- (2) For Umatilla County, matters submitted for filing under UTCR 21.070(3)(a) – (d) shall be submitted in Pendleton.

1.171 SIXTH JUDICIAL DISTRICT WEBSITE

The Sixth Judicial District maintains an informational website on the Internet. The address of this website is: www.courts.oregon.gov/courts/Umatilla/Pages/default.aspx.

1.172 BUILDING SECURITY

The Umatilla County Courthouse in Pendleton, the Stafford Hansel Government Center Circuit Court (second floor), and the Morrow County Courthouse in Heppner, or any other facility or location where the court conducts its business are court facilities for the use of members of the public to exercise their rights to view proceedings and handle their affairs through the court. There is no right of public access to staff areas or judicial chambers, offices, jury rooms, or conference rooms. Any right of access to public areas may, however, be removed as a result of conduct detrimental to the safety of the court's judicial officers, other officers of the court, its employees, and members of the public. This type of conduct may result in the ejection of a person or party from these facilities and possibly limit them from re-entry into these buildings for a specified period of time. Such detrimental conduct may include, but is not limited to:

- (1) Direct physical assault or physical harassment upon any person;
- (2) Destruction or theft of court records or posted public notices;
- (3) Vandalism, defacing, burning, or other physical destruction of any device or room within these facilities;
- (4) Intimidation, extortion, coercion, or other forcible conduct aimed at interrupting the court's judicial officers, other officers of the court, and its employees in the course of their work or at interfering with members of the Bar or of the public in their dealings with the court;
- (5) Any conduct which interferes with or interrupts a court proceeding or court administration;
- (6) Any entrance into an area of these buildings designated off-limits or for employees only;
- (7) Any introduction of noxious odors designed to deny members of the public the use of any public part of these buildings;
- (8) Any attempt, either by fraud or threat, to gain access to confidential court records or material;

- (9) Any attempt, either by fraud or threat, to gain access to the private office of a judicial officer, the court administrator, or other court officer; or
- (10) Any attempt by a member of the public to deny any other member of the public the use of these buildings.

Chapter 2 – Standards for Pleadings and Documents

2.011 FORM OF PLEADINGS

Proposed orders shall include at least three check boxes substantially as follows: one for “granted,” a second for “denied,” and a third for “Other.” Additionally, a two-inch or larger section below the “other” check box shall be left blank as space where the judge may annotate other specific orders and comments. When appropriate based upon the motion, the proposed order shall also reflect options for additional logically related decisions for the judge. All check boxes and blank space must be placed above the standard date and signature line.

2.012 CONTENT OF ORDERS

Proposed orders shall clearly state the specific decisions or rulings to be made and describe the nature or type of impact on any hearings that would be affected by the decisions without requiring reference back to the motion, any supporting pleadings, or to matters discussed on the record in proceedings.

2.015 RETURN OF DOCUMENTS TO A PARTY

- (1) In addition to the authority to decline to receive or file a document under ORCP 9 E and UTCR 2.010, in certain limited situations, a document may be returned to the party who submitted it, without being filed by the court. Those situations include:
 - (a) A document with an existing case number and case caption from another jurisdiction, unless submitted for filing pursuant to an order signed by a judge allowing a change of venue or authorizing the filing on some other basis;
 - (b) A document which requires court action, but the court action cannot be taken without the filing of statutorily required preceding documents;
 - (c) A document with a case caption from a jurisdiction not recognized by the Oregon Constitution or established by the Oregon Legislature, or a judgment order, or other document purportedly issued by a nonexistent court;
 - (d) A petition submitted for filing under ORS 813.210 more than thirty (30) days after the first appearance on the summons where there is no finding of good cause by the court to permit the late filing;
 - (e) A document submitted for filing by telephonic facsimile transmission (FAX); or,
 - (f) A written notice of appeal and request for trial de novo of an arbitration award submitted for filing beyond the time permitted by law.
- (2) In small claims and summary dissolution cases, documents which do not comply with ORS, ORCP, UTCR, or SLR may, at the discretion of the Presiding Judge, be returned to the filing party.
- (3) A pleading document which begins an action, and which is submitted for filing in this court and given an appropriate Umatilla or Morrow County Circuit Court case number, will not be returned to a filing party even though the document may have a caption for another circuit court and was submitted for filing in error by the filing party.

2.161 SEALED AND CONFIDENTIAL MATTERS

- (1) All documents and matters to be sealed or filed confidentially shall clearly state this in the case caption. Additional caption requirements for sealed documents in civil cases are specified in UTCR 5.160.
- (2) Although a motion to seal must be filed conventionally pursuant to UTCR 21.070(6)(c), the motion and supporting points and authorities setting forth the legal basis for each designation will be public, and only the designated document or matter will be sealed, if allowed. If desired, supporting documents may be designated as confidential by reflecting this in the caption of each pleading to be filed confidentially. If not related to a motion to seal, documents may be eFiled as confidential pursuant to UTCR 21.070(6)(c).
- (3) Any motion to seal shall describe the condition or point in time, if any, when the designation of sealed may be removed. Once the condition has been satisfied or the point in time has passed, the party that originally requested the sealed designation must submit a motion and order to unseal the document or matter.
- (4) A party seeking to file any matter as sealed or confidential shall provide the other parties entitled to view the document a copy prior to submission.
- (5) In response to a motion to seal a document or matter, unless otherwise restricted by law, a judge may order that the matters be filed confidentially instead of under seal.

- (3) In addition to any other consequence permitted under law or court rules, violators of this rule are subject to having their electronic device removed and held by security until the end of the proceeding and being ordered by the court to delete any audio recording, photographic or any other visual or image recording or reproduction made in a court facility.

- (2) If one party requests a pre-trial settlement conference, and if the trial judge approves, and if a judge can be reasonably made available, then the settlement conference shall be held and shall be conducted according to the procedures set forth in this rule.
 - (a) Except in the case where the court orders a conference, the pre-trial settlement conference will not be required if the opposing party demonstrates good cause why the settlement conference should not be held. A pretrial trial scheduling conference, if any, will be held after the settlement conference, unless a pretrial scheduling order or plan contains a date for a settlement conference that does not delay the scheduled trial.
 - (b) The judge conducting the settlement conference may require the party requesting a conference to certify that reasonable efforts to achieve settlement have been attempted by the parties and that they have been unable to resolve the controversy without the court's assistance.
 - (c) For purposes of planning adequate space for the conference, each party must notify the court as soon as possible but no less than ten (10) days prior to the settlement conference how many individuals they expect to attend the settlement hearing including victims, witnesses, and any additional family or support persons.
- (3) The trial judge, upon request of a party or parties, in consideration of the request, may approve the request and seek to obtain an in-district or out-of-district judge in coordination with the Presiding Judge and TCA.
- (4) Each trial attorney and party or representative of a corporation or insurance company who has full authority to settle and compromise the litigation shall personally appear at the pre-trial settlement conference. However, the assigned judge may permit telephone appearances in lieu of personal appearance for good cause. Nevertheless, the individual with settlement authority shall be immediately available during the settlement conference for consultation by parties' counsel and the settlement judge.
- (5) Each pre-trial settlement conference shall be scheduled to allow adequate time for meaningful settlement discussions. Additional settlement conferences may be scheduled by the assigned judge or by agreement of all attorneys and parties.

- (6) The pre-trial settlement conference may not delay the trial scheduling.
- (7) No judge conducting a pre-trial settlement conference under this rule shall be permitted to act as trial judge if the case does not settle unless the parties stipulate to such procedure. The settlement judge may take any stipulated agreement upon the record and approve any stipulated judgment.
- (8) Each attorney or party shall submit to the assigned judge, at least one (1) business day prior to the scheduled pre-trial settlement conference information regarding the case. Any documents or information submitted to the judge shall be presumed confidential unless a copy is provided to the opposing side(s). The assigned judge shall make available forms for the submission of such information, but an attorney or party may submit such other or further information to the judge to inform the court of the issues in the case.
- (9) No submissions under SLR 6.012(7) shall be included in the court file, nor shall any notes prepared by the judge be filed or otherwise disclosed, except by permission of the attorneys or parties or by court order. All matters submitted to the settlement judge shall be marked substantially PLAINTIFF/DEFENDANT'S SETTLEMENT MEMORANDA, DO NOT FILE, DO NOT DISTRIBUTE.
- (10) The assigned pre-trial settlement conference judge shall inform the courtroom judicial assistant of the occurrence of the conference, the possibilities of settlement, the outcome of the conference, and the estimated length of trial time if a complete settlement is not reached. No other information regarding the case or the conference shall be communicated to the trial judge or the jury.

6.031 CONTINUANCES

 - (e) Other suitable alternatives, e.g., video appearance, depositions, stipulated testimony, etc.; and
 - (f) If the defendant is in custody, whether or not a waiver of speedy trial has been submitted for filing.
- (2) No motion for a continuance shall be submitted without a declaration in support of the motion, or without contacting opposing counsel (or party if unrepresented). Any such motion submitted without opposing party's position or a detailed account of efforts to

obtain opposing party's position may be returned or denied by the Judge without consideration.

6.061 PROPOSED JURY INSTRUCTIONS AND VERDICT FORMS

Unless otherwise ordered by the court:

- (1) Fully formed proposed jury instructions and verdict forms for trial, and for sentencing if enhancement facts are at issue, shall be submitted for filing at least seven (7) judicial days prior to commencement of trial or at the time of trial readiness hearing, whichever occurs first.
 - (a) This requirement is in addition to the requirements of UTCR 6.060 and UTCR 6.070.
 - (b) Simultaneously, each party must also submit to the court an electronic copy of all requested jury instructions and verdict form(s). The electronic copy shall be in Microsoft Word® format, must be in jury ready form as to each separate document and instruction, and must be submitted in the proposed order of instruction. This copy must be emailed to the courtroom email address or other email address provided by the court.
- (2) For purposes of planning adequate space for the trial, each party must notify the court as soon as possible but no less than ten (10) days prior to trial start regarding how many victims, witnesses, family or support persons they expect to attend the trial.
- (3) The court will take into account any failure to timely submit materials when prioritizing cases set for trial on the same date.

6.141 HAZARDOUS SUBSTANCES

In addition to the definition found in UTCR 6.140 (2), a hazardous substance is defined as any substance listed in, or hereinafter added to, the Federal Aviation Authority Regulations on Hazardous Substances, any provisions of the United States Code defining hazardous substances, or the Federal Controlled Substances Act; or is any potentially dangerous or contaminated substance capable of inflicting death or serious physical injury either immediately or over the course of time. A hazardous substance shall include any device or implement which carries, contains, or exhibits such characteristics.

6.181 USE OF CELL PHONES AND OTHER DATA OR COMMUNICATION DEVICES - JURY

- (1) In addition to the requirements of SLR 3.181 and 3.182, unless otherwise permitted by the judge presiding over the trial, personal data or communication devices (any electronic or other equipment capable of communicating with others outside a jury room, including, but not limited to personal computing devices, cell phones, tablets, smart watches, and pagers) are not allowed to be in the possession of jurors in a courtroom or a jury room during jury selection, trial or jury deliberations.
- (2) If a juror brings any such device into court, the juror will either be allowed to leave and secure the item and then return through security, or the device will be collected by the court clerk or court security officer.

Chapter 7 – Case Management and Calendaring

7.005 PLEA AND NEGOTIATIONS IN CRIMINAL CASES

It is the intent of the Sixth Judicial District to effect resolution of criminal cases in conformance with UTCR 7.010.

- (1) **Changes of Plea After the End of Plea Negotiations**
Any change of plea after the deadlines established in UTCR 7.010(2) may be subject to open sentencing.
- (2) **Forms/Plea Petitions**
Counsel shall complete and submit for filing, the plea petition and all other forms required for change of plea prior to the hearing for change of plea including diversion or other deferred disposition program paperwork, Blakely waivers and notices of sex offender registration if appropriate. Plea petitions for contempt matters may be interlineated to reflect an admission of contempt rather than a guilty plea, if desired. Counsel shall deliver an electronic copy of all documents a minimum of twenty-four (24) hours prior to any change of plea hearings. Counsel shall use the Uniform Plea Petition that is available from the court on request or from the Sixth Judicial District website listed in SLR 1.171.

7.006 DISCOVERY OF MATERIALS FROM NON-PARTIES AND IN CAMERA REVIEW

- (1) Except as allowed by subpoena to appear at a scheduled evidentiary court proceeding to provide testimony, no request for production from non-parties under ORS 136.580 through ORS 136.603 for either direct production or for judicial in camera review shall issue without a motion for and an approved court Order for Production including a court-specified date, time, and courtroom for hearing. The moving party shall submit a motion, supporting documents and proposed order pursuant to ORS 136.580 including:
 - (a) A caption reflecting that this is a “motion (order) for non-party production pursuant to subpoena,” and if applicable, “for in camera review” or “not for in-camera review pursuant to ORS 136.580;”
 - (b) A description of the papers, documents, records or materials to be produced, with a description of the reviewing court’s preferred method of electronic submission (e.g., physical submission of CD, SD card, flash drive, or secured file transfer);
 - (c) A description of the method for verifying the items (e.g., declaration pursuant to ORS 136.583(6)) including the legal basis for any required redaction of the materials;
 - (d) Points and authorities and supporting declaration describing the legal and factual basis for the production;
 - (e) A place for the court to insert the courtroom, date, time, and location for the hearing in response to production (this is the deadline for response to the process). The requested time frame for production should be approximately thirty (30) days out to allow sufficient time for signing of the order plus service plus the twenty (20) days allowed by ORS 136.583(3). Requests should be made no later

than ninety (90) days prior to trial except for in-custody proceedings or with good cause shown;

- (f) A statement that production, or objection by motion to quash or limit production, may be submitted to the court clerk at the designated court location prior to the court date. Allow a place for the court to insert instructions for delivery of the items to: Clerk of the Court, [County Name], Attn. Courtroom [#], [Address], [email address]. If production is made, the court will cancel the hearing. If an objection, motion to quash or motion to limit production is submitted for filing, the court may choose to continue the deadline for production until after ruling on the objection; and
 - (g) A copy of the proposed subpoena.
- (2) The applicant shall effect service of the subpoena for production, order for production, and any additional orders (including applicable protective orders or protective orders for in-camera judicial review) as required under ORS 136.583 and shall submit for filing proof of service promptly thereafter with the court or notify the court that the matter was not timely served. If the court extends the time allowed for production, the applicant shall serve notice of the continuance to the responding party and submit for filing proof thereof with the court unless the continuance is granted on the record with the responding party present.
- (3) In addition to the requirements in sections (1) through (2), if in-camera judicial review of materials is requested, the motion must clearly state in the caption that it includes a Motion for In-Camera Judicial Review. The moving party has the burden of proving that the court should exercise its discretion and conduct the in-camera review. In the absence of a showing of good cause, the court may deny the order to produce, protective order and the motion for in camera judicial review, therefore the motion should include, as appropriate:
- (a) The basis for the in-camera review;
 - (b) The expected relevant matters for which the court is to examine the documents, and the basis for relevance;
 - (c) An explanation of why the documents sought are evidentiary, relevant, material and favorable to the moving party;
 - (d) That the materials could not otherwise be procured reasonably in advance of trial by exercise of due diligence;
 - (e) That the party cannot properly prepare for trial without pretrial production and inspection, and that failure to produce the materials for inspection pretrial may tend to delay the trial unreasonably; and
 - (f) That the pretrial inspection is to produce specific evidence of known value and is not speculation to ascertain the existence of evidence.
- (4) Documents produced in response to an order of production for in-camera judicial review are sealed until review and further order of the court. The court's order after in-camera review is a public document and will identify relevant materials that will be disclosed to the parties. The moving party shall pay the expense of providing these relevant materials

to the parties. Documents and materials that are disclosed to the parties are confidential subject to any protective orders. Any non-disclosed documents and materials will remain sealed for further judicial review and to be available for appellate review if necessary.

Out-of-custody matters may be heard by video or telephone conferencing if authorized by the judge.

- (3) Name of person needing interpreter;

- (1) All pleadings shall specify “Subject to Mandatory Mediation” and “Subject to Mandatory Arbitration” in the case caption if appropriate.
- (2) Absent a showing of good cause, a party who fails to timely submit for filing all documents required by UTCR 8.010 may be deemed to have admitted values of property established by a filing party.

8.012 SETTLEMENT CONFERENCES – DOMESTIC RELATIONS CASES

- (1) The Presiding Judge shall appoint a panel of qualified attorneys who shall preside over settlement conferences in all contested domestic relations cases where both parties are represented by counsel. Attorneys shall be selected to preside over settlement conferences in a rotating order. Litigants may not disqualify settlement attorneys, except where there is a conflict of interest as defined by the Oregon Rules of Professional Conduct 1.7 to 1.9.
- (2) At the time set for trial readiness, the attorneys may request the case be assigned a settlement conference. The attorneys shall firmly believe the conference would be beneficial. The conference shall be held at the office of the settlement attorney unless the settlement attorney and the litigants otherwise agree and shall be held at least three (3) weeks prior to the trial date.
- (3) Each party shall participate in the settlement conference in good faith.
- (4) All information disclosed in the settlement conference shall be deemed privileged, settlement negotiations.
- (5) As soon as practical, the settlement attorney shall report in writing to the trial judge regarding the outcome of the settlement conference, including any violations of this rule. All agreements shall be reduced to writing and signed by the parties. In the event that settlement negotiations do not result in a complete settlement, counsel should be prepared to proceed to trial on the date scheduled.

8.013 SETTLEMENT CONFERENCE STATEMENT – DOMESTIC RELATIONS CASES

- (1) **Settlement Attorney Conferences**
Not less than forty-eight (48) hours prior to the commencement of the settlement conference, the parties shall submit to the settlement attorney two copies of a detailed settlement statement including a detailed list of all personal and real property, the proposed distribution of assets and liabilities and, if support is involved, the proposal for and computation of support. In addition, the petitioner shall submit to the settlement attorney all orders and judgments filed in the case, including the mediator’s report, if any. Once settlement conference statements are received from both parties, the settlement attorney will distribute copies to the parties as soon as practical.

8.015 CO-PARENTING PROGRAM

- (1) Mandatory Co-Parenting Program
The Sixth Judicial District, Umatilla & Morrow Counties has established a parent education program authorized by ORS 3.425.
- (a) In all cases involving children under the age of 18, all parents/guardians shall complete the co-parenting program unless exempted by the court. A judgment will not be entered in the proceeding until each party not otherwise exempted by the court who has filed an appearance has completed the program, or appropriate sanctions have been applied.
- (b) The court may exempt one or more of the parties from the program if, after reviewing the requesting party's motion and supporting declaration, the court determines that participation is unnecessary or inappropriate.
- (c) The court may allow one or more of the parties to participate in a comparable court-sanctioned program. Parties who participate in a comparable program are responsible for submitting proof of program completion to the court.
- (2) If a party fails to successfully complete the co-parenting program and later submits a motion to modify any order of the court, the court will not consider the requested modification until that party successfully completes the co-parenting program or is exempted by the court.
- (3) A party who has completed the program shall have the right to:
- (a) Request that the pleadings of a party who has appeared be stricken if that party has not completed the program in a timely manner without good cause.
- (b) Request entry of an order from the court to compel the non-complying party's completion of the program should the non-complying party not have completed the program in a timely manner without good reason. The court may enter an award of attorney fees in favor of the complying party who utilizes this option, to force the non-complying party's compliance with this rule.

8.025 PARENTING TIME ENFORCEMENT

Proceedings to enforce parenting time pursuant to ORS 107.434 shall be initiated by motion, declaration and order to show cause. The proposed order shall include an area where the court can indicate the date, time and location of the hearing. Unless otherwise ordered by the court, the moving party shall obtain a copy of the signed order from the court and serve the other party with the motion, declaration and order to show cause and supporting papers at least twenty-one (21) days prior to the time set for hearing. The hearing shall be held no more than forty-five (45) days after the motion is submitted for filing. Mediation shall not be required unless both parties request mediation prior to the hearing.

8.055 PRE- AND POST-JUDGMENT RELIEF

The procedures of this rule are limited to domestic relations cases. A contempt proceeding arising out of a domestic relations case is not covered by this rule.

- (1) **Pre-Judgment Temporary Custody and Parenting Time**
In addition to the requirements of UTCR 8.040, the proposed Order to Show Cause shall comply with the following requirements:
 - (a) Shall not contain a date for hearing.
 - (b) Shall provide notice that if a party wishes to object to any of the requested relief, that adverse party shall submit for filing and serve a written response or declaration in opposition within fourteen (14) days from the date of service of the order, or within such additional time as allowed by the court upon showing of good cause.
 - (c) Shall provide notice that if such opposing response is not submitted for filing and served within the time allowed, the requested relief may be granted by the court.
- (2) **Pre-Judgment Temporary Financial**
 - (a) Temporary financial relief shall be determined without testimony based on the Uniform Support Declarations of the parties unless oral argument is requested. If either party requests oral argument pursuant to UTCR 5.050, both parties shall submit for filing a Uniform Support Declaration prior to oral argument.
 - (b) Requests for temporary child support shall include a child support computation worksheet.
 - (c) After the response deadline, the moving party shall notify the court by submitting a Notice of Readiness for Decision for filing.
 - (d) If the opposing party fails to submit an opposing written response for filing within the time allowed, the moving party shall submit an order allowing the relief requested in the order to show cause. The court reserves the right to require the taking of testimony of the moving party in such default matters.
- (3) **Post-Judgment Relief**
 - (a) In addition to the requirements of UTCR 8.050, the proposed Order to Show Cause on post-judgment motions to modify any terms of the judgment shall provide notice that if a party wishes to object to any of the requested relief, that party shall file and serve a written response or declaration in opposition within thirty (30) days from the date of service of the order, or within such additional time as allowed by the court upon showing of good cause, and if none is filed, the requested relief may be granted by the court.
 - (b) If the opposing party fails to file an opposing written response or declaration within the time allowed, the moving party shall submit a proposed order allowing the modification requested in the order to show cause. The court reserves the right to require the taking of testimony of the moving party in such default matters. The court also reserves the right to enter the order requested if the

opposing party does not file the required response and it may do so upon its own motion if the moving party fails to present for signature the proposed order required above.

- (4) **Immediate Danger Temporary Custody**
With due regard for other pending matters, the court will attempt to schedule an initial appearance to consider a party's affidavit or declaration in support of an ex parte temporary order and take ex parte testimony regarding the matters submitted within one (1) judicial day of the date of filing.

8.075 PARENTING SCHEDULE

It is the policy of the court to encourage the parties to work out their own parenting time schedule, either between themselves or through mediation. The court will generally approve any schedule agreed upon by the parties. However, if the parties are unable to agree, the Standard Parenting Plan Less Than 225 Miles or Standard Parenting Plan Over 225 Miles provided on the court website will be used as the basis for establishing parenting time. Because each family's circumstances are different, the parenting time schedule established by the court may make a provision for more or less parenting time than desired by the parties. Every parenting plan shall specify the percentage of overnights which each parent has with the children.

Chapter 9 – Probate and Adoption

9.021 DOCUMENTS FILED ON CONTEMPT MATTERS INVOLVING REMEDIAL OR PUNITIVE SANCTIONS

 - (a) An objection form is available on the court's website identified in SLR 1.171 or from the court clerk as a means to reduce any oral objection to a signed writing for the purpose of submitting the objection for filing.
 - (b) Upon receipt of the objection, the court may schedule a hearing and the Petition may be heard in the courtroom of the judge assigned to the case.
- (3) The respondent or protected person may also make objections orally to an appointed court visitor. Court visitors are to include any objections by the respondent or protected person in the Visitor Report. Chapter 10 – Vehicle Laws and Driving Conditions

THIS CHAPTER IS RESERVED FOR FUTURE EXPANSION.

Chapter 11 – Juvenile Court Proceedings

THIS CHAPTER IS RESERVED FOR FUTURE EXPANSION.

Chapter 12 – Mediation

12.005 MEDIATION IN GENERAL

- (1) Purpose of Mediation. The purpose of mediation shall be to assist the parties in reaching a workable settlement of those issues before the court.
- (2) Mandatory Mediation. Any dispute involving custody or parenting time arising from any of the following types of cases shall be subject to mediation under this rule:
 - (a) Any domestic relations suit, as defined in ORS 107.510 (3).
 - (b) Any filiation proceeding pursuant to ORS 109.124 to 109.230.
 - (c) Proceedings to determine the custody or parenting time of a child under ORS 109.103.
 - (d) Any proceeding to modify custody or parenting time previously determined in one of the above types of cases.
- (3) Authority of Circuit Court Not Affected by Mediation
The authority of a circuit court of the Sixth Judicial District, Umatilla & Morrow Counties over a domestic relations case filed in that circuit court is not affected by referral to mediation. Any agreement of the parties reached as a result of mediation for which court enforcement may be sought, shall be presented to the court and the court shall retain final authority to accept, modify, or reject the agreement.
- (4) Mediation Process
 - (a) Commencement of Mediation by Judicial Order
When parenting time or custody is at issue, the court will schedule a status check hearing. At the hearing, the judge will determine whether or not the case is appropriate for mediation and will either waive mediation or will appoint a mediator and schedule the first mediation date.
 - (b) Commencement of Mediation by Stipulated Request for Mediation
If there is a disagreement between the parties concerning custody or parenting time at any stage of a domestic relations proceeding, either both parties or their attorneys may sign and submit for filing with the court a stipulated request for mediation, or the attorneys may verbally request an Order for Mediation. A mediator will be available to the parties in accordance with these rules, or the parents may agree and stipulate to an independent mediator in their stipulated request for mediation. If the parties choose an independent mediator, the costs for the mediator will be paid by the parties jointly.
 - (c) Mediation shall consist of up to four (4) hours of sessions involving the parties and the mediator. At the request of the mediator, the court may allow an additional two (2) hours of time. Additional time may be provided at the parties' expense.
- (5) Completion of Mediation
It is the responsibility of the parties and their attorneys to see that mediation is completed within such time as to not delay the trial of the case. Failure to do so may

result in dismissal of the case when called for trial or postponement under such conditions as the court may require. The mediator shall provide to the court and to counsel for the parties the outcome of the mediation, including the mediated agreement within three (3) judicial days of the date the last party signs the agreement, or if all signatures cannot be obtained within fifteen (15) days following the conclusion of mediation, the mediator shall report that the mediation has not been successful.

- (6) **Unsuccessful Mediation**
The mediator shall notify the court and counsel for the parties within three (3) judicial days following the conclusion of mediation that mediation has been unsuccessful. The court will then set the case for hearing or trial.
- (7) Failure or refusal to comply with the mediation program in a timely manner may be considered by the court in making its ruling on issues which are in dispute.
- (8) A party who has complied with the mediation process shall have the right to:
 - (a) Request that the pleading of a party who has appeared be stricken, if that party has not completed the program in a timely manner without good cause; and
 - (b) Request entry of an order from the court to compel the non-complying party's completion of the program should the non-complying party not have completed the program in a timely manner without good reason. The court may enter an award of attorney fees in favor of the complying party who utilizes this option to force the non-complying party's compliance with this rule.

Chapter 13 – Arbitration

13.005 MATTERS SUBJECT TO ARBITRATION

- (1) Mandatory Arbitration matters are those as noted in ORS 36.400 and ORS 36.405, subject to any Presiding Judge Order exempting matters from Arbitration under ORS 36.405(2).
- (2) Any party to a case may submit for filing and serve notice of a request that the court transfer a case to arbitration.
- (3) A court decision on an exemption filed pursuant to UTCR 13.070 will be rendered within ten (10) judicial days following the filing of a motion for exemption from arbitration or the motion is deemed denied. If the motion is allowed, the case will be returned to the active trial docket for future disposition. If the motion is denied, the case will remain in arbitration in accordance with these rules and the UTCR.

13.015 COURT DETERMINES WHETHER CASE SUBJECT TO ARBITRATION

- (1) A case assigned to arbitration will not be removed without a declaration, motion, and order.
- (2) Only in extraordinary circumstances will the court order a case returned from arbitration to the court docket after a case has been assigned to an arbitrator.
- (3) In the event that amended pleadings are allowed by the arbitrator (e.g., amended complaint, third party complaint, etc.), in which a party or parties will be added to the case, or which causes the case not to be subject to mandatory arbitration, the party submitting the amended pleading for filing shall notify the arbitration clerk in the office of the trial court administrator. These cases, when appropriate, may be returned to arbitration. In the event that the case is not thereafter subject to mandatory arbitration, the party requesting removal from arbitration shall submit for filing a motion to exempt the case from arbitration, or to remove it if it was previously referred to arbitration.

13.025 REFERRAL TO ARBITRATION

If the first appearance of a defendant is not an answer, but is a motion directed to the complaint or a dispositive motion, the motion shall be decided before the case is referred to arbitration. No case shall be referred to arbitration until all parties have appeared or have had a judgment of default entered against them.

13.045 INDIGENT PARTIES

- (1) In the event that funds are available under ORS 36.420 for the payment of fees that are waived, the arbitrator shall be reimbursed after completion of the arbitration, submission of the arbitration award for filing, and submission of a request for payment to the trial court administrator. Such request shall be in the form of a letter stating the identity of the case, the total hours of service the arbitrator provided, and the share of those hours chargeable to the indigent party. If funds are available, reimbursement will be provided for up to three (3) hours for each indigent party. The letter shall be accompanied by a copy of the order deferring or waiving fees of the indigent party.

- (2) In the event funds are not available under ORS 36.420 for the payment of fees that are waived by court order, a party may request that the clerk provide to the parties a list of arbitrators who have agreed to serve for no compensation, for compensation from one party only, or at a reduced rate.
- (3) The clerk shall provide names of available arbitrators, but no arbitrator is required to serve unless he or she has agreed to such alternate fee arrangement. The parties shall select an arbitrator from such list in the same manner as required in SLR 13.045.

13.055 ARBITRATORS

- (1) There shall be a panel of arbitrators in such number as the Presiding Judge may determine. Persons desiring to serve as an arbitrator shall submit in writing their desire to be placed on the arbitration panel, with the date they were admitted to the Bar, their name, address and phone number, and if they have any preference against certain types of cases. A list showing the names of arbitrators available to hear cases will be available for public inspection at the office of the trial court administrator.
- (2) The appointment of an arbitrator is subject to the right of that person to refuse to serve. An arbitrator shall notify the clerk immediately if refusing to serve, or if any cause exists for the arbitrator's disqualification from the case upon any of the grounds of interest, relationship, bias, or prejudice governing the disqualification of judges. No arbitrator shall have pending at any given time more than three (3) arbitration cases, subject to the discretion of the Presiding Judge.
- (3) If such disqualification or refusal occurs, the arbitrator shall notify all parties and immediately return all appointment materials on the case to the arbitration clerk in the office of the trial court administrator.

13.065 STIPULATIONS

No agreement or consent between parties or lawyers relating to the conduct of the arbitration proceedings will be regarded by the arbitrator unless the agreement or consent is made at the arbitration hearing or is in writing and signed by the lawyers or parties.

13.075 AWARD, PROOF OF SERVICE

At the conclusion of arbitration, if the arbitrator attempts to submit the award for filing with the court without the proof of service of a copy of the decision and award upon each party as required by ORS 36.425(1), the award will not be filed and will be returned to the arbitrator.
