2003 AMENDMENTS TO THE UNIFORM TRIAL COURT RULES

PREFACE

The Uniform Trial Court Rules (UTCR), as amended, are effective August 1, 2003. The amendments are the result of many comments and suggestions received from the public, bench, bar, and agencies who use the rules. The proposed amendments were published in the Oregon Appellate Courts Advance Sheets and public comment was invited. SUMMARY OF MAJOR CHANGES
2003 UTCR AMENDMENTS**

UTCR Reporter Note: Future UTCR Committee Meetings

The following are the only currently scheduled dates for future meetings of the full UTCR Committee:

FALL MEETING, October 17, 2003, in Salem, at the Oregon Office of the State Court Administrator. The meeting will be carried over to the following day, October 18, 2003, if the business of the committee is not completed on the first day. At the fall meeting the committee will review proposed SLR and make recommendations to the Chief Justice on disapproval of proposed SLR under UTCR 1.050. This one-day to two-day meeting is also the only meeting currently anticipated in the 2004-2005 UTCR cycle at which the committee intends to accept proposals to make recommendations for UTCR changes that would take effect August 1, 2004. Meeting dates for the following year are scheduled at the fall meeting.

Changes to the UTCR for 2003 include changes in the places listed below. The changes are briefly explained and in many cases also set out. Where changes are made to an existing UTCR, the new language is underlined and language to be deleted is bracketed out. CHAPTER 1—General Provisions

1.010 SCOPE OF THESE RULES

- (1) Effective October 1, 1985, these rules apply uniformly to all proceedings and actions in circuit court except those proceedings and actions specified in UTCR 1.010(3) or proceedings and actions for which a limited application is specifically provided by these rules.
- (2) These rules shall be construed so as to achieve consistency with statutory provisions and to promote the just, speedy and inexpensive determination of every proceeding and action as well as the efficient use of judicial time and resources.
- (3) Chapters 2 to 13 of the UTCR do not apply to small claims or violations or parking violations, except that:
 - (a) UTCR 7.050 applies to all cases that may be subject to a federal bankruptcy stay, including small claims cases.
 - (b) SLR relating to these subjects are placed in chapters as provided by UTCR 1.080(3).
- (4) These rules apply to attorneys and to persons representing themselves.

1.020 AMENDMENT OF THESE RULES; EFFECTIVE DATE

- (1) The UTCR may be amended by order of the Chief Justice.
- (2) The effective date of any amendments to the UTCR shall be August 1 of each year, unless otherwise ordered by the Chief Justice.
- (3) Proposed amendments to the UTCR will be published in the Oregon Appellate Courts Advance Sheets and will allow no less than a 49-day period for public comment.
- (4) Once approved by the Chief Justice, the final rules with any amendments which are adopted will be published in the Oregon Appellate Advance Sheets no less than 49 days before their effective date.

1.030 TRANSITION TO THESE RULES

- (1) On their effective date, these rules, and any amendments, shall apply to all actions and proceedings pending on or commenced after that date, except to the extent that, in the opinion of the court, application of the amendments in a particular action pending when the amendments take effect would not be feasible or would work injustice, in which event, the former rules or procedures apply.
- (2) Upon the effective date of these rules, and any amendments, all supplementary local rules (SLR) or portions thereof which are inconsistent with these rules or their amendments, are superseded, except that, when justice requires, a judge may order that an action or proceeding pending on that date be governed by the previous SLR or practice of the court.

1.040 LOCAL RULES OF COURT NOT PERMITTED; EXCEPTION

No circuit court may make or enforce any local rule except as provided in UTCR 1.030, 1.050 and 1.060.

1.050 PROMULGATION OF SLR; REVIEW OF SLR; ENFORCEABILITY OF LOCAL PRACTICES

(1) Promulgation of SLR

- (a) Pursuant to ORS 3.220, a court may make and enforce local rules consistent with and supplementary to these rules for the purpose of giving full effect to these rules and for the prompt and orderly dispatch of the business of the court.
- (b) A court must incorporate into its SLR any local practice, procedure, form, or other requirement ("local practice") with which the court expects or requires parties and attorneys to comply. A court may not adopt SLR that duplicate or conflict with the constitutions, statutes, ORCP, UTCR, disciplinary rules for lawyers, judicial canons, or ORAP. A court may not adopt SLR that establish internal operating procedures of the court or trial court administrator that neither create requirements for nor have potential consequences for parties or attorneys.
- (c) Every court must promulgate an SLR governing the scheduling and notification of parties for criminal trials, show cause hearings and motions. A temporary rule may be issued for a specified period of time with Chief Justice approval if the procedures are under revision or study by the affected court.
- (d) All forms required by SLR must be submitted as part of the SLR. Such forms shall be placed in an appendix and organized by chapter and SLR number. SLR and related forms shall contain cross-references to one another.
- (e) Before the delivery of a certified copy of a local rule to the State Court Administrator, the presiding judge must give written notice of the rule to the president(s) of the bar association(s) in the affected district and give the bar association(s) at least 49 days to provide the court with comments on the rule.

(2) Review of SLR

- (a) Proposed local rules will be considered by the Chief Justice or designee not more often than once each year. To be considered, the proposed rules must be received by the Office of the State Court Administrator on or before September 1. If the proposed rules are not disapproved by the Chief Justice or designee on or before December 15 of the same year, the proposed rules shall be deemed filed by the State Court Administrator on January 1 of the next year and shall become effective on February 1 of the next year.
- (b) Proposed local rules submitted to the Chief Justice for review under subsection (2)(a) of this rule must show the proposed changes to the local rule as follows: proposed new language in the SLR and proposed new SLR will be in bold and underlined, language proposed to be deleted and SLR proposed to be repealed will be in italics and have brackets placed before and after the deleted language ([...]). When final SLR are

submitted to the State Court Administrator after review under subsection (2)(a) of this rule, changes will not be indicated as required by this subsection.

- (c) The Chief Justice may waive the limits of paragraphs (1)(e) and (2)(a) above on good cause shown.
- (d) If a local rule is disapproved, notice of that action shall be given to the presiding judge of the court submitting the rule.

(3) Enforceability of Local Practices Not Contained in SLR

When any local practice is not contained in a court's SLR, the court may not enforce such local practice or impose any sanction therefore, unless the court has first afforded the party or attorney a reasonable opportunity to cure the violation by complying with the local practice.

1987 Commentary:

Subsection (2) renumbered as paragraph (1)(c) as of August 1, 1994: This subsection requires a court to promulgate local rules governing the scheduling and notification of counsel for trials, show cause hearings, and for motions. The purpose of this subsection is to give counsel, everywhere in the state, notice of how critical case events are scheduled by each local court. The purpose of this subsection, therefore, is not to promote any particular calendaring procedure, but rather to eliminate unwritten rules of court.

1.060 NUMBERING OF COURT RULES

UTCR shall be numbered as follows:

- (1) Chapters and sections shall be numbered with Arabic numerals. Chapters shall be designated to the left of the decimal point. Sections shall be designated to the right of the decimal point. There shall be three decimal places to the right of the decimal point.
- (2) When a section consists of more than one primary paragraph, each shall be numbered with an Arabic number in parentheses.
- (3) If a section contains only one primary paragraph, which includes secondary paragraphs, the primary paragraph shall not be numbered, but the secondary paragraphs shall be numbered with Arabic numbers in parentheses.
- (4) If a section contains more than one primary paragraph, any one or more of which includes a secondary paragraph, the secondary paragraphs shall be designated by lower case letters in parentheses.
- (5) The use of paragraphs beyond primary and secondary paragraphs should be avoided.
- (6) SLR approved pursuant to UTCR 1.050 must conform to this rule.

1.070 CITATION OF COURT RULES

- (1) The Uniform Trial Court Rules (UTCR) shall be cited as UTCR by chapter and section number. Paragraph numbers and letters shall be included in the citation when appropriate.
- (2) Supplementary local rules of the trial courts shall be cited as SLR by chapter and section number. Paragraph numbers and letters shall be included in the citation when appropriate. Identification of the particular court, county or judicial district which issued the rules also shall be included when such identification is necessary.

1.080 FORMAT AND LOCATION OF COURT RULES

- (1) All UTCR and SLR must be printed on paper measuring 8-1/2 x 11 inches; printing must be on both sides when practical; each sheet must be three-hole punched to fit a standard three-ring binder.
- (2) When SLR are printed, each page of the rules must include a footer that shows the following: the page number, the revision date applicable to the set of SLR, and the name of the court.
- (3) SLR must be numbered as closely as possible to and in the same chapter as related UTCR, without using numbers reserved for UTCR. The following chapter numbers are reserved for the placement of SLR related to the subjects described for the chapter numbers:
 - (a) Chapter 12, SLR relating to mediation.
 - (b) Chapter 14, SLR relating to reference judges.
 - (c) Chapter 15, SLR relating to small claims.
 - (d) Chapter 16, SLR relating to violations.
 - (e) Chapter 17, SLR relating to local parking violations.
 - (f) Chapter 18, SLR relating to Forcible Entry and Detainer (FED) actions.

1991 Commentary:

For purposes of UTCR 1.080(3) the Committee did not intend that SLR required by UTCR 1.050(1)(c) be placed in Chapter 1 but intended that such SLR be placed in Chapter 7 or other chapters related to the particular subject.

1.090 SANCTIONS

- (1) For failure to file a pleading or other document in the manner, the form or the time required by these rules or SLR, the court may strike the pleading or document.
- (2) For willful and prejudicial resistance or refusal to comply with UTCR or SLR, the court, on its own motion or that of a party after opportunity for a hearing, may do any of the following:

- (a) Assess against the noncompliant party or attorney or both reasonable costs, expenses and attorneys fees incurred by a party, attorney or the court.
- (b) Otherwise award reasonable costs, expenses and attorneys fees incurred by a party, attorney or the court.
- (c) Strike the offending pleading or other document.
- (d) Treat as established an allegation or claim.

1.100 RELIEF FROM APPLICATION OF COURT RULES

Relief from application of these rules or SLR in an individual case may be given by a judge on good cause shown if necessary to prevent hardship or injustice.

1.110 DEFINITIONS

As used in these rules:

- (1) Party means a litigant or the litigant's attorney.
- (2) Trial Court Administrator means the court administrator, the administrative officer of the records section of the court, and where appropriate, means trial court clerk.

1.120 DISBURSING MONIES; MOTION AND ORDER

 - (a) The amount to be disbursed including, but not limited to, instances where the trial court administrator is required to calculate interest, past payments, or proceeds remaining from a sale.
 - (b) The specific party or parties to whom the trial court administrator is to disburse monies.
- (2) In any instance described under subsection (1), the trial court administrator must give notice to the presiding judge and to any parties the trial court administrator can reasonably determine might have an interest in the monies. The following apply to notice under this subsection:
 - (a) Notice must be in writing.

- (b) Notice must include all the following to the extent possible: an indication that it is being given under this section, the amount of the money in question, identification of the source from which the trial court administrator received the money, a copy of any papers received with the money, a description of the circumstances of receiving the money, identification of any case to which the trial court administrator can determine the monies may be related, and a description of the reasons for not disbursing monies.
 - (c) The trial court administrator shall enter in the register the fact of giving the notice, the time of giving notice, the manner of giving notice, and the persons to whom notice was given.
- (3) At any time the trial court administrator does not disburse monies for reasons described under subsection (1) of this section or for any other reason, the court or any person with an interest in the money may submit a motion for an order to disburse the monies. - (a) Notice of the motion must be given to persons which the submitting party reasonably determines might have an interest in the money.
 - (b) The motion must indicate that it is being submitted under this section.
 - (c) The motion must include all the following: an explanation of the party's interest in the money, supporting mathematical calculations showing the amount of money that should be disbursed, any supporting documentation or affidavits that might assist the court in its determination, the name and address of the person to whom the monies should be disbursed, a proposed order to disburse.
 - (d) The motion is not a new filing or appearance but a continuation of an existing proceeding and no fee is required for filing the motion.
- (4) If the court determines money is to be disbursed, the court must enter an order to disburse directing specific amounts of money held by the trial court administrator to be disbursed and specific persons to whom the trial court administrator is to disburse the monies.
- (5) A trial court administrator must hold any monies subject to this section in the court trust account and follow the established accounting procedures until the trial court administrator receives the order to disburse.

1990 Commentary:

Situations to which this section applies include, but are not limited to, a trial court administrator receiving and being unable to disburse monies under ORS 23.300(3), 23.410(1), 23.490(5), 87.475(3), or 88.100.

1.130 TIME COMPUTATION

ORCP 10 shall be followed in computing any time period prescribed by these rules.

1.140 REQUESTS FOR EXTENDED RETENTION OF COURT RECORDS

- (1) Notwithstanding the retention period established in the schedule adopted by the State Court Administrator under ORS 8.125, the following procedures allow persons to extend records retention as described:
 - (a) **AUTOMATIC EXTENSION.** Any party to a case may request an automatic extension of retention for records described in this paragraph that are related to the person's case. A trial court administrator will automatically grant a request under this paragraph. The court will not discard records subject to the request before one year from the date of entry of the request for automatic extension in the register of actions. A party may submit a new request under this paragraph prior to the expiration of a previous request. An automatic extension of records retention under this paragraph can apply only to the following records for the requestor's case:
 - (i) Records shown by the register maintained under ORS 7.020 as having been received by the court in the case, other documents maintained in the court file specifically established for the case, and the register of actions and judgment docket for that specific case.
 - (ii) The audio or video recordings and logs, court reporter notes or transcripts for that case which the court has and which are identified with the case number.
 - (b) **JUDICIAL EXTENSION.** Any person may request a judicial extension of the retention period for any records maintained by a court as described by this paragraph. Granting a request under this paragraph is at the court's discretion. The court will not discard records for which an extension is granted under this paragraph before the date certain set in the extension order. Where an extension order under this paragraph does not establish a specific date for extended retention, the extension runs for one year from the date an order granting the extension is entered in the register of actions. A request for a judicial extension under this paragraph can be made:
 - (i) For records not covered by paragraph (a) of this subsection.
 - (ii) By a person seeking an extension for records subject to paragraph (a) of this subsection for a period longer than provided under paragraph (a).
 - (iii) By any person not allowed to request an automatic extension under paragraph (a) of this subsection.
- (2) **EVERY REQUEST** under this rule must:
 - (a) Be in writing, or where available, on the form specified by the court.
 - (b) Be submitted to the trial court administrator for the court where the records are maintained.
 - (c) Where the records subject to a request relate to a specific case, specify the case number and case title for the applicable case.
 - (d) Indicate that the request is being made under this rule.

- (3) In addition to the requirements under subsection (2) of this rule, every request for an AUTOMATIC EXTENSION under this rule must:
 - (a) Be notarized.
 - (b) Specify the records described under paragraph (1)(a) of this rule to which the request applies.
 - (c) Be a separate request for each case.
- (4) In addition to the requirements under subsection (2) of this rule, every request for a JUDICIAL EXTENSION under this rule must:
 - (a) Be accompanied by a supporting affidavit giving the reason for the request.
 - (b) Include a proposed order which provides a specific date to which the extended retention will run.
 - (c) If the request relates to records not described under paragraph (1)(a) of this rule, specify the records with sufficient detail for the court clerk to be able to identify the records to be retained. A request does not meet the requirement to specify records with sufficient detail for purposes of this paragraph if a request requires a clerk to perform substantial research to either identify the records or determine whether the records exist.
 - (d) If the request relates to records described under paragraph (1)(a) of this rule, specify the records described under paragraph (1)(a) of this rule to which the request applies.
- (5) No fee will be charged for a request under this rule.
- (6) Where the schedule adopted under ORS 8.125 specifies that a retention period runs from last document entry in the register of actions, entry in the register of a request or order granting or denying a request under this rule changes that retention period only to the extent granted under, according to the provisions of, and for the times established by this rule.

1.150 SLR TO ANNOUNCE HOURS OF COURT OPERATION

Each judicial district must adopt an SLR to announce the following: when each court location in the judicial district is open to conduct business; the hours when papers will be received and may be filed at each location, if different from when the court location is open to conduct business; special arrangements, if any exist or may be made, for filing of documents at times when the court location is not open to conduct business. SLR 1.151 is reserved for SLR adopted under this section.

1.160 FILING OF DOCUMENTS IN COURTS; LOCAL SLR

- (1) Except as provided in subsection (2) of this rule, a document to be filed with the court or the clerk of court or the trial court administrator must be filed with the office of the local trial court administrator or designee. No document delivered to a judge, judge's staff, judge's mailbox, courtroom, or chambers is filed until it is received by the office of the trial court administrator or designee. For every document to be filed, other than an order or judgment submitted to a judge for signature, the original is to be delivered to the trial court administrator's office.

- (2) Notwithstanding subsection (1) of this rule, local courts may adopt SLRs to allow filing of documents in places other than required by subsection (1). Such SLRs may allow such filing generally or in specific circumstances as convenient to the court adopting the SLR. SLR number 1.161 is reserved for the purposes of such SLRs.

1.170 COURT WEBSITES

SLR 1.171 is reserved for judicial districts to announce the website addresses of their courts. Links to these websites may also be found at the Oregon Judicial Department website:
<http://www.ojd.state.or.us>.

1.200 INFORMATION ON FREE OR LOW-COST LOCAL LEGAL SERVICES

Each judicial district must post in a conspicuous location information, including the telephone numbers, of any free or low-cost legal services and other relevant services available in the district and the nature of those services.

CHAPTER 2—Standards for Pleadings and Documents

2.010 FORM OF DOCUMENTS

The form of all documents, including pleadings and motions, except where a different procedure is specified by statute or rule, must be:

(1) Definitions

- (a) Document, as used in this rule, means every paper filed in any type of proceeding.
- (b) Printed document means documents wholly or partially printed.

(2) Size of Documents

All documents, except exhibits and wills, must be prepared on letter-size (8-1/2 x 11 inches) paper, except that smaller size paper may be used for bench warrants, commitments, uniform citations and complaints and other documents otherwise designated by the court.

(3) Documents Must be Printed or Typed

All documents must be printed or typed, except that blanks in preprinted forms may be completed in handwriting and notations by the trial court administrator or judge may be made in handwriting.

(4) Spacing, Paging and Numbered Lines

- (a) All pleadings, motions and requested instructions must be double-spaced and prepared on paper with numbered lines.
- (b) All other documents may be single-spaced and the lines need not be numbered.
- (c) On the first page of each pleading or similar document, not less than two inches or more than four inches at the top of the page shall be left blank.
- (d) All documents, except exhibits and wills, shall be prepared with at least a one-inch binding margin. The binding margin shall be at the edge of each sheet of paper in the document corresponding to the top of the first page printed on the sheet of paper, unless a different location is specified by SLR. All documents containing printing on the back side of a sheet shall be printed in such a manner so that when the page is turned on the binding edge, print on the back side is oriented in the same direction as the print on the front side of the following sheet.

(5) Backing Sheets

The use of backing sheets is discouraged. If used, they must be 8-1/2 x 11 inches, no heavier than 16-pound weight and not folded over at the top.

(6) Signature

The name of the party or attorney signing any pleading or motion must be typed or printed immediately below the signature. All signatures must be dated.

(7) Attorney or Litigant Information

All documents must include the author's name, address, telephone number, if any, and, if prepared by an attorney, the name and the Bar number of the author and the trial attorney assigned to try the case. Any document not bearing the name and Bar number of an attorney as the author or preparer of the document must bear or be accompanied by a certificate in substantially the form as set out in Form 2.010.7 in the UTCR Appendix of Forms.

(8) Distinct Paragraphs

All paragraphs in a pleading or motion must be numbered consecutively in the center of the page with Arabic numerals, beginning with the first paragraph of the document and continuing through the last. Subdivisions within a paragraph must be designated by lower case letters, enclosed in parentheses, placed at the left margin of each subdivision.

(9) Exhibits

(a) When an exhibit is appended to a filed document, each page of the exhibit must be identified by the word "Exhibit" or "Ex" to appear at the bottom right-hand side of the exhibit, followed by an Arabic numeral identifying the exhibit. Each page number of the exhibit must appear in Arabic numerals immediately below the exhibit number; e.g.:

"Exhibit 2

Page 10"

(b) Exhibits appended to a pleading may be incorporated by reference in a later pleading.

(10) Information at Bottom of Each Page

The name of the document, and the page number expressed in Arabic numerals, must appear at the bottom left-hand side of each page of each document.

(11) Document Title

(a) The title of each document filed with the court must include an identification of the filing party, such as "Plaintiff" or "Defendant." When there are multiple parties on a side, the party submitting the document must be suitably identified, such as "Plaintiff Smith" or "Defendant MegaCorp."

(b) In the title of each complaint or petition and at the beginning of each claim for relief, in the body of the pleading, there must be indicated the type of claim, such as "personal injury," "breach of contract," "specific performance" or "reformation of contract." The court case number must appear in the caption of every document. Every motion must show in the title the name of the pleading against which it is directed.

(12) Orders, Judgments or Writs

- (a) The judge's signature portion of any order, judgment or writ prepared for the court must appear on a page containing at least two lines of the text. Orders, judgments or writs embodying the ruling of a particular judge must have the name of the judge typed, stamped or printed under the signature line.
- (b) If the order, judgment or writ is prepared by a party, the name and identity of the party submitting the order must appear therein, preceded by the words "submitted by."
- (c) Motions and orders may be submitted as a single document only if the motion is stipulated, subject to *ex parte* ruling, not contested or otherwise specifically allowed by SLR. Any other motion must be submitted as a separate document from any proposed form of order deciding the motion. A motion submitted as a single document with an order may not be filed unless the order has been ruled upon and signed by a judge.
- (d) When allowed to be submitted as a single document under paragraph (c) of this subsection, motions and orders submitted as a single document must contain a double solid line across the page separating the motion portion of the document from the order portion. The caption of the document must be labeled "Motion xxxxxxx and Order" in the upper right-hand corner of the document. The full description of the motion must be included in the title. The order portion must be clearly labeled "Order" in the upper left-hand corner of the order portion of the document. A 2-inch by 2-inch space must be provided below the double solid line in the upper right-hand corner of the order portion for the file/date stamp of the order. The order portions must be written as clearly and simply as possible. Where appropriate, the order must consist of only two check boxes as follows: one for allowed, the other for denied. Where such check boxes are used in the order portion, they must be placed above the standard date and signature lines.

1993 Commentary:

Subsection (b) of Section (12) requires that the information include the author's name (signature not required), followed by an identification of party being represented, plaintiff or defendant.

Example: Submitted by:

A. B. Smith
Attorney for Plaintiff (or Defendant)

An exception to this style would be in cases where there is more than one plaintiff or one defendant. In those situations, the author representing one defendant or plaintiff, but not all, should include the last name (full name when necessary for proper identification) after the designation of plaintiff or defendant.

Example: Submitted by:

A. B. Smith
Attorney for Plaintiff Clarke

(13) Citation of Oregon Cases

In all matters submitted to the circuit courts, Oregon cases must be cited by reference to the Oregon Reports as: Blank v. Blank, ___ Or ___ (year) or as State v. Blank, ___ Or App ___ (year). Parallel citations may be added.

(14) Notice of Address or Telephone Number Change

An attorney or unrepresented party whose address or telephone number changes must immediately mail or deliver notification of such change to the trial court administrator and all other parties.

(15) Application to Court Forms

Forms created by the Oregon Judicial Department are not required to comply with the provisions of UTCR 2.010(4) or (8) where the Oregon Judicial Department determines variation from those provisions will promote administrative convenience for courts or parties. Such forms and exact copies of such forms may be used and submitted to courts without challenge under UTCR 2.010(4) or (8).

1996 Commentary:

The UTCR Committee strongly encourages the use of recycled paper and strongly recommends that all original pleadings, motions, requested instructions, copies, and service copies be on recycled paper having the highest available content of postconsumer waste.

2.020 CERTIFICATE OF SERVICE

When a summons or other civil process is served by one other than a sheriff or deputy sheriff, the certificate of service must include the name, telephone number and address of the person who served the summons or process.

2.030 MATTERS UNDER ADVISEMENT MORE THAN 60 DAYS

- (1) If any judge shall have any matter under advisement for a period of more than 60 days, it shall be the duty of all parties to call the matter to the court's attention forthwith, in writing.
- (2) If the matter remains under advisement for 90 days, all parties are required again to call the matter to the judge's attention forthwith, in writing, with copies to the presiding judge, if any, and the Chief Justice.

2.050 ATTORNEY FEES ON WRITTEN INSTRUMENTS

When attorney fees are based on a written instrument, the original or a true copy of the instrument must be submitted to the court with the requested judgment, unless a true copy is attached to or set out in the pleadings. This rule also applies to reciprocal fees claimed under ORS 20.096. If an original or copy is not available, the court may require proof by affidavit or testimony.

2.060 ENTERING JUDGMENT ON FACE OF NEGOTIABLE INSTRUMENT

- (1) In all cases when a judgment is to be based on a negotiable instrument, the party with custody of the original instrument must tender such instrument to the court before the entry of judgment, and the court must enter a notation of the judgment on the face of the instrument.
- (2) The trial court administrator shall return the original instrument only after filing a certified copy of the instrument.

1987 Commentary:

The rule is silent on the time when the judgment notation is to be entered on the face of the instrument. The rule permits the holding of documents submitted at the time the decree is entered while delaying endorsement until after the court receives confirmation of the sheriff's sale.

2.070 NOTICE OF ARBITRATION IN PLEADINGS

The title of a pleading, including a claim, counterclaim, cross claim, or third-party claim, must comply with UTCR 13.060.

2.080 COMMUNICATION WITH COURT

- (1) Except as exempted by statute or UTCR 2.100, when written communication is made to the court, copies must simultaneously be mailed or delivered to all other parties and indication made on the original of such mailing or delivery.
- (2) All written communication to the court shall refer to the title of the cause and the case number.

2.090 FILINGS FOR CONSOLIDATED CASES

Cases that are consolidated are consolidated for purposes of hearing or trial only. All pleadings, memoranda, and other documents applicable to more than one file will be filed in each case under existing captions and case numbers. Any document applicable to only a single file will be singly filed. It is the duty of counsel to provide the trial court administrator with sufficient documents to allow filings consistent with this rule.

2.100 PROTECTED PERSONAL INFORMATION, NOT CONTACT INFORMATION, REQUIREMENTS AND PROCEDURES TO SEGREGATE WHEN SUBMITTING

- (1) Purpose. This rule establishes:
 - (a) Procedures for a person to identify and segregate protected personal information when submitting a document to a court in a case and to request the information be kept from inspection by the general public.

- (b) A process for a court, when it grants a request under this rule, to protect the segregated, protected personal information from nonprotected information in a uniform way with an appropriate record.

(2) Information covered. As used in this rule:

- (a) “Protected personal information” means specific individual facts that, unless segregated, would otherwise be in a submitted document to identify a person submitting the document or another person beyond that person’s name or to identify the financial activities of either and which the court is allowed or required by law to keep confidential.
- (b) “Protected personal information” includes, but is not limited to:
 - (i) Social security numbers, credit card numbers, bank or other financial account numbers, bank or other financial account locations, driver license numbers, financial account access numbers, or similar information that is used for financial transactions.
 - (ii) Maiden names, birth dates, and place of birth.
 - (iii) Facts about a person’s identity or the identity of the person’s financial activities that is other than contact information and that can be exempt from public inspection under the Oregon Public Records Law (OPRL, ORS 192.410 to 192.505).
 - (iv) Facts other than contact information that can otherwise be protected under specific law, including, but not limited to, information protected by existing court orders.
- (c) “Protected personal information” does not include entire documents, contact information, or, except as ordered by a court, information that is not both personal and related to a person’s identity beyond their name or their financial activities.
- (d) “Contact information” means: the name of a person submitting a document or of a person on whose behalf a document is being submitted; telephone numbers; personal or business addresses; e-mail addresses; employer identification and address; or similar facts that make it possible for another to contact a person who is named in a document.

(3) Relationship to other law. The following all apply to this rule:

- (a) Parties to proceedings under ORS 107.085 or 107.485 must segregate all social security numbers from all documents they submit related to the proceedings in the manner provided by this rule. These social security numbers are confidential in the custody of the court as section 1, chapter 380, Oregon Laws 2003 (‘03 HB 3015) provides. Other than as this paragraph or an SLR 2.101 of a court provides, this rule is not the exclusive means for a court to protect personal information from public inspection.
- (b) All judicial districts must allow requests to segregate protected personal information under this rule as a way to keep it separate from information subject to public inspection. However, courts may use SLR to establish other procedures related to identifying and protecting information courts are allowed or required to keep confidential. But, SLR 2.101 is preserved for purposes of a court to:

- (i) require use of forms or procedures under this rule as the exclusive way to identify specific protected personal information so a court can segregate the information and protect it from public inspection; and
 - (ii) establish requirements supplemental to this rule as necessary to help administer this rule.
- (c) Nothing in this rule precludes a court from protecting information by appropriate court order.
- (d) Nothing in this rule affects or applies to procedures for identifying and protecting contact information:
 - (i) Of crime victims that is submitted to courts for processing restitution payments when restitution is sought and the information about a crime victim is kept confidential under section 6(2)(b), chapter 575, Oregon Laws 2003 ('03 HB 2646).
 - (ii) That can be made confidential under ORS 25.020(8)(d), 109.767(5), 110.375, or 192.445.
- (4) Procedure to follow. A person may only request protected personal information be segregated and protected under this rule when submitting it to a court in a case. The procedures under this rule may be used to identify and separately present protected personal information from any submitted document or form that is used to give information to a court. To do so, a person must do all of the following:
 - (a) Place in the document from which the protected personal information is being segregated a written notation to the effect that the information is being separately submitted under UTCR 2.100.
 - (b) Complete an affidavit in substantially the form provided in UTCR Form 2.100.4a. The affidavit:
 - (i) Need not be notarized but must be signed by the requestor and contain language that the person knowingly gives the information under an oath or affirmation attesting to the truth of what is stated and subject to sanction by law if the person provides false information to the court.
 - (ii) Must describe generally the protected personal information and set out the legal authority for protecting the information.
 - (c) Complete an information sheet in substantially the form provided in UTCR Form 2.100.4b to duplicate the protected personal information sought to be segregated and attach the information sheet to the affidavit.
 - (d) File the completed forms and attachments with the court along with, but not attached to, the document from which the protected personal information is segregated.
 - (e) For purposes of UTCR 2.080, mail or deliver to parties a copy of the affidavit only, and not the information sheet or attachments to the information sheet.

- (5) More than once in a case. If a court segregates specific protected personal information from a specific document under this rule:
- (a) The court is under no obligation to look for or segregate the same protected personal information from other documents in the file for that case or other cases that were not specifically addressed by a request under this rule or from any documents subsequently submitted to the court except when procedures under this rule to segregate from the specific document are again used.
 - (b) As long as the specific protected personal information remains current, a person need not submit an affidavit and information sheet under this rule each subsequent time the already segregated information would be submitted in that case. The person may simply add a written notation to any document subsequently submitted to the effect that the information has already been submitted in that case under UTCR 2.100.
- (6) Court response. When a completed request is filed under this rule and the court grants the request to segregate, the court will do the following:
- (a) Separate the UTCR Form 2.100.4b from the affidavit and maintain that form and any attachments to it as not subject to public inspection unless there is a question about the court's legal authority to keep the specific information from public inspection. The requestor need not obtain the signature of a judge. As official custodian of the case file under the OPRL, the trial court administrator will resolve any question about whether, or the extent to which, information maybe kept from disclosure under this rule unless statute or court order expressly provides otherwise. A request under this rule to keep information confidential, segregated, or exempt from public inspection is not subject to challenge and hearing except as specifically required by law.
 - (b) Keep the affidavit in the case file.
 - (c) Send notice confirming that a request is granted or denied only if the person includes a self-addressed, postage prepaid postcard that the court can use for that task. The postcard must also include the following text, to be filled in as indicated for the court to mail:

“Dear _____ (*person requesting print your name here*), Your request of _____ (*insert date of request*) to segregate specific protected personal information from information the general public can inspect in the case file for case number _____ (*insert case number*) in the Circuit Court for _____ (*insert county*) County (*the court will check and complete the appropriate following response before mailing*):

Was granted on _____ (*court will insert date*) and the segregated information sheet you submitted will be maintained separately from information available for public inspection. _____ (*initial of appropriate court employee*)

Was denied in part or entirely because (*court will explain and provide contact information for further action*): _____.”

- (7) Limits on protection. When the court grants a request under this rule, the court will protect the submitted Form 2.100.4b from being placed where the general public can inspect it. However, the following limits apply to this confidentiality:
- (a) A person may inspect the information sheet or attachments that person submitted.
 - (b) A person other than the person who submitted the information sheet or attachments may inspect the information sheet or attachments with a currently effective release by the person whose information is protected. The release must be signed by the person giving the release, dated, and establish a period during which the release will be effective.
 - (c) Any person who has a right by law to inspect the information sheet or attachments may do so. This includes Oregon Judicial Department personnel who require the information for their work.
 - (d) Courts will share the information sheets and attachments with other government agencies as required or allowed by law, without court order or application under subsection (8) of this rule, for purposes of the business of those agencies. Those agencies are required to maintain the information as confidential as provided under ORS 192.502(10).
 - (e) Courts will share the information sheets and attachments with the entity primarily responsible for providing support enforcement services under ORS 25.080 and under the requirements of 42 U.S. C. 666 without application under subsection (10) of this rule in any case in which spouse or child support is ordered.
- (8) Inspecting or copying protected personal information. Except as specifically provided in subsection (7) of this rule, any person who seeks to inspect or copy information segregated and kept from public inspection under this rule must make the request by using a form substantially like UTCR Form 2.100.8 and copy the requestor shown on the affidavit and parties to the case as required by UTCR 2.080. A court will only grant a request if the person requesting has a right by law, including this rule, to see the information. The court will indicate on the form its response to the request and maintain a copy of all the request forms, with its response, in the case file as a public record.
- (9) Denied requests. If a court denies a request under this rule:
- (a) For every piece of personal information on a UTCR Form 2.100.4b, the court will attach the affidavit and form to the document from which the information was segregated and place all in the case file.
 - (b) For only some of the personal information on a UTCR Form 2.100.4b, the court will:
 - (i) created a copy of the form where the information to be protected is redacted,
 - (ii) protect the original form as otherwise provided in this rule, and

- (iii) attach the affidavit and the redacted copy of the form to the document from which the information was segregated and place the affidavit and redacted copy of the form in the case file.

CHAPTER 3—Decorum In Proceedings

3.010 PROPER APPAREL

- (1) All persons attending the court must be dressed so as not to detract from the dignity of court. Members of the public not dressed in accordance with this rule may be removed from the courtroom.
- (2) When appearing in court, all attorneys and court officials must wear appropriate attire.

3.020 PROPER APPAREL FOR INCARCERATED WITNESSES AND DEFENDANTS APPEARING IN CRIMINAL PROCEEDINGS

Incarcerated witnesses and defendants appearing for trial must be dressed in neat, clean civilian clothing, unless otherwise ordered by the court.

3.030 MANNER OF ADDRESS

During trial, the litigants and litigants' attorneys must not address adult witnesses, jurors or opposing parties by their first names, and, except in voir dire, must not address jurors individually.

3.040 ADVICE TO CLIENTS AND WITNESSES OF COURTROOM FORMALITIES

Attorneys must advise their clients and witnesses of the formalities of the court and must encourage their cooperation. Unrepresented parties must similarly advise their witnesses and encourage their cooperation.

3.050 PROPER POSITION OF PARTIES BEFORE COURT

Parties must:

- (1) rise from their positions at counsel table and remain standing while addressing the court or the jury, except during voir dire;
- (2) not approach the bench except by permission; and
- (3) be allowed to move freely about the courtroom during trial unless otherwise instructed by the court.

1991 Commentary:

This 1991 change is not intended by the Committee to transfer control of the conduct of the trial process from the trial judge to the litigants. The change is intended to facilitate the identification of

exhibits by witnesses; the use of diagrams, photographs, and other exhibits by the examining attorney and witnesses; and to encourage the effective use of demonstrative evidence and exhibits in a manner facilitating the fact finder's understanding of the evidence. The Committee recognizes that there is the potential for abuse of this rule change, which may be distracting or disruptive of the proceedings, and thus the court retains the ability to maintain appropriate decorum and order.

The Committee recognizes that there are a number of factors which may affect the extent to which free movement is appropriate in a particular case. Without attempting to be all inclusive, these factors may include such things as: the physical layout of the courtroom; the age of the witness; the emotional/physical condition of the witness; the size, number, and nature of exhibits; etc. The Committee therefore encourages communication between the litigants and the trial judge at the commencement of trial covering these considerations and resolving any uncertainty.

3.060 DEFENDANT IN CRIMINAL TRIAL

During arraignment, plea and sentence, the defendant must stand unless otherwise permitted by the court.

3.070 PERSONS PERMITTED WITHIN BAR OF COURT

Except as otherwise permitted by the court, during the trial of any case or the presentation of any matter to the court, no persons, including members of litigants' families, shall be permitted within the bar of the courtroom, other than clients, attorneys, court personnel and witnesses when called to the stand.

3.080 PROCEDURE FOR SWEARING WITNESSES

The swearing of witnesses shall be conducted as a serious ceremony and not as a mere formality.

3.090 UNDUE RECOGNITION OR FAMILIARITY BY JUDGE

Judges shall refrain from showing undue recognition of or familiarity with any person in the courtroom.

3.100 PROPER USE OF COURT CHAMBERS

Except when court business is being conducted, parties must not congregate in the court's chambers or use the facilities or the court's entryway between the chambers and the bench without the permission of the court.

3.110 CONFERENCES IN CHAMBERS

Conferences may be conducted in chambers and shall be conducted without litigants present unless required by the court, requested by a party or otherwise required.

3.120 COMMUNICATION WITH JURORS

- (1) Except as necessary during trial, and except as provided in subsection (2), parties, witnesses or court employees must not initiate contact with any juror concerning any case which that juror was sworn to try.
- (2) After a sufficient showing to the court and on order of the court, a party may have contact with a juror in the presence of the court and opposing parties when:
 - (a) there is a reasonable ground to believe that there has been a mistake in the announcing or recording of a verdict; or
 - (b) there is a reasonable ground to believe that a juror or the jury has been guilty of fraud or misconduct sufficient to justify setting aside or modifying the verdict or judgment.

3.130 DISCLOSURE OF RELATED MATTERS WHEN SEEKING COURT ORDER

When a party seeks to obtain an order from a judge, the party must inform that judge of any ruling, hearing or application for a ruling or hearing before any other judge that concerns the subject of the order requested.

3.140 RESIGNATION OF ATTORNEYS

- (1) An application to resign made pursuant to ORS 9.380 must contain the name, address and telephone number of the party and of the new attorney, if one is being substituted, and the date of any scheduled trial or hearing. It must be served on that party and the opposing party's attorney. If no attorney has appeared for the opposing party, the application must be served on the opposing party, either in person or by certified mail, return receipt requested, to the opposing party's last known address. A notice of change or withdrawal of attorney must be promptly filed.
- (2) The attorney who files the initial appearance for a party, or who personally appears for a party at arraignment on an offense, is deemed to be that party's attorney-of-record, unless at that time the attorney otherwise notifies the court and opposing party(ies) in open court or complies with subsection (1).
- (3) When an attorney is employed or appointed to appear in an already pending case, the attorney must immediately notify the court and the opposing party in writing or in open court. That attorney shall be deemed to be the attorney-of-record unless that attorney otherwise notifies the court.

1987 Commentary:

In subsection (3), a change of attorneys in a pending case requires notification to the opposing party and to the court. This rule makes no changes to ORCP procedures for taking a default judgment. It only addresses who will be considered the attorney of record in a case.

1991 Commentary:

UTCR 3.140 is intended neither to establish new standards of professional responsibility nor to provide a method of discharging existing standards of professional responsibility. See DR 2-110.

3.150 NO REACTION TO JURY VERDICT

After the jury returns a verdict, all persons present in the courtroom must remain seated until the jury has left the room and must refrain from visibly or audibly reacting to the verdict in a manner which disrupts the dignity of the courtroom.

3.160 EXPLANATION OF PROCEEDINGS TO JURORS

In jury cases, after sustaining a dismissal of the case before verdict, the judge, in dismissing the jury, should, without discussion of the facts, briefly explain the procedure and why a verdict was unnecessary.

3.170 ASSOCIATION OF OUT-OF-STATE COUNSEL (*PRO HAC VICE*)

- (1) An attorney authorized to practice law before the highest court of record in any state or country ("out-of-state attorney") may appear on behalf of a party in any action, suit, or proceeding pending in this state before a court or administrative body even though that attorney is not licensed to practice law in this state, if the attorney satisfies all of the following requirements:
 - (a) Show that the attorney is an attorney in good standing in another state or country.
 - (b) Certify that the attorney is not subject to pending disciplinary proceedings in any other jurisdiction or provide a description of the nature and status of any pending disciplinary proceedings.
 - (c) Associate with an active member in good standing of the Oregon State Bar ("local attorney") who must participate meaningfully in the matter.
 - (d) Certify that the attorney will: comply with applicable statutes, law, and procedural rules of the state of Oregon; be familiar with and comply with the disciplinary rules of the Oregon State Bar; and submit to the jurisdiction of the Oregon courts and the Oregon State Bar with respect to acts and omissions occurring during the out-of-state attorney's admission under this rule.

- (e) If the attorney will engage in the private practice of law in this state, provide a certificate of insurance covering the attorney's activities in this state and providing professional liability insurance substantially equivalent to the Oregon State Bar Professional Liability Fund plan.
 - (f) Agree, as a continuing obligation under this rule, to notify the trial court or administrative body promptly of any changes in the out-of-state attorney's insurance or status.
 - (g) If application will be for an appearance before a court, pay any fees required by subsection (6) below for appearance under this rule. No fee is required if application will be for an appearance before an administrative body.
- (2) The information required by subsection (1) of this rule must be presented as follows:
- (a) If application will be for an appearance before a court, to the Oregon State Bar (Bar) in a form established by the Bar. The Bar may accomplish the submission of information by requiring a certificate with attachments or other means administratively convenient to the Bar. Upon receipt of all information necessary under subsection (1) of this section and receipt of the fee required by subsection (6) below, the Bar will acknowledge receipt in a form determined by the Bar. In making the acknowledgment, the Bar may attach copies or comment on any submitted material the Bar finds may be appropriate for a court to consider with an application under this section. The local attorney must then submit the Bar's acknowledgment with any information the Bar includes to the court by motion signed by the local attorney requesting the court to grant application under this section. The court may rely on the acknowledgment of the Bar as a basis to conclude that all information required to be submitted and fees required to be paid for granting an application under this section have been submitted and paid. Bar records on materials it receives under this section will be available to a court on request for two years or such longer period as the Bar considers administratively convenient.
 - (b) If the application is for an appearance before an administrative body, to the administrator of the agency before which the proceeding will occur or that person's designee or to any other appropriate officer, employee or designee of that agency as set forth by procedures or rules established by that agency. Application may be accomplished by an application certificate with attachments or other means administratively convenient to and established by the agency. Agency records on materials the agency or designee receives under this section will be available to the Bar on request for two years or such longer period as the agency considers administratively convenient.
- (3) The court or administrative body shall grant the application by order if the application satisfies the requirements of this rule, unless the court or administrative body determines for good cause shown that granting the application would not be in the best interest of the court or administrative body or the parties. At any time and upon good cause shown, the court or administrative body may revoke the out-of-state attorney's permission to appear in the matter.
- (4) Each time a court or administrative body grants an application under this rule or revokes an out-of-state attorney's permission to appear in a matter, the local attorney must provide a notice to the Bar of such occurrence in a manner and within the time determined by the Bar.

- (5) This rule applies to all judicial and administrative proceedings in this state. When a court or administrative body grants an application for approval to appear under this rule, the authorization allows that individual attorney to appear in all proceedings for a single case that occur within a year after the application is granted. Applications will not be granted for firms. There must be separate application and approval for any of the following: appearance by another out-of-state attorney representing the same or any other party; representation by the same out-of-state attorney in this state on another matter; any appearance that occurs later than that one-year period. The Bar or an administrative body may establish such abbreviated procedures and requirements as Bar or body finds administratively convenient to limit unnecessary submission of duplicate information by an attorney who has already had application granted to appear in one proceeding and is seeking to appear in other proceedings or to renew an application at the end of a current one-year grant for a case.
- (6) Except as otherwise provided in this rule, for each application under this rule to appear before a court, the applicant must pay to the Bar a fee of \$250 at the time of submission of information under subsection (2) of this section, including when application is sought to renew an application at the end of a current one-year grant for a case. The fee will not be refundable.
- (7) Subject to the following, the Bar or any administrative agency acting under this section, may use electronic means to accomplish acts required or authorized under this section:
 - (a) The Bar shall provide acknowledgment under paragraph (2)(a) of this rule for court purposes by electronic means only upon approval of the State Court Administrator.
 - (b) No administrative agency may provide electronic means of notifying the Bar of a grant of application or revocation under this section without prior approval of the Bar.
- (8) An applicant is not required to pay the fee established by subsection (6) of this section if the applicant establishes to the satisfaction of the Bar that the applicant is employed by a government body and will be representing that government body in an official capacity in the proceeding that will be the subject of the application.

NOTE: UTCR 3.170 is adopted by the Oregon Supreme Court under ORS 9.241 and may be modified only by order of that Court.

NOTE: As modified by Supreme Court Order #99-081 dated July 15, 1999.

3.180 MEDIA OR OTHER PUBLIC ACCESS COVERAGE OF COURT EVENTS

- (1) Courtrooms. Upon request or on the court's own motion, after notice to all parties, public access coverage shall be allowed in any courtroom, except as provided under this rule.
- (2) There shall be no public access coverage of the following:
 - (a) Proceedings in chambers.

- (b) Any notes or conversations intended to be private including, but not limited to, counsel and judges at the bench and conferences involving counsel and their clients.
 - (c) Dissolution, juvenile, paternity, adoption, custody, visitation, support, mental commitment, trade secrets, and abuse, restraining and stalking order proceedings.
 - (d) At a victim's request, sex offense proceedings.
 - (e) *Voir dire*.
 - (f) Any juror anywhere during the course of the trial in which he or she sits.
 - (g) Recesses.
- (3) Limitations on Denial of Public Access Coverage in Courtrooms. A judge may deny a request for or terminate public access coverage only if the judge makes findings of fact on the record setting forth substantial reasons for the denial. The judge may prohibit public access coverage if there is a reasonable likelihood of any of the following:
- (a) The public access coverage would interfere with the rights of the parties to a fair trial or would affect the presentation of evidence or outcome of the trial.
 - (b) Any cost or increased burden resulting from the public access coverage would interfere with the efficient administration of justice.
- (4) A judge may summarily prohibit public access coverage of a particular witness only if the judge finds on the record that public access coverage would endanger the welfare of the witness or materially hamper the witness' testimony.
- (5) Areas Outside of Courtrooms. The presiding judge may allow public access coverage in any area outside the courtroom that is on the courthouse premises and under the control and supervision of the court. Courts are encouraged to designate an area or areas outside the courtroom that is on the courthouse premises for public access coverage. For areas subject to this subsection, each judicial district, by SLR, may establish, for any court location, procedures for obtaining permission for public access coverage that differ from this subsection or may designate locations where public access coverage is allowed or prohibited. SLR 3.181 is reserved for SLR adopted under this subsection.
- (6) Public Access Coverage Defined. As used in this rule:
- (a) "Public access coverage" means coverage by means of any public access coverage equipment.
 - (b) "Public access coverage equipment" means any of the following in the possession of persons other than the court or the court's staff: television equipment; still photography equipment; audio, video, or other electronic recording equipment.

- (7) Equipment and Personnel for Public Access Coverage. The court may limit the location of public access coverage equipment. One pool video camera and one pool still camera and one pool tape recorder shall be permitted.
- (a) No public access coverage device shall be operated by more than one person.
 - (b) No person shall use public access coverage equipment that interferes or distracts from proceedings in the courtroom.
 - (c) The video camera must be mounted on a tripod or other device or installed in the courtroom. The tripod or other device must not be moved while the proceedings are in session. Video equipment must be screened where practicable or located and operated as directed by the court.
 - (d) No artificial lighting devices of any kind shall be allowed.
 - (e) Any pooling arrangement required by limitations on equipment and personnel imposed by the judge or by this rule must be the sole responsibility of the persons seeking public access coverage, without calling upon the judge to mediate any disputes involved therein.

In the absence of agreement on such issues by persons seeking public access coverage, the judge may exclude any or all public access coverage.

- (8) Upon request, any person engaging in public access coverage of a court event or in a courtroom, courthouse, its premises, or environs under the control and supervision of the court must provide to the court, without expense, or to any other person, if the requestor pays actual copying expense, a copy of any public access coverage the person performed.
- (9) A judge may impose other restrictions or limitations necessary to preserve the solemnity, decorum, and dignity of the court and to protect the parties, witnesses, and jurors. A judge may terminate any or all public access coverage at any point upon finding, based on substantial reasons in the record, that this UTCR or other rules imposed by the judge have been violated.
- (10) Nothing in this rule is intended to limit the court's contempt powers.
- (11) Nothing in this rule shall alter or affect the rules of the Supreme Court promulgated under "Video-Trial Project No. 88-38." Under that project, the audio-video coverage constitutes the entire record. In all other courts, the record shall be preserved with court reporters or audiotape. Restrictions on releasing audio-video coverage in courts participating in the Video-Trial Project shall be set forth in separate rules.

NOTE: UTCR 3.180 was adopted by the entire Oregon Supreme Court, and any changes to the rule will be made only with the consent of the Supreme Court.

CHAPTER 4—Proceedings in Criminal Cases

NOTE: Rules specifically relating to contempt proceedings are located in UTCR Chapter 19.

4.010 TIME FOR FILING PRETRIAL MOTIONS IN CRIMINAL CASES

Motions for pretrial rulings on matters subject to ORS 135.037 and ORS 135.805 to 135.873 must be filed in writing not less than 21 days before trial or within 7 days after the arraignment, whichever is later, unless a different time is permitted by the court for good cause shown.

4.030 PROCEDURE FOR ORDER OF TRANSPORTATION

- (1) Any motion that a person held in custody be transported from the place of confinement to a designated place must be accompanied by a separate proposed court order directing the sheriff to transport the person to and from the designated place at the appointed time.
- (2) All proposed orders of transportation must contain the dates and times on which the person in custody is to appear at the designated place and is to be returned to the place of confinement, the exact location of the designated place and, if the person in custody is to appear as a witness in a court proceeding, the caption and number of the case. A person in custody appearing as a witness must be returned to the place of confinement only after execution of an order of release signed by the judge presiding over the court proceeding.

4.040 COMMUNICATIONS WITH VICTIMS AND WITNESSES IN CRIMINAL CASES

- (1) When a victim or a witness requests that his or her address and telephone number not be disclosed to the defendant, the district attorney must promptly prepare, serve on the opposing party and submit to the court for signature an appropriate order.
- (2) The district attorney must report to the court, in writing or on the record, that the victim has been informed of any rescheduled trial date, or court hearing date where the presence of that victim is required, and whether that date is convenient to the victim.

4.050 ORAL ARGUMENT ON MOTIONS IN CRIMINAL CASES

- (1) There must be oral argument if requested by the moving party in the caption of the motion or by a responding party in the caption of a response. The first paragraph of the motion or response must include an estimate of the time required for argument and a statement whether official court reporting services are requested.
- (2) Counsel for either the state or the defense may request that a motion not requiring testimony be heard by telecommunication. The following apply to a request for oral argument by telecommunication:

- (a) A request must be in the caption of the motion or response. If oral argument by telecommunication is requested, the first paragraph of the motion or response must include the names and telephone numbers of all parties served with the request, a statement whether the office of the requesting person is more than 25 miles from the courthouse, the position of opposing counsel, and if the defendant has waived in writing the right to appear at the hearing.
 - (b) A request by counsel for defense must be granted if counsel for defense represents that the defendant agrees to the procedure and provides a signed waiver of personal appearance, and if counsel for the defendant is located more than 25 miles from the courthouse.
 - (c) A request by the state must be granted if both parties agree and counsel for the defense provides a written waiver from the defendant.
 - (d) In the event telecommunication is allowed, all parties must appear by telecommunications with no party personally appearing.
 - (e) The party requesting telecommunication must initiate the conference call at its expense unless the court directs otherwise.
- (3) "Telecommunication" must be by telephone or other electronic device that permits all participants to hear and speak with each other.

4.060 MOTION TO SUPPRESS EVIDENCE

- (1) All motions to suppress evidence:
 - (a) must make specific reference to any constitutional provision, statute, rule, case, or other authority upon which it is based; and
 - (b) must be accompanied by the moving party's brief which must be adequate reasonably to apprise the court and the adverse party of the arguments and authorities relied upon.
- (2) Any response to a motion to suppress:
 - (a) together with opposing affidavits, if any, upon which it is based must be in writing and must be served and filed not more than 7 days after the motion to suppress has been filed;
 - (b) must state the grounds thereof and, if the relief or order requested is not opposed, wholly or in part, a specific statement of the extent to which it is not opposed; and
 - (c) must make specific reference to any affidavits relied on and must be accompanied by an opposition brief adequate reasonably to apprise the court and moving party of the arguments and authorities relied upon.

- (3) When averments in an affidavit are made upon information and belief, the affidavit must indicate the basis thereof.
- (4) Failure to file a written response shall not preclude a hearing on the merits.

1991 Commentary:

The Committee proposes these amendments to clarify its intent in originally adopting this rule that a written response not be required.

4.070 DISMISSAL OF CHARGES FOLLOWING SUCCESSFUL COMPLETION OF DIVERSION

For any charge dismissed based upon successful completion of diversion for driving under the influence of intoxicants, marijuana diversion, or other diversion program, the dismissing instrument must state the basis for the dismissal.

CHAPTER 5—Proceedings in Civil Cases

NOTE: Rules specifically relating to contempt proceedings are located in UTCR Chapter 19.

5.010 CONFERRING ON MOTIONS UNDER ORCP 21, 23 and 36-46

- (1) The court will deny any motion made pursuant to ORCP 21 and 23, except a motion to dismiss:
(a) for failure to state a claim; or, (b) for lack of jurisdiction, unless the moving party, before filing the motion, makes a good faith effort to confer with the other party(ies) concerning the issues in dispute.
- (2) The court will deny any motion made pursuant to ORCP 36 through 46, unless the moving party, before filing the motion, makes a good faith effort to confer with the other parties concerning the issues in dispute.
- (3) The moving party must file a certificate of compliance with the rule at the same time the motion is filed. The certificate will be sufficient if it states either that the parties conferred or contains facts showing good cause for not conferring.
- (4) Upon certification that a motion is unopposed, it may be submitted *ex parte*.

5.020 POINTS AND AUTHORITIES TO ACCOMPANY MOTION AND OTHER REQUIREMENTS

- (1) Every motion must be accompanied by or include a memorandum of law or a statement of points and authorities, explaining how any relevant authorities support the contentions of the moving party.
- (2) If a pleading is moved against in more than two particulars under ORCP 21 D or E, there must be attached to the motion a copy of the pages of the pleading moved against with the parts of the pleading to be stricken shown in parentheses and the parts to be made more definite and certain underlined.

5.030 OPPOSING PARTY'S RESPONSE; TIME FOR FILING RESPONSE AND REPLY

In matters other than motions for summary judgment:

- (1) An opposing party may file a written memorandum of authorities in response to the matters raised in any motion not later than 14 days from the date of service of the motion.
- (2) A reply memorandum, if any, must be filed within 7 days of the service of the responding memorandum.

5.040 MOTIONS TO BE DETERMINED BY THE PRESIDING JUDGE OR DESIGNEE

The presiding judge or designee shall hear and determine all motions.

5.050 ORAL ARGUMENT ON MOTIONS IN CIVIL CASES

- (1) There must be oral argument if requested by the moving party in the caption of the motion or by a responding party in the caption of a response. The first paragraph of the motion or response must include an estimate of the time required for argument and a statement whether official court reporting services are requested.
- (2) A party may request that a motion not requiring testimony be heard by telecommunication. A request for oral argument by telecommunication must be in the caption of the motion or response. If argument by telecommunication is requested, the first paragraph of the motion or response must include the names and telephone numbers of all parties served with the request and a statement whether the office of the requesting person is more than 25 miles from the courthouse. The request must be granted if the office of the attorney making the request is located more than 25 miles from the courthouse. The first party requesting telecommunication must initiate the conference call at its expense unless the court directs otherwise.
- (3) "Telecommunication" must be by telephone or other electronic device that permits all participants to hear and speak with each other and permits official court reporting when requested. When recording is requested, telecommunications hearings must be recorded by the court if suitable equipment is available; otherwise, it will be provided at the expense of the party requesting recording.

1987 Commentary:

In subsection (2), a request for oral argument by telecommunication may be granted if the office of the requesting person is 25 miles or less from the courthouse; however, it is not mandatory upon the court to grant it in these circumstances.

5.060 STIPULATED AND *EX PARTE* MATTERS

- (1) Any stipulated or *ex parte* matter may be delivered by mail or messenger to the trial court administrator for distribution to a judge for signature. An *ex parte* default, a stipulated order or a stipulated judgment also may be personally presented to a judge by the attorney or the attorney's agent. Other types of *ex parte* matters personally presented to a judge must be presented by the attorney.
- (2) A motion for an *ex parte* order must contain the term "*ex parte*" in the caption and must be accompanied by a proposed order.

- (3) *Ex parte* matters shall be presented anytime during court hours, except as modified by SLR promulgated pursuant to UTCR 1.050. Until such local rules are adopted, stipulated and *ex parte* matters may be personally presented anytime during court hours.

5.080 STATEMENT FOR ATTORNEY FEES

In civil cases, the statement for attorney fees must be filed in the form set forth in Form 5.080 in the UTCR Appendix of Forms.

5.090 NOTICE TO COURT IN WATER RIGHTS CASES.

If at any time during the life of a case a party asserts a disputed water right, the party must give notice to the court that the case involves water rights. If not stated in the caption of the original complaint that begins the court case, the notice shall be in the following form:

- (1) Be on a separate piece of paper.
- (2) Include the caption for the case and the case number.
- (3) Include a simple statement that the case involves water rights.
- (4) Be signed by the attorney or party.

5.100 SUBMISSION OF PROPOSED ORDERS OR JUDGMENTS

Any proposed judgment, except those subject to UTCR 10.090, or proposed order submitted in response to a ruling of the court must be:

- (1) served on opposing counsel not less than three days prior to submission to the court, or
- (2) accompanied by a stipulation by opposing counsel that no objection exists as to the form of the judgment or order, or
- (3) mailed to an unrepresented party at the party's last known address not less than 7 days prior to submission to the court, or
- (4) presented in open court with the parties present.

5.110 CLASS ACTIONS

Rules relating to class actions may be found at Oregon Rule of Civil Procedure 32 and Oregon Rule of Appellate Procedure 12.15.

CHAPTER 6—Trials

6.010 CONFERENCES IN CIVIL PROCEEDINGS

- (1) In any civil proceeding the court may, in its discretion, direct the parties to appear before the court for a conference to consider:
 - (a) the simplification of the issues;
 - (b) the necessity or desirability of amendments to the pleadings;
 - (c) the possibility of obtaining admissions of fact and of documents which will avoid unnecessary proof or delay;
 - (d) the limitation of the number of expert witnesses;
 - (e) the advisability of a preliminary reference of issues to a master for findings to be used as evidence when the trial is to be by jury;
 - (f) a reference in whole or in part;
 - (g) the possible settlement of the case; and
 - (h) such other matters as may aid in the disposition of the action.
- (2) All conferences may be by personal appearance except that any party may apply, or the court may arrange for, a conference by telecommunication.

1991 Commentary:

Settlement conferences are required as provided by each court by its SLR 6.012 and under UTCR 6.200.

6.020 COURT NOTIFICATION ON SETTLEMENT OR CHANGE OF PLEA

- (1) In criminal cases, the parties must notify the court immediately of any decision that a case will be dismissed or a change of plea entered.
- (2) In all other cases, the parties must immediately notify the court of a decision to settle, dismiss, or otherwise resolve a case. After receipt of the notice, a court may require the parties to put the decision on the record, give written notice to the parties that the case will be dismissed unless an appropriate judgment is tendered to the court within 28 days, or both.

- (3) If parties to a civil action fail to notify the court of a settlement before 12:00 p.m. (noon) of the last judicial day preceding a jury trial, or if the case settles after 12:00 p.m. (noon) of such day, the court may assess on one or both parties the per diem fees and mileage costs of bringing in the jury panel for that particular trial.

6.030 POSTPONEMENT OF TRIAL DATE

- (1) A request to postpone a trial date must be by motion.
- (2) A motion to postpone a trial date must be signed by the attorney of record and contain a certificate stating that counsel has advised the client of the request and must set forth:
 - (a) the date scheduled for trial,
 - (b) the reason for the requested postponement,
 - (c) the dates previously set for trial,
 - (d) the date of each previous postponement, and
 - (e) whether any parties to the proceeding object to the requested postponement.
- (3) If the motion to postpone is based upon a conflicting proceeding in another court, it must set forth, in addition to the information required by subsection (2) of this section:
 - (a) the name of the court in which the conflict exists,
 - (b) the date of the conflict,
 - (c) the date on which the other proceeding is to begin,
 - (d) the case number and the date of filing of the conflicting case,
 - (e) the date on which the conflicting case was set for trial, and
 - (f) the information required by UTCR 6.040(2).
- (4) If a motion to postpone a civil trial is based upon stipulation of the parties:
 - (a) the new trial date must be within the time periods set forth in UTCR 7.020(5),
 - (b) the motion must be filed at least 28 days before the date then set for trial,
 - (c) the motion must be signed by the attorneys of record,
 - (d) the motion must contain a certificate stating that the attorneys have advised their clients of the stipulation and the clients agree to the postponement, and

- (e) the motion must set forth the date scheduled for trial, the new trial date requested, and that the new date is available on the court's trial docket.
- (5) The motion may be decided by a summary determination without a hearing.
- (6) Motions to postpone are not subject to UTCR Chapter 5, except UTCR 5.040 and 5.060.

1993 Commentary:

The court has discretion to allow or deny any motion for postponement under ORCP 52 and this rule, but the Committee recommends that the court generally allow a motion under subsection (4) of this rule if the new trial date requested can be reasonably accommodated on the court's docket.

6.040 RESOLVING SCHEDULING CONFLICTS

- (1) When a party is scheduled to appear in more than one court at the same time, and has been unable to obtain a postponement in one of the courts, the scheduling conflict will be resolved by the presiding judges of the affected courts on motion of the affected party in both courts.
- (2) In resolving scheduling conflicts, the following must be considered:
 - (a) statutory preference;
 - (b) the custodial status of a criminal defendant;
 - (c) the filing date of the case;
 - (d) the dates on which the courts sent notices of the trial date;
 - (e) the relative complexity of the cases;
 - (f) the availability of competent, prepared substitute counsel; and
 - (g) the inconvenience to the parties, the witnesses or the court.
- (3) If the scheduling conflict cannot be resolved by the affected presiding judges after consultation with each other, the conflict must be referred by them to the Chief Justice for summary resolution.

6.050 SUBMISSION OF TRIAL MEMORANDA

Trial memoranda, if any, must be filed with the trial court administrator, and copies must be delivered concurrently to the court and to opposing parties.

6.060 PROPOSED JURY INSTRUCTIONS AND VERDICT FORMS

- (1) All requested jury instructions and verdict forms must be in writing and delivered concurrently to the court and to opposing parties.
- (2) The original and one copy of the requested jury instructions and verdict forms must be submitted to the court.
- (3) Requested instructions may include any Uniform Oregon Jury Instruction by reference only to its instruction number and title: such as "Instruction No. 70.04 - Lookout." If the uniform instruction contains blanks or alternative choices, the appropriate material to complete the instruction must be supplied in the request.
- (4) Requested jury instructions, including references to Uniform Oregon Jury Instructions, must be prepared as follows:
 - (a) Requested uniform instructions must be identified in accordance with UTCR 6.060(3).
 - (b) Instructions, including uniform instructions, must be numbered consecutively, beginning with the number "1" for the first requested instruction.
 - (c) Except for requested uniform instructions, not more than one proposed instruction must appear on each sheet of paper.
 - (d) If any requested jury instruction requires more than one page to be set out, each of the pages must be numbered at the lower left-hand corner; the number must contain the consecutively assigned requested jury instruction number provided pursuant to subparagraph (b) of this paragraph, followed by a hyphen, followed by the consecutive number for each page.
 - (e) The designation of the party requesting the instruction must be typed on each page.
 - (f) Below each requested instruction must be a statement citing the statute, decision or other legal authority which supports the requested instruction.
- (5) The court must inform the parties before argument of the instructions that it proposes to give.
- (6) Proposed verdict forms and written interrogatories, if any, must be prepared without the name of the attorney or the name of the firm and must be submitted at commencement of trial and as otherwise allowed by the court.

6.070 RECORDED OR WRITTEN JURY INSTRUCTIONS

- (1) A party requesting written or recorded jury instructions, as provided by ORCP 59 B, shall have the responsibility for recording or reducing the court's instructions to writing in a timely manner.

- (2) No identifying information relating to the parties or any other extraneous material, including authorities, must appear on the typed or copied instructions.

6.080 MARKING EXHIBITS

- (1) Before the commencement of the trial, parties must mark all exhibits in the following manner:
 - (a) Plaintiff's exhibits must be marked consecutively from 1 through 99.
 - (b) Defendant's exhibits must be marked consecutively from 101 through 199.
 - (c) On request, the court must assign additional blocks of numbers.
 - (d) In cases involving multiple parties or large numbers of exhibits, the parties shall agree on the assignment of the numbers. If the parties cannot reach agreement, or if for any reason the numbering system cannot accommodate the parties, then the court may direct the parties to use any other numbering system not inconsistent with the intent of this section.
- (2) Upon request, the trial court administrator shall provide a party with appropriate stamps, labels or tags for exhibit marking.
- (3) The parties must submit to the court at the time of trial a list of premarked exhibits.
- (4) Exhibits not available at the commencement of trial, exhibits not reasonably anticipated to be used and exhibits intended for impeachment purposes need not be premarked.

1988 Commentary:

Subsection (4) cannot and does not change discovery rules as established for criminal cases by statute.

6.090 PEREMPTORY CHALLENGES IN CIVIL CASES

In civil trials, peremptory challenges must be taken in writing by secret ballot unless the parties stipulate to taking the challenges orally and the court agrees.

6.100 EXAMINATION OF WITNESSES

Except for good cause shown, no more than one attorney for each party shall examine a witness or present argument on an issue.

6.110 SPECIAL AND GENERAL FINDINGS IN SEPARATE DOCUMENT

Special or general findings or conclusions must be included in a document separate from the judgment.

6.120 DISPOSITION OF EXHIBITS

- (1) Unless otherwise ordered, all exhibits shall be returned to the custody of counsel for the submitting parties upon conclusion of the trial or hearing. Such counsel must sign an acknowledgment of receipt for the exhibits returned. Counsel to whom any exhibits have been returned must retain custody and control until final disposition of the case unless the exhibits are returned to the trial court pursuant to subsections (2) or (3) of this rule. Both documentary and nondocumentary exhibits submitted by parties not represented by counsel shall be retained by the trial court, subject to subsection (4) of this rule.
- (2) Upon the filing of a notice of appeal by any party, the trial court administrator promptly shall notify all counsel that they are required to return all documentary exhibits in their custody to the trial court within 21 days of receipt of the trial court's request. All counsel are required to comply with the notice. The trial court promptly will transmit the documentary exhibits to the appellate court, when requested to do so by the appellate court, under ORAP 3.25.
- (3) Upon request by an appellate court for transmission of nondocumentary exhibits, under ORAP 3.25, the trial court shall notify the party in whose custody the nondocumentary exhibits have been placed. The party must resubmit the designated exhibits to the custody of the trial court for transmittal to the appellate court.
- (4) Exhibits not returned to the parties shall be processed as follows:
 - (a) Such exhibits shall be retained by the trial court until the appeal period has elapsed and there is a final disposition of the case.
 - (b) After final disposition of the case, a notice shall be sent to the parties of record that, unless they withdraw their respective exhibits within 30 days, the exhibits will be disposed of by the court.
- (5) Nothing contained in this rule shall prevent parties to any matter before the court from seeking the release or return of exhibits before the times specified in this rule.
- (6) Exhibits in the court's custody shall not be removed from the trial court administrator's control except by stipulation or by order of the court.
- (7) For purposes of this rule, "documentary exhibits" include text documents, photos and maps, if not oversized, and audio and video tapes. An oversized document is one larger than standard letter size or legal size.

6.130 WAIVER OF JURY TRIAL IN CIVIL CASES

No waiver of trial by jury in civil cases in circuit court shall be deemed to have occurred unless the parties notify the court of such a waiver before 5:00 p.m. of the last judicial day before trial.

Thereafter, a jury trial may not be waived without the consent of the court. Failure to timely notify the court of a waiver before the day of trial may result in an assessment by the judge on one or both of the parties for the per diem fee and mileage costs of bringing in the jury panel for that particular trial.

6.140 PROCEDURES FOR USE OF HAZARDOUS SUBSTANCE

- (1) If a party intends to offer into evidence any hazardous substance at an evidentiary hearing or trial, the party must file a motion no later than 28 days prior to the hearing or trial seeking an order from the court regulating the handling, use and disposition of the hazardous substance.
- (2) "Hazardous substance" in this rule is defined as any substance listed or hereafter added to the Department of Transportation Hazardous Substances List and the Oregon State Police List of Chemicals and Precursors for Methamphetamine Production and any other hazardous substance designated by SLR.
- (3) The court, in its discretion, may issue an order concerning any of the following matters:
 - (a) a jury view and/or photograph in lieu of transportation of the hazardous substance to the courthouse;
 - (b) appointment of a custodian;
 - (c) appointment of a disposition expert;
 - (d) appointment of a medical expert;
 - (e) the amount to be transported or viewed;
 - (f) the container in which the hazardous substance is to be stored;
 - (g) the location and duration of handling and storage of the hazardous substance;
 - (h) the disposition of the hazardous substance; and
 - (i) other matters intended by the court to safeguard the public and the evidentiary record.
- (4) Failure to file a timely motion under subsection (1) of this rule may be grounds for excluding any hazardous substance from the courthouse.

1989 Commentary:

To prevent hardship or injustice, relief from application of this rule in an individual case may be sought under UTCR 1.100.

6.150 WEAPONS AND DANGEROUS INSTRUMENTS IN THE COURTROOM

If a party intends to offer into evidence any weapons or other hazardous materials at an evidentiary hearing or trial, before bringing the items into the courtroom, the party must:

- (1) For weapons:
 - (a) All firearms, BB guns, and pellet guns intended to be offered in evidence must be unloaded and either rendered inoperable or have a trigger guard installed.
 - (b) Guns and ammunition must be kept separate at all times.
 - (c) Knives, scissors, and any other sharp objects that could penetrate the skin must be sealed in puncture-proof containers, provided with secure and protective sheaths, or otherwise rendered harmless.
- (2) For other hazardous materials:
 - (a) Hypodermic needles must be provided with covers over needle points and sealed in a transparent puncture-proof bag.
 - (b) An unbreakable, transparent tube that locks on one end must be provided for safe handling and viewing of chemicals, pharmaceuticals, and biological substances.

1990 Commentary:

The court should be mindful that the court may grant exception to the above for good cause shown under UTCR 1.100 and that the Committee intended that there be exceptions granted if any part of the rule would affect the mechanical operation when mechanical operation was an evidentiary issue.

6.160 CONTROLLED SUBSTANCES IN THE COURTROOM

- (1) Unless otherwise ordered by the court, only a representative sample of controlled substances shall be brought into the courtroom to be presented as evidence. Such sample must have been placed in a see-through, heat-sealed container prior to coming into the custody of the court and must not be opened except by order of the court. The remainder may be presented by photograph, videotape, or may be available for viewing by the jury in some secure setting.
- (2) At all times between the receipt of the controlled substances and the return of controlled substances to the submitting party under UTCR 6.120 or destruction or transmittal of the

controlled substances to the appellate courts, the controlled substances shall be in the court's evidence locker in the custody and possession of a member of the court staff or in the custody of such appropriate law enforcement agency as the court orders.

6.170 JUROR HANDLING OF CONTROLLED, HAZARDOUS, OR INFECTIOUS SUBSTANCES AND CHEMICALS

Jurors must be advised if any controlled, hazardous, or infectious substances or chemicals to be handled in the jury room present a danger and must be provided instructions on safe handling, including providing protective devices, if necessary.

6.180 WEAPONS AND HAZARDOUS SUBSTANCES IN THE COURT FACILITIES

Unless otherwise ordered by the court, no person except a law enforcement officer shall possess in a court facility a firearm, knife, device, or hazardous substance capable of inflicting death or physical injury.

6.200 PRETRIAL SETTLEMENT CONFERENCES.

- (1) Each judicial district may adopt an SLR 6.012 providing for a uniform pretrial settlement conference procedure for use in all circuit court civil cases, including dissolution of marriage and postjudgment modification proceedings. The SLR shall be designed to most effectively meet the needs of the judges, lawyers, and litigants in each district and to promote early pretrial settlements.
- (2) Each SLR under this section, if adopted, should include the following provisions:
 - (a) If one party requests a pretrial settlement conference, the settlement conference must be held and must be conducted according to the procedure set forth in the SLR. However, the pretrial settlement conference will not be required if the opposing party demonstrates good cause why the settlement conference should not be held.
 - (b) Each trial attorney and party or representative of a corporation or insurance company who has full authority to settle and compromise the litigation must personally appear at the pretrial settlement conference; however, the judge may permit telephone appearances for good cause.
 - (c) Each settlement conference shall be scheduled to allow adequate time for meaningful settlement discussions. Additional settlement conferences may be scheduled by the judge or by agreement of all attorneys and parties.
 - (d) The pretrial settlement conferences shall not delay the trial scheduling.

- (3) Each SLR under this UTCR section, if adopted, should specify:
 - (a) Whether the settlement conference judge shall be permitted to act as trial judge if the case does not settle.
 - (b) Whether a pretrial statement or other document must be submitted to the judge prior to the pretrial settlement conference, when it should be submitted, and whether it should be confidential or nonconfidential.
 - (c) Whether and under what circumstances materials or notes prepared by the pretrial settlement judge may be placed in the trial court file in the event that the case does not settle.
 - (d) The methods for reporting settlement and removing the case from the active trial docket.
 - (e) Whether a trial-setting conference shall be held prior to the pretrial settlement conference.
- (4) SLR 6.012 is reserved for SLR adopted under this UTCR section.

CHAPTER 7—Case Management and Calendaring

7.010 PLEAS, NEGOTIATIONS, DISCOVERY AND TRIAL DATES IN CRIMINAL CASES

- (1) At the time of arraignment, the court may either accept a not guilty plea and set a trial date or set a date for entry of a plea in accordance with subsection (2) of this section.
- (2) Plea agreements, negotiations, discovery, and investigations must be concluded by a date as set by the court which is:
 - (a) for defendants in custody, not less than 21 days after arraignment but, in any event, not later than 21 days prior to the trial date; and
 - (b) for defendants who are not in custody, not less than 35 days after arraignment, but not later than the 35th day prior to the trial date.
- (3) Not later than the date set pursuant to subsection (2), trial counsel must report the following:
 - (a) whether a jury trial is desired;
 - (b) the probable length of trial;
 - (c) the need for a pretrial hearing; and
 - (d) any other matter affecting the case.
- (4) Relief from the dates set pursuant to subsection (2) of this rule shall be granted for good cause shown.

1988 Commentary:

Relief from application of the deadlines set by this rule is subject to UTCR 1.100, as are all UTCR provisions.

1990 Commentary:

As used in this section, arraignment means the initial appearance of the defendant in the court having jurisdiction to dispose of the case.

Relief from time set in this section is subject to UTCR 1.100, as are all UTCR provisions. The purpose of this rule, among others, is to give certainty in trial dockets. Therefore, the last date for entry of a plea will change with changes in trial dates.

Section 4.010 of UTCR should be read in conjunction with this section. In this regard, the parties may request that the court decide any legal issue, including motions to suppress, before plea negotiations are concluded. Nothing requires the court to allow that request.

7.020 SETTING TRIAL DATE IN CIVIL CASES

- (1) After service is made, the serving party must forthwith file the return or acceptance of service with the trial court administrator.
- (2) If no return or acceptance of service has been filed by the 63rd day after the filing of the complaint, written notice shall be given to the plaintiff that the case will be dismissed for want of prosecution 28 days from the date of mailing of the notice unless proof of service is filed within the time period, good cause to continue the case is shown to the court on motion supported by affidavit or the defendant has appeared.
- (3) If proof of service has been filed and any defendant has not appeared by the 91st day from the filing of the complaint, the case shall be deemed not at issue and written notice shall be given to the plaintiff that the case will be dismissed against each nonappearing defendant for want of prosecution 28 days from the date of mailing of the notice unless one of the following occurs:
 - (a) An order of default has been filed and entry of judgment has been applied for.
 - (b) Good cause to continue the case is shown to the court on motion supported by affidavit.
 - (c) The defendant has appeared.
- (4) If all defendants have made an appearance, the case will be deemed at issue 91 days after the filing of the complaint or when the pleadings are complete, whichever is earlier.
- (5) The trial date must be no later than one year from date of filing for civil cases or six months from the date of the filing of a third-party complaint under ORCP 22 C, whichever is later, unless good cause is shown to the presiding judge or designee.
- (6) Parties have 14 days after the case is at issue or deemed at issue to:
 - (a) Agree among themselves and with the presiding judge or designee on a trial date within the time limit set forth above.
 - (b) Have a conference with the presiding judge or designee and set a trial date.
- (7) If the parties do neither (a) nor (b) of (6) above, the calendar clerk will set the case for trial on a date that is convenient to the court.

1987 Commentary:

Nothing in this rule precludes a court from issuing its trial notices prior to 91 days after filing of the complaint.

1988 Commentary:

It is recognized that some cases may not be appropriate for trial setting "in the ordinary course" of the court's business. Special settings of trial dates in complex or other appropriate cases is permissible and may be initiated by any party or the court.

7.030 COMPLEX CASES

- (1) Any party in a case may apply to the presiding judge to have the matter designated as a "complex case."
- (2) The criteria used for designation as a "complex case" may include, but shall not be limited to, the following: the number of parties involved, the complexity of the legal issues, the expected extent and difficulty of discovery, and the anticipated length of trial.
- (3) A presiding judge shall assign any matter designated as a "complex case" to a specific judge who shall thereafter have full or partial responsibility for the case as determined by the presiding judge.
- (4) A "complex case" shall not be subject to the time limitation or trial setting procedures set forth in UTCR 7.020(5), (6) and (7); however, any such case will be set for trial as soon as practical, but in any event, within two years from the date of filing unless, for good cause shown, the trial date is extended by the assigned judge.

7.040 NOTIFY COURT OF ACTIVITY CHANGING SCHEDULE

The parties shall report immediately to the court any resolution of any matter scheduled on the court's docket.

7.050 EFFECT OF BANKRUPTCY PETITION

- (1) Upon notice that proceedings in an action are subject to a federal bankruptcy stay, the court must stay the action until it is shown to the court's satisfaction that the federal bankruptcy stay has been terminated or is not applicable to the action.
- (2) Upon motion of any party, the court may sever a claim that continues to be subject to the federal bankruptcy stay or a claim as it applies to the bankruptcy debtor and proceed with the remainder of the action if:
 - (a) the action includes multiple claims or multiple parties; and
 - (b) it is shown to the court's satisfaction that, as to one or more claims, the federal bankruptcy stay has been terminated or is not applicable.
- (3) A court must not dismiss the action stayed under this rule solely because of the bankruptcy filing. Nothing in this rule limits a court's ability to initiate the process to dismiss an action

stayed under this rule for want of prosecution under ORCP 54B(3) or as provided by statute. However, if a party to the action responds to the court notice concerning dismissal for want of prosecution by timely application to continue the action because bankruptcy proceedings are ongoing:

- (a) the ongoing bankruptcy proceedings constitute good cause to continue the action for purposes of ORCP or statute; and
 - (b) the court must continue the action as a pending case.
- (4) Time periods established by UTCR 7.020 or by SLR for proceeding with an action are not applicable during the stay to that action or part of an action stayed under this rule. For all or part of the action stayed under this rule, time periods held in abeyance under this subsection continue when the court proceeds and only as to that part of the action with which the court proceeds.
- (5) Nothing in this section limits a court's ability to grant dismissal of an action stayed under this rule as provided under ORCP 54A.
- (6) References in this rule to federal bankruptcy stays are to a stay under provisions of 11 U.S.C. Sections 105, 362, 1201, or 1301. As provided under UTCR 1.010(3), this rule is applicable to all cases that may be subject to a federal bankruptcy stay, including small claims cases.

NOTE: For purposes of subsection (3) of this section, ORS 46.270 continues to provide a statutory basis for dismissal of actions for want of prosecution until its repeal on 1/15/98.

7.060 AMERICANS WITH DISABILITIES ACT (ADA) ACCOMMODATION

- (1) If special accommodation under the ADA is needed for an individual in a court proceeding, the party needing accommodation for the individual must notify the court in the manner required by the court as soon as possible, but no later than four judicial days in advance of the proceeding. For good cause shown, the court may waive the four-day advance notice.
- (2) Notification to the court must provide:
- (a) the name of the person needing accommodation;
 - (b) the case number;
 - (c) charges (if applicable);
 - (d) the nature of the proceeding;
 - (e) the person's status in the proceeding;
 - (f) the time, date, and estimated length of the proceeding;

- (g) the type of disability needing accommodation; and
- (h) the type of accommodation, interpreter, or auxiliary aid needed or preferred.

7.070 FOREIGN LANGUAGE INTERPRETERS

- (1) If a foreign language interpreter is needed for a court proceeding, the party in need of an interpreter must notify the court in the manner required by the court as soon as possible, but no later than four judicial days in advance of the proceeding. For good cause shown, the court may waive the four-day advance notice.

- (2) Notification to the court must include:
 - (a) the name of the person needing an interpreter;
 - (b) the case number;
 - (c) charges (if applicable);
 - (d) the nature of the proceeding;
 - (e) the person's status in the proceeding;
 - (f) the time, date, and estimated length of the proceeding; and
 - (g) the language to be interpreted.

7.080 INTERPRETERS' REQUESTS FOR INFORMATION

If requested by a neutral court interpreter, parties in civil and criminal cases shall provide a list of specialized terminology expected to be used in the proceeding in which the interpreter will be providing services. The list shall be provided prior to the commencement of the proceeding. The list shall be kept confidential by the interpreter and is not discoverable.

CHAPTER 8—Domestic Relations Proceedings

8.010 ACTIONS FOR DISSOLUTION OF MARRIAGE, SEPARATE MAINTENANCE AND ANNULMENT, AND CHILD SUPPORT

- (1) Together with the original petition, the attorney for a petitioner, or if unrepresented, a petitioner, must file with the trial court administrator a certificate of residency establishing that one or both of the parties currently resides in the county in which the petition is being filed. Any petition tendered without a certificate of residency must be returned forthwith by the trial court administrator to the person who submitted the petition for filing, together with any tendered filing fee.
- (2) Petitioners, when providing service on respondents, must attach to the petition a copy of the Notice to Parties of A Marriage Dissolution as required by ORS 107.092. Copies of the notice may be obtained from the trial court administrator's office.
- (3) Unless otherwise ordered by the court, decrees in all uncontested actions for annulment or dissolution of marriage or for separation shall be entered on the basis of the affidavit set forth in ORS 107.095(4) in lieu of a hearing on the merits.
- (4) In any contested dissolution of marriage, separate maintenance or annulment action, each party must file with the trial court administrator and serve on the other party a statement listing all marital and other assets and liabilities, the claimed value for each asset and liability and the proposed distribution of the assets and liabilities. In the alternative, the parties may elect to file with the trial court administrator a joint statement containing this information.
- (5) In any proceeding under ORS chapters 107, 108, or 109 wherein child support or spousal support is contested, each party must file with the trial court administrator and serve on the other party a Uniform Support Affidavit in the form specified in Form 8.010.5 in the UTCR Appendix of Forms. A Uniform Support Affidavit required by this subsection must be completed as follows:
 - (a) If no party seeks spousal support or deviation from the uniform child support guidelines, the parties must complete the affidavit and attachments required for the affidavit, but the parties need not complete the schedules or attachments to the schedules.
 - (b) If any party seeks spousal support or any deviation from the uniform child support guidelines, all parties must complete the affidavit and all schedules and the attachments for all of them.
- (6) The documents required to be filed under subsections (4) and (5) above must be filed and served:
 - (a) at the time designated in the relevant SLR;
 - (b) in the absence of an SLR thereof, not less than 14 days before the hearing on the merits unless both parties stipulate otherwise, but in any event by the beginning of trial.

- (7) No judgment under this chapter shall be signed, filed or entered without the filing with the trial court administrator of all relevant documents, including all of the following:
 - (a) An affidavit of completed service.
 - (b) An affidavit of nonmilitary service and the proposed order of default, if the respondent is in default.
 - (c) The affidavit described in ORS 107.095(4) if the matter is uncontested.
 - (d) A completed Oregon State Health Division Record of Dissolution of Marriage form.
 - (e) If child support or spousal support is an issue, a Uniform Support Affidavit for each party, except where that issue is resolved by stipulation or default. A Uniform Support Affidavit required by this paragraph must be completed in the form specified in Form 8.010.5 in the UTCR Appendix of Forms and as provided under subsection (5) of this rule.
 - (f) If child support is an issue, the SED work sheets described under UTCR 8.060.
 - (g) A proposed judgment.
- (8) Parties who have been ordered to submit a proposed judgment in cases involving child or spousal support must submit the original and one copy to the trial court administrator.
- (9) Parties to proceedings under ORS 107.085 or 107.485 must follow UTCR 2.100 to segregate all social security numbers from documents the parties submit in the proceedings so the numbers will be protected as required by section 1, chapter 380, Oregon Laws 2003 ('03 HB 3015).

8.020 SUPPORT ORDERS

Every proposed order or judgment providing for the support of any person under ORS chapters 107, 108, 109, 110, 416 or 419A, 419B, or 419C, or modifying any order or judgment for support of any person under those chapters, must set forth the due date of the first support payment to be made thereunder, the means of payment and the person to whom payment must be made.

8.040 PREJUDGMENT RELIEF UNDER ORS 107.095(1)

- (1) An order for relief authorized by ORS 107.095(1) may be granted on motion supported by affidavit setting forth sufficient facts to establish a right to the requested relief.
- (2) Any motion regarding temporary custody of a minor child must be supported by an affidavit which must state the present location of the minor child, the person with whom the child presently resides, the persons with whom and the places where the child has resided for the last 6 months, including the length of time with each person and at each residence, and the reasons why a temporary custody order is sought.

- (3) Any motion regarding temporary support must be accompanied by a Uniform Support Affidavit in the form specified in Form 8.010.5 in the UTCR Appendix of Forms. A Uniform Support Affidavit required by this subsection must be completed as provided under subsection (5) of UTCR 8.010.
- (4) At least 7 days before the hearing, the opposing party also must serve and file a Uniform Support Affidavit on the moving party, when support is to be an issue. A Uniform Support Affidavit required by this subsection must be completed in the form specified in Form 8.010.5 in the UTCR Appendix of Forms and as provided for completion of the affidavit under subsection (5) of UTCR 8.010.

8.050 JUDGMENT MODIFICATION PROCEEDINGS

12.530 MEDIATOR STANDARDS OF CONDUCT

A listed mediator required to meet or subscribe to standards of conduct of this section, must establish to the satisfaction of, and in the manner established by, the determining authority that the mediator meets or subscribes to all the following standards of conduct:

- (1) General responsibilities:

- (a) Mediators have duties to the parties, to their profession, and to themselves. They should be honest and unbiased, act in good faith, be diligent, and never seek to advance their own interests at the expense of the parties.
- (b) Mediators must act fairly in dealing with mediation participants, have no personal interest in the terms of any settlement agreement, show no bias toward individuals or institutions involved in mediation, be reasonably available as requested by mediating parties, and be certain that the parties are informed about the mediation process in which they are involved.

- (2) Responsibilities to the parties:

- (a) Impartiality. The mediator must maintain impartiality toward all parties. Impartiality means freedom from favoritism or bias either by word or by action, and a commitment to serve all mediation participants as opposed to a single party. The mediator should disclose to the participants any affiliations which the mediator may have with any participant and obtain all parties' consent to proceed as mediator.
- (b) Informed Consent. The mediator has an obligation to assure that all parties understand the nature of the mediation process, procedures to be utilized, and the particular role of the mediator. Each party's consent to proceed with mediation should be obtained early, prior to the beginning of substantive negotiations.
- (c) Confidentiality. Maintaining confidentiality is generally critical to the integrity of the mediation process. Confidentiality encourages candor, a full exploration of the issues, and the possibilities of settlement. The mediator shall inform mediation participants of the degree to which communications connected with the mediation process shall be confidential, including any individual caucuses which may be utilized. Except as legally required, the mediator should resist testifying and disclosing other information about the substance of a mediation at any proceeding without the consent of all mediating parties.
- (d) Suspension or Termination of Mediation. The mediator shall inform the participants of their rights to withdraw from mediation at any time and for any reason, except as is required by law. If the mediator believes that participants are unable or unwilling to participate effectively in the mediation process, the mediator should suspend or

terminate the mediation, except as is required by law. If the parties reach a final impasse, the mediator should not prolong unproductive discussions which result in emotional and monetary costs to the participants.

(3) Defining the process:

- (a) Comparison to Other Processes. In appropriate cases, the mediator shall explain that mediation is not arbitration, legal representation, or therapy. The mediator shall explain that the mediator will not decide any issues for the parties.
- (b) Independent Advice and Information. In mediations in which disputants personally represent their own individual interests and substantial legal issues exist, the mediator shall encourage participants to obtain desired individual legal advice and individual legal review of any mediated agreement as is reasonably necessary for the parties to reach an informed agreement.
- (c) Full Disclosure. In mediations in which disputants represent their own individual interests, the mediator shall seek to ensure to the mediator's and all mediation participants', reasonable satisfaction the full disclosure of relevant information in the mediation process. If the mediator believes that full disclosure is not reasonably being made, the mediator shall express such concern to the mediation participants. If this concern is not reasonably satisfied, the mediator may suspend or terminate the mediation.
- (d) Opportunity for Full Expression of Interests. The mediator shall seek to provide each mediation participant with a full opportunity to effectively express his or her interests.
- (e) Fees. The mediator has a duty to define and describe any fees for the mediation and to agree with participants as how fees are to be shared and the manner of payment before proceeding to facilitate substantive negotiations. When setting fees, the mediator shall ensure that they are explicit, fair, and commensurate with the service to be performed. Unearned fees must be promptly returned to the participants. It is inappropriate for a mediator to charge contingent fees or to base fees upon the outcome of a mediation. No commissions, rebates, or similar forms of remuneration shall be given or received for referral of clients.
- (f) Additional Representation or Roles. A mediator should not engage in any nonmediative role relative to the subject matter of a mediated dispute, except by the informed consent of all mediation participants.

(4) Responsibilities to the profession and the public:

- (a) Continuing Education. A mediator should participate in continuing mediation education and be personally responsible for ongoing professional growth. A mediator is encouraged to join with other mediators and members of related professionals to promote mutual professional development.

 - (c) Matters exempt by ORS 36.400.
 - (d) Any civil action exempt from arbitration by action of a presiding judge under ORS 36.405.
- (2) This UTCR chapter on arbitration is not designed to address every question that may arise during the arbitration hearing. These rules give considerable discretion to the arbitrator. The arbitrator should not hesitate to exercise that discretion.

13.020 MANDATORY ARBITRATION PROGRAM

A court must announce, by SLR, the monetary limits established under ORS 36.400(3) for its arbitration program under ORS 36.400 to 36.425. It is sufficient for the SLR to reference the statute and the monetary limit established. SLR 13.005 is reserved for purposes of the announcement.

- (1) Each court must establish an arbitration commission.
- (2) The function of the arbitration commission is to supervise the arbitration program and to give advisory opinions relating to arbitration.
- (3) The arbitration commission must include both judge and attorney members and, as an ex officio member, the court administrator.

13.040 RELATIONSHIP TO COURT JURISDICTION AND APPLICABLE RULES

- (1) A case filed in the circuit court remains under the jurisdiction of that court in all phases of the proceedings, including arbitration. Except for the authority expressly given to the arbitrator by these rules, all issues shall be determined by the court of jurisdiction.
- (2) Until a case is assigned to the arbitrator, Oregon Rules of Civil Procedure apply. After a case is assigned to an arbitrator, these arbitration rules apply except where an arbitration rule states that a Rule of Civil Procedure applies.

- (3) Once a case is assigned to arbitration, all motions against the pleadings, all motions for discovery, and all similar pretrial motions not then resolved will be submitted to the arbitrator only and determined by the arbitrator. The arbitrator's determination, however, will apply only during the arbitration proceeding. If a request for trial *de novo* is filed, such matters may be raised again. If the arbitrator's decision on a pretrial motion will prejudice a party on trial *de novo*, that party may file an appropriate motion with the court.

- (1) Cases will not be assigned to arbitration within 63 days of the set trial date, except by order of the court.

When a party places the "NOT SUBJECT" language in the title of the pleading, the party gives notice to the court and other parties that the case is exempted from mandatory arbitration either clearly by statute or under these rules. This language must not be in the title of a pleading for any other purpose. A party's signature on pleadings containing such language constitutes the party's certificate of such notice under ORCP 17. In all other instances, the party will place the language in the title indicating the case is subject to mandatory arbitration.

13.070 EXEMPTION FROM ARBITRATION

Within 14 days after notification by the court that the case is assigned to arbitration, any party seeking exemption from arbitration must file and serve a "Motion for Exemption from Arbitration."

- (3) Arbitrators will conduct themselves in the manner prescribed by the Code of Judicial Conduct.

13.100 AUTHORITY OF ARBITRATORS

An arbitrator has the authority to do all of the following, but may exercise the authority conferred only after the case is assigned to a specific arbitrator and any disputes over the assignment have been settled:

- (1) Decide procedural issues arising before or during the arbitration hearing, except issues relating to arbitrability or the qualification of an arbitrator. The court may entertain a challenge to the qualification of an arbitrator on grounds that could not be discovered prior to assignment of the arbitrator to the case.
- (2) Invite, with reasonable notice, the parties to submit trial briefs.
- (3) After notice to the parties, examine any site or object relevant to the case.

- (4) Issue a subpoena, enforceable in the manner described in ORS 36.340.
- (5) Administer oath or affirmations to witnesses.
- (6) Rule on the admissibility of evidence in accordance with these rules.
- (7) Determine the facts, apply the law and make an award; perform other acts as authorized by these rules.
- (8) Determine the place, time and procedure to present a motion before the arbitrator, including motions for Summary Award (known as Summary Judgment under ORCP).
- (9) Require a party, an attorney advising each party, or both, to pay the reasonable expenses, including attorney fees, caused by the failure of such party or attorney or both, to obey an order of the arbitrator.
- (10) Award attorney fees as authorized by these rules, by contract or by law.

13.110 ARBITRATOR'S OATH

Arbitrators will be required to execute the following oath in writing on a form provided by the trial court administrator at the time of appointment:

I solemnly affirm that I will faithfully and fairly hear and examine the matters in controversy and that I will make a just award to the best of my understanding.

13.120 COMPENSATION OF ARBITRATOR

- (1) The arbitration commission shall establish a compensation schedule for arbitrators. If the arbitrator suggests that extraordinary conditions justify a different fee, and the parties concur, the fee may be adjusted accordingly. If the parties, or any of them, do not concur, the arbitrator shall direct an inquiry to the court for determination of the appropriate fee.
- (2) Within 14 days of the appointment of the arbitrator, each party must tender to the arbitrator a pro rata share of the preliminary payment for the arbitrator. Any deposit in excess of the arbitrator's actual fee will be refunded to the parties. Regardless of whether the arbitration hearing is conducted, the parties must pay a proportionate share of the arbitrator's fee. The arbitrator must submit to each party an itemized statement.
- (3) Relief from the payment of arbitration fees, in whole or in part, as provided for in ORS 36.420(3) must be applied for immediately upon a case or a small claim becoming eligible for arbitration. The court will provide the arbitrator with a copy of any order waiving or deferring all or any part of the fees.
- (4) Any dispute as to the amount of the arbitrator's fee must be submitted to the court.
- (5) The arbitrator's fee may be considered a recoverable item of costs.

13.130 RESTRICTIONS ON COMMUNICATION BETWEEN ARBITRATOR, PARTIES AND ATTORNEYS

Unless all parties otherwise agree, no disclosure of any offers or settlement made by any party shall be made to the arbitrator prior to the announcement of the award. Neither counsel nor a party may communicate with the arbitrator, regarding the merits of the case, except in the presence of, or on reasonable notice to, all other parties.

Except for Judicial Rules 3, 4, and 5 of the Code of Judicial Conduct, all rules of professional conduct concerning Bench and Bar apply in the arbitration process.

13.140 DISCOVERY

Discovery shall be conducted in accordance with Oregon Rules of Civil Procedure, and all motions shall be determined by the arbitrator. The arbitrator shall balance the benefits of discovery against the burdens and expenses. The arbitrator shall consider the nature and complexity of the case, the amount of controversy, and the possibility of unfair surprise that may result if discovery is restricted.

13.150 SUBPOENA

In accordance with the Oregon Rules of Civil Procedure, a lawyer of record or the arbitrator may issue a subpoena for the attendance of a witness at the arbitration hearing or for the production of documentary evidence at the hearing.

13.160 SCHEDULING OF THE HEARING

- (1) The arbitrator shall set the time, date and place of hearing and shall give reasonable notice of the hearing date to the parties and comply with ORS 36.420.
- (2) Except for good cause shown, the hearing must be scheduled to take place not sooner than 14 days, or later than 49 days, from the date of assignment of the case to the arbitrator. The parties may stipulate to a postponement or continuance only with the permission of the arbitrator. Such postponements or continuances must also be within the 49-day period. Any continuances or postponements beyond such period require the arbitrator to obtain approval of the presiding judge. The arbitrator must give notice of the hearing date and any continuance to the trial court administrator.
- (3) Continuances and postponements shall not be granted except in the more unusual circumstances. Approximately two months are allocated for the arbitration process. The arbitrator is given the power to enforce the rules and will be required to maintain the schedule.

13.170 PREHEARING STATEMENT OF PROOF

- (1) At least 14 days prior to the date of the arbitration hearing, each party must submit to the arbitrator and serve upon all other parties all the following:

- (a) A list of all exhibits to be offered showing or accompanied by a description of the document and the name, address and telephone number of its author or maker and complying with UTCR 13.190(2)(c). Each party, upon request, must make any exhibits available for inspection and copying by other parties.
 - (b) A list of witnesses the party intends to call at the arbitration hearing with their addresses and telephone numbers and a statement of the matters about which each witness will be called to testify.
 - (c) An estimate as to the expected length of the hearing.
- (2) A party failing to comply with this rule, or failing to comply with a discovery order, may not present at the hearing any witness or exhibit required to be disclosed or made available, except with the permission of the arbitrator.
 - (3) Each party must also furnish the arbitrator, at least 14 days prior to the arbitration hearing, with copies of pleadings and other documents contained in the court file which that party deems relevant.

13.180 CONDUCT OF HEARING

- (1) Arbitration hearings shall be informal and expeditious. The arbitrator shall exercise reasonable control over the mode and order of interrogating witnesses and presenting evidence so as to do the following:
 - (a) Make the interrogation and presentation effective for the ascertainment of the facts.
 - (b) Avoid needless consumption of time.
 - (c) Protect witnesses from harassment or undue embarrassment.
- (2) A witness shall be placed under oath or affirmation prior to presenting testimony, a violation of which oath shall be deemed contempt of court, in addition to other penalties that may be provided by law. The arbitrator may question the witness. The extent to which the rules of evidence will be applied shall be determined in the discretion of the arbitrator.
- (3) The hearing may be recorded electronically or otherwise by any party or the arbitrator. The cost of such recording is not a recoverable item of cost.

13.190 CERTAIN DOCUMENTS ADMISSIBLE

- (1) The documents listed in subsection (2) of this rule, if relevant, are admissible at an arbitration hearing, but only if:
 - (a) The party offering the document has included in the prehearing statement of proof a description of the document and the name, address and telephone number of its author or maker, at least 14 days prior to the hearing; and

- (b) The party offering the document promptly has made available, after request, to all other parties, all other documents from the same author or maker.
- (2) The following documents are subject to this rule:
- (a) A bill, report, chart or record of a hospital, doctor, dentist, registered nurse, licensed practical nurse, physical therapist, psychologist or other health care provider on a letterhead or a printed bill.
 - (b) A bill for drugs, medical appliances or other related expenses on a letterhead or a printed bill.
 - (c) A bill for, or an estimate of, property damage on a letterhead or a printed bill. In the case of an estimate, the party intending to offer the estimate must forward with the prehearing statement of proof under UTCR 13.170 a statement indicating whether or not the property was repaired, and if it was, whether the estimated repairs were made in full or in part, attaching a copy to the receipted bill showing the items of repair and the amount paid.
 - (d) A police, weather, wage loss or traffic signal report or standard life expectancy table.
 - (e) A photograph, x-ray, drawing, map, blueprint or similar documentary evidence.
 - (f) The written statement of any witnesses, including the written report of an expert witness which may include a statement of the expert's qualifications, and including a statement of opinion which the witness would express if testifying in person, if it is made by affidavit or by declaration under penalty of perjury.
 - (g) A document not specifically covered by any of the foregoing provisions, but having equivalent circumstantial guarantees of trustworthiness, the admission of which would serve the policies, purposes and interests of justice.
- (3) Any other party may subpoena the author or maker of a document admissible under this rule, at that party's expense, and examine the author or maker as if under cross-examination.

13.200 ABSENCE OF PARTY AT HEARING

- (1) The arbitration hearing may proceed and an award may be made in the absence of any party who, after due notice, fails to participate or to obtain a continuance or postponement.
- (2) If a defendant is absent, the arbitrator shall require the plaintiff to submit evidence sufficient to support an award.
- (3) In a case involving more than one defendant, the absence of a defendant does not preclude the arbitrator from assessing as part of the award damages against the defendant or defendants who are absent.
- (4) The arbitrator, for good cause shown, may allow an absent party an opportunity to appear at a subsequent hearing before making an award.

13.210 FORM AND CONTENT OF AWARD

- (1) The award must be in writing and prepared on a form prescribed by the court and signed by the arbitrator.
- (2) The arbitrator shall determine all issues raised by the pleadings, including a determination of any damages, costs and attorney fees where allowed under applicable law.
- (3) Findings of fact, conclusions of law and written opinions are not required.
- (4) The award must contain the caption of the case and all the following information:
 - (a) The date of the hearing, if any.
 - (b) The prevailing party and the amount of relief awarded.
 - (c) Whether any part of the award was based on the failure of any party to appear and the identity of that party.
 - (d) The name and office address of the arbitrator.
 - (e) Provision for costs and for attorney fees where allowed under applicable law.
 - (f) Interest in accordance with applicable law specifying the rate of interest and the date from which it accrues.
- (5) Within 7 days after the conclusion of the arbitration hearing, the arbitrator shall send the award to the parties without filing with the court and shall establish procedures for determining attorney fees and costs.
- (6) In dissolution cases, the arbitrator shall send the award to the parties within 7 days after the conclusion of the arbitration hearing and shall direct a party to prepare and submit a form of decree. The arbitrator, upon request of any party, shall give the parties an opportunity to be heard on the form of decree. The arbitrator shall then approve a form of decree and file the award, along with the approved form of decree, per UTCR 13.220.

1988 Commentary:

It is the intent of the Committee that 13.210(2) applies in dissolution cases.

1994 Commentary:

The Committee intends that the arbitrator determine all costs to which the prevailing party may be entitled, including the prevailing fee and share of the arbitrator's fee.

13.220 FILING OF AN AWARD

- (1) The arbitrator shall file the award with the trial court administrator, together with proof of service of a copy of the award, upon each party within the following times after the completion of the arbitration hearing:
 - (a) In dissolution cases within 21 days.
 - (b) In all other cases within 14 days.
- (2) An arbitrator may request an extension of time for filing of the award by presenting a written *ex parte* request to the trial court administrator. The trial court administrator may grant or deny the request, subject to review of the presiding judge. The arbitrator shall give the parties notice of any extension granted.
- (3) The arbitrator may file with the trial court administrator and serve upon the parties an amended award to correct an obvious error made in stating the award if done within the time for filing an award or upon application to the court to amend.
- (4) After the award is filed, the arbitrator must return all documents and exhibits to the parties who originally offered them. All other documents and materials relating to the case must be delivered to the trial court administrator. The parties must retain all exhibits returned by the arbitrator until a final judgment is entered in the case.

13.240 JUDGMENT ON AWARD

If no request for trial *de novo* is filed within the time established by ORS 36.425(3), the arbitration decision and award will be entered and have the effect provided in that statute.

13.250 REQUEST FOR TRIAL *DE NOVO*

- (1) A party who qualifies under ORS 36.425(2) may obtain a trial *de novo* on the case determined by completing the service, filing, payment of trial or jury fee and deposit as required under ORS 36.425(2).
- (2) In addition to the provisions under ORS 36.425 relating to a trial *de novo*, the following provisions apply:
 - (a) In addition to filing a written notice of appeal and request for trial *de novo* with the trial court administrator, the party must serve on the parties a copy of the written notice of appeal and request for a trial *de novo* filed with the trial court administrator, and proof of such service must be filed with the trial court administrator.
 - (b) When cases are consolidated for arbitration and a party has filed an appeal from the arbitration award in one or more of the consolidated cases, any other party who otherwise qualifies under ORS 36.425(2) may serve and file with the trial court administrator a request for trial *de novo*, with proof of service on all other parties, within 20 days from the filing of the arbitration award or within two judicial days after

the service of the initial written request for trial *de novo*, notwithstanding the lapse of 20 days from the filing of the arbitration award.

- (c) If the trial *de novo* request is withdrawn, or abandoned, such appealing party must obtain permission of the court or there must be a stipulation of all parties to the abandonment of the appeal and the terms thereof.
- (d) Cross appeal is not necessary to preserve issues raised in a counterclaim, because the trial *de novo* encompasses all claims raised by any party in the particular case appealed.
- (e) The court may assess statutory costs against a party who withdraws a request for trial *de novo*.

13.260 PROCEDURE AT TRIAL *DE NOVO*

The trial court administrator must seal any award if a trial *de novo* is requested. Neither judge nor jury will be informed of the arbitration result. The sealed arbitration award will not be opened until after the verdict is received and filed in a jury trial or until after the judge has rendered a decision in a court trial.

13.280 TRIAL DOCKET

Every case assigned to arbitration shall maintain its approximate position on the civil trial docket as if the case had not been assigned to arbitration, unless, at the discretion of the court, the docket position should be modified.

13.300 PRETRIAL SETTLEMENT CONFERENCES AND ARBITRATION

Cases assigned to arbitration or the pendency of an arbitration hearing does not exclude a case from participating in a court pretrial settlement conference.

CHAPTER 15—Small Claims

15.010 SMALL CLAIMS FORMS

- (1) The following small claims documents shall be accepted, when the proper fee is tendered, by all judicial districts that accept small claims filings:

- (2) Forms in these formats may be made mandatory by SLR. SLR 15.011 is reserved for making such formats mandatory in the judicial district.

CHAPTER 17—Local Parking Violations

UTCR Reporter Note: UTCR 17.010

UTCR 17.010 was adopted out of cycle through Chief Justice Order No. 02-099, signed by the Chief Justice of the Oregon Supreme Court on November 19, 2002. The rule was adopted at the request of Multnomah Circuit Court so that circuit courts may process electronic parking citations and became effective on December 1, 2002.

UTCR 17.010 was published in Oregon Appellate Courts Advance Sheets 2003-1, dated January 6, 2003. This rule was, however, inadvertently omitted from the original publication of the Uniform Trial Court Rules, effective August 1, 2003, and the original posting (now updated to include this rule) of the rules at <http://www.ojd.state.or.us/Web/OJDPublications.nsf/UTCR> . This note is intended to give notice of that oversight and to make the rule available to interested parties.

17.010 ELECTRONIC FILING OF PARKING COMPLAINTS

- (1) A law enforcement officer or a person authorized to enforce parking ordinance violations, following procedures established by statute and this rule, may file a complaint with the circuit court by electronic means, without an actual signature of the officer, in lieu of using a written complaint, provided:
 - (a) The process of issuing citations and electronically filing the complaint meets the requirements of ORS 221.333, 810.425, and 153.770 for the issuing of a citation and the filing of a parking complaint by electronic means; and
 - (b) The equipment used by the enforcement agency has the capacity to transmit electronically to the circuit court the data required to be filed, and the transmitted data must meet the file format specifications for parking citation data established by the circuit court.
- (2) The electronic complaint shall be deemed filed when the digital information for the citation is entered in the register of the circuit court, and the date of filing shall be the date of entry.
- (3) The printed register shall constitute the electronically filed complaint for all purposes where a physical copy of a filed complaint is required in proceedings before the circuit court for the adjudication of the parking offense.

CHAPTER 19—Contempt Proceedings

NOTE: The rules in UTCR Chapter 19 were adopted pursuant to ORS 33.145 by the Oregon Supreme Court. They were originally adopted as Temporary Oregon Contempt Rules (TOCR) by the Supreme Court on the 27th of September, 1991, by Supreme Court Order No. 91-078. Although not originally adopted as UTCR, these rules were amended by the Supreme Court and added to the UTCR effective August 1, 1993, by Supreme Court Order No. 93-035. Even though added to the UTCR for purposes of citation, comment, and proposed changes, the rules in this UTCR chapter will continue to be changed only by action of the Supreme Court as provided under ORS 33.145.

19.010 SCOPE, CONSTRUCTION, APPLICATION

- (1) The rules in this UTCR chapter govern contempt proceedings under ORS 33.015 to 33.155 and are intended to promote efficient and fair resolution of contempt proceedings. The rules in this chapter will be changed only by action of the entire Supreme Court.
- (2) The rules in this chapter do not preclude courts from exercising their inherent authority in contempt proceedings over matters not covered by rule or statute, so long as that exercise fosters efficient and fair resolution of the matter.

19.020 INITIATING INSTRUMENT REQUIREMENTS

- (1) In addition to any other requirements for initiating instruments, the initiating instrument in a contempt proceeding under ORS 33.055 (remedial) or ORS 33.065 (punitive), must state:
 - (a) the maximum sanction(s) that the party seeks;
 - (b) whether the party seeks a sanction of confinement; and
 - (c) as to each sanction sought, whether plaintiff considers the sanction remedial or punitive.
- (2) Maximum Penalty Imposed

The court shall not impose a sanction greater than the sanction sought. A punitive sanction is presumed greater than a remedial sanction. A punitive sanction of confinement is presumed greater than other punitive sanctions. A remedial sanction of confinement is presumed greater than other remedial sanctions.

19.030 ALLOWING REMEDIAL SANCTIONS

Rules that apply to allowing remedial sanctions in a proceeding for only remedial sanctions under ORS 33.055 also apply to allowing remedial sanctions in a proceeding for punitive sanctions under ORS 33.065.

19.040 APPLICABILITY OF ORCP AND OTHER UTCR

- (1) To the extent rules in this chapter are inconsistent with other applicable rules, the rules in this chapter govern contempt proceedings under ORS 33.015 to 33.155. Except as otherwise provided in this chapter:
 - (a) Oregon Rules of Civil Procedure (ORCP) and Oregon Rules of Appellate Procedure (ORAP) apply respectively to original and appellate contempt proceedings for remedial sanctions under ORS 33.055;
 - (b) UTCR that govern civil proceedings apply to original proceedings for remedial sanctions under ORS 33.055;
 - (c) UTCR and ORAP that govern criminal proceedings apply respectively to original and appellate contempt proceedings for punitive sanctions under ORS 33.065.
- (2) On its own motion or that of a party in a contempt proceeding for remedial sanctions, a court may determine that a specific rule of procedure would not foster the fair and efficient resolution of the contempt proceeding.
 - (a) When a court makes that determination, it may modify the specific rule or adopt a different rule for all or part of the proceeding, so long as the modified or new rule fosters the fair and efficient resolution of the proceeding. Under this rule, the court may increase or decrease time limits or may limit or exclude responsive pleadings, or both, and may also modify other rule provisions.
 - (b) The court must give all parties to the proceeding notice that describes the modified or new rule. The notice must be in writing or on the record or both.

19.050 EXCEPTIONS TO AND LIMITATIONS ON APPLICABLE ORCP IN REMEDIAL PROCEEDINGS

Notwithstanding UTCR 19.040, in contempt proceedings for remedial sanctions:

- (1) Unless the court determines that other claims should be joined for fair resolution of the contempt matter, only the following claims may be joined with a contempt claim:
 - (a) claims that arise out of the order or judgment that the contemnor allegedly violated;
 - (b) claims that involve facts and issues that would necessarily be determined in the contempt proceeding; and
 - (c) other claims for contempt arising out of a related matter.
- (2) ORCP references to "complaint" include the initiating instrument in a contempt proceeding.

- (3) ORCP applicable to juries and jury trials apply only when a statute or constitution provides a specific right to jury trial in a contempt proceeding and a party claims that right.
- (4) A party may amend a pleading only on motion and with the court's approval.
- (5) The following ORCP do not apply: 3, 5, 21 C, 21 D, 21 E, 23 A, 24 A, 24 B, 25 A, 32, 54 A(1), 54 E, 66, 73, 81 A, 81 C, 82 A(3), 84, and 85.

UTCR 8.100 FORM TO REQUEST WAIVER OF \$25 FEE (ORS 106.120) WHEN MARRIAGE HANDLED BY A COURT

A. WHEN TO USE THIS FORM. There is an additional \$25 statutory fee for people who want to get married by a judge of a circuit court, an appeals court, or the tax court if the marriage:

- would take place during normal working hours, excluding holidays,
- would take place in a court facility or county clerk’s office; or,
- would involve more than a minimal amount of court or clerk staff time or other resources.

If you want to get married but think you shouldn’t pay the fee, this form is how you ask a circuit court judge to waive that fee. A judge can waive the fee if you ask and the judge believes there is good reason why you shouldn’t have to pay the fee.

B. HOW TO USE THIS FORM: The following are the three (3) steps necessary to use this form:

1. STEP 1. You must fill in information asked for in part “C” of this form and read, fill in, and sign part “D” of this form as required.
2. STEP 2. You must take the completed form to an Oregon Circuit Court judge and ask the judge to approve your request. That judge you go to MUST be a judge of the circuit court serving the county where the wedding will be performed. You cannot ask more than one judge every 30 days.
3. STEP 3. **IF** the circuit judge grants your request to waive the fee, the judge will sign the form below and so indicate on the form. Then the judge will give you a copy of the form. Within 30 days after the judge has signed the form showing the judge granted your request, you can get married without paying the fee by giving the judge who marries you the copy of the form you were given by the judge who granted your request. If you are asked to pay the fee by a county clerk when you get a marriage license, you can show them a copy of the form and will not have to pay the \$25 fee.
