 48 / 802 = 0.059 = -6\%$
Percentage Point Difference $42\% - 44\% = +2$ percentage point
