AND SUMMARY OF OTHER UTCR COMMITTEE ACTIONS**

I. INTRODUCTION

The amended Uniform Trial Court Rules (UTCR) take effect on August 1, 2017. The amendments are the result of suggestions and comments received from the public, bench, bar, and interested agencies. The proposed amendments were posted on the Oregon Judicial Department website to invite public comment. Additional information on the UTCR can be viewed at: <http://www.courts.oregon.gov/OJD/programs/utcr/pages/index.aspx>.

II. FUTURE MEETINGS

The next meeting of the UTCR Committee is scheduled for October 20, 2017, at the Office of the State Court Administrator, Salem, Oregon. The committee will review proposed changes to the UTCR and the Supplementary Local Rules (SLR). They will make recommendations to the Chief Justice on those proposals. This is the only meeting in the next UTCR cycle at which the committee intends to accept proposals for UTCR changes that would take effect August 1, 2018. Meeting dates for the following year will be scheduled at this meeting.

IV. DETAILED DESCRIPTIONS OF SPRING 2017 ACTIONS

A. APPROVED CHANGES

These changes have been approved by the Chief Justice. They will go into effect on August 1, 2017.

Deletions are shown in [*brackets and italics*]. Additions are shown in {**braces, underline, and bold**}. A proposed revision (in lieu of a simpler amendment) consists of a complete rewriting of a rule or form so there is no use of [*brackets and italics*] or {**braces, underline, and bold**}. The same is true of a new rule or form.

1. Form 2.010.7 – CERTIFICATE OF DOCUMENT PREPARATION

PROPOSAL

Amend to include additional options.

ACTION TAKEN

The committee received no public comment. No motions were made to change the preliminary recommendation of approval. Therefore, by committee convention, the committee's October 14, 2016, preliminary recommendation of approval became the committee's final recommendation of approval.

EXPLANATION

The proposal was submitted by Lisa Norris-Lampe, on behalf of the Oregon eCourt Law and Policy Work Group, on August 31, 2016. The proposal provides additional options that a litigant may choose when completing a certificate of document preparation. The proposal is intended to eliminate confusion about which option to select when a filer is assisted by court facilitator, a free legal help organization or the court's interactive online form system. In addition, a number of textual changes were made to the form in an effort to employ easier-to-read language. The committee noted that the amended certificate would provide the Judicial Department with the ability to compile data concerning the use of court facilitators and online interactive forms and that this data could inform the future allocation of resources.

2. UTCR 2.020 – CERTIFICATE OF SERVICE

PROPOSAL

Amend to require certificate to include information related to manner of service. See item A.14.

ACTION TAKEN

The committee received no public comment. The committee modified the original proposal in one respect. The committee modified the text of proposed UTCR 2.020 to remove “or email address” from section (1)(b). With this change included, the proposal was recommended for approval by consensus.

EXPLANATION

The proposal was submitted by Lisa Norris-Lampe, on behalf of the Oregon eCourt Law and Policy Work Group, on August 31, 2016. The proposal is intended to clarify the information that must be included in a certificate of service by identifying required information based on the method of service. For example, when a party is served by email, the proposal requires the serving party to include the email address at which the other party was served and does not require the inclusion of a physical address.

The proponent also described for the committee a pending Council on Court Procedures (CCP) proposal to amend ORCP 9 that addresses, in part, the contents of a certificate of service. The proponent did not believe that the proposals were in conflict, viewing them as supplementary to one another.

APPROVED AMENDMENT

2.020 CERTIFICATE OF SERVICE

{(1) A certificate of service must include:

- (a) If the opposing party was served electronically by the court's eFiling system pursuant to UTCR 21.100, a statement that service was accomplished at the party's email address as recorded on the date of service in the eFiling system.**
- (b) If the opposing party was served by facsimile pursuant to ORCP 9 F, the telephone number at which the party was served.**
- (c) If the opposing party was served by email pursuant to ORCP 9 G, the email address at which the party was served.**
- (d) If the opposing party was served by any other means, the physical address or postal address at which the party was served, as applicable.**

(2) When a summons or other civil process is served by one other than a sheriff or deputy sheriff, the certificate of service must include the name, telephone number and address of the person who served the summons or process.

3. Form 2.130.1 – UTCR 2.130 CONFIDENTIAL INFORMATION FORM

PROPOSAL

Amend to replace “Former Legal Name(s)” with “Any Other Names Used.”

ACTION TAKEN

The committee received no public comment. No motions were made to change the preliminary recommendation of approval. Therefore, by committee convention, the committee’s October 14, 2016, preliminary recommendation of approval became the committee’s final recommendation of approval.

EXPLANATION

The proposal was submitted by the Honorable Kristen Thompson, Washington County Circuit Court, on July 29, 2016. The proposal is intended to provide clear language to litigants in order to facilitate the provision of accurate information. Obtaining a complete history of other names litigants have used will provide courts with the ability to more readily identify related cases and thereby improve outcomes.

One member of the committee suggested alternative language than that contained in the proposal: “Any other names used, now or in the past.” The committee believed that this alternative was likely to be readily understood by a wider array of litigants and, as a result, produce more responsive information.

5. **UTCR 3.140** – RESIGNATION OF ATTORNEYS

PROPOSAL

Amend to eliminate repetitive text.

ACTION TAKEN

The committee received no public comment. No motions were made to change the preliminary recommendation of approval. Therefore, by committee convention, the committee's October 14, 2016, preliminary recommendation of approval became the committee's final recommendation of approval.

EXPLANATION

The proposal was submitted by the UTCR Reporter, Bruce C. Miller, on February 23, 2016. The proposal is intended to eliminate unnecessary language in the rule. During the previous UTCR cycle, this rule was amended to utilize the definition of "court contact information" found in UTCR 1.110; a definition that expressly includes email addresses and fax numbers. In light of that inclusion, the specific requirement in the current text of the rule to include a fax number and email address was viewed as duplicative. The proposal eliminates this duplication.

APPROVED AMENDMENT

3.140 RESIGNATION OF ATTORNEYS

(1) An application to resign, a notice of termination, or a notice of substitution made pursuant to ORS 9.380 must contain the court contact information under UTCR 1.110 of the party and of the new attorney, if one is being substituted, and the date of any scheduled trial or hearing. [*The attorney's fax number and email address, if any, must also be included.*] It must be served on that party and the opposing party's attorney. If no attorney has appeared for the opposing party, the application must be served on the opposing party. A notice of withdrawal, termination, or substitution of attorney must be promptly filed.

6. **UTCR 3.170** – ASSOCIATION OF OUT-OF-STATE COUNSEL (PRO HAC VICE)

PROPOSAL

Amend to create exception for certain cases subject to Indian Child Welfare Act.

ACTION TAKEN

The committee received several public comments relating to this proposal. All of the comments were generally supportive. One comment suggested that the proposal should be amended to provide that an affidavit affirming the child's tribal membership is not required when the applicant represents a parent or Indian custodian and the tribe has affirmed the child's membership or eligibility of membership under tribal law. The commenter suggested that requiring an affidavit in this circumstance would violate the Indian Child Welfare Act. One committee member expressed concern that it might be difficult to prove that a tribe

had affirmed a child's membership without the affidavit requirement. The committee determined that the burden would fall on the parent to prove a child's tribal membership. With this change included, the proposal was recommended for approval by consensus.

EXPLANATION

The proposal was submitted by Amy Benedum, Oregon Judicial Department Program Analyst, on behalf of the Oregon Tribal/State Judicial Forum, on August 1, 2016. The proposal exempts tribal representatives from the requirement to associate with local counsel and pay the \$500 fee, in certain cases subject to the Indian Child Welfare Act (ICWA). The proponents indicated that ICWA creates a right for tribal governments to participate in child custody proceedings, but does not provide the funding necessary to exercise that right. As a result, the obligation to associate with local counsel and pay the fee is perceived as a burden on the tribal government's right to participate, particularly in the context of out-of-state tribal governments. Further, the proponents noted that the requirement to associate with legal counsel is preempted by ICWA, as described in *State ex rel Juv. Dept. v. Shuey*, 119 Or App 185, 199, 850 P2d 185 (1993).

The proposal, therefore, is intended to effectuate the intent of ICWA, by removing barriers to tribal participation for both in-state and out-of-state tribal governments. One committee member expressed wholehearted support for this goal.

APPROVED AMENDMENT

3.170 ASSOCIATION OF OUT-OF-STATE COUNSEL (PRO HAC VICE)

- (1) An attorney authorized to practice law before the highest court of record in any state or country ("out-of-state attorney") may appear on behalf of a party in any action, suit, or proceeding pending in this state before a court or administrative body even though that attorney is not licensed to practice law in this state, if the attorney satisfies all of the following requirements:
 - (a) Shows that the attorney is an attorney in good standing in another state or country.
 - (b) Certifies that the attorney is not subject to pending disciplinary proceedings in any other jurisdiction or provides a description of the nature and status of any pending disciplinary proceedings.
 - (c) Associates with an active member in good standing of the Oregon State Bar ("local attorney") who must participate meaningfully in the matter.
 - (d) Certifies that the attorney will: comply with applicable statutes, law, and procedural rules of the state of Oregon; be familiar with and comply with the disciplinary rules of the Oregon State Bar; and submit to the jurisdiction of the Oregon courts and the Oregon State Bar with respect to acts and omissions occurring during the out-of-state attorney's admission under this rule.
 - (e) If the attorney will engage in the private practice of law in this state, provides a certificate of insurance covering the attorney's activities in

this state and providing professional liability insurance substantially equivalent to the Oregon State Bar Professional Liability Fund plan.

- (f) Agrees, as a continuing obligation under this rule, to notify the trial court or administrative body promptly of any changes in the out-of-state attorney's insurance or status.
 - (g) If application will be for an appearance before a court, pays any fees required by subsection (6) below for appearance under this rule. No fee is required if application will be for an appearance before an administrative body.
- (2) The information required by subsection (1) of this rule must be presented as follows:
- (a) If application will be for an appearance before a court, to the Oregon State Bar (Bar) in a form established by the Bar. The Bar may accomplish the submission of information by requiring a certificate with attachments or other means administratively convenient to the Bar. Upon receipt of all information necessary under subsection (1) of this section and receipt of the fee required by subsection (6) below, the Bar will acknowledge receipt in a form determined by the Bar. In making the acknowledgment, the Bar may attach copies or comment on any submitted material the Bar finds may be appropriate for a court to consider with an application under this section. The local attorney must then submit the Bar's acknowledgment with any information the Bar includes to the court by motion signed by the local attorney requesting the court to grant application under this section. The court may rely on the acknowledgment of the Bar as a basis to conclude that all information required to be submitted and fees required to be paid for granting an application under this section have been submitted and paid. Bar records on materials it receives under this section will be available to a court on request for two years or such longer period as the Bar considers administratively convenient.
 - (b) If the application is for an appearance before an administrative body, to the administrator of the agency before which the proceeding will occur or that person's designee or to any other appropriate officer, employee or designee of that agency as set forth by procedures or rules established by that agency. Application may be accomplished by an application certificate with attachments or other means administratively convenient to and established by the agency. Agency records on materials the agency or designee receives under this section will be available to the Bar on request for two years or such longer period as the agency considers administratively convenient.
- (3) * * *
- * * * * *
- (6) Except as otherwise provided in this rule, for each application under this rule to appear before a court, the applicant must pay to the Bar a fee of \$500 at the time of submission of information under subsection (2) of this section,

including when application is sought to renew an application at the end of a current one-year grant for a case. The fee will not be refundable.

(7) * * *

* * * * *

{(9) An applicant is not required to associate with local counsel pursuant to subsection (1)(c) of this section or pay the fee established by subsection (6) of this section if the applicant establishes to the satisfaction of the Bar that:

(a) The applicant seeks to appear in an Oregon court for the limited purpose of participating in a child custody proceeding as defined by 25 USC §1903, pursuant to the Indian Child Welfare Act of 1978, 25 USC §1901 et seq.;

(b) The applicant represents an Indian tribe, parent, or Indian custodian, as defined by 25 USC §1903; and

(c) One of the following:

(i) If the applicant represents an Indian tribe, the Indian child's tribe has executed an affidavit asserting the tribe's intent to intervene and participate in the state court proceeding and affirming the child's membership or eligibility of membership under tribal law; or

(ii) If the applicant represents a parent or Indian custodian, the tribe has affirmed the child's membership or eligibility of membership under tribal law.}

7. UTCR 5.100 – SUBMISSION OF PROPOSED ORDERS OR JUDGMENTS

PROPOSAL

Amend to clarify requirements of rule and modify exception to service requirement.

ACTION TAKEN

The committee received no public comment. No motions were made to change the preliminary recommendation of approval. Therefore, by committee convention, the committee's October 14, 2016, preliminary recommendation of approval became the committee's final recommendation of approval.

EXPLANATION

The proposal was submitted by Lisa Norris-Lampe, on behalf of the Oregon eCourt Law and Policy Work Group, on September 23, 2016. The proposal is intended to address several public comments that were submitted in response to previous amendments to the rule.

The proposal clarifies that the rule applies only to proposed judgments or orders that are submitted to the court "for signature." This clarification is primarily intended to address administrative child support orders that are in the form of a

proposed judgment or order, but that effectively operate as a notice to the court. The proposal also clarifies that the certificate of readiness can be combined with other required certificates of service.

The proposal excludes, from the service requirement imposed by the rule, petitions for the appointment of a temporary fiduciary that are described in ORS 125.605. These petitions are subject to specified statutory notice provisions that differ from those contained in the rule. The proponents considered, but ultimately deferred action on, a broader proposal to exempt any unidentified processes that are subject to statutory requirements, reasoning that doing so would unnecessarily inject uncertainty into the scope of the rule.

The committee was supportive of the manner in which the proponents addressed the public comments that were received. The committee reiterated the view that requiring a certificate in all cases was necessary for judicial economy. That is, in those circumstances where the rule does not require service, the committee viewed the burden to so indicate to be minimal. On the other hand, the committee viewed the judicial efficiencies that are gained from the requirement to be substantial. That is, an indication that service is not required by law, particularly when combined with a citation to that law, eliminates potential confusion about the litigant's position.

Finally, in response to a Professional Liability Fund inquiry into the precise location of the certificate, the committee confirmed its understanding that the practitioners should endeavor to place the certificate as near to the signature line as possible, but that it was largely immaterial whether the certificate appeared on a first or second page. In this regard, the proponent did note that the Oregon eCourt Law and Policy Work Group was continuing the development of a model form.

APPROVED AMENDMENT

5.100 SUBMISSION OF PROPOSED ORDERS OR JUDGMENTS

- (1) Except as provided in subsection (3) of this rule, any proposed judgment or proposed order submitted to the court **for signature** must be:
 - (a) Served on each counsel not less than 3 days prior to submission to the court, or
 - (b) Accompanied by a stipulation by each counsel that no objection exists as to the judgment or order, or
 - (c) Served on a self-represented party not less than 7 days prior to submission to the court and be accompanied by notice of the time period to object.
- (2) Except as provided in subsection (4) of this rule, any proposed judgment or order submitted to the court must include, following the space for judicial signature, a dated and signed certificate that describes:
 - (a) The manner of compliance with any applicable service requirement under this rule; and

- (b) The reason that the submission is ready for judicial signature or otherwise states that any objection is ready for resolution, identifying the reason in substantially the following form:

“This proposed order or judgment is ready for judicial signature because:

- “1. [] Each party affected by this order or judgment has stipulated to the order or judgment, as shown by each party’s signature on the document being submitted.
- “2. [] Each party affected by this order or judgment has approved the order or judgment, as shown by each party’s signature on the document being submitted or by written confirmation of approval sent to me.
- “3. [] I have served a copy of this order or judgment on each party entitled to service and:
- “a. [] No objection has been served on me.
- “b. [] I received objections that I could not resolve with a party despite reasonable efforts to do so. I have filed a copy of the objections I received and indicated which objections remain unresolved.
- “c. [] After conferring about objections, [role and name of objecting party] agreed to independently file any remaining objection.
- “4. [] Service is not required pursuant to subsection (3) of this rule, or by statute, rule, or otherwise.
- “5. [] This is a proposed judgment that includes an award of punitive damages and notice has been served on the Director of the Crime Victims’ Assistance Section as required by subsection (5) of this rule.
- “6. [] Other: _____.”

- (3) The requirements of subsection (1) of this rule do not apply to:
- (a) A proposed order or judgment presented in open court with the parties present;
- (b) A proposed order or judgment for which service is not required by statute, rule, or otherwise;
- (c) A proposed judgment subject to UTCR 10.090;
- (d) **{An u}[U]ncontested probate {or}[and] protective proceeding[s];{, or a petition for appointment of a temporary fiduciary under ORS 125.605(2);}**and
- (e) Matters certified to the court under ORS 416.422, ORS 416.430, ORS 416.435, and ORS 416.448, unless the proposed order or judgment is ready for judicial signature without hearing.
- (4) The requirements of subsection (2) of this rule do not apply to a proposed order or judgment presented and signed in open court with the parties present.

- (5) Any proposed judgment containing an award of punitive damages shall be served on the Director of the Crime Victims' Assistance Section, Oregon Department of Justice, 1162 Court Street NE, Salem, OR 97301, not less than 3 days prior to submission to the court.

{(6) The certificate required under subsection (2) may be combined with any certificate of service required by another statute or rule.}

REPORTER'S NOTE (08/01/2016): This rule does not apply in the following types of cases: criminal; contempt cases seeking punitive sanctions; juvenile under ORS chapter 419A, 419B, or 419C; or violations, parking violations, or small claims (see UTCR 1.010(3)). Nothing in this rule prohibits a court from adopting an SLR that applies this rule to matters under SLR chapters other than chapter 5.

Pursuant to UTCR 1.130, computation of Uniform Trial Court Rule time requirements is subject to ORCP 10.

8. UTCR 5.170 – LIMITED SCOPE REPRESENTATION

PROPOSAL

Adopt new rule to expand limited scope representation. See item A.9.

ACTION TAKEN

The committee received a summary of the proposal. The UTCR Reporter noted that UTCR 8.110 has been in place since August 2016 and no negative feedback about limited scope representation has been received by the committee. One committee member expressed interest in studying an expansion of the rule to include criminal cases in the future. There was discussion that limited scope representation could reduce the cost of obtaining an attorney for some litigants. Some members expressed concern that attorneys may disregard ethical rules and other law regarding the withdrawal of an attorney close to trial. A motion was made to recommend the proposal for approval. The committee voted to recommend the proposal for approval 12-1.

EXPLANATION

The proposal was submitted by Lisa Norris-Lampe, on behalf of the Oregon eCourt Law and Policy Work Group, on September 22, 2016. The proposal builds upon UTCR 8.110, which addresses limited scope representation in domestic relations cases, and applies similar rules to a broader array of civil cases. UTCR 8.110 is viewed as a tool that increases access to justice, by allowing parties to litigation to safely and efficiently obtain representation for a discrete part of the case.

APPROVED RULE

5.170 LIMITED SCOPE REPRESENTATION

(1) Applicability

This rule applies to limited scope representation in civil cases subject to this chapter, when an attorney intends to appear in court on behalf of a party.

(2) Notice of Limited Scope Representation

When an attorney intends to appear in court on behalf of a party, the attorney shall file and serve, as soon as practicable, a Notice of Limited Scope Representation in substantially the form as set out on the Oregon Judicial Department website (<http://courts.oregon.gov/OJD/pages/index.aspx>).

(3) Termination of Limited Scope Representation

When the attorney has completed all services within the scope of the Notice of Limited Scope Representation, the attorney shall file and serve a Notice of Termination of Limited Scope Representation in substantially the form as set out on the Oregon Judicial Department website (<http://courts.oregon.gov/OJD/pages/index.aspx>), in accordance with UTCR 3.140.

(4) Service of Documents

After an attorney files a Notice of Limited Scope Representation in accordance with this section, service of all documents shall be made upon the attorney and the party represented on a limited scope basis. The service requirement terminates as to the attorney when a Notice of Termination of Limited Scope Representation is filed and served, or when an attorney withdraws.

9. UTCR 8.110 – LIMITED SCOPE REPRESENTATION

PROPOSAL

Repeal rule as redundant of new rule expanding limited scope representation. See item A.8.

ACTION TAKEN

The committee received a summary of the need to repeal UTCR 8.110 in light of the expansion of limited scope representation to all civil cases subject to UTCR chapter 5. See item A.8.

A motion was made to recommend repeal of UTCR 8.110, which passed by consensus. Another motion was made to recommend adding a reporter's note discussing the repeal, which passed by consensus.

EXPLANATION

The recommendation of repeal of UTCR 8.110 is related to the adoption of a broader rule on limited scope representation. See item A.8. That proposal was submitted by Lisa Norris-Lampe, on behalf of the Oregon eCourt Law and Policy Work Group, on September 22, 2016. That proposal expands on, and subsumes, UTCR 8.110, applying the concept to a broader array of civil cases.

APPROVED AMENDMENT

8.110 LIMITED SCOPE REPRESENTATION

[(1) *Applicability*

This rule applies to limited scope representation in domestic relations cases when an attorney intends to appear in court on behalf of a party.

(2) *Notice of Limited Scope Representation*

When an attorney intends to appear in court on behalf of a party, the attorney shall file and serve, as soon as practicable, a Notice of Limited Scope Representation in substantially the form as set out on the Oregon Judicial Department website (<http://courts.oregon.gov/OJD/pages/index.aspx>).

(3) *Termination of Limited Scope Representation*

When the attorney has completed all services within the scope of the Notice of Limited Scope Representation, the attorney shall file and serve a Notice of Termination of Limited Scope Representation in substantially the form as set out on the Oregon Judicial Department website (<http://courts.oregon.gov/OJD/pages/index.aspx>), in accordance with UTCR 3.140.

(4) *Service of Documents*

After an attorney files a Notice of Limited Scope Representation in accordance with this section, service of all documents shall be made upon the attorney and the party represented on a limited scope basis. The service requirement terminates as to the attorney when a Notice of Termination of Limited Scope Representation is filed and served, or when an attorney withdraws.]

{REPORTER'S NOTE: UTCR 8.110 was repealed effective August 1, 2017. UTCR 5.170 (Limited Scope Representation) became effective that date and applies to domestic relations proceedings, so UTCR 8.110 was no longer needed.}

10. UTCR 8.120 – INFORMAL DOMESTIC RELATIONS TRIALS

PROPOSAL

Adopt new rule and form authorizing informal domestic relations trials.

ACTION TAKEN

The committee received no public comment. One committee member was concerned about increasing the number of informal proceedings where litigants proceed without representation. Other committee members expressed concerns that the rule may not allow for enough judicial discretion in the informal proceeding and that litigants may preliminarily consent to the informal proceeding and then change their minds on the day of trial, resulting in increased scheduling issues. These concerns were addressed by other committee members who

pointed out that this procedure has been in use in Deschutes County and parties who have used the informal trial procedure have so far not changed their initial consent. One member also pointed out that proposed UTCR 8.120 (3)(k) allows the Court to modify these procedures as justice and fundamental fairness requires.

A motion was made to change the preliminary recommendation of approval to a final recommendation of disapproval, however, the motion failed. Therefore, by committee convention, the committee's October 14, 2016, preliminary recommendation of approval became the committee's final recommendation of approval.

EXPLANATION

The proposal was submitted by the Honorable Paula Brownhill, Clatsop County Circuit Court and Chair, State Family Law Advisory Committee, William J. Howe III, Attorney and Vice-Chair, State Family Law Advisory Committee and Jeffrey E. Hall, Trial Court Administrator, Deschutes County Circuit Court, on August 23, 2016. The proposal expands on a pilot program established in the Deschutes County Circuit Court.

The proposal, building on national models, creates a process by which parties in certain domestic relations proceedings may participate in an informal trial. The Informal Domestic Relations Trial (IDRT) is a voluntary process that relaxes certain evidentiary rules. For example, while the IDRT may include the functional equivalent of opening and closing statements, the majority of testimony is presented as a dialogue between the witness and the court or in the form of a written report provided by an expert. Similarly, exhibits offered by the parties are to be accepted and the court is to determine the appropriate weight they should be given. While the rule does provide procedural outlines, the court is given the flexibility necessary to administer justice and achieve fundamental fairness. Ultimately, the proponents viewed the IDRT as a useful alternative for self-represented litigants that speeds up the litigation process, decreases conflict among the parties and increases procedural justice. This latter benefit, the procedural justice provided by the ability to speak directly to the judge about matters the litigant believes to be important, was emphasized by several of the proponents.

One committee member observed that the rule creates an efficient process, noting that people are used to telling stories in narrative form, rather than in response to questioning. The member opined that the rule would allow a judge to break the trial into discrete subjects by, for example, asking a party to identify all of the child custody issues that are important to them. After hearing from both parties on this issue, the court could then resolve the custody matter and move the conversation on to other matters for decision. The committee member also observed that, by eliminating cross-examination, the rule levels the playing field between the parties, particularly in cases involving domestic violence or power imbalances. Finally, the committee member noted that the IDRT was likely to reduce appeals, by voluntarily removing evidentiary issues from appellate consideration.

One committee member expressed concern about the possibility that the IDRT would encourage parties to testify in a manner that could ultimately be used against them in any subsequent criminal matters that may exist. The majority of the committee, however, did not believe that the IDRT either created or exacerbated this issue.

APPROVED RULE

8.120 INFORMAL DOMESTIC RELATIONS TRIAL

- (1) Upon the consent of both parties, Informal Domestic Relations Trials may be held to resolve any or all issues in original actions or modifications for dissolution of marriage, separate maintenance, annulment, child support, and child custody filed under ORS chapter 107, ORS chapter 108, ORS 109.103, and ORS 109.701 through 109.834.
- (2) The parties may select an Informal Domestic Relations Trial within 14 days of a case subject to this rule being at issue (see UTCR 7.020(6)). The parties must file a Trial Process Selection and Waiver for Informal Domestic Relations Trial in substantially the form specified in Form 8.120.1 in the UTCR Appendix of Forms. This form must be accepted by all judicial districts. SLR 8.121 is reserved for the purpose of making such format mandatory in the judicial district and for establishing a different time for filing the form that is more consistent with the case management and calendaring practices of the judicial district.
- (3) The Informal Domestic Relations Trial will be conducted as follows:
 - (a) At the beginning of an Informal Domestic Relations Trial the parties will be asked to affirm that they understand the rules and procedures of the Informal Domestic Relations Trial process, they are consenting to this process freely and voluntarily, and they have not been threatened or promised anything for agreeing to the Informal Domestic Relations Trial process.
 - (b) The Court may ask the parties or their lawyers for a brief summary of the issues to be decided.
 - (c) The moving party will be allowed to speak to the Court under oath concerning all issues in dispute. The party is not questioned by counsel, but may be questioned by the Court to develop evidence required by any statute or rule, for example, the applicable requirements of the Oregon Child Support Guidelines if child support is at issue.
 - (d) The parties will not be subject to cross-examination. However, the Court will ask the non-moving party or their counsel whether there are any other areas the party wishes the Court to inquire about. The Court will inquire into these areas if requested and if relevant to an issue to be decided by the Court.
 - (e) The process in subsections (3)(c) and (3)(d) is then repeated for the other party.
 - (f) Expert reports will be received as exhibits. Upon the request of either party, the expert will be sworn and subjected to questioning by counsel, the parties, or the Court.

- (g) The Court will receive any exhibits offered by the parties. The Court will determine what weight, if any, to give each exhibit. The Court may order the record to be supplemented.
 - (h) The parties or their counsel will then be offered the opportunity to respond briefly to the statements of the other party.
 - (i) The parties or their counsel will be offered the opportunity to make a brief legal argument.
 - (j) At the conclusion of the case, the Court shall render judgment. The Court may take the matter under advisement but best efforts will be made to issue prompt judgments.
 - (k) The Court may modify these procedures as justice and fundamental fairness requires.
- (4) The Court may refuse to allow the parties to utilize the Informal Domestic Relations Trial procedure at any time and may also direct that a case proceed in the traditional manner of trial even after an Informal Domestic Relations Trial has been commenced but before judgment has been entered.
- (5) A party who has previously agreed to proceed with an Informal Domestic Relations Trial may file a motion to opt out of the Informal Domestic Relations Trial provided that this motion is filed not less than ten calendar days before trial. This time period may be modified or waived by the Court upon a showing of good cause. A change in the type of trial to be held may result in a change in the trial date.

The parties to a domestic relations case must choose how they want the trial to be conducted. There are two options:

- (1) A traditional trial, which means that both parties are allowed to call witnesses and to cross-examine the witnesses appearing on behalf of the other party and the Rules of Evidence will apply;

OR

- (2) An Informal Domestic Relations Trial under UTCR 8.120 which will restrict the ability of both parties to present witnesses and the rules of evidence will not apply.

An Informal Domestic Relations Trial will be held if both parties elect to proceed under UTCR 8.120. If either party chooses a traditional trial then the case will be set for a traditional trial.

11. UTCR 11.100 – SUBMISSION OF PROPOSED ORDERS OR JUDGMENTS IN DEPENDENCY AND TERMINATION OF PARENTAL RIGHTS CASES

PROPOSAL

Adopt new rule requiring certificate of readiness in juvenile proceedings.

ACTION TAKEN

The committee received no public comment. No motions were made to change the preliminary recommendation of approval. Therefore, by committee convention, the committee's October 14, 2016, preliminary recommendation of approval became the committee's final recommendation of approval.

EXPLANATION

The proposal was submitted by Lisa Norris-Lampe, on behalf of the Oregon eCourt Law and Policy Work Group, on September 22, 2016. The proposal applies the substance of UTCR 5.100 to juvenile dependency matters. The proposal will allow judicial officers to efficiently determine the status of a proposed judgment or order; whether it has been served on the opposing parties and whether any objections to the proposed judgment or order exist.

The proponents explained that the rule largely tracks UTCR 5.100, with a handful of differences that are grounded in the realities of juvenile practice. For example, the proposal alters the manner in which consent to a proposed judgment or order may be expressed. Rather than require a formal stipulation that no objection exists, the rule recognizes that juvenile practice can include counsel communicating at the courthouse between hearings and allows the submitting party to include a statement indicating that no objection exists.

The committee approved of the juvenile-specific modifications to the existing rule and reaffirmed the view that the certificate of readiness adds substantial value across case types.

APPROVED RULE

11.100 SUBMISSION OF PROPOSED ORDERS OR JUDGMENTS IN DEPENDENCY AND TERMINATION OF PARENTAL RIGHTS CASES

- (1) Except as provided in subsection (3) of this rule, any proposed judgment or proposed order submitted to the court for signature must be:
 - (a) Served on each counsel not less than 3 days prior to submission to the court, or
 - (b) Accompanied by a statement by counsel that no objection exists as to the judgment or order, or
 - (c) Served on a self-represented party not less than 7 days prior to submission to the court and be accompanied by notice of the time period to object.
- (2) Except as provided in subsection (4) of this rule, any proposed judgment or order submitted to the court must include, following the space for judicial signature, a dated and signed certificate that describes:

- (a) The manner of compliance with any applicable service requirement under this rule; and
- (b) The reason that the submission is ready for judicial signature or otherwise states that any objection is ready for resolution, identifying the reason in substantially the following form:

“This proposed order or judgment is ready for judicial signature because:

“1. [] Each party, with the exception of an unrepresented child, has stipulated to the order or judgment, as shown by each party’s signature on the document being submitted.

“2. [] Each party, with the exception of an unrepresented child, has communicated approval of the order or judgment to me.

“3. [] I have served a copy of this order or judgment on each party entitled to service and:

“a. [] No objection has been served on or communicated to me.

“b. [] I received objections as attached.

“c. [] After conferring about objections, [role and name of party] agreed to independently file any remaining objection.

“4. [] Service is not required pursuant to subsection (3) of this rule, or by statute, rule, or otherwise.

“5. [] Other:_____.”

- (3) The requirements of subsection (1) of this rule do not apply to:
 - (a) A proposed order or judgment presented in open court with the parties present;
 - (b) A proposed order or judgment for which service is not required by statute, rule, or otherwise;
 - (c) A proposed order or judgment filed in a juvenile delinquency proceeding, and
 - (d) Proposed orders for transport of in-custody parties.
- (4) The requirements of subsection (2) of this rule do not apply to:
 - (a) A proposed order or judgment presented and signed in open court with the parties present; and
 - (b) A proposed order or judgment filed in a juvenile delinquency proceeding.
- (5) The certificate required under subsection (2) may be combined with any certificate of service required by another statute or rule.

REPORTER'S NOTE (08/01/2017): Pursuant to UTCR 1.130, computation of Uniform Trial Court Rule time requirements is subject to ORCP 10.

12. UTCR 13.120 – COMPENSATION OF ARBITRATOR

PROPOSAL

Amend to allow arbitrator to preclude non-paying party from appearing or participating in arbitration.

ACTION TAKEN

The committee received no public comment. No motions were made to change the preliminary recommendation of approval. Therefore, by committee convention, the committee's October 14, 2016, preliminary recommendation of approval became the committee's final recommendation of approval.

EXPLANATION

The proposal was submitted by Jeffrey L. Pugh, Attorney, on September 21, 2015. The proponent was concerned about the absence of clear authority to preclude individuals who failed to pay the arbitration fee from appearing or participating in arbitration. The committee reviewed ORS 36.400(4) and concluded that the statutory obligation to prevent non-paying parties from appearing or participating was limited to cases transferred from the small claims department.

After some consideration, the committee concluded that this authority should be granted to the arbitrator, as a matter of discretion, in all cases not covered by ORS 36.400(4). One committee member clarified that the authority to prevent appearing and participating applied only to individuals who voluntarily fail to pay the arbitrator's fee or obtain a waiver or deferral of those fees. Another committee member noted that, even in situations where a litigant is precluded from appearing or participating in an arbitration proceeding, that fact does not preclude the litigant from appealing the arbitrator's decision and that the proposal expressly recognizes this right.

APPROVED AMENDMENT

13.120 COMPENSATION OF ARBITRATOR

- (1) The arbitration commission shall establish a compensation schedule for arbitrators. If the arbitrator suggests that extraordinary conditions justify a different fee, and the parties concur, the fee may be adjusted accordingly. If the parties, or any of them, do not concur, the arbitrator shall direct an inquiry to the court for determination of the appropriate fee.
- (2) Within 14 days of the appointment of the arbitrator, each party must tender to the arbitrator a pro rata share of the preliminary payment for the arbitrator. Any deposit in excess of the arbitrator's actual fee will be refunded to the parties. Regardless of whether the arbitration hearing is conducted, the parties must pay a proportionate share of the arbitrator's fee. The arbitrator must submit to each party an itemized statement.
- (3) Relief from the payment of arbitration fees, in whole or in part, as provided for in ORS 36.420(3) must be applied for immediately upon a case or a small claim becoming eligible for arbitration. The court will provide the arbitrator with a copy of any order waiving or deferring all or any part of the fees.

{(4) If a party fails to tender to the arbitrator the party's pro rata share of the preliminary payment under subsection (2) of this rule and fails to obtain a waiver or deferral of arbitration fees under subsection (3) of this rule, the arbitrator may preclude the party from appearing or participating in the arbitration. The failure of a party to appear or participate in the arbitration proceeding by reason of failing to pay the arbitrator fee or obtain a waiver or deferral of the fee does not affect the ability of the party to appeal the arbitrators decision and award in the manner provided by ORS 36.425.}

{(5)}[(4)] Any dispute as to the amount of the arbitrator's fee must be submitted to the court.

{(6)}[(5)] The arbitrator's fee may be considered a recoverable item of costs.

{(7)}[(6)] At the conclusion of the arbitration process, the court may enter a judgment in the arbitrator's favor and against any party who has not paid the arbitrator's fee in accordance with the schedule established under paragraph (1).

13. **UTCR 21.040 – FORMAT OF DOCUMENTS TO BE FILED ELECTRONICALLY**

PROPOSAL

Amend to require that electronically filed documents allow copying and pasting, when practicable.

ACTION TAKEN

The committee received no public comment. No motions were made to change the preliminary recommendation of approval. Therefore, by committee convention, the committee's October 14, 2016, preliminary recommendation of approval became the committee's final recommendation of approval.

EXPLANATION

The proposal was submitted by Lisa Norris-Lampe, on behalf of the Oregon eCourt Law and Policy Work Group, on September 22, 2016. The proposal would conform the UTCR to the Oregon Rules of Appellate Procedure (ORAP). That is, while the UTCR currently requires that electronically filed documents be text-searchable, the ORAP requires that they be text-searchable and include the ability to copy and paste. The proponent believed that the ability to copy and paste was extraordinarily useful when, for example, a judge is creating an order based in part on material contained in an existing document filed with the court. The committee agreed, with one member describing the proposal as sensible.

APPROVED AMENDMENT

21.040 FORMAT OF DOCUMENTS TO BE FILED ELECTRONICALLY

- (1) A document submitted electronically to the court must be in the form of a text-searchable Portable Document Format (PDF) or a text-searchable Portable Document Format/A (PDF/A) file that does not exceed 25 megabytes. **{The PDF or PDF/A document must allow copying and pasting text into another document, as much as practicable.}**A document that exceeds the size limit must be broken down and submitted as

separate files that do not exceed 25 megabytes each. A filer submitting separate files under this section must include in the Filing Comments field for each submission a description that clearly identifies the part of the document that the file represents, for example, "Motion for Summary Judgment, part 1 of 2."

* * * * *

14. UTCR 21.100 – ELECTRONIC SERVICE

PROPOSAL

Delete section (6) in light of amendment to UTCR 2.020. See item A.2.

ACTION TAKEN

The committee moved to recommend the proposal after discussion. The committee received public comment noting that the rule could be read to require a certificate of service for eService even if the document would not otherwise require service. This proposal, in conjunction with approved changes to UTCR 2.020 (see item A.2.), would remove this confusion and put the certificate of service requirements in one rule.

EXPLANATION

The proposal was submitted by Lisa Norris-Lampe, on behalf of the Oregon eCourt Law and Policy Work Group, on February 28, 2017. UTCR 21.100(6) currently sets out a "proof of service" requirement for electronically filed documents that is largely duplicative of new UTCR 2.020(1). See item A.2. At the fall UTCR Committee meeting, while discussing proposed new UTCR 2.020(1), the committee discussed deleting current UTCR 21.100(6), because its content will now be included in the more generally applicable rule, UTCR 2.020(1).

APPROVED AMENDMENT

21.100 ELECTRONIC SERVICE

(1) * * *

* * * * *

[(6) *Proof of Service*

A filer must incorporate at the end of any document submitted electronically a dated and signed certificate that describes the manner of service. If the opposing party was electronically served by the eFiling system, the certificate must state that service was accomplished at the party's email address as recorded on the date of service in the eFiling system and need not include the party's email address or postal address. If the opposing party was not electronically served by the eFiling system, the certificate must include the postal address at which the opposing party was served or, if served by email or facsimile, the email address or telephone number at which the opposing party was served.]

[(7)]{(6)} Service Other than by Electronic Means

The filing party is responsible for accomplishing service in any manner permitted by the Oregon Rules of Civil Procedure and for filing a proof of service with the court for the following documents:

- (a) a document required to be filed conventionally under this chapter;
- (b) a document that cannot be served electronically on a party who appeared in the action; and
- (c) a document subject to a protective order.

B. OUT-OF-CYCLE CHANGE

This change to the UTCR became effective after August 1, 2016, and before August 1, 2017. It will be incorporated into the 2017 UTCR.

1. UTCR 19.020 – INITIATING INSTRUMENT REQUIREMENTS AND MAXIMUM SANCTIONS

PROPOSAL

Amend UTCR 19.020(2) out-of-cycle in response to Senate Bill 489 (2017).

ACTION TAKEN

Supreme Court Order No. 17-028 approving out-of-cycle amendment of UTCR 19.020(2), effective immediately, was signed on June 6, 2017.

EXPLANATION

Senate Bill 489 (2017) amended ORS 33.055 regarding motions to initiate remedial contempt proceedings. The amended statute requires parties to file the motions in accordance with rules adopted by the Oregon Supreme Court.

The OJD Law and Policy Work Group identified the original statutory requirement as problematic given the capabilities of the circuit court electronic case management system. That system processes contempt cases by creating a new case for the contempt (whether remedial or otherwise) and then, if a related proceeding exists, “relating” it in the system to the existing case.

This amendment to UTCR 19.020(2) makes the rule consistent with amended ORS 33.055 and with current electronic court processes.

APPROVED AMENDMENT

19.020 INITIATING INSTRUMENT REQUIREMENTS AND MAXIMUM
SANCTIONS

(1) * * *

* * * * *

- (2) If a party is initiating a contempt proceeding under ORS 33.055 (remedial) and a related circuit court case exists, the party must initiate the contempt proceeding by filing a motion in the related case.
 - (a) For purposes of the court’s electronic case management system, the trial court administrator will treat the contempt proceeding as a separate case[, *but the motion and filings pertaining to the motion are deemed to have been filed in the related case within the meaning of ORS 33.055*].
 - (b) Any subsequent filing by any party in the contempt proceeding must include both case numbers, with the contempt proceeding case number appearing first.

C. PROPOSALS NOT ADOPTED

1. UTCR 2.010 – FORM OF DOCUMENTS

PROPOSAL

Amend to eliminate obligation to number paragraphs in pleadings “in the center of the page.”

ACTION TAKEN

The committee received no public comment. No motions were made to change the preliminary recommendation of disapproval. Therefore, by committee convention, the committee’s October 14, 2016, preliminary recommendation of disapproval became the committee’s final recommendation of disapproval.

EXPLANATION

The proposal was submitted by John Gear, Attorney, on October 16, 2015. The proponent believed that centering the paragraph number requires significantly more effort to create because it fails to use the natural, embedded numbering systems in modern word-processing software. The committee concluded that the current numbering requirement is not problematic.

PROPOSED AMENDMENT

2.010 FORM OF DOCUMENTS

Except where a different form is specified by statute or rule, the form of any document, including pleadings and motions, filed in any type of proceeding must be as prescribed in this rule.

(1) * * *

* * * * *

(8) Distinct Paragraphs

All paragraphs in a pleading or motion must be numbered consecutively [*in the center of the page*] with Arabic numerals, beginning with the first paragraph of the document and continuing through the last. Subdivisions within a paragraph must be designated by lower case letters, enclosed in parentheses, placed at the left margin of each subdivision.

(9) * * *

2. UTCR 5.100 – SUBMISSION OF PROPOSED ORDERS OR JUDGMENTS

PROPOSAL

Amend to exclude uncontested probate and protective proceedings from certificate of readiness requirement.

ACTION TAKEN

The committee received no public comment. No motions were made to change the preliminary recommendation of disapproval. Therefore, by committee convention, the committee's October 14, 2016, preliminary recommendation of disapproval became the committee's final recommendation of disapproval.

EXPLANATION

The proposal was submitted by Sam Friedenber, Attorney, on September 13, 2016. Currently, the rule provides that uncontested probate and protective proceedings are exempt from the service requirements contained in the rule. The proposal would eliminate the obligation of litigants in these cases to include a certificate that states service is not required.

The proponent indicated that contested probate matters are exceedingly rare and that requiring a certificate to indicate that they are uncontested is unnecessary. In terms of protected proceedings, the proponent described the statutory notice provisions as rigorous and indicated a belief that court staff – as opposed to judicial officers – review all pleadings to ensure that these statutory obligations are met. The proponent viewed the application of the rule to these cases as creating an additional requirement for both litigants and court staff. The proponent also viewed the existence of an exemption from the service requirement, but not the certificate requirement, as creating a lack of clarity. The proponent believed that the certificate increased litigation costs and could, potentially, contribute to causing members of the public to find alternative to these proceedings. Given, the relatively few contested proceedings, the statutorily required notices, the potential ability of court staff to determine compliance with the law and the absence of problems prior to the amendment of the rule, the proponent believed the benefits provided by the rule were outweighed by their costs.

The committee respectfully disagreed. One committee member began the discussion by noting a reluctance to begin carving exceptions from the rule noting that exceptions generally proliferate and arguing that a judge who, for example, does not regularly preside over probate matters shouldn't have to wonder why a certificate is not present. Along these lines, another committee member

questioned how a judge, in the absence of a certificate, would be able to confirm that the proceeding was uncontested. A committee member agreed that, in many situations, a judge would need to review the file to determine that a proceeding was uncontested and described the certificate as providing another layer of assurance.

One committee member indicated that, as a factual matter, a fair number of probate proceedings were contested. The committee member also described a reduction in judicial officers devoted to probate proceedings, as well as a general reduction in court staff over the past several years.

In response to the proponent's assertion that the court's case management system identified parties to the proceedings, several committee members described the internal functioning of the system. The members described an electronic "queue" consisting solely of proposed judgments and orders. To review the remainder of the court file requires opening other, and in some cases multiple, electronic windows. As a result, the committee viewed the certificate as complimenting the new case management system by providing a readily accessible summary of the state of the proposed judgment or order. Given this, and the minimal burden associated with creating a form with checkboxes, the committee was skeptical of the proposal. No motions were made.

Pursuant to UTCR 1.130, computation of Uniform Trial Court Rule time requirements is subject to ORCP 10.

3. UTCR 13.210 – FORM AND CONTENT OF AWARD

PROPOSAL

Amend to modify time within which an arbitrator must send award to parties.

ACTION TAKEN

The committee received no public comment. The committee discussed the fact that the timeline for sending an arbitration award was extended during the last UTCR cycle to 28 days and that change was requested by the majority of counties and appears to be working well. The committee expressed sympathy for Clackamas County Circuit Court's desire for an amended timeline, however, there was countervailing concern that a reversion to the old timeline would negatively impact many other courts and perhaps Clackamas can adjust their trial schedule to address the issue. A motion to disapprove the amendment was passed by consensus.

EXPLANATION

The proposal was submitted by The Honorable Susie L. Norby, Clackamas County Circuit Court, on August 26, 2016. Historically, this UTCR required arbitrators to send an award to the parties seven days after the conclusion of the arbitration hearing. During the last UTCR cycle, this time period was extended to 28 days, effective on August 1, 2016. The instant proposal would "repeal" these recent changes and revert to a seven-day period.

The proponents expressed significant concerns with the extension of the time period. First, the proponents believed the extension would be likely to obstruct the court's ability to meet timely disposition of trial standards and, ultimately, result in an increase in cases removed from mandated arbitration by court order. The proponents indicated that, in the Clackamas County Circuit Court, civil settlement conferences are scheduled after the arbitration is completed and 30 days prior to trial. This process ensures that a pending arbitration award does not neutralize the incentive to negotiate a settlement, while also providing the parties with sufficient time to prepare for trial. The proponents were concerned that injecting a potential three-week delay into this process would either compress the parties' pre-arbitration timeline or result in an increase in the number of cases exempted from arbitration. Additionally, the proponents viewed the extension of time as unnecessary, indicating that experienced arbitrators did not have difficulty meeting the prior deadlines.

The committee was sympathetic towards the unintended consequences of the 2016 amendment. One committee member noted, however, that different circuit courts may be experiencing different challenges. That is, the member described concerns in another circuit court with the timeliness of the arbitration process that required staff to monitor the arbitration process. The member believed that the additional time was likely to alleviate the need, in that circuit court, to invest resources in managing the arbitration program. Another committee member believed that differing views on the proposal may result from some circuit courts

scheduling trial dates prior to the arbitration hearing, while others await a request for a trial *de novo*. The committee discussed several different approaches to the issue and sought to strike the appropriate balance between statewide uniformity and the practical need for flexibility between the circuit courts. For example, the committee discussed the possibility that these time periods could be set by Supplementary Local Rule.

PROPOSED AMENDMENT

13.210 FORM AND CONTENT OF AWARD

(1) * * *

* * * * *

- (5) Within {7}[28] days after the conclusion of the arbitration hearing, the arbitrator shall send the award to the parties without filing with the court and shall establish procedures for determining attorney fees and costs.
- (6) In dissolution cases, the arbitrator shall send the award to the parties within {7}[28] days after the conclusion of the arbitration hearing and shall direct a party to prepare and submit a form of judgment. The arbitrator, upon request of any party, shall give the parties an opportunity to be heard on the form of judgment. The arbitrator shall then approve a form of judgment and file the award, along with the approved form of judgment, per UTCR 13.220.

4. UTCR 13.220 – FILING OF AN AWARD

PROPOSAL

Amend to modify time period applicable to filing of arbitration award.

ACTION TAKEN

The committee received no public comment. The committee discussed the fact that the timeline for filing was changed to 42 days during the last UTCR cycle and that change was requested by the majority of counties and appears to be working well. The committee expressed sympathy for Clackamas County Circuit Court's desire for an amended timeline, however, there was countervailing concern that a reversion to the old timeline would negatively impact many other courts and perhaps Clackamas can adjust their trial schedule to address the issue. A motion to disapprove the amendment was passed by consensus.

EXPLANATION

The proposal was submitted by The Honorable Susie L. Norby, Clackamas County Circuit Court, on August 26, 2016. Historically, this UTCR required arbitrator's to file an award 21 days after the conclusion of a dissolution arbitration and 14 days after the conclusion of any other arbitration proceeding. During the last UTCR cycle, the distinction between case types was eliminated and arbitrators were provided with 42 days to file any award, effective August 1, 2016. The instant proposal would "repeal" these recent changes and revert to a 21-day deadline for dissolution cases, and a 14-day deadline in all other cases.

The proponents expressed significant concerns with the extension of the time period. First, the proponents believed the extension would be likely to obstruct

the court's ability to meet timely disposition of trial standards and, ultimately, result in an increase in cases removed from mandated arbitration by court order. The proponents indicated that, in the Clackamas County Circuit Court, civil settlement conferences are scheduled after the arbitration is completed and 30 days prior to trial. This process ensures that a pending arbitration award does not neutralize the incentive to negotiate a settlement, while also providing the parties with sufficient time to prepare for trial. Given the timely disposition standards adopted by the Oregon Judicial Conference, the proponents were concerned that injecting a potential three-week delay into this process would either compress the parties' pre-arbitration timeline or result in an increase in the number of cases exempted from arbitration. Additionally, the proponents viewed the extension of time as unnecessary, indicating that experienced arbitrators did not have difficulty meeting the prior deadlines and in appropriate cases, had the ability to move for an extension under UTCR 13.220(2).

The committee was sympathetic towards the unintended consequences of the 2016 amendment. One committee member noted, however, that different circuit courts may be experiencing different challenges. That is, the member described concerns in another circuit court with the timeliness of the arbitration process that required staff to manage the arbitration process. The member believed that the additional time was likely to alleviate the need, in that circuit court, to invest resources in managing the arbitration program. Another committee member believed that differing views on the proposal may result from some circuit courts scheduling trial dates prior to the arbitration hearing, while others await a request for a trial *de novo*. The committee discussed several different approaches to the issue and sought to strike the appropriate balance between statewide uniformity and the practical need for flexibility between the circuit courts.

5. UTCR 21.100 – ELECTRONIC SERVICE

PROPOSAL

Amend to exclude uncontested probate and protective proceedings from obligation to include certificate of service in electronically filed documents.

ACTION TAKEN

The committee received no public comment. No motions were made to change the preliminary recommendation of disapproval. Therefore, by committee convention, the committee's October 14, 2016, preliminary recommendation of disapproval became the committee's final recommendation of disapproval. The committee also noted that this proposal became moot after the committee recommended the deletion of UTCR 21.100(6). See item A.14.

EXPLANATION

The proposal was submitted by Sam Friedenber, Attorney, on September 13, 2016. Currently, the rule requires that all electronically submitted documents include a certificate that describes the manner of service. The proposal would exempt uncontested probate and protective proceedings from this rule.

The proponent indicated that contested probate matters are exceedingly rare and that requiring a certificate to indicate that they are uncontested is unnecessary. In terms of protected proceedings, the proponent described the statutory notice provisions as rigorous and indicated a belief that court staff – as opposed to judicial officers – review all pleadings to ensure that these statutory obligations are met.

The proponent viewed this obligation as creating an additional requirement for both litigants and court staff. The proponent noted particular challenges in the context of initial pleadings and documents that do not legally require service. For example, the proponent observed that a literal reading of the rule would apply to initial pleadings. In probate matters, however, the proponent viewed the case number as an essential piece of information that would not be available at the time the initial pleading was filed. Similarly, the proponent noted that the rule applied to documents that need not be served at all.

PROPOSED AMENDMENT

21.100 ELECTRONIC SERVICE

(1) * * *

* * * * *

(6) Proof of Service

A filer must incorporate at the end of any document submitted electronically a dated and signed certificate that describes the manner of service. If the opposing party was electronically served by the eFiling system, the certificate must state that service was accomplished at the party's email address as recorded on the date of service in the eFiling system and need not include the party's email address or postal address. If the opposing party was not electronically served by the eFiling system, the certificate must include the postal address at which the opposing party was served or, if served by email or facsimile, the email address or telephone number at which the opposing party was served. **This requirement does not apply to uncontested probate and protective proceedings.**

(7) Service Other than by Electronic Means

The filing party is responsible for accomplishing service in any manner permitted by the Oregon Rules of Civil Procedure and for filing a proof of service with the court for the following documents:

- (a) a document required to be filed conventionally under this chapter;
- (b) a document that cannot be served electronically on a party who appeared in the action; and
- (c) a document subject to a protective order.

1. UTCR 2.100 – PROTECTED PERSONAL INFORMATION, NOT CONTACT INFORMATION, REQUIREMENTS AND PROCEDURES TO SEGREGATE WHEN SUBMITTING

PROPOSAL

Amend rule to conform to proposed new rule requiring parties to separately file specified financial information. See item D.3.

ACTION TAKEN

No public comment was received and there was no discussion on this proposal. No action was taken. See item D.3 for related discussion.

EXPLANATION

The proposal was submitted by Joshua Nasbe, Oregon Judicial Department Staff Counsel, on October 11, 2016. The proposal is directly modeled on several existing rules, including UTCR 2.100 and 2.130. This latter rule currently requires litigants in specified case types to separately file “confidential personal information” and note on the primary document filed with the court that the information has been separately filed. The proponent explained that the instant proposal takes a nearly identical stance towards “protected financial information,” which is defined to include Social Security numbers, credit card numbers, bank account numbers, driver license numbers, and the like.

The proponent described the concern animating the proposal as a practical one: while remote electronic access to court documents provides benefits to practitioners and the public alike, this transparency has the potential to be abused when court documents contain financial information. This is particularly true in the modern era, where both individuals and state-sponsored actors have the ability to harvest electronic information in bulk for malevolent purposes.

As part of its transition to an electronic court environment, the Oregon Judicial Department has worked for several years on various proposals intended to navigate those competing concerns of transparency and abuse. The instant proposal narrowly focuses on one area – financial information – proposing, to treat this information as confidential online and, absent a court order, confidential at the courthouse. This approach is largely consistent with the approach taken by UTCR 2.130. Earlier proposals have addressed financial and other information, proposing to limit online access while retaining current access rules at the

courthouse. Independent of these proposals, the Oregon Judicial Department will continue to study ways to protect a range of personal information.

The committee discussed the approach taken in other jurisdictions including the state of Washington, where entire documents are filed under seal. One committee member opined that the inconsistent use by Oregon litigants of UTCR 2.100 – a rule that permits parties to confidentially file “protected personal information” – was improving. Other committee members expressed concern about the application of the proposed rule in criminal cases, where numerous documents necessarily contain identifying information (e.g., Social Security numbers), including warrants and release agreements.

Recognizing that any proposal would have a very real impact on the workloads of attorneys, parties and the court, the proponent described the instant proposal as initiating a conversation intended to identify the appropriate balance for financial information.

PROPOSED AMENDMENT

2.100 PROTECTED PERSONAL INFORMATION, NOT CONTACT INFORMATION, REQUIREMENTS AND PROCEDURES TO SEGREGATE WHEN SUBMITTING

(1) Purpose

- (a) This rule establishes procedures for a person to identify and segregate protected personal information when submitting a document to a court in a case and to request the information be kept from inspection by the general public.
- (b) This rule establishes a process for a court, when it grants a request under this rule, to protect the segregated, protected personal information from nonprotected information in a uniform way with an appropriate record.
- (c) UTCR 2.130 [*establishes*] {**and 2.150 establish**} separate procedures and processes for protecting {**confidential financial information and,**}[*personal information*] in proceedings brought under ORS chapters 25, 106, 107, 108, 109, 110, and 416 or initiated under ORS 24.190, ORS 30.866, ORS 124.010, or ORS 163.763{**, confidential personal information**}.

(2) Information Covered. As used in this rule:

- (a) “Protected personal information” means specific individual facts that, unless segregated, would otherwise be in a submitted document to identify a person submitting the document or another person beyond that person’s name or to identify the financial activities of either and which the court is allowed or required by law to keep confidential.
- (b) “Protected personal information” includes, but is not limited to:
 - (i) [*Social Security numbers, credit card numbers, bank or other financial account numbers, bank or other financial account*]

locations, driver license numbers, financial account access numbers, or similar information that is used for financial transactions and can be kept confidential under ORS 192.502(2).

(ii) Maiden names, birth dates, [and] places of birth{, **and any other information**} that can be kept confidential under ORS 192.502(2).

[(iii)]{(ii)} Facts about a person's identity or the identity of the person's financial activities that is other than contact information and that can be exempt from public inspection under the Oregon Public Records Law (OPRL, ORS 192.410 to 192.505).

[(iv)]{(iii)} Facts other than contact information that can otherwise be protected under specific law, including, but not limited to, information protected by existing court orders.

(c) "Protected personal information" does not include{:}

{(i)} Entire documents, contact information, or, except as ordered by a court, information that is not both personal and related to a person's identity beyond their name or their financial activities.

{(ii) **"Confidential personal information" that is required to be filed in accordance with UTCR 2.130 or "confidential financial information" that is required to be filed in accordance with UTCR 2.150.**}

(d) "Contact information" means: the name of a person submitting a document or of a person on whose behalf a document is being submitted; telephone numbers; personal or business addresses; email addresses; employer identification and address; or similar facts that make it possible for another to contact a person who is named in a document.

(3) Relationship to Other Law. The following all apply to this rule:

(a) [*Parties to proceedings under ORS 107.085 or 107.485 must segregate all Social Security numbers from all documents they submit related to the proceedings in the manner provided by UTCR 2.130. These Social Security numbers are confidential in the custody of the court as ORS 107.840 provides. Other than as this paragraph, UTCR 2.130, or SLR 2.101 of a court provides, this rule is not the exclusive means for a court to protect personal information from public inspection.*]

(b) All judicial districts must allow requests to segregate protected personal information under this rule as a way to keep it separate from information subject to public inspection. However, courts may use SLR to establish other procedures related to identifying and protecting information courts are allowed or required to keep confidential. But, SLR 2.101 is preserved for purposes of a court to:

- (i) require use of forms or procedures under this rule as the exclusive way to identify specific protected personal information so a court can segregate the information and protect it from public inspection; and
- (ii) establish requirements supplemental to this rule as necessary to help administer this rule.

[(c)]{(b)} Nothing in this rule precludes a court from protecting information by appropriate court order.

[(d)]{(c)} Nothing in this rule affects or applies to procedures for identifying and protecting contact information:

- (i) Of crime victims that is submitted to courts for processing restitution payments when restitution is sought and the information about a crime victim is kept confidential under ORS 18.048(2)(b).
- (ii) That can be made confidential under ORS 25.020(8)(d), 109.767(5), 110.575, or 192.445.

- (4) Procedure to Follow. A person may only request protected personal information be segregated and protected under this rule when submitting it to a court in a case. The procedures under this rule may be used to identify and separately present protected personal information from any submitted document or form that is used to give information to a court. To do so, a person must do the following:
 - (a) Place in the document from which the protected personal information is being segregated a written notation to the effect that the information is being separately submitted under UTCR 2.100.
 - (b) Complete an affidavit in substantially the form provided in UTCR Form 2.100.4a. The affidavit must describe generally the protected personal information and set out the legal authority for protecting the information.
 - (c) Complete an information sheet in substantially the form provided in UTCR Form 2.100.4b to duplicate the protected personal information sought to be segregated. The information sheet must be submitted as a separate document, not as an attachment to the affidavit prepared under UTCR 2.100(4)(b).
 - (d) File the completed forms and attachments with the court along with, but not attached to, the document from which the protected personal information is segregated.
 - (e) For purposes of UTCR 2.080, mail or deliver to parties a copy of the affidavit only, and not the information sheet or any attachments to the information sheet.
- (5) More Than Once in a Case. If a court segregates specific protected personal information from a specific document under this rule:

- (a) The court is under no obligation to look for or segregate the same protected personal information from other documents in the file for that case or other cases that were not specifically addressed by a request under this rule or from any documents subsequently submitted to the court except when procedures under this rule to segregate from the specific document are again used.
 - (b) As long as the specific protected personal information remains current, a person need not submit an affidavit and information sheet under this rule each subsequent time the already segregated information would be submitted in that case. The person may simply add a written notation to any document subsequently submitted to the effect that the information has already been submitted in that case under UTCR 2.100.
- (6) Court Response. When a completed request is filed under this rule and the court grants the request to segregate, the court will do the following:
- (a) Maintain the UTCR Form 2.100.4b and any attachments to it as not subject to public inspection unless there is a question about the court's legal authority to keep the specific information from public inspection. The requestor need not obtain the signature of a judge. As official custodian of the case file under the OPRL, the trial court administrator will resolve any question about whether, or the extent to which, information may be kept from disclosure under this rule unless statute or court order expressly provides otherwise. A request under this rule to keep information confidential, segregated, or exempt from public inspection is not subject to challenge and hearing except as specifically required by law.
 - (b) Keep the affidavit in the case file.
 - (c) Send notice confirming that a request is granted or denied only if the person includes a self-addressed, postage prepaid postcard that the court can use for that task. The postcard must also include the following text, to be filled in as indicated for the court to mail:

"Dear _____ (*person requesting print your name here*), Your request of _____ (*insert date of request*) to segregate specific protected personal information from information the general public can inspect in the case file for case number _____ (*insert case number*) in the Circuit Court for _____ (*insert county*) County (*the court will check and complete the appropriate following response before mailing*):

Was granted on _____ (*court will insert date*) and the segregated information sheet you submitted will be maintained separately from information available for public inspection. _____ (*initial of appropriate court employee*)

Was denied in part or entirely because (*court will explain and provide contact information for further*

action): _____
_____”

- (7) Limits on Protection. When the court grants a request under this rule, the court will protect the submitted Form 2.100.4b from being placed where the general public can inspect it. However, the following limits apply to this confidentiality:
- (a) A person may inspect the information sheet or attachments that person submitted.
 - (b) A person other than the person who submitted the information sheet or attachments may inspect the information sheet or attachments with a currently effective release by the person whose information is protected. The release must be signed by the person giving the release, dated, and establish a period during which the release will be effective.
 - (c) Any person who has a right by law to inspect the information sheet or attachments may do so. This includes Oregon Judicial Department personnel who require the information for their work.
 - (d) Courts will share the information sheets and attachments with other government agencies as required or allowed by law, without court order or application under subsection (8) of this rule, for purposes of the business of those agencies. Those agencies are required to maintain the information as confidential as provided under ORS 192.502(10).
 - (e) Courts will share the information sheets and attachments with the entity primarily responsible for providing support enforcement services under ORS 25.080 and under the requirements of 42 USC 666 without application under subsection (8) of this rule in any case in which spouse or child support is ordered.
- (8) Inspecting or Copying Protected Personal Information.
- (a) Except as specifically provided in subsection (7) of this rule, any person who seeks to inspect or copy information segregated and kept from public inspection under this rule must make the request by using a form substantially like UTCR Form 2.100.8 and copy the requestor shown on the affidavit and parties to the case as required by UTCR 2.080. A court will only grant a request if the person requesting has a right by law, including this rule, to see the information. The court will indicate on the form its response to the request and maintain a copy of all the request forms, with its response, in the case file as a public record.
 - (b) Any person inspecting information segregated and kept from public inspection under this rule must not further disclose the information, except:
 - (i) within the course and scope of the client-lawyer relationship, unless limited or prohibited by court order;

- (ii) as authorized by law; or
 - (iii) as ordered by the court.
 - (c) Violation of subsection (b) of this section may subject a person to contempt of court under ORS 33.015 to 33.155.
- (9) Denied Requests. If a court denies a request under this rule:
- (a) For every piece of personal information on a UTCR Form 2.100.4b, the court will attach the affidavit and form to the document from which the information was segregated and place all in the case file.
 - (b) For only some of the personal information on a UTCR Form 2.100.4b, the court will:
 - (i) create a copy of the form where the information to be protected is redacted,
 - (ii) protect the original form as otherwise provided in this rule, and
 - (iii) attach the affidavit and the redacted copy of the form to the document from which the information was segregated and place the affidavit and redacted copy of the form in the case file.

PROPOSED AMENDMENT

2.110 PROTECTED PERSONAL INFORMATION, NOT CONTACT INFORMATION, PROCEDURES TO SEGREGATE WHEN INFORMATION ALREADY EXISTS IN A CASE FILE

- (1) Purpose. This rule establishes:
 - (a) Procedures for a person to identify and segregate protected [*personal*] information when that information already exists in a document in a court case file and to request the information be kept from inspection by the general public.
 - (b) A process for a court, when it grants a request under this rule, to segregate and protect personal information from nonprotected information in the case file in a uniform way with an appropriate record.
- (2) Information Covered. This rule may be followed to segregate and protect the same information already existing in a case file that could be segregated and protected at the time of submission under UTCR 2.100{ } [*and*] UTCR 2.130{, or UTCR 2.150}. The definitions in UTCR 2.100 apply to this rule.
- (3) Relationship to Other Law. The following all apply to this rule:
 - (a) This rule is not the exclusive means for a court to protect personal information in case files from public inspection.

- (b) Courts may use SLR to establish other procedures related to identifying and protecting information courts are allowed or required to keep confidential. But, SLR 2.111 is preserved for purposes of a court to:
 - (i) require use of forms or procedures under this rule to identify specific protected [*personal*] information so that a court can segregate the information and protect it from public inspection; and
 - (ii) establish requirements supplemental to this rule as necessary to help administer this rule.
- (c) Nothing in this rule affects or applies to procedures for identifying and protecting contact information:
 - (i) Of crime victims that is submitted to courts for processing restitution payments when restitution is sought and the information about a crime victim is kept confidential under ORS 18.048(2)(b).
 - (ii) That can be made confidential under ORS 25.020(8)(d), 109.767(5), 110.575, or 192.445.
- (4) Procedure to Follow. A person may only request protected [*personal*] information be segregated under this rule when the information is already in a document that has become part of a court case file. To do so, a person must do all the following:
 - (a) Complete an affidavit in substantially the form provided in UTCR Form 2.110.4a. The affidavit must:
 - (i) Describe generally the protected [*personal*] information and set out the legal authority for protecting the information.
 - (ii) Specifically identify the case file, document in the case file, and the page number of the page that is sought to be redacted.
 - (iii) Be accompanied by a copy of that page sought to be redacted showing specifically the protected [*personal*] information to be redacted.
 - (b) Complete an information sheet in substantially the form provided in UTCR Form 2.100.4b to duplicate the protected [*personal*] information sought to be segregated. The information sheet must be submitted as a separate document, not as an attachment to the affidavit prepared under UTCR 2.110(4)(a).
 - (c) File the completed forms and attachments with the court.
 - (d) Pay the required fee set by Chief Justice Order.

(e) For purposes of UTCR 2.080, mail or deliver to parties a copy of the affidavit only and not the information sheet or any attachments to the information sheet.

(5) Court Response. When a completed request is filed under this rule and granted by the court, the court will do the following:

(a) Segregate and protect the specifically identified protected [*personal*] information from the specific location in the specific document that is the object of the request unless there is a question about the court's legal authority to keep the specific information from public inspection. The requestor need not obtain the signature of a judge. As official custodian of the case file under the OPRL, the trial court administrator will resolve any question about whether, or the extent to which, information may be kept from disclosure under this rule unless statute or court order expressly provides otherwise. A request under this rule to keep information confidential, segregated, or exempt from public inspection is not subject to challenge and hearing except as specifically provided by law.

(b) Separate and maintain the information sheet and any attachments as not subject to public inspection. Once the information sheet is separated, place the affidavit in the case file.

(c) Replace any page from which the specific information is removed with a redacted copy of the page and keep the original, unmodified page with the information sheet and its attachments. Any substitute page from which the specific information is removed will include a notation of the date and responsible individual and that the redacting was done under this rule. Courts will separate information and redact documents under this rule according to the State Court Administrator's direction, or as otherwise specifically provided by law.

(d) Send a notice confirming completion of work, that work cannot be completed for some reason, or that a request is denied only if the person includes a self-addressed, postage prepaid postcard that the court can use for that task. The postcard must also include the following text to be filled in as indicated for the court to mail:

"Dear _____ (*person requesting print your name here*), Your request of _____ (*insert date of request*) to segregate specific personal information from information the general public can inspect in the case file for case number _____ (*insert case number*) in the Circuit Court for _____ (*insert county*) County (*court will check and complete the appropriate following response*):

Was completed on _____ (*insert date*). _____ (*initials of appropriate court employee*)

Could not be completed because (*explain and provide contact information for further action*): _____

Was denied because (*explain and provide contact information for further action*): _____

- (6) Time Limits, Court Authority to Refuse Request Based on Resources. This rule sets no time limit for courts to segregate information from existing court records when requested under this rule. Courts have a reasonable time given their ordinary workload and resources available. And, notwithstanding other parts of this rule, a court is not required to segregate information from existing court records based on a request under this rule if the workload created would adversely affect the resources available for a court to perform its ordinary duties.
- (7) Parts of UTCR 2.100 and UTCR 2.130 that apply to this rule. The following subsections of UTCR 2.100 are applicable to this rule: (2), (5), (7), (8), and (9). The following subsections of UTCR 2.130 are applicable to this rule: (1), (6), (9), and (10).

3. UTCR 2.150 – CONFIDENTIAL FINANCIAL INFORMATION

PROPOSAL

Adopt new rule requiring parties to separately file specified financial information.

ACTION TAKEN

The committee was provided with a summary of current court processes regarding the handling and availability of confidential information to parties and the public and the potential need for amendments. There were some aspects of the proposal that committee members thought required more study, especially in light of the fact that there was no public comment received.

There was a concern that judges and court staff might feel obligated to reject documents for filing if the documents were not in compliance with the rule. In answer to those concerns the UTCR Reporter proposed an amendment stating, “(6) Judges and court staff are not required to review documents for compliance with this rule.” The amendment was adopted by a consensus of the committee. There were also concerns that the language requiring an opposing party to obtain a court order to see CIF information filed by another party were based on the family court rule and may not be necessary in all civil cases. No other motions were made. The committee agreed that additional outreach to the Bar and the courts should be conducted. The UTCR Reporter stated that out-of-cycle adoption may be needed depending on legislation passed by the 2017 Legislative Assembly.

EXPLANATION

The proposal was submitted by Joshua Nasbe, Oregon Judicial Department Staff Counsel, on October 11, 2016. The proposal is directly modeled on several existing rules, including UTCR 2.100 and 2.130. This latter rule currently requires

litigants in specified case types to separately file “confidential personal information” and note on the primary document filed with the court that the information has been separately filed. The proponent explained that the instant proposal takes a nearly identical stance towards “protected financial information,” which is defined to include Social Security numbers, credit card numbers, bank account numbers, driver license numbers, and the like.

The proponent described the concern animating the proposal as a practical one: while remote electronic access to court documents provides benefits to practitioners and the public alike, this transparency has the potential to be abused when court documents contain financial information. This is particularly true in the modern era, where both individuals and state-sponsored actors have the ability to harvest electronic information in bulk for malevolent purposes.

As part of its transition to an electronic court environment, the Oregon Judicial Department has worked for several years on various proposals intended to navigate those competing concerns of transparency and abuse. The instant proposal narrowly focuses on one area – financial information – proposing, to treat this information as confidential online and, absent a court order, confidential at the courthouse. This approach is largely consistent with the approach taken by UTCR 2.130. Earlier proposals have addressed financial and other information, proposing to limit online access while retaining current access rules at the courthouse. Independent of these proposals, the Oregon Judicial Department will continue to study ways to protect a range of personal information.

The committee discussed the approach taken in other jurisdictions including the state of Washington, where entire documents are filed under seal. One committee member opined that the inconsistent use by Oregon litigants of UTCR 2.100 – a rule that permits parties to confidentially file “protected personal information” – was improving. Other committee members expressed concern about the application of the proposed rule in criminal cases, where numerous documents necessarily contain identifying information (e.g., Social Security numbers), including warrants and release agreements.

Recognizing that any proposal would have a very real impact on the workloads of attorneys, parties and the court, the proponent described the instant proposal as initiating a conversation intended to identify the appropriate balance for financial information.

PROPOSED AMENDMENT

2.150 CONFIDENTIAL FINANCIAL INFORMATION

- (1) As used in this rule:
 - (a) “Confidential Financial Form” (CFF) means a document substantially in the form provided in UTCR Form 2.150.1.
 - (b) “Protected financial information” means Social Security numbers, employer identification numbers, credit card numbers, bank or other financial account numbers, bank or other financial account access numbers, or driver license, state identification or passport numbers.

- (2) (a) When protected financial information would otherwise be included in a document that is filed with the court, the party filing the document must:
 - (i) File the information in a CFF; and
 - (ii) Redact the information from any other document filed with the court. If the protected financial information is required by statute or rule to be included in the document, the party must note on the document that the information has been separately filed under UTCR 2.150.
- (b) A party must file a separate CFF for each person about whom the party provides confidential financial information.
- (3) (a) A party must file an amended CFF when filing a document that contains protected financial information that has changed or is not contained in a previous CFF.
- (b) A party filing an original or amended CFF must mail or deliver notice to all parties to the proceeding that a CFF or amended CFF has been filed and must file a certificate of mailing or delivery. The notice must be substantially in the form provided in UTCR 2.150.2.
- (4) (a) A party may inspect a CFF filed by the party.
- (b) A party may inspect a CFF filed by another party, upon filing an affidavit of consent, signed and dated by the party whose information is to be inspected, that states the dates during which the consent is effective. Notwithstanding UTCR 2.120, a declaration under penalty of perjury may not be used in lieu of an affidavit required by this paragraph.
- (c) A person may inspect a CFF upon entry of a court order.
- (d) Oregon Judicial Department personnel may have access to a CFF when required for court business. Courts may share a CFF with other governmental agencies as required or allowed by law for agency business.
- (5) This rule does not apply to:
 - (a) Information required to be filed in a Confidential Information Form under UTCR 2.130.
 - (b) Information required in money award under ORS 18.042.
 - (c) Court-certified documents.
 - (d) Violation proceedings.
- (6) Judges and court staff are not required to review documents for compliance with this rule.

6. **UTCR 3.180** – MEDIA OR OTHER PUBLIC ACCESS COVERAGE OF COURT EVENTS

PROPOSAL

Amend to account for technological advances.

ACTION TAKEN

Prior to the Spring UTCR meeting, the proponent, the Bar Press Broadcasters Council, held listening sessions with some county circuit courts to discuss this proposal. In light of those discussions and concerns expressed by the courts, the Bar Press Broadcasters Council withdrew its proposal with intentions of bringing a revised proposal to the Fall Meeting. The committee agreed that more work was necessary and passed a motion to add this as an agenda item at its Fall Meeting.

EXPLANATION

The proposal was submitted by the Oregon State Bar Association's Bar, Press and Broadcaster's Council, on September 28, 2016. The proposal revises UTCR 3.180 in light of modern technological advances. That is, the proposal is intended to account for the proliferation of cell phones and laptops that can be used to record court proceedings, and the multiple methods of disseminating these recordings. The proposal recognizes the inherent authority of the trial court to control the courtroom, requires prior permission before recording or disseminating a recording from a courtroom, precludes recording in specified situations and addresses electronic notetaking.

The committee discussed the proposal in detail. To begin the discussion, one committee member described the revision as an improvement and expressed approval of the decision to treat members of the general public the same as traditional media. Another committee member expressed the belief that members of the media would have a more significant incentive to comply with the rules of the court. Other members, however, noted difficulties in distinguishing between the two classes.

A committee member expressed concern about the manner in which the new rule limited the authority of judicial officers to prevent electronic recording in appropriate situations. Several members of the committee believed that a catchall provision, similar to the "substantial reasons" standard found in the current rule, provided necessary flexibility to address the myriad of fact patterns presented in court.

The proponents indicated that the existing catchall language was eliminated because of its imprecision. They further noted that the proposed revision of the rule expressly recognizes the court's inherent power to terminate recording in appropriate circumstances and was not intended to diminish the authority provided to trial courts under the current rule. For example, the proponents observed that the rule recognizes the court's inherent ability to terminate recording and indicated that this authority could be exercised in cases involving the safety of an individual or the general public, including situations where the trial judge has concerns about the recording of their own image.

Another committee member believed the revision was well written and provided sufficient flexibility for a judge to anchor a decision and, in appropriate circumstances, thoughtfully articulate the reasons recording should be prohibited.

Many members of the committee, including those who expressed concern surrounding the absence of a catchall provision, were largely persuaded.

PROPOSED AMENDMENT

3.180 ELECTRONIC RECORDING AND WRITING ON COURTHOUSE PREMISES

- (1) As used in this rule:
 - (a) “Electronic recording” includes video recording, audio recording, and still photography by cell phone, tablet, computer, camera, tape recorder, or any other means. “Electronic recording” does not include “electronic writing.”
 - (b) “Electronic writing” means the taking of notes or otherwise writing by electronic means and includes but is not limited to the use of word processing software and the composition of texts, emails, instant messages, and tweets.
- (2) Upon request made prior to the start of a proceeding, and after notice to all parties, electronic recording shall be allowed in any courtroom, except as provided under this rule.
- (3) A person who seeks to electronically record a court proceeding must obtain permission from the court. No fee may be charged. Subject to the limitations of this rule, the court shall allow electronic recording of a court proceeding, unless the court makes findings of fact on the record setting forth substantial reasons that establish:
 - (a) There is a reasonable likelihood that the electronic recording will interfere with the rights of the parties to a fair trial or affect the presentation of evidence or the outcome of the trial; or
 - (b) There is a reasonable likelihood that the costs or other burdens imposed by the electronic recording will interfere with the efficient administration of justice.
- (4) Except with the prior permission of the court or as otherwise provided in this rule, a person may not:
 - (a) Electronically record a court proceeding;
 - (b) Electronically record in any area under the control and supervision of the court; or
 - (c) Disseminate an electronic recording or electronic writing from within a courtroom.
- (5) The court may limit electronic writing in the courtroom if the court finds that a particular act interferes with a proceeding.
- (6) The provisions of subsection (4)(c) of this rule do not apply to attorneys or their agents.

- (7) Notwithstanding subsection (3) of this rule, the court may limit electronic recording if the court makes findings of fact on the record setting forth substantial reasons that establish:
 - (a) The limitation is necessary to preserve the solemnity, decorum or dignity of the court or to protect the parties, witnesses, or jurors;
 - (b) The use of electronic recording equipment interferes with the proceedings; or
 - (c) The electronic recording of a particular witness would endanger the welfare of the witness or materially hamper the testimony of the witness.
- (8) The court may terminate electronic recording at any time pursuant to the court's inherent power, or if the court makes a finding described in subsection (3) of this rule. If a person violates this rule or any other requirement imposed by the court, the court may require the person, and any organization with which the person is affiliated, to terminate electronic recording of the proceeding.
- (9) Notwithstanding any other provision of this rule, the following may not be electronically recorded by any person:
 - (a) Proceedings in chambers.
 - (b) Any notes or conversations intended to be private including, but not limited to, counsel and judges at the bench and conferences involving counsel and their clients.
 - (c) Dissolution, juvenile, paternity, adoption, custody, visitation, support, civil commitment, trade secrets, and abuse, restraining and stalking order proceedings.
 - (d) Proceedings involving a sex crime, if the victim has requested that the proceeding not be electronically recorded.
 - (e) Voir dire.
 - (f) Any juror anywhere during the course of the trial in which the juror sits.
 - (g) Recesses within a proceeding or any time the court is off the record.
- (10)
 - (a) Subject to subsection (2) of this rule, the court may prescribe the location of, and the manner of operating, electronic equipment within a courtroom. Artificial lighting is not permitted.
 - (b) When the court allows the electronic recording of a court proceeding, the court shall permit one video camera, one still camera and one audio recorder. The court may permit additional electronic recording consistent with this rule.
 - (c) Any pooling arrangement made necessary by limitations on equipment or personnel imposed by the court or this rule is the sole responsibility of the persons seeking to electronically record. The court will not

mediate disputes. If the persons seeking to electronically record are unable to agree on the manner in which the recording will be conducted or distributed, the court may terminate any or all recording.

- (11) A judicial district may, by SLR:
- (a) Designate areas outside a courtroom and under the control and supervision of the court, including hallways and entrances, where electronic recording is allowed and areas where electronic recording is prohibited.
 - (b) Adopt procedures to obtain permission for electronic recording under this subsection.
 - (c) SLR 3.181 is reserved for SLR adopted under this subsection.
- (12) For the purpose of determining whether this rule or other requirements imposed by the court have been violated, or to assure the effective administration of justice, a person engaged in electronic recording under this rule must, upon request and without expense to the court, provide to the court, for *in camera* review, an electronic recording in a format accessible to the court. The copy may be retained by the court and may be sealed, if necessary for the further administration of justice.
- (13) This rule does not:
- (a) Limit the court's contempt powers.
 - (b) Affect the court's authority to enter an appropriate order limiting the dissemination of electronic recording.
 - (c) Operate to waive ORS 44.510 to 44.540.
 - (d) Apply to court personnel engaged in the performance of official duties.

NOTE: UTCR 3.180 was adopted by the entire Oregon Supreme Court, and any changes to the rule will be made only with the consent of the Supreme Court.

7. SLR Chapter 11

PROPOSAL

Review SLR Chapter 11 for consistency and appropriate "default" provisions.

ACTION TAKEN

The committee discussed concerns brought to the committee's attention by former committee member The Honorable Judge Hillman regarding inconsistencies around default in SLR Chapter 11. The Honorable Lung Hung and Katharine von Ter Stegge, Attorney, volunteered to evaluate SLR Chapter 11 for discussion at the Fall UTCR meeting.

8. SLR Generally

PROPOSAL

Review of SLR for statewide consistency.

ACTION TAKEN

The committee discussed concerns brought by some legal aid groups that inconsistencies between SLRs can make it difficult for attorneys to practice in multiple counties. The committee will review the SLRs for inaccuracies and inconsistencies as part of its normal preparation for the Fall UTCR meeting.

9. Committee Membership Update

The committee discussed the existing defense attorney vacancy and the UTCR Reporter's efforts to recruit for that position. They also discussed the need to recruit a prosecuting attorney and a civil attorney to fill terms expiring at the end of the year. The UTCR Reporter indicated that an attorney recruitment would be posted in the Oregon State Bar Bulletin and that the Reporter would work to find replacements. Linda Hukari, Benton County Trial Court Administrator, Janet Schroer, Attorney, and Katharine von Ter Stegge, Attorney, each agreed to serve a second term.

10. Select New Committee Chair

The committee agreed to elect a new UTCR committee chair to replace outgoing chair William Miner. The committee unanimously elected Katharine von Ter Stegge as the new UTCR committee chair.

11. Fall Meeting Date

The Fall Meeting of the UTCR Committee will be held on October 20, 2017. Please submit proposed UTCR changes to the UTCR Reporter by August 31, 2017, so that they may be included in the fall meeting agenda. You may submit proposals by email or traditional mail: utcr@ojd.state.or.us or UTCR Reporter, Supreme Court Building, 1163 State Street, Salem, Oregon 97301-2563.

CHAPTER 1—General Provisions

1.010 SCOPE OF THESE RULES

- (1) Effective October 1, 1985, these rules apply uniformly to all proceedings and actions in circuit court except those proceedings and actions specified in UTCR 1.010(3) or proceedings and actions for which a limited application is specifically provided by these rules.
- (2) These rules shall be construed so as to achieve consistency with statutory provisions and to promote the just, speedy and inexpensive determination of every proceeding and action as well as the efficient use of judicial time and resources.
- (3) Chapters 2 to 13 of the UTCR do not apply to small claims or violations or parking violations, except that:
 - (a) UTCR 7.050 applies to all cases that may be subject to a federal bankruptcy stay, including small claims cases.
 - (b) SLR relating to these subjects are placed in chapters as provided by UTCR 1.080(3).
- (4) These rules apply to attorneys and to persons representing themselves.

1.020 AMENDMENT OF THESE RULES; EFFECTIVE DATE

- (1) The UTCR may be amended by order of the Chief Justice.
- (2) The effective date of any amendments to the UTCR shall be August 1 of each year, unless otherwise ordered by the Chief Justice.
- (3) Proposed amendments to the UTCR will be posted on the Oregon Judicial Department website (<http://www.courts.oregon.gov/programs/utcr/Pages/currentrules.aspx>) and will allow no less than a 49-day period for public comment, unless otherwise ordered by the Chief Justice.
- (4) Once approved by the Chief Justice, the final rules with any amendments which are adopted will be posted on the Oregon Judicial Department website (<http://www.courts.oregon.gov/programs/utcr/Pages/currentrules.aspx>) no less than 49 days before their effective date, unless otherwise ordered by the Chief Justice.
- (5) When either of the time limits set forth in subsections (3) and (4) of this rule have been waived by order of the Chief Justice, the amendment shall be posted for public comment as soon after adoption as is practicable, and the amendment shall be placed on the agenda of the next regularly scheduled UTCR Committee meeting.
- (6) The UTCR Reporter may correct typographical errors, grammatical errors, and inaccurate website addresses if the correction does not change the substance of the rule. The UTCR Reporter shall give appropriate notice of corrections to the public.

1.030 TRANSITION TO THESE RULES

- (1) On their effective date, these rules, and any amendments, shall apply to all actions and proceedings pending on or commenced after that date, except to the extent that, in the opinion of the court, application of the amendments in a particular action pending when the amendments take effect would not be feasible or would work injustice, in which event, the former rules or procedures apply.
- (2) Upon the effective date of these rules, and any amendments, all supplementary local rules (SLR) or portions thereof which are inconsistent with these rules or their amendments, are superseded, except that, when justice requires, a judge may order that an action or proceeding pending on that date be governed by the previous SLR or practice of the court.

1.040 LOCAL RULES OF COURT NOT PERMITTED; EXCEPTION

No circuit court may make or enforce any local rule except as provided in UTCR 1.030, 1.050 and 1.060.

1.050 PROMULGATION OF SLR; REVIEW OF SLR; ENFORCEABILITY OF LOCAL PRACTICES

- (1) Promulgation of SLR
 - (a) Pursuant to ORS 3.220, a court may make and enforce local rules consistent with and supplementary to these rules for the purpose of giving full effect to these rules and for the prompt and orderly dispatch of the business of the court.
 - (b) A court must incorporate into its SLR any local practice, procedure, form, or other requirement (“local practice”) with which the court expects or requires parties and attorneys to comply. Except as provided in paragraph (e), a court may not adopt SLR that duplicate or conflict with the constitutions, statutes, ORCP, UTCR, Chief Justice Orders, Supreme Court Orders, disciplinary rules for lawyers, judicial canons, or ORAP. A court may not adopt SLR that establish internal operating procedures of the court or trial court administrator that do not create requirements or have potential consequences for parties or attorneys.
 - (c) Every court must promulgate an SLR governing the scheduling and notification of parties for criminal trials, show cause hearings, and motions. A temporary rule may be issued for a specified period of time with Chief Justice approval if the procedures are under revision or study by the affected court.
 - (d) All forms required by SLR must be submitted as part of the SLR. Such forms shall be placed in an appendix and organized by chapter and SLR number. SLR and related forms shall contain cross-references to one another.
- (2) Review of SLR
 - (a) The presiding judge must give written notice of any new rules and changes to existing rules to the president(s) of the bar association(s) in the affected district and allow the bar association(s) at least 49 days before the date of submission of the rules to the Office of the State Court Administrator (OSCA) to provide the presiding judge with public comment. Subsequent changes made to those SLR in response to

recommendations from the UTCR Committee do not need to be submitted to the president(s) of the bar association(s) in the affected district.

- (b) Proposed local rules will be considered by the Chief Justice or designee not more often than once each year. To be considered, the proposed rules and a written explanation of each proposed new rule and change to an existing rule must be received by OSCA on or before September 1.
 - (c) The Chief Justice or designee shall issue any disapprovals on or before December 15 of the same year.
 - (d) Judicial districts shall file with OSCA a final certified copy and a final electronic copy in PDF which must be received by OSCA no later than January 1 of the next year. Those SLR shall become effective on February 1 of the next year.
 - (e) Proposed local rules submitted to the Chief Justice for review under subsection (2)(b) of this rule must show the proposed changes to the local rule as follows: proposed new wording in the SLR and proposed new SLR will be in bold and underlined and have braces placed before and after the new wording (**{...}**), wording proposed to be deleted and SLR proposed to be repealed will be in italics and have brackets placed before and after the deleted wording (*[...]*). When final SLR are submitted to the State Court Administrator after review under subsection (2)(b) of this rule, changes shall not be indicated as required by this subsection.
 - (f) The Chief Justice may waive the time limits in this section upon a showing of good cause.
 - (g) If a local rule is disapproved, notice of that action shall be given to the presiding judge of the court submitting the rule.
- (3) Enforceability of Local Practices Not Contained in SLR

When any local practice is not contained in a court's SLR, the court may not enforce such local practice or impose any sanction therefore, unless the court has first afforded the party or attorney a reasonable opportunity to cure the violation by complying with the local practice.

1987 Commentary:

Subsection (2) renumbered as paragraph (1)(c) as of August 1, 1994: This subsection requires a court to promulgate local rules governing the scheduling and notification of counsel for trials, show cause hearings, and for motions. The purpose of this subsection is to give counsel, everywhere in the state, notice of how critical case events are scheduled by each local court. The purpose of this subsection, therefore, is not to promote any particular calendaring procedure, but rather to eliminate unwritten rules of court.

1.060 NUMBERING OF COURT RULES

UTCR shall be numbered as follows:

- (1) Chapters and sections shall be numbered with Arabic numerals. Chapters shall be designated to the left of the decimal point. Sections shall be designated to the right of the decimal point. There shall be three decimal places to the right of the decimal point.
- (2) When a section consists of more than one primary paragraph, each shall be numbered with an Arabic number in parentheses.
- (3) If a section contains only one primary paragraph, which includes secondary paragraphs, the primary paragraph shall not be numbered, but the secondary paragraphs shall be numbered with Arabic numbers in parentheses.
- (4) If a section contains more than one primary paragraph, any one or more of which includes a secondary paragraph, the secondary paragraphs shall be designated by lower case letters in parentheses.
- (5) The use of paragraphs beyond primary and secondary paragraphs should be avoided.
- (6) SLR approved pursuant to UTCR 1.050 must conform to this rule.

1.070 CITATION OF COURT RULES

- (1) The Uniform Trial Court Rules (UTCR) shall be cited as UTCR by chapter and section number. Paragraph numbers and letters shall be included in the citation when appropriate.
- (2) Supplementary local rules of the trial courts shall be cited as SLR by chapter and section number. Paragraph numbers and letters shall be included in the citation when appropriate. Identification of the particular court, county or judicial district which issued the rules also shall be included when such identification is necessary.

1.080 FORMAT AND LOCATION OF COURT RULES

- (1) All UTCR and SLR must include a table of contents; must be printed on paper measuring 8-1/2 x 11 inches; printing must be on both sides when practical; each sheet must be three-hole punched to fit a standard three-ring binder.
- (2) Each page of the SLR must include a footer that shows the following: the page number, the revision date applicable to the set of SLR, the judicial district number, and the name of the court.
- (3) A court that wishes to have a chapter dedicated to alternative dispute resolution (ADR) must use Chapter 12 for all rules pertaining to the court's ADR program. All other SLR must be numbered as closely as possible to and in the same chapter as related UTCR, without using numbers reserved for UTCR. The following chapter numbers are reserved for the placement of SLR related to the subjects described for the chapter numbers:
 - (a) Chapter 12, SLR relating to mediation.

- (b) Chapter 14, SLR relating to reference judges.
- (c) Chapter 15, SLR relating to small claims.
- (d) Chapter 16, SLR relating to violations.
- (e) Chapter 17, SLR relating to local parking violations.
- (f) Chapter 18, SLR relating to Forcible Entry and Detainer (FED) actions.
- (g) Chapter 20, SLR relating to voluntary arbitration.

1991 Commentary:

For purposes of UTCR 1.080(3) the Committee did not intend that SLR required by UTCR 1.050(1)(c) be placed in Chapter 1 but intended that such SLR be placed in Chapter 7 or other chapters related to the particular subject.

1.090 SANCTIONS

- (1) For failure to file a pleading or other document in the manner, the form or the time required by these rules or SLR, the court may strike the pleading or document.
- (2) For willful and prejudicial resistance or refusal to comply with UTCR or SLR, the court, on its own motion or that of a party after opportunity for a hearing, may do any of the following:
 - (a) Assess against the noncompliant party or attorney or both reasonable costs, expenses and attorneys fees incurred by a party, attorney or the court.
 - (b) Otherwise award reasonable costs, expenses and attorneys fees incurred by a party, attorney or the court.
 - (c) Strike the offending pleading or other document.
 - (d) Treat as established an allegation or claim.

1.100 RELIEF FROM APPLICATION OF COURT RULES

Relief from application of these rules or SLR in an individual case may be given by a judge on good cause shown if necessary to prevent hardship or injustice.

1.110 DEFINITIONS

As used in these rules:

- (1) "Court contact information" means the following information about a person submitting a document: the person's name, a mailing address, a telephone number, and an email address and a facsimile transmission number, if any, sufficient to enable the court to communicate with the person and to enable any other party to the case to serve the

person under UTCR 2.080(1). Court contact information can be other than the person's actual address or telephone or fax number, such as a post office box or message number, provided that the court and adverse parties can contact the person with that information.

- (2) "Days" mean calendar days, unless otherwise specified in these rules.
- (3) "Defendant" or "Respondent" means any party against whom a claim for relief is asserted.
- (4) "Document" means any instrument filed or submitted in any type of proceeding, including any exhibit or attachment referred to in the instrument. Depending on the context, "document" may refer to an instrument in either paper or electronic form.
- (5) "Party" means a litigant or the litigant's attorney.
- (6) "Plaintiff" or "Petitioner" means any party asserting a claim for relief, whether by way of claim, third-party claim, crossclaim, or counterclaim.
- (7) "Trial Court Administrator" means the court administrator, the administrative officer of the records section of the court, and where appropriate, the trial court clerk.

1.120 DISBURSING MONIES; MOTION AND ORDER

- (1) The trial court administrator will not disburse monies without order of the court in any instance where the trial court administrator is unable to determine any of the following:
 - (a) The amount to be disbursed including, but not limited to, instances where the trial court administrator is required to calculate interest, past payments, or proceeds remaining from a sale.
 - (b) The specific party or parties to whom the trial court administrator is to disburse monies.
- (2) In any instance described under subsection (1), the trial court administrator must give notice to the presiding judge and to any parties the trial court administrator can reasonably determine might have an interest in the monies. The following apply to notice under this subsection:
 - (a) Notice must be in writing.
 - (b) Notice must include all the following to the extent possible: an indication that it is being given under this section, the amount of the money in question, identification of the source from which the trial court administrator received the money, a copy of any document received with the money, a description of the circumstances of receiving the money, identification of any case to which the trial court administrator can determine the monies may be related, and a description of the reasons for not disbursing monies.
 - (c) The trial court administrator shall enter in the register the fact of giving the notice, the time of giving notice, the manner of giving notice, and the persons to whom notice was given.
- (3) At any time the trial court administrator does not disburse monies for reasons described under subsection (1) of this section or for any other reason, the court or any person with

an interest in the money may submit a motion for an order to disburse the monies. The following apply to a motion under this subsection:

- (a) Notice of the motion must be given to persons which the submitting party reasonably determines might have an interest in the money.
 - (b) The motion must indicate that it is being submitted under this section.
 - (c) The motion must include all the following: an explanation of the party's interest in the money, supporting mathematical calculations showing the amount of money that should be disbursed, any supporting documentation or affidavits that might assist the court in its determination, the name and address of the person to whom the monies should be disbursed, a proposed order to disburse.
 - (d) The motion is not a new filing or appearance but a continuation of an existing proceeding and no fee is required for filing the motion.
- (4) If the court determines money is to be disbursed, the court must enter an order to disburse directing specific amounts of money held by the trial court administrator to be disbursed and specific persons to whom the trial court administrator is to disburse the monies.
 - (5) A trial court administrator must hold any monies subject to this section in the court trust account and follow the established accounting procedures until the trial court administrator receives the order to disburse.

1990 Commentary (statutory citations updated August 1, 2014):

Situations to which this section applies include, but are not limited to, a trial court administrator receiving and being unable to disburse monies under ORS 18.422(3), 18.872(2), 18.950, 87.475(3), or 88.100.

1.130 TIME COMPUTATION

ORCP 10 shall be followed in computing any time period prescribed by these rules.

1.140 REQUESTS FOR EXTENDED RETENTION OF COURT RECORDS

- (1) Notwithstanding the retention period established in the schedule adopted by the State Court Administrator under ORS 8.125, the following procedures allow persons to extend records retention as described:
 - (a) **AUTOMATIC EXTENSION.** Any party to a case may request an automatic extension of retention for records described in this paragraph that are related to the person's case. A trial court administrator will automatically grant a request under this paragraph. The court will not discard records subject to the request before one year from the date of entry of the request for automatic extension in the register of actions. A party may submit a new request under this paragraph prior to the expiration of a previous request. An automatic extension of records retention under this paragraph can apply only to the following records for the requestor's case:

- (i) Records shown by the register maintained under ORS 7.020 as having been received by the court in the case, other documents maintained in the court file specifically established for the case, and the register of actions and judgment docket for that specific case.
 - (ii) The audio or video recordings and logs, court reporter notes or transcripts for that case which the court has and which are identified with the case number.
 - (b) JUDICIAL EXTENSION. Any person may request a judicial extension of the retention period for any records maintained by a court as described by this paragraph. Granting a request under this paragraph is at the court's discretion. The court will not discard records for which an extension is granted under this paragraph before the date certain set in the extension order. Where an extension order under this paragraph does not establish a specific date for extended retention, the extension runs for one year from the date an order granting the extension is entered in the register of actions. A request for a judicial extension under this paragraph can be made:
 - (i) For records not covered by paragraph (a) of this subsection.
 - (ii) By a person seeking an extension for records subject to paragraph (a) of this subsection for a period longer than provided under paragraph (a).
 - (iii) By any person not allowed to request an automatic extension under paragraph (a) of this subsection.
- (2) EVERY REQUEST under this rule must:
- (a) Be in writing, or where available, on the form specified by the court.
 - (b) Be submitted to the trial court administrator for the court where the records are maintained.
 - (c) Where the records subject to a request relate to a specific case, specify the case number and case title for the applicable case.
 - (d) Indicate that the request is being made under this rule.
- (3) In addition to the requirements under subsection (2) of this rule, every request for an AUTOMATIC EXTENSION under this rule must:
- (a) Be accompanied by an affidavit.
 - (b) Specify the records described under paragraph (1)(a) of this rule to which the request applies.
 - (c) Be a separate request for each case.
- (4) In addition to the requirements under subsection (2) of this rule, every request for a JUDICIAL EXTENSION under this rule must:
- (a) Be accompanied by a supporting affidavit giving the reason for the request.

- (b) Include a proposed order which provides a specific date to which the extended retention will run.
 - (c) If the request relates to records not described under paragraph (1)(a) of this rule, specify the records with sufficient detail for the court clerk to be able to identify the records to be retained. A request does not meet the requirement to specify records with sufficient detail for purposes of this paragraph if a request requires a clerk to perform substantial research to either identify the records or determine whether the records exist.
 - (d) If the request relates to records described under paragraph (1)(a) of this rule, specify the records described under paragraph (1)(a) of this rule to which the request applies.
- (5) No fee will be charged for a request under this rule.
- (6) Where the schedule adopted under ORS 8.125 specifies that a retention period runs from last document entry in the register of actions, entry in the register of a request or order granting or denying a request under this rule changes that retention period only to the extent granted under, according to the provisions of, and for the times established by this rule.

1.160 FILING OF DOCUMENTS WITH COURTS; LOCAL SLR

- (1) A document to be filed with the court, including any document submitted to a judge or judicial staff, is not considered filed until it is accepted by court staff designated by the trial court administrator to accept court filings.
- (2) A local court may adopt an SLR to designate where a filing may be submitted. SLR 1.161 is reserved for courts to designate where filings may be submitted.
- (3) Proposed orders and judgments awaiting judicial signature may be delivered to a judge or judicial staff as otherwise permitted or required under these rules.
- (4) A judicial district must accept a filing that is substantially in the form of the corresponding document made available to the public on <http://www.courts.oregon.gov/forms/Pages/default.aspx>, if the proper fee is tendered when required and the document is filed in compliance with all applicable statutes and rules.

1.170 COURT WEBSITES; HOURS OF COURT OPERATION

- (1) SLR 1.171 is reserved for each judicial district to identify the website addresses of its court. Links to these websites may also be found at the Oregon Judicial Department website: <http://www.courts.oregon.gov/Pages/default.aspx>.
- (2) Each judicial district must announce on its website the following information: when each court location in the judicial district is open to conduct business; the hours when documents will be received for filing at each location, if different from when the court location is open to conduct business; and special arrangements, if any exist or may be made, for delivery of documents for filing at times when the court location is not open to conduct business, other than by electronic filing.

1.200 INFORMATION ON FREE OR LOW-COST LOCAL LEGAL SERVICES

Each judicial district must post in a conspicuous location information, including the telephone numbers, of any free or low-cost legal services and other relevant services available in the district and the nature of those services.

CHAPTER 2—Standards for Pleadings and Documents

2.010 FORM OF DOCUMENTS

Except where a different form is specified by statute or rule, the form of any document, including pleadings and motions, filed in any type of proceeding must be as prescribed in this rule.

(1) “Printed document,” as used in this rule, means any document wholly or partially printed.

(2) Size of Documents

All documents, except exhibits and wills, must be prepared in a manner that, if printed, would be letter-size (8-1/2 x 11 inches), except that smaller sizes may be used for bench warrants, commitments, uniform citations and complaints and other documents otherwise designated by the court.

(3) Documents Must be Printed or Typed; Binding Documents; Use of Staples Generally Prohibited

(a) All documents must be printed or typed, except that blanks in preprinted forms may be completed in handwriting and notations by the trial court administrator or judge may be made in handwriting.

(b) Pleadings and other documents submitted to the court for filing that are not electronically filed must be bound by paperclip or binder clip and must not contain staples. If the document includes an attachment, including a documentary exhibit, an affidavit, or a declaration, then the attachment must be bound in one packet to the document being filed by paperclip or binder clip.

(c) A document or document with attachments submitted to chambers must be stapled as one packet or otherwise bound as practical, depending on the size of the document and attachments.

(4) Spacing, Paging and Numbered Lines

(a) All pleadings, motions and requested instructions must be double-spaced and prepared with numbered lines.

(b) All other documents may be single-spaced and the lines need not be numbered.

(c) On the first page of each pleading or similar document, two inches at the top of the page shall be left blank.

(d) All documents, except exhibits and wills, shall be prepared with a one-inch margin on each side.

(5) Backing Sheets

The use of backing sheets is prohibited.

(6) Party Signatures and Electronic Court signatures

(a) The name of the party or attorney signing any pleading or motion must be typed or printed immediately below the signature. All signatures must be dated.

- (b) The court may issue judicial decisions electronically and may affix a signature by electronic means.
 - (i) The trial court administrator must maintain the security and control of the means for affixing electronic signatures.
 - (ii) Only the judge and the trial court administrator, or the judge's or trial court administrator's designee, may access the means for affixing electronic signatures.

(7) Attorney or Litigant Information

All documents must include the author's court contact information under UTCR 1.110(1) and, if prepared by an attorney, the name, email address, and the Bar number of the author and the trial attorney assigned to try the case. Any document not bearing the name and Bar number of an attorney as the author or preparer of the document must bear or be accompanied by a certificate in substantially the form as set out in Form 2.010.7 in the UTCR Appendix of Forms.

(8) Distinct Paragraphs

All paragraphs in a pleading or motion must be numbered consecutively in the center of the page with Arabic numerals, beginning with the first paragraph of the document and continuing through the last. Subdivisions within a paragraph must be designated by lower case letters, enclosed in parentheses, placed at the left margin of each subdivision.

(9) Exhibits

- (a) When an exhibit is appended to a filed document, each page of the exhibit must be identified by the word "Exhibit" or "Ex" to appear at the bottom right-hand side of the exhibit, followed by an Arabic numeral identifying the exhibit. Each page number of the exhibit must appear in Arabic numerals immediately below the exhibit number; e.g.: "Exhibit 2
Page 10"
- (b) Exhibits appended to a pleading may be incorporated by reference in a later pleading.
- (c) Except where otherwise required by statute, an exhibit appended to a document must be limited to only material, including an excerpt from another document, that is directly and specifically related to the subject of, and referred to in, the document. A responding party may timely file an additional excerpt or the complete document that the party believes is directly and specifically related. The court may require a party to file an additional excerpt or the complete document.

(10) Information at Bottom of Each Page

The name of the document, and the page number expressed in Arabic numerals, must appear at the bottom left-hand side of each page of each document.

(11) Caption

- (a) Each document submitted to the court for filing must include a caption located near the top of the first page that identifies the following:

- (i) The court to which the document is being submitted for filing;
 - (ii) The names of the parties;
 - (iii) An identification of the parties' roles;
 - (iv) The case number; and
 - (v) A document title that identifies the document being filed, for example, "complaint," "answer," or "motion for stay." Except for the complaint or petition initiating the case, or the initial answer or response, the document title must identify the filing party, for example, "Defendant's Motion for Summary Judgment." When there are multiple parties on a side, the document title must suitably identify the party submitting the document, for example, "Plaintiff Smith's Motion for Stay" or "Defendant MegaCorp.'s Motion to Dismiss."
- (b) The document title of each complaint or petition must indicate the type of claim, such as "personal injury," "breach of contract," "specific performance," or "reformation of contract." If more than one claim for relief is requested, then the body of the pleading also must indicate the type of claim, at the beginning of each claim for relief.
 - (c) Every motion directed at a pleading must show in the document title the name of the pleading against which it is directed.

(12) Orders, Judgments or Writs

- (a) Except for electronically filed documents subject to UTCR 21.040(3), the judge's signature portion of any order, judgment or writ prepared for the court must appear on a page containing at least two lines of the text. Orders, judgments or writs embodying the ruling of a particular judge must have the name of the judge typed, stamped or printed under the signature line.
- (b) If the order, judgment or writ is prepared by a party, the name and identity of the party submitting the order must appear therein, preceded by the words "submitted by." See the commentary to this subsection, located at the end of this rule.
- (c) A motion must be submitted as a separate document from any proposed form of order deciding the motion. A motion submitted as a single document with an order may not be filed unless the order has been ruled upon and signed by a judge.

(13) Citation of Oregon Cases

In all matters submitted to the circuit courts, Oregon cases must be cited by reference to the Oregon Reports as: Blank v. Blank, ____ Or ____ (year) or as State v. Blank, ____ Or App ____ (year). Parallel citations may be added.

(14) Notice of Address or Telephone Number Change

An attorney or self-represented party whose court contact information changes must immediately provide notice of that change to the trial court administrator and all other parties.

(15) Application to Court Forms

Forms created by the Oregon Judicial Department are not required to comply with the provisions of UTCR 2.010(4) or (8) where the Oregon Judicial Department determines variation from those provisions will promote administrative convenience for courts or parties. Such forms and exact copies of such forms may be used and submitted to courts without challenge under UTCR 2.010(4) or (8).

1993 Commentary to section (12)(b):

Subsection (b) of Section (12) requires that the information include the author's name (signature not required), followed by an identification of party being represented, plaintiff or defendant.

Example: Submitted by:

A. B. Smith
Attorney for Plaintiff (or Defendant)

An exception to this style would be in cases where there is more than one plaintiff or one defendant. In those situations, the author representing one defendant or plaintiff, but not all, should include the last name (full name when necessary for proper identification) after the designation of plaintiff or defendant.

Example: Submitted by:

A. B. Smith
Attorney for Plaintiff Clarke

1996 Commentary:

The UTCR Committee strongly encourages the use of recycled paper and strongly recommends that all original pleadings, motions, requested instructions, copies, and service copies be on recycled paper having the highest available content of postconsumer waste.

2.020 CERTIFICATE OF SERVICE

(1) A certificate of service must include:

- (a) If the opposing party was served electronically by the court's eFiling system pursuant to UTCR 21.100, a statement that service was accomplished at the party's email address as recorded on the date of service in the eFiling system.
- (b) If the opposing party was served by facsimile pursuant to ORCP 9 F, the telephone number at which the party was served.
- (c) If the opposing party was served by email pursuant to ORCP 9 G, the email address at which the party was served.
- (d) If the opposing party was served by any other means, the physical address or postal address at which the party was served, as applicable.

(2) When a summons or other civil process is served by one other than a sheriff or deputy sheriff, the certificate of service must include the name, telephone number and address of the person who served the summons or process.

2.030 MATTERS UNDER ADVISEMENT MORE THAN 60 DAYS

- (1) If any judge shall have any matter under advisement for a period of more than 60 days, it shall be the duty of all parties to call the matter to the court's attention forthwith, in writing.
- (2) If the matter remains under advisement for 90 days, all parties are required again to call the matter to the judge's attention forthwith, in writing, with copies to the presiding judge, if any, and the Chief Justice.

2.050 ATTORNEY FEES ON WRITTEN INSTRUMENTS

When attorney fees are based on a written instrument, the original or a true copy of the instrument must be submitted to the court with the requested judgment, unless a true copy is attached to or set out in the pleadings. This rule also applies to reciprocal fees claimed under ORS 20.096. If an original or copy is not available, the court may require proof by affidavit or testimony.

2.060 ENTERING JUDGMENT ON FACE OF NEGOTIABLE INSTRUMENT

- (1) In all cases when a judgment is to be based on a negotiable instrument, as defined in ORS 73.0104, the party obtaining judgment must tender the original instrument to the court before the entry of judgment, unless the court has found that such party is entitled to enforce the instrument under ORS 73.0309, and the court must enter a notation of the judgment on the face of the instrument.
- (2) The trial court administrator shall return the original instrument only after filing a certified copy of the instrument.

1987 Commentary:

The rule is silent on the time when the judgment notation is to be entered on the face of the instrument. The rule permits the holding of documents submitted at the time the judgment is entered while delaying endorsement until after the court receives confirmation of the sheriff's sale.

2.070 NOTICE IN PLEADINGS

The title of a pleading, including a claim, counterclaim, cross claim, or third-party claim, must comply with UTCR 13.060 regarding Arbitration; UTCR 5.090 (1) regarding Water Rights Cases; and, UTCR 5.090 (2) regarding claims subject to sections 7, 13, 21 and 23, chapter 5 Oregon Laws 2013 – actions against a health care practitioner or health care facility.

2.080 COMMUNICATION WITH COURT

- (1) Except as exempted by statute, UTCR 2.100, or UTCR 2.110, when written communication is made to the court, copies must simultaneously be mailed or delivered to all other parties and indication made on the original of such mailing or delivery.

- (2) All written communication to the court shall refer to the title of the cause and the case number.

2.090 FILINGS FOR CONSOLIDATED CASES

- (1) Cases that are consolidated are consolidated for purposes of hearing or trial only. A party filing any pleading, memorandum, or other document applicable to more than one case must file the document in each case using existing case numbers and captions unless otherwise ordered by the court or provided by SLR. If such a document is not electronically filed, the filing party must provide the trial court administrator with sufficient copies.
- (2) A court order or SLR under this rule may permit designation of a lead case and require that parties file documents using only the case number and caption of the lead case.
- (3) Unless otherwise ordered by the court, a party filing a document applicable to only one case must file only in that case.

2.100 PROTECTED PERSONAL INFORMATION, NOT CONTACT INFORMATION, REQUIREMENTS AND PROCEDURES TO SEGREGATE WHEN SUBMITTING

(1) Purpose

- (a) This rule establishes procedures for a person to identify and segregate protected personal information when submitting a document to a court in a case and to request the information be kept from inspection by the general public.
- (b) This rule establishes a process for a court, when it grants a request under this rule, to protect the segregated, protected personal information from nonprotected information in a uniform way with an appropriate record.
- (c) UTCR 2.130 establishes separate procedures and processes for protecting personal information in proceedings brought under ORS chapters 25, 106, 107, 108, 109, 110, and 416 or initiated under ORS 24.190, ORS 30.866, ORS 124.010, or ORS 163.763.

(2) Information Covered. As used in this rule:

- (a) "Protected personal information" means specific individual facts that, unless segregated, would otherwise be in a submitted document to identify a person submitting the document or another person beyond that person's name or to identify the financial activities of either and which the court is allowed or required by law to keep confidential.
- (b) "Protected personal information" includes, but is not limited to:
 - (i) Social Security numbers, credit card numbers, bank or other financial account numbers, bank or other financial account locations, driver license numbers, financial account access numbers, or similar information that is used for financial transactions and can be kept confidential under ORS 192.502(2).

- (ii) Maiden names, birth dates, and places of birth that can be kept confidential under ORS 192.502(2).
 - (iii) Facts about a person's identity or the identity of the person's financial activities that is other than contact information and that can be exempt from public inspection under the Oregon Public Records Law (OPRL, ORS 192.410 to 192.505).
 - (iv) Facts other than contact information that can otherwise be protected under specific law, including, but not limited to, information protected by existing court orders.
- (c) "Protected personal information" does not include entire documents, contact information, or, except as ordered by a court, information that is not both personal and related to a person's identity beyond their name or their financial activities.
- (d) "Contact information" means: the name of a person submitting a document or of a person on whose behalf a document is being submitted; telephone numbers; personal or business addresses; email addresses; employer identification and address; or similar facts that make it possible for another to contact a person who is named in a document.
- (3) Relationship to Other Law. The following all apply to this rule:
- (a) Parties to proceedings under ORS 107.085 or 107.485 must segregate all Social Security numbers from all documents they submit related to the proceedings in the manner provided by UTCR 2.130. These Social Security numbers are confidential in the custody of the court as ORS 107.840 provides. Other than as this paragraph, UTCR 2.130, or SLR 2.101 of a court provides, this rule is not the exclusive means for a court to protect personal information from public inspection.
 - (b) All judicial districts must allow requests to segregate protected personal information under this rule as a way to keep it separate from information subject to public inspection. However, courts may use SLR to establish other procedures related to identifying and protecting information courts are allowed or required to keep confidential. But, SLR 2.101 is preserved for purposes of a court to:
 - (i) Require use of forms or procedures under this rule as the exclusive way to identify specific protected personal information so a court can segregate the information and protect it from public inspection; and
 - (ii) Establish requirements supplemental to this rule as necessary to help administer this rule.
 - (c) Nothing in this rule precludes a court from protecting information by appropriate court order.
 - (d) Nothing in this rule affects or applies to procedures for identifying and protecting contact information:
 - (i) Of crime victims that is submitted to courts for processing restitution payments when restitution is sought and the information about a crime victim is kept confidential under ORS 18.048(2)(b).

- (ii) That can be made confidential under ORS 25.020(8)(d), 109.767(5), 110.575, or 192.445.
- (4) Procedure to Follow. A person may only request protected personal information be segregated and protected under this rule when submitting it to a court in a case. The procedures under this rule may be used to identify and separately present protected personal information from any submitted document or form that is used to give information to a court. To do so, a person must do the following:
 - (a) Place in the document from which the protected personal information is being segregated a written notation to the effect that the information is being separately submitted under UTCR 2.100.
 - (b) Complete an affidavit in substantially the form provided in UTCR Form 2.100.4a. The affidavit must describe generally the protected personal information and set out the legal authority for protecting the information.
 - (c) Complete an information sheet in substantially the form provided in UTCR Form 2.100.4b to duplicate the protected personal information sought to be segregated. The information sheet must be submitted as a separate document, not as an attachment to the affidavit prepared under UTCR 2.100(4)(b).
 - (d) File the completed forms and attachments with the court along with, but not attached to, the document from which the protected personal information is segregated.
 - (e) For purposes of UTCR 2.080, mail or deliver to parties a copy of the affidavit only, and not the information sheet or any attachments to the information sheet.
- (5) More Than Once in a Case. If a court segregates specific protected personal information from a specific document under this rule:
 - (a) The court is under no obligation to look for or segregate the same protected personal information from other documents in the file for that case or other cases that were not specifically addressed by a request under this rule or from any documents subsequently submitted to the court except when procedures under this rule to segregate from the specific document are again used.
 - (b) As long as the specific protected personal information remains current, a person need not submit an affidavit and information sheet under this rule each subsequent time the already segregated information would be submitted in that case. The person may simply add a written notation to any document subsequently submitted to the effect that the information has already been submitted in that case under UTCR 2.100.
- (6) Court Response. When a completed request is filed under this rule and the court grants the request to segregate, the court will do the following:
 - (a) Maintain the UTCR Form 2.100.4b and any attachments to it as not subject to public inspection unless there is a question about the court's legal authority to keep the specific information from public inspection. The requestor need not obtain the signature of a judge. As official custodian of the case file under the OPRL, the trial court administrator will resolve any question about whether, or the extent to which, information may be kept from disclosure under this rule unless statute or court order expressly provides otherwise. A request under this rule to keep information

confidential, segregated, or exempt from public inspection is not subject to challenge and hearing except as specifically required by law.

- (b) Keep the affidavit in the case file.
- (c) Send notice confirming that a request is granted or denied only if the person includes a self-addressed, postage prepaid postcard that the court can use for that task. The postcard must also include the following text, to be filled in as indicated for the court to mail:

“Dear _____ (*person requesting print your name here*), Your request of _____ (*insert date of request*) to segregate specific protected personal information from information the general public can inspect in the case file for case number _____ (*insert case number*) in the Circuit Court for _____ (*insert county*) County (*the court will check and complete the appropriate following response before mailing*):

Was granted on _____ (*court will insert date*) and the segregated information sheet you submitted will be maintained separately from information available for public inspection. _____ (*initial of appropriate court employee*)

Was denied in part or entirely because (*court will explain and provide contact information for further action*): _____.”

- (7) Limits on Protection. When the court grants a request under this rule, the court will protect the submitted Form 2.100.4b from being placed where the general public can inspect it. However, the following limits apply to this confidentiality:

- (a) A person may inspect the information sheet or attachments that person submitted.
- (b) A person other than the person who submitted the information sheet or attachments may inspect the information sheet or attachments with a currently effective release by the person whose information is protected. The release must be signed by the person giving the release, dated, and establish a period during which the release will be effective.
- (c) Any person who has a right by law to inspect the information sheet or attachments may do so. This includes Oregon Judicial Department personnel who require the information for their work.
- (d) Courts will share the information sheets and attachments with other government agencies as required or allowed by law, without court order or application under subsection (8) of this rule, for purposes of the business of those agencies. Those agencies are required to maintain the information as confidential as provided under ORS 192.502(10).
- (e) Courts will share the information sheets and attachments with the entity primarily responsible for providing support enforcement services under ORS 25.080 and under the requirements of 42 USC 666 without application under subsection (8) of this rule in any case in which spouse or child support is ordered.

- (8) Inspecting or Copying Protected Personal Information.
- (a) Except as specifically provided in subsection (7) of this rule, any person who seeks to inspect or copy information segregated and kept from public inspection under this rule must make the request by using a form substantially like UTCR Form 2.100.8 and copy the requestor shown on the affidavit and parties to the case as required by UTCR 2.080. A court will only grant a request if the person requesting has a right by law, including this rule, to see the information. The court will indicate on the form its response to the request and maintain a copy of all the request forms, with its response, in the case file as a public record.
 - (b) Any person inspecting information segregated and kept from public inspection under this rule must not further disclose the information, except:
 - (i) Within the course and scope of the client-lawyer relationship, unless limited or prohibited by court order;
 - (ii) As authorized by law; or
 - (iii) As ordered by the court.
 - (c) Violation of subsection (b) of this section may subject a person to contempt of court under ORS 33.015 to 33.155.

(9) Denied Requests. If a court denies a request under this rule:

- (a) For every piece of personal information on a UTCR Form 2.100.4b, the court will attach the affidavit and form to the document from which the information was segregated and place all in the case file.
- (b) For only some of the personal information on a UTCR Form 2.100.4b, the court will:
 - (i) Create a copy of the form where the information to be protected is redacted,
 - (ii) Protect the original form as otherwise provided in this rule, and
 - (iii) Attach the affidavit and the redacted copy of the form to the document from which the information was segregated and place the affidavit and redacted copy of the form in the case file.

2.110 PROTECTED PERSONAL INFORMATION, NOT CONTACT INFORMATION,
PROCEDURES TO SEGREGATE WHEN INFORMATION ALREADY EXISTS IN A
CASE FILE

(1) Purpose. This rule establishes:

- (a) Procedures for a person to identify and segregate protected personal information when that information already exists in a document in a court case file and to request the information be kept from inspection by the general public.
- (b) A process for a court, when it grants a request under this rule, to segregate and protect personal information from nonprotected information in the case file in a uniform way with an appropriate record.

- (2) Information Covered. This rule may be followed to segregate and protect the same information already existing in a case file that could be segregated and protected at the time of submission under UTCR 2.100 and UTCR 2.130. The definitions in UTCR 2.100 apply to this rule.
- (3) Relationship to Other Law. The following all apply to this rule:
 - (a) This rule is not the exclusive means for a court to protect personal information in case files from public inspection.
 - (b) Courts may use SLR to establish other procedures related to identifying and protecting information courts are allowed or required to keep confidential. But, SLR 2.111 is preserved for purposes of a court to:
 - (i) Require use of forms or procedures under this rule to identify specific protected personal information so that a court can segregate the information and protect it from public inspection; and
 - (ii) Establish requirements supplemental to this rule as necessary to help administer this rule.
 - (c) Nothing in this rule affects or applies to procedures for identifying and protecting contact information:
 - (i) Of crime victims that is submitted to courts for processing restitution payments when restitution is sought and the information about a crime victim is kept confidential under ORS 18.048(2)(b).
 - (ii) That can be made confidential under ORS 25.020(8)(d), 109.767(5), 110.575, or 192.445.
- (4) Procedure to Follow. A person may only request protected personal information be segregated under this rule when the information is already in a document that has become part of a court case file. To do so, a person must do all the following:
 - (a) Complete an affidavit in substantially the form provided in UTCR Form 2.110.4a. The affidavit must:
 - (i) Describe generally the protected personal information and set out the legal authority for protecting the information.
 - (ii) Specifically identify the case file, document in the case file, and the page number of the page that is sought to be redacted.
 - (iii) Be accompanied by a copy of that page sought to be redacted showing specifically the protected personal information to be redacted.
 - (b) Complete an information sheet in substantially the form provided in UTCR Form 2.100.4b to duplicate the protected personal information sought to be segregated. The information sheet must be submitted as a separate document, not as an attachment to the affidavit prepared under UTCR 2.110(4)(a).
 - (c) File the completed forms and attachments with the court.

- (d) Pay the required fee set by Chief Justice Order.
 - (e) For purposes of UTCR 2.080, mail or deliver to parties a copy of the affidavit only and not the information sheet or any attachments to the information sheet.
- (5) Court Response. When a completed request is filed under this rule and granted by the court, the court will do the following:
- (a) Segregate and protect the specifically identified protected personal information from the specific location in the specific document that is the object of the request unless there is a question about the court's legal authority to keep the specific information from public inspection. The requestor need not obtain the signature of a judge. As official custodian of the case file under the OPRL, the trial court administrator will resolve any question about whether, or the extent to which, information may be kept from disclosure under this rule unless statute or court order expressly provides otherwise. A request under this rule to keep information confidential, segregated, or exempt from public inspection is not subject to challenge and hearing except as specifically provided by law.
 - (b) Separate and maintain the information sheet and any attachments as not subject to public inspection. Once the information sheet is separated, place the affidavit in the case file.
 - (c) Replace any page from which the specific information is removed with a redacted copy of the page and keep the original, unmodified page with the information sheet and its attachments. Any substitute page from which the specific information is removed will include a notation of the date and responsible individual and that the redacting was done under this rule. Courts will separate information and redact documents under this rule according to the State Court Administrator's direction, or as otherwise specifically provided by law.
 - (d) Send a notice confirming completion of work, that work cannot be completed for some reason, or that a request is denied only if the person includes a self-addressed, postage prepaid postcard that the court can use for that task. The postcard must also include the following text to be filled in as indicated for the court to mail:

"Dear _____ (*person requesting print your name here*), Your request of _____ (*insert date of request*) to segregate specific personal information from information the general public can inspect in the case file for case number _____ (*insert case number*) in the Circuit Court for _____ (*insert county*) County (*court will check and complete the appropriate following response*):

Was completed on _____ (*insert date*). _____ (*initials of appropriate court employee*)

Could not be completed because (*explain and provide contact information for further action*): _____

Was denied because (*explain and provide contact information for further action*):

- (6) Time Limits, Court Authority to Refuse Request Based on Resources. This rule sets no time limit for courts to segregate information from existing court records when requested under this rule. Courts have a reasonable time given their ordinary workload and resources available. And, notwithstanding other parts of this rule, a court is not required to segregate information from existing court records based on a request under this rule if the workload created would adversely affect the resources available for a court to perform its ordinary duties.
- (7) Parts of UTCR 2.100 and UTCR 2.130 that apply to this rule. The following subsections of UTCR 2.100 are applicable to this rule: (2), (5), (7), (8), and (9). The following subsections of UTCR 2.130 are applicable to this rule: (1), (6), (9), and (10).

2.120 AFFIDAVITS

Unless otherwise mandated by statute or UTCR, a declaration under penalty of perjury, in substantially the same form as specified in ORCP 1E, may be used in lieu of an affidavit required or allowed by these rules.

2.130 CONFIDENTIAL PERSONAL INFORMATION IN FAMILY LAW AND CERTAIN PROTECTIVE ORDER PROCEEDINGS

- (1) Definitions. As used in this rule:
- (a) “Confidential personal information” means a party’s or a party’s child’s Social Security number; date of birth; driver license number; former legal names; and employer’s name, address, and telephone number.
 - (b) “Confidential Information Form” (CIF) means a document substantially in the form provided in UTCR Form 2.130.1.

- (d) A party must file a separate CIF for each person about whom the party is required to provide confidential personal information.
- (e) The confidential personal information of a minor child must be included in the CIF of the party providing the information.
- (3) Amending the CIF. A party must file an amended CIF when filing a document requiring confidential personal information about any party that has changed or is not contained in a previous CIF.
- (4) Form. A CIF or an amended CIF must be substantially in the form provided in UTCR Form 2.130.1.
- (5) Segregation. The court must segregate the CIF from documents that are subject to public inspection. Public inspection of a CIF is prohibited except as authorized by this rule or other provision of law.
- (6) Access and Confidentiality
 - (a) A party may inspect a CIF that was filed by that party.
 - (b) A party to a proceeding may inspect a CIF filed by another party:
 - (i) Upon filing an affidavit of consent, signed and dated by the party whose information is to be inspected, that states the dates during which the consent is effective; or
 - (ii) Upon entry of an order allowing inspection under UTCR 2.130(10)(a); or
 - (iii) If the CIF sought to be inspected contains only the inspecting party's confidential personal information.
 - (c) A person other than a party to the proceeding may inspect a CIF upon filing an affidavit of consent, signed and dated by the party whose information is to be inspected, that states the dates during which the consent is effective.
 - (d) Notwithstanding UTCR 2.120, a declaration under penalty of perjury may not be used in lieu of an affidavit required by this subsection.
 - (e) This rule does not limit a person's legal right to inspect a CIF as otherwise allowed by statute or rule.

- (f) Oregon Judicial Department personnel may have access to a CIF when required for court business.
 - (g) Courts will share a CIF with the entity primarily responsible for providing support enforcement services under ORS 25.080 or 42 USC 666. A person receiving information under this section must maintain its confidentiality as required by ORS 25.260(2) and 192.502(10).
 - (h) Courts will share a CIF with other government agencies as required or allowed by law for agency business. Those agencies must maintain the confidentiality of the information as required by ORS 192.502(10).
 - (i) Any person inspecting a CIF must not further disclose the confidential personal information except:
 - (i) Within the course and scope of the client-lawyer relationship, unless limited or prohibited by court order;
 - (ii) As authorized by law; or
 - (iii) As ordered by the court.
 - (j) An order entered under UTCR 2.130(10)(d) may further limit disclosure of confidential personal information.
 - (k) Violation of subsection (i) or (j) in this section may subject a person to contempt of court under ORS 33.015 to 33.155.
- (7) Notation on Documents. When a statute or rule requires a party to provide confidential personal information in a document filed with the court, the party must not provide the information in the document and must note on the document that the information has been separately filed under UTCR 2.130.
- (8) Mail or Delivery to Other Parties. A party filing an original or amended CIF must mail or deliver notice to all parties to the proceeding that a CIF or amended CIF has been filed and must file a certificate of mailing or delivery. The notice must be substantially in the form provided in UTCR Form 2.130.2.
- (9) Court Under No Obligation to Review File for Protected Information. Subject to UTCR 2.110, the court is not required to redact confidential personal information from any document, regardless of when filed.
- (10) Motion or Request to Inspect a CIF
- (a) A party may file a motion and supporting affidavit for an order allowing inspection of a CIF containing the confidential personal information of another party. The court may grant the motion only after service on all parties and an opportunity for objection and hearing.
 - (b) Any person not a party to the proceeding may file a request and supporting affidavit requesting inspection of a CIF. The person must serve the request and supporting affidavit on all parties to the proceeding in the manner prescribed for service of summons in a civil action or by certified mail, return receipt requested. The court must allow the requesting person to inspect the CIF if the court finds, after notice and

an opportunity for a hearing, that the requesting person is legally entitled to inspect the CIF, subject to subsection (c) below.

- (c) The court must deny a motion or request to inspect a CIF if the court finds any of the following:
 - (i) A Finding of Risk and Order for Nondisclosure of Information has been entered by the Administrator of the Oregon Child Support Program under OAR 137-055-1160 for the party whose CIF is sought to be inspected.
 - (ii) A restraining order or other protective order is in effect that protects the party or the party's children from the person requesting inspection of the CIF.
 - (iii) The health, safety, or liberty of the party or the party's children whose CIF is sought to be inspected would be jeopardized or unreasonably put at risk by disclosure of the CIF to another person.
- (d) If the court grants a motion or request for an order allowing inspection of a CIF,
 - (i) The court may limit the extent of disclosure and may enter such protective orders as are necessary to balance the personal, privacy, and safety interests of the parties or children with the legal interest of the person seeking access; and
 - (ii) The requesting party must mail or deliver a copy of the order to all other parties and must file a certificate of mailing or delivery.

(11) Other Court Orders

- (a) This rule is not the exclusive means for a court to protect personal information from public inspection.
- (b) Nothing in this rule:
 - (i) Precludes a court from protecting information by appropriate court order.
 - (ii) Limits procedures for identifying and protecting contact information of crime victims that is submitted to courts for processing restitution payments when restitution is sought and the information about a crime victim is kept confidential under ORS 18.048(2)(b).
 - (iii) Limits the availability of procedures for protecting information, other than confidential personal information protected by this rule, under ORS 25.020(8)(d), 109.767(5), 110.575, 192.445, or any other rule or law.

2.140 APPLICATION FOR WAIVER OR DEFERRAL OF FEES OR COURT COSTS

- (1) The court must segregate an application for waiver or deferral of fees or court costs filed under ORS 21.698 from documents that are subject to public inspection. Public inspection of an application for waiver or deferral of fees or court costs is prohibited except as authorized by this rule or other provision of law.

(2) Access and Confidentiality

- (a) A party may inspect an application described in subsection (1) that was filed by that party.
- (b) No other party to a proceeding may inspect an application described in subsection (1) filed by another party.
- (c) This rule does not limit a person's legal right to inspect an application described in subsection (1) as otherwise allowed by ORS 21.698 or other provision of law.
- (d) Oregon Judicial Department personnel may have access to an application described in subsection (1) when required for court business.

CHAPTER 3—Decorum In Proceedings

3.010 PROPER APPAREL

- (1) All persons attending the court must be dressed so as not to detract from the dignity of court. A person may wear a religiously-required head covering unless the court orders otherwise. Members of the public not dressed in accordance with this rule may be removed from the courtroom.
- (2) When appearing in court, all attorneys and court officials must wear appropriate attire.

3.020 PROPER APPAREL FOR INCARCERATED WITNESSES AND DEFENDANTS APPEARING IN CRIMINAL PROCEEDINGS

Incarcerated witnesses and defendants appearing for trial must be dressed in neat, clean civilian clothing, unless otherwise ordered by the court.

3.030 MANNER OF ADDRESS

During trial, the litigants and litigants' attorneys must not address adult witnesses, jurors or opposing parties by their first names, and, except in *voir dire*, must not address jurors individually.

3.040 ADVICE TO CLIENTS AND WITNESSES OF COURTROOM FORMALITIES

Attorneys must advise their clients and witnesses of the formalities of the court and must encourage their cooperation. Self-represented parties must similarly advise their witnesses and encourage their cooperation.

3.050 PROPER POSITION OF PARTIES BEFORE COURT

Parties must:

- (1) Rise from their positions at counsel table and remain standing while addressing the court or the jury, except during *voir dire*;
- (2) Not approach the bench except by permission; and
- (3) Be allowed to move freely about the courtroom during trial unless otherwise instructed by the court.

1991 Commentary:

This 1991 change is not intended by the Committee to transfer control of the conduct of the trial process from the trial judge to the litigants. The change is intended to facilitate the identification of exhibits by witnesses; the use of diagrams, photographs, and other exhibits by the examining attorney and witnesses; and to encourage the effective use of demonstrative evidence and exhibits in a manner facilitating the fact finder's understanding of the evidence. The Committee

recognizes that there is the potential for abuse of this rule change, which may be distracting or disruptive of the proceedings, and thus the court retains the ability to maintain appropriate decorum and order.

The Committee recognizes that there are a number of factors which may affect the extent to which free movement is appropriate in a particular case. Without attempting to be all inclusive, these factors may include such things as: the physical layout of the courtroom; the age of the witness; the emotional/physical condition of the witness; the size, number, and nature of exhibits; etc. The Committee therefore encourages communication between the litigants and the trial judge at the commencement of trial covering these considerations and resolving any uncertainty.

3.060 DEFENDANT IN CRIMINAL TRIAL

During arraignment, plea and sentence, the defendant must stand unless otherwise permitted by the court.

3.070 PERSONS PERMITTED WITHIN BAR OF COURT

Except as otherwise permitted by the court, during the trial of any case or the presentation of any matter to the court, no persons, including members of litigants' families, shall be permitted within the bar of the courtroom, other than clients, attorneys, court personnel and witnesses when called to the stand.

3.080 PROCEDURE FOR SWEARING WITNESSES

The swearing of witnesses shall be conducted as a serious ceremony and not as a mere formality.

3.090 UNDUE RECOGNITION OR FAMILIARITY BY JUDGE

Judges shall refrain from showing undue recognition of or familiarity with any person in the courtroom.

3.100 PROPER USE OF COURT CHAMBERS

Except when court business is being conducted, parties must not congregate in the court's chambers or use the facilities or the court's entryway between the chambers and the bench without the permission of the court.

3.110 CONFERENCES IN CHAMBERS

Conferences may be conducted in chambers and shall be conducted without litigants present unless required by the court, requested by a party or otherwise required.

3.120 COMMUNICATION WITH JURORS

- (1) Except as necessary during trial, and except as provided in subsection (2), parties, witnesses or court employees must not initiate contact with any juror concerning any case which that juror was sworn to try.
- (2) After a sufficient showing to the court and on order of the court, a party may have contact with a juror in the presence of the court and opposing parties when:
 - (a) There is a reasonable ground to believe that there has been a mistake in the announcing or recording of a verdict; or
 - (b) There is a reasonable ground to believe that a juror or the jury has been guilty of fraud or misconduct sufficient to justify setting aside or modifying the verdict or judgment.

3.130 DISCLOSURE OF RELATED MATTERS WHEN SEEKING COURT ORDER

When a party seeks to obtain an order from a judge, the party must inform that judge of any ruling, hearing or application for a ruling or hearing before any other judge that concerns the subject of the order requested.

3.140 RESIGNATION OF ATTORNEYS

- (1) An application to resign, a notice of termination, or a notice of substitution made pursuant to ORS 9.380 must contain the court contact information under UTCR 1.110 of the party and of the new attorney, if one is being substituted, and the date of any scheduled trial or hearing. It must be served on that party and the opposing party's attorney. If no attorney has appeared for the opposing party, the application must be served on the opposing party. A notice of withdrawal, termination, or substitution of attorney must be promptly filed.
- (2) The attorney who files the initial appearance for a party, or who personally appears for a party at arraignment on an offense, is deemed to be that party's attorney-of-record, unless at that time the attorney otherwise notifies the court and opposing party(ies) in open court or complies with subsection (1).
- (3) When an attorney is employed or appointed to appear in an already pending case, the attorney must immediately notify the court and the opposing party in writing or in open court. That attorney shall be deemed to be the attorney-of-record unless that attorney otherwise notifies the court.

1987 Commentary:

In subsection (3), a change of attorneys in a pending case requires notification to the opposing party and to the court. This rule makes no changes to ORCP procedures for taking a default judgment. It only addresses who will be considered the attorney of record in a case.

1991 Commentary:

UTCR 3.140 is intended neither to establish new standards of professional responsibility nor to provide a method of discharging existing standards of professional responsibility. See DR 2-110.

3.150 NO REACTION TO JURY VERDICT

After the jury returns a verdict, all persons present in the courtroom must remain seated until the jury has left the room and must refrain from visibly or audibly reacting to the verdict in a manner which disrupts the dignity of the courtroom.

3.160 EXPLANATION OF PROCEEDINGS TO JURORS

In jury cases, after sustaining a dismissal of the case before verdict, the judge, in dismissing the jury, should, without discussion of the facts, briefly explain the procedure and why a verdict was unnecessary.

3.170 ASSOCIATION OF OUT-OF-STATE COUNSEL (*PRO HAC VICE*)

- (1) An attorney authorized to practice law before the highest court of record in any state or country ("out-of-state attorney") may appear on behalf of a party in any action, suit, or proceeding pending in this state before a court or administrative body even though that attorney is not licensed to practice law in this state, if the attorney satisfies all of the following requirements:
 - (a) Shows that the attorney is an attorney in good standing in another state or country.
 - (b) Certifies that the attorney is not subject to pending disciplinary proceedings in any other jurisdiction or provides a description of the nature and status of any pending disciplinary proceedings.
 - (c) Associates with an active member in good standing of the Oregon State Bar ("local attorney") who must participate meaningfully in the matter.
 - (d) Certifies that the attorney will: comply with applicable statutes, law, and procedural rules of the state of Oregon; be familiar with and comply with the disciplinary rules of the Oregon State Bar; and submit to the jurisdiction of the Oregon courts and the Oregon State Bar with respect to acts and omissions occurring during the out-of-state attorney's admission under this rule.
 - (e) If the attorney will engage in the private practice of law in this state, provides a certificate of insurance covering the attorney's activities in this state and providing professional liability insurance substantially equivalent to the Oregon State Bar Professional Liability Fund plan.
 - (f) Agrees, as a continuing obligation under this rule, to notify the trial court or administrative body promptly of any changes in the out-of-state attorney's insurance or status.

- (g) If application will be for an appearance before a court, pays any fees required by subsection (6) below for appearance under this rule. No fee is required if application will be for an appearance before an administrative body.
- (2) The information required by subsection (1) of this rule must be presented as follows:
- (a) If application will be for an appearance before a court, to the Oregon State Bar (Bar) in a form established by the Bar. The Bar may accomplish the submission of information by requiring a certificate with attachments or other means administratively convenient to the Bar. Upon receipt of all information necessary under subsection (1) of this section and receipt of the fee required by subsection (6) below, the Bar will acknowledge receipt in a form determined by the Bar. In making the acknowledgment, the Bar may attach copies or comment on any submitted material the Bar finds may be appropriate for a court to consider with an application under this section. The local attorney must then submit the Bar's acknowledgment with any information the Bar includes to the court by motion signed by the local attorney requesting the court to grant application under this section. The court may rely on the acknowledgment of the Bar as a basis to conclude that all information required to be submitted and fees required to be paid for granting an application under this section have been submitted and paid. Bar records on materials it receives under this section will be available to a court on request for two years or such longer period as the Bar considers administratively convenient.
 - (b) If the application is for an appearance before an administrative body, to the administrator of the agency before which the proceeding will occur or that person's designee or to any other appropriate officer, employee or designee of that agency as set forth by procedures or rules established by that agency. Application may be accomplished by an application certificate with attachments or other means administratively convenient to and established by the agency. Agency records on materials the agency or designee receives under this section will be available to the Bar on request for two years or such longer period as the agency considers administratively convenient.
- (3) The court or administrative body shall grant the application by order if the application satisfies the requirements of this rule, unless the court or administrative body determines for good cause shown that granting the application would not be in the best interest of the court or administrative body or the parties. At any time and upon good cause shown, the court or administrative body may revoke the out-of-state attorney's permission to appear in the matter.
- (4) Each time a court or administrative body grants an application under this rule or revokes an out-of-state attorney's permission to appear in a matter, the local attorney must provide a notice to the Bar of such occurrence in a manner and within the time determined by the Bar.
- (5) This rule applies to all judicial and administrative proceedings in this state. When a court or administrative body grants an application for approval to appear under this rule, the authorization allows that individual attorney to appear in all proceedings for a single case that occur within a year after the application is granted. Applications will not be granted for firms. There must be separate application and approval for any of the following: appearance by another out-of-state attorney representing the same or any other party; representation by the same out-of-state attorney in this state on another matter; any appearance that occurs later than that one-year period. The Bar or an administrative body

may establish such abbreviated procedures and requirements as Bar or body finds administratively convenient to limit unnecessary submission of duplicate information by an attorney who has already had application granted to appear in one proceeding and is seeking to appear in other proceedings or to renew an application at the end of a current one-year grant for a case.

- (6) Except as otherwise provided in this rule, for each application under this rule to appear before a court, the applicant must pay to the Bar a fee of \$500 at the time of submission of information under subsection (2) of this section, including when application is sought to renew an application at the end of a current one-year grant for a case. The fee will not be refundable.
- (7) Subject to the following, the Bar or any administrative agency acting under this section, may use electronic means to accomplish acts required or authorized under this section:
 - (a) The Bar shall provide acknowledgment under paragraph (2)(a) of this rule for court purposes by electronic means only upon approval of the State Court Administrator.
 - (b) No administrative agency may provide electronic means of notifying the Bar of a grant of application or revocation under this section without prior approval of the Bar.
- (8) An applicant is not required to pay the fee established by subsection (6) of this section if the applicant establishes to the satisfaction of the Bar that the applicant is employed by a government body and will be representing that government body in an official capacity in the proceeding that will be the subject of the application.
- (9) An applicant is not required to associate with local counsel pursuant to subsection (1)(c) of this section or pay the fee established by subsection (6) of this section if the applicant establishes to the satisfaction of the Bar that:
 - (a) The applicant seeks to appear in an Oregon court for the limited purpose of participating in a child custody proceeding as defined by 25 USC §1903, pursuant to the Indian Child Welfare Act of 1978, 25 USC §1901 et seq.;
 - (b) The applicant represents an Indian tribe, parent, or Indian custodian, as defined by 25 USC §1903; and
 - (c) One of the following:
 - (i) If the applicant represents an Indian tribe, the Indian child's tribe has executed an affidavit asserting the tribe's intent to intervene and participate in the state court proceeding and affirming the child's membership or eligibility of membership under tribal law; or
 - (ii) If the applicant represents a parent or Indian custodian, the tribe has affirmed the child's membership or eligibility of membership under tribal law.

NOTE: UTCR 3.170 is adopted by the Oregon Supreme Court under ORS 9.241 and may be modified only by order of that Court.

3.180 MEDIA OR OTHER PUBLIC ACCESS COVERAGE OF COURT EVENTS

- (1) Courtrooms. Upon request or on the court's own motion, after notice to all parties, public access coverage shall be allowed in any courtroom, except as provided under this rule.
- (2) There shall be no public access coverage of the following:
 - (a) Proceedings in chambers.
 - (b) Any notes or conversations intended to be private including, but not limited to, counsel and judges at the bench and conferences involving counsel and their clients.
 - (c) Dissolution, juvenile, paternity, adoption, custody, visitation, support, civil commitment, trade secrets, and abuse, restraining and stalking order proceedings.
 - (d) At a victim's request, sex offense proceedings.
 - (e) *Voir dire*.
 - (f) Any juror anywhere during the course of the trial in which he or she sits.
 - (g) Recesses.
- (3) Limitations on Denial of Public Access Coverage in Courtrooms. A judge may limit or deny a request for or terminate public access coverage only if the judge makes findings of fact on the record setting forth substantial reasons for the ruling. The judge may prohibit public access coverage if there is a reasonable likelihood of any of the following:
 - (a) The public access coverage would interfere with the rights of the parties to a fair trial or would affect the presentation of evidence or outcome of the trial.
 - (b) Any cost or increased burden resulting from the public access coverage would interfere with the efficient administration of justice.
- (4) A judge may summarily prohibit public access coverage of a particular witness only if the judge finds on the record that public access coverage would endanger the welfare of the witness or materially hamper the witness' testimony.
- (5) Areas Outside of Courtrooms. The presiding judge may allow public access coverage in any area outside the courtroom that is on the courthouse premises and under the control and supervision of the court. Courts are encouraged to designate an area or areas outside the courtroom that is on the courthouse premises for public access coverage. For areas subject to this subsection, each judicial district, by SLR, may establish, for any court location, procedures for obtaining permission for public access coverage that differ from this subsection or may designate locations where public access coverage is allowed or prohibited. SLR 3.181 is reserved for SLR adopted under this subsection.
- (6) Public Access Coverage Defined. As used in this rule:
 - (a) "Public access coverage" means coverage by means of any public access coverage equipment.

- (b) "Public access coverage equipment" means any of the following in the possession of persons other than the court or the court's staff: television equipment; still photography equipment; audio, video, or other electronic recording equipment.
- (7) Equipment and Personnel for Public Access Coverage. The court may limit the location of public access coverage equipment. One pool video camera and one pool still camera and one pool tape recorder shall be permitted. The court, at its discretion, may permit additional public access coverage equipment, consistent with the considerations in subsections (3)(a) and (b).
- (a) No public access coverage device shall be operated by more than one person.
 - (b) No person shall use public access coverage equipment that interferes or distracts from proceedings in the courtroom.
 - (c) The video camera must be mounted on a tripod or other device or installed in the courtroom. The tripod or other device must not be moved while the proceedings are in session. Video equipment must be screened where practicable or located and operated as directed by the court.

 - (b) File the documents or materials under seal in the court file.
 - (c) Return the documents, unfiled, to the moving party.
- (4) When documents or materials are filed under seal, the filing party must present the clerk with a copy of the signed court order and submit the documents or materials in a sealed envelope marked "SEALED DOCUMENTS OR MATERIALS" and with a notation that identifies the case caption and the party making the submission. In addition, all documents ordered to be filed under seal must have the words "FILED UNDER SEAL BY COURT ORDER" located directly below the document title.

5.170 LIMITED SCOPE REPRESENTATION

(1) Applicability

This rule applies to limited scope representation in civil cases subject to this chapter, when an attorney intends to appear in court on behalf of a party.

(2) Notice of Limited Scope Representation

When an attorney intends to appear in court on behalf of a party, the attorney shall file and serve, as soon as practicable, a Notice of Limited Scope Representation in substantially the form as set out on the Oregon Judicial Department website (<http://www.courts.oregon.gov/Pages/default.aspx>).

(3) Termination of Limited Scope Representation

When the attorney has completed all services within the scope of the Notice of Limited Scope Representation, the attorney shall file and serve a Notice of Termination of Limited Scope Representation in substantially the form as set out on the Oregon Judicial Department website (<http://www.courts.oregon.gov/Pages/default.aspx>), in accordance with UTCR 3.140.

(4) Service of Documents

After an attorney files a Notice of Limited Scope Representation in accordance with this section, service of all documents shall be made upon the attorney and the party represented on a limited scope basis. The service requirement terminates as to the attorney when a Notice of Termination of Limited Scope Representation is filed and served, or when an attorney withdraws.

CHAPTER 6—Trials

6.010 CONFERENCES IN CIVIL PROCEEDINGS

- (1) In any civil proceeding the court may, in its discretion, direct the parties to appear before the court for a conference to consider:
 - (a) The simplification of the issues;
 - (b) The necessity or desirability of amendments to the pleadings;
 - (c) The possibility of obtaining admissions of fact and of documents which will avoid unnecessary proof or delay;
 - (d) The limitation of the number of expert witnesses;
 - (e) The advisability of a preliminary reference of issues to a master for findings to be used as evidence when the trial is to be by jury;
 - (f) A reference in whole or in part;
 - (g) The possible settlement of the case; and
 - (h) Such other matters as may aid in the disposition of the action.
- (2) All conferences may be by personal appearance except that any party may apply, or the court may arrange for, a conference by telecommunication.

1991 Commentary:

Settlement conferences are required as provided by each court by its SLR 6.012 and under UTCR 6.200.

6.020 COURT NOTIFICATION ON SETTLEMENT OR CHANGE OF PLEA

- (1) In criminal cases, the parties must notify the court immediately of any decision that a case will be dismissed or a change of plea entered.
- (2) In all other cases, the parties must immediately notify the court of a decision to settle, dismiss, or otherwise resolve a case. After receipt of the notice, a court may require the parties to put the decision on the record, give written notice to the parties that the case will be dismissed unless an appropriate judgment is tendered to the court within 28 days, or both.
- (3) If parties to a civil action fail to notify the court of a settlement before 12:00 p.m. (noon) of the last judicial day preceding a jury trial, or if the case settles after 12:00 p.m. (noon) of such day, the court may assess on one or both parties the per diem fees and mileage costs of bringing in the jury panel for that particular trial.

6.030 POSTPONEMENT OF TRIAL

- (1) A request to postpone a trial must be by motion.
- (2) A motion to postpone a trial must be signed by the attorney of record and contain a certificate stating that counsel has advised the client of the request and must set forth:
 - (a) The date scheduled for trial;
 - (b) The reason for the requested postponement;
 - (c) The dates previously set for trial;
 - (d) The date of each previous postponement; and
 - (e) Whether any parties to the proceeding object to the requested postponement.
- (3) If the motion to postpone is based upon a conflicting proceeding in another court, it must set forth, in addition to the information required by subsection (2) of this section:
 - (a) The name of the court in which the conflict exists;
 - (b) The date of the conflict;
 - (c) The date on which the other proceeding is to begin;
 - (d) The case number and the date of filing of the conflicting case;
 - (e) The date on which the conflicting case was set for trial; and
 - (f) The information required by UTCR 6.040(2).
- (4) If a motion to postpone a civil trial is based upon stipulation of the parties:
 - (a) The new trial date must be within the time periods set forth in UTCR 7.020(5);
 - (b) The motion must be filed at least 28 days before the date then set for trial;
 - (c) The motion must be signed by the attorneys of record;
 - (d) The motion must contain a certificate stating that the attorneys have advised their clients of the stipulation and the clients agree to the postponement; and
 - (e) The motion must set forth the date scheduled for trial, the new trial date requested, and that the new date is available on the court's trial docket.
- (5) The motion may be decided by a summary determination without a hearing.
- (6) Motions to postpone are not subject to UTCR Chapter 5, except UTCR 5.040 and 5.060.

1993 Commentary:

The court has discretion to allow or deny any motion for postponement under ORCP 52 and this rule, but the Committee recommends that the court generally allow a motion under subsection

(4) of this rule if the new trial date requested can be reasonably accommodated on the court's docket.

6.040 RESOLVING SCHEDULING CONFLICTS

- (1) When a party is scheduled to appear in more than one court at the same time, and has been unable to obtain a postponement in one of the courts, the scheduling conflict will be resolved by the presiding judges of the affected courts on motion of the affected party in both courts.
- (2) In resolving scheduling conflicts, the following must be considered:
 - (a) Statutory preference;
 - (b) The custodial status of a criminal defendant;
 - (c) The filing date of the case;
 - (d) The dates on which the courts sent notices of the trial date;
 - (e) The relative complexity of the cases;
 - (f) The availability of competent, prepared substitute counsel; and
 - (g) The inconvenience to the parties, the witnesses or the court.
- (3) If the scheduling conflict cannot be resolved by the affected presiding judges after consultation with each other, the conflict must be referred by them to the Chief Justice for summary resolution.

6.050 SUBMISSION OF TRIAL MEMORANDA AND TRIAL EXHIBITS

- (1) A party must file any trial memorandum. The court also may require that a party submit a copy of the trial memo, in the manner and time that the court specifies.
- (2) All trial memoranda must be served on the opposing party.
- (3) Trial exhibits must be delivered or submitted as ordered by the assigned judge and not filed with the court.

6.060 PROPOSED JURY INSTRUCTIONS AND VERDICT FORMS

- (1) A party must file any requested jury instruction or verdict form. The party must also submit a copy of the jury instructions and verdict forms to the trial judge in the manner and time specified by the judge.
- (2) All requested jury instructions and verdict forms must be in writing and served on the opposing party.
- (3) Requested instructions may include any Uniform Oregon Jury Instruction by reference only to its instruction number and title: such as "Instruction No. 70.04 - Lookout." If the uniform

instruction contains blanks or alternative choices, the appropriate material to complete the instruction must be supplied in the request.

- (4) Requested jury instructions, including references to Uniform Oregon Jury Instructions, must be prepared as follows:
 - (a) Requested uniform instructions must be identified in accordance with UTCR 6.060(3).
 - (b) Instructions, including uniform instructions, must be numbered consecutively, beginning with the number “1” for the first requested instruction.
 - (c) Except for requested uniform instructions, not more than one proposed instruction must appear on each page.
 - (d) If any requested jury instruction requires more than one page to be set out, each of the pages must be numbered at the lower left-hand corner; the number must contain the consecutively assigned requested jury instruction number provided pursuant to subparagraph (b) of this paragraph, followed by a hyphen, followed by the consecutive number for each page.
 - (e) The designation of the party requesting the instruction must be typed on each page.
 - (f) Below each requested instruction must be a statement citing the statute, decision or other legal authority which supports the requested instruction.
- (5) The court must inform the parties before argument of the instructions that it proposes to give.
- (6) Proposed verdict forms and written interrogatories, if any, must be prepared without the name of the attorney or the name of the firm and must be submitted at commencement of trial and as otherwise allowed by the court.

6.070 JURY INSTRUCTIONS

No identifying information relating to the parties or any other extraneous material, including authorities, shall appear on submitted jury instructions.

6.080 MARKING EXHIBITS

- (1) Before the commencement of the trial, parties must mark all exhibits in the following manner:
 - (a) Plaintiff’s exhibits must be marked consecutively from 1 through 99.
 - (b) Defendant’s exhibits must be marked consecutively from 101 through 199.
 - (c) On request, the court must assign additional blocks of numbers.
 - (d) In cases involving multiple parties or large numbers of exhibits, the parties shall agree on the assignment of the numbers. If the parties cannot reach agreement, or if for any reason the numbering system cannot accommodate the parties, then the

court may direct the parties to use any other numbering system not inconsistent with the intent of this section.

- (2) Upon request, the trial court administrator shall provide a party with appropriate stamps, labels or tags for exhibit marking.
- (3) The parties must submit to the court at the time of trial a list of premarked exhibits.
- (4) Exhibits not available at the commencement of trial, exhibits not reasonably anticipated to be used and exhibits intended for impeachment purposes need not be premarked.
- (5) At the time of trial or hearing involving a covered offense, a party introducing an exhibit that contains biological evidence must provide the court in writing with the name, agency, mailing address, and telephone number for the custodian responsible for each exhibit that contains biological evidence. Counsel also must indicate whether the biological evidence was collected by the defense. For a trial, this information must be submitted with the list of premarked exhibits required under subsection (3) of this rule.
- (6) For purposes of this rule, the following definitions apply:
 - (a) "Biological evidence" has the meaning given in ORS 133.705.
 - (b) "Covered offense" has the meaning given in ORS 133.705.
 - (c) "Custodian" has the meaning given in ORS 133.705.

1988 Commentary:

Subsection (4) cannot and does not change discovery rules as established for criminal cases by statute.

6.090 PEREMPTORY CHALLENGES IN CIVIL CASES

In civil trials, peremptory challenges must be taken in writing by secret ballot unless the parties stipulate to taking the challenges orally and the court agrees.

6.100 EXAMINATION OF WITNESSES

Except for good cause shown, no more than one attorney for each party shall examine a witness or present argument on an issue.

6.110 SPECIAL AND GENERAL FINDINGS IN SEPARATE DOCUMENT

Special or general findings or conclusions must be included in a document separate from the judgment.

6.120 DISPOSITION OF EXHIBITS

- (1) Unless otherwise ordered or except as otherwise provided in ORS 133.707, all exhibits shall be returned to the custody of counsel for the submitting parties upon conclusion of the trial or hearing. Such counsel must sign an acknowledgment of receipt for the exhibits returned. Counsel to whom any exhibits have been returned must retain custody and control until final disposition of the case unless the exhibits are returned to the trial court pursuant to subsections (2) or (3) of this rule. Both documentary and nondocumentary exhibits submitted by parties not represented by counsel shall be retained by the trial court, subject to subsection (4) of this rule.
- (2) Upon the filing of a notice of appeal by any party, the trial court administrator promptly shall notify all counsel that they are required to return all documentary exhibits in their custody to the trial court within 21 days of receipt of the trial court's request. All counsel are required to comply with the notice. The trial court promptly will transmit the documentary exhibits to the appellate court, when requested to do so by the appellate court, under ORAP 3.25.
- (3) Upon request by an appellate court for transmission of nondocumentary exhibits, under ORAP 3.25, the trial court shall notify the party in whose custody the nondocumentary exhibits have been placed. The party must resubmit the designated exhibits to the custody of the trial court for transmittal to the appellate court.
- (4) Exhibits not returned to the parties shall be processed as follows:
 - (a) Such exhibits shall be retained by the trial court until the appeal period has elapsed and there is a final disposition of the case.
 - (b) After final disposition of the case, a notice shall be sent to the parties of record that, unless they withdraw their respective exhibits within 30 days, the exhibits will be disposed of by the court.
- (5) Nothing contained in this rule shall prevent parties to any matter before the court from seeking the release or return of exhibits before the times specified in this rule.
- (6) Exhibits in the court's custody shall not be removed from the trial court administrator's control except by stipulation or by order of the court.
- (7) For purposes of this rule, "documentary exhibits" include text documents, photos and maps, if not oversized, and audio and video tapes. An oversized document is one larger than standard letter size or legal size.

6.130 WAIVER OF JURY TRIAL IN CIVIL CASES

No waiver of trial by jury in civil cases in circuit court shall be deemed to have occurred unless the parties notify the court of such a waiver before 5:00 p.m. of the last judicial day before trial. Thereafter, a jury trial may not be waived without the consent of the court. Failure to timely notify the court of a waiver before the day of trial may result in an assessment by the judge on one or both of the parties for the per diem fee and mileage costs of bringing in the jury panel for that trial.

6.140 PROCEDURES FOR USE OF HAZARDOUS SUBSTANCE

- (1) If a party intends to offer into evidence any hazardous substance at an evidentiary hearing or trial, the party must file a motion no later than 28 days prior to the hearing or trial seeking an order from the court regulating the handling, use and disposition of the hazardous substance.
- (2) "Hazardous substance" in this rule is defined as any substance listed or hereafter added to the Department of Transportation Hazardous Substances List and the Oregon State Police List of Chemicals and Precursors for Methamphetamine Production and any other hazardous substance designated by SLR.
- (3) The court, in its discretion, may issue an order concerning any of the following matters:
 - (a) A jury view and/or photograph in lieu of transportation of the hazardous substance to the courthouse;
 - (b) Appointment of a custodian;
 - (c) Appointment of a disposition expert;
 - (d) Appointment of a medical expert;
 - (e) The amount to be transported or viewed;
 - (f) The container in which the hazardous substance is to be stored;
 - (g) The location and duration of handling and storage of the hazardous substance;
 - (h) The disposition of the hazardous substance; and
 - (i) Other matters intended by the court to safeguard the public and the evidentiary record.
- (4) Failure to file a timely motion under subsection (1) of this rule may be grounds for excluding any hazardous substance from the courthouse.

1989 Commentary:

To prevent hardship or injustice, relief from application of this rule in an individual case may be sought under UTCR 1.100.

6.150 WEAPONS AND DANGEROUS INSTRUMENTS IN THE COURTROOM

If a party intends to offer into evidence any weapons or other hazardous materials at an evidentiary hearing or trial, before bringing the items into the courtroom, the party must:

- (1) For weapons:
 - (a) All firearms, BB guns, and pellet guns intended to be offered in evidence must be unloaded and either rendered inoperable or have a trigger guard installed.

- (b) Guns and ammunition must be kept separate at all times.
 - (c) Knives, scissors, and any other sharp objects that could penetrate the skin must be sealed in puncture-proof containers, provided with secure and protective sheaths, or otherwise rendered harmless.
- (2) For other hazardous materials:
- (a) Hypodermic needles must be provided with covers over needle points and sealed in a transparent puncture-proof bag.
 - (b) An unbreakable, transparent tube that locks on one end must be provided for safe handling and viewing of chemicals, pharmaceuticals, and biological substances.

1990 Commentary:

The court should be mindful that the court may grant exception to the above for good cause shown under UTCR 1.100 and that the Committee intended that there be exceptions granted if any part of the rule would affect the mechanical operation when mechanical operation was an evidentiary issue.

6.160 CONTROLLED SUBSTANCES IN THE COURTROOM

- (1) Unless otherwise ordered by the court, only a representative sample of controlled substances shall be brought into the courtroom to be presented as evidence. Such sample must have been placed in a see-through, heat-sealed container prior to coming into the custody of the court and must not be opened except by order of the court. The remainder may be presented by photograph, videotape, or may be available for viewing by the jury in some secure setting.
- (2) At all times between the receipt of the controlled substances and the return of controlled substances to the submitting party under UTCR 6.120 or destruction or transmittal of the controlled substances to the appellate courts, the controlled substances shall be in the court's evidence locker in the custody and possession of a member of the court staff or in the custody of such appropriate law enforcement agency as the court orders.

6.170 JUROR HANDLING OF CONTROLLED, HAZARDOUS, OR INFECTIOUS SUBSTANCES AND CHEMICALS

Jurors must be advised if any controlled, hazardous, or infectious substances or chemicals to be handled in the jury room present a danger and must be provided instructions on safe handling, including providing protective devices, if necessary.

6.180 WEAPONS AND HAZARDOUS SUBSTANCES IN THE COURT FACILITIES

Unless otherwise ordered by the court, no person except a law enforcement officer shall possess in a court facility a firearm, knife, device, or hazardous substance capable of inflicting death or physical injury.

6.190 EVIDENCE SUBMITTED IN AN ELECTRONIC FORMAT

- (1) Any exhibit or testimony to be presented to the court in an electronic format shall be compatible with the court's electronic equipment.
- (2) Prior to trial or hearing, a party intending to offer electronic evidence must make sure it is in a format compatible with the court's equipment. A party is responsible for the cost, if any, incurred by the court as a result of the party's use of the court's electronic equipment or in repairing the court's electronic equipment as a result of a party's use of it.
- (3) Parties may use their own equipment to present electronic evidence. However, parties using their own equipment may need to make their equipment available to the court, opposing parties, and the jury.
- (4) It is a party's responsibility to provide any technical support needed in presenting the party's evidence and in making its evidence compatible with the court's electronic equipment or in using the party's own equipment.

6.200 PRETRIAL SETTLEMENT CONFERENCES

- (1) Each judicial district may adopt an SLR 6.012, or an SLR in Chapter 12 if that chapter is dedicated to alternative dispute resolution, providing for a uniform pretrial settlement conference procedure for use in all circuit court civil cases, including dissolution of marriage and postjudgment modification proceedings. The SLR shall be designed to most effectively meet the needs of the judges, lawyers, and litigants in each district and to promote early pretrial settlements.
- (2) Each SLR under this section, if adopted, should include the following provisions:
 - (a) If one party requests a pretrial settlement conference, the settlement conference must be held and must be conducted according to the procedure set forth in the SLR. However, the pretrial settlement conference will not be required if the opposing party demonstrates good cause why the settlement conference should not be held.
 - (b) Each party or representative of a corporation or insurance company who has full authority to settle and compromise the litigation must personally appear at the pretrial settlement conference; however, the judge may permit telephone appearances for good cause.
 - (c) Each settlement conference shall be scheduled to allow adequate time for meaningful settlement discussions. Additional settlement conferences may be scheduled by the judge or by agreement of all attorneys and parties.
 - (d) The pretrial settlement conferences shall not delay the trial scheduling.
- (3) Each SLR under this UTCR section, if adopted, should specify:
 - (a) Whether the settlement conference judge shall be permitted to act as trial judge if the case does not settle.
 - (b) Whether a pretrial statement or other document must be submitted to the judge prior to the pretrial settlement conference, when it should be submitted, and whether it should be confidential or nonconfidential.

- (c) Whether and under what circumstances materials or notes prepared by the pretrial settlement judge may be placed in the trial court file in the event that the case does not settle.
 - (d) The methods for reporting settlement and removing the case from the active trial docket.
 - (e) Whether a trial-setting conference shall be held prior to the pretrial settlement conference.
- (4) SLR 6.012 is reserved for SLR adopted under this UTCR section.

CHAPTER 7—Case Management and Calendaring

7.010 PLEAS, NEGOTIATIONS, DISCOVERY AND TRIAL DATES IN CRIMINAL CASES

- (1) At the time of arraignment, the court may either accept a not guilty plea and set a trial date or set a date for entry of a plea in accordance with subsection (2) of this section.
- (2) Plea agreements, negotiations, discovery, and investigations must be concluded by a date as set by the court which is:
 - (a) For defendants in custody, not less than 21 days after arraignment but, in any event, not later than 21 days prior to the trial date; and
 - (b) For defendants who are not in custody, not less than 35 days after arraignment, but not later than the 35th day prior to the trial date.
- (3) Not later than the date set pursuant to subsection (2), trial counsel must report the following:
 - (a) Whether a jury trial is requested;
 - (b) The probable length of trial;
 - (c) The need for a pretrial hearing; and
 - (d) Any other matter affecting the case.
- (4) Relief from the dates set pursuant to subsection (2) of this rule shall be granted for good cause shown.

1988 Commentary:

Relief from application of the deadlines set by this rule is subject to UTCR 1.100, as are all UTCR provisions.

1990 Commentary:

As used in this section, arraignment means the initial appearance of the defendant in the court having jurisdiction to dispose of the case.

Relief from time set in this section is subject to UTCR 1.100, as are all UTCR provisions. The purpose of this rule, among others, is to give certainty in trial dockets. Therefore, the last date for entry of a plea will change with changes in trial dates.

Section 4.010 of UTCR should be read in conjunction with this section. In this regard, the parties may request that the court decide any legal issue, including motions to suppress, before plea negotiations are concluded. Nothing requires the court to allow that request.

7.020 SETTING TRIAL DATE IN CIVIL CASES

- (1) After service is made, the serving party must forthwith file the return or acceptance of service with the trial court administrator.

- (2) If no return or acceptance of service has been filed by the 63rd day after the filing of the complaint, written notice shall be given to the plaintiff that the case will be dismissed for want of prosecution 28 days from the date of mailing of the notice unless proof of service is filed within the time period, good cause to continue the case is shown to the court on motion supported by affidavit and accompanied by a proposed order, or the defendant has appeared.
- (3) If proof of service has been filed and any defendant has not appeared by the 91st day from the filing of the complaint, the case shall be deemed not at issue and written notice shall be given to the plaintiff that the case will be dismissed against each nonappearing defendant for want of prosecution 28 days from the date of mailing of the notice unless one of the following occurs:
 - (a) An order of default has been filed and entry of judgment has been applied for.
 - (b) Good cause to continue the case is shown to the court on motion supported by affidavit and accompanied by a proposed order.
 - (c) The defendant has appeared.
- (4) If all defendants have made an appearance, the case will be deemed at issue 91 days after the filing of the complaint or when the pleadings are complete, whichever is earlier.
- (5) The trial date must be no later than one year from date of filing for civil cases or six months from the date of the filing of a third-party complaint under ORCP 22 C, whichever is later, unless good cause is shown to the presiding judge or designee.
- (6) Parties have 14 days after the case is at issue or deemed at issue to:
 - (a) Agree among themselves and with the presiding judge or designee on a trial date within the time limit set forth above.
 - (b) Have a conference with the presiding judge or designee and set a trial date.
- (7) If the parties do neither (a) nor (b) of (6) above, the calendar clerk will set the case for trial on a date that is convenient to the court.

1987 Commentary:

Nothing in this rule precludes a court from issuing its trial notices prior to 91 days after filing of the complaint.

1988 Commentary:

It is recognized that some cases may not be appropriate for trial setting “in the ordinary course” of the court’s business. Special settings of trial dates in complex or other appropriate cases is permissible and may be initiated by any party or the court.

7.030 COMPLEX CASES

- (1) Any party in a case may apply to the presiding judge to have the matter designated as a “complex case.”

- (2) The criteria used for designation as a “complex case” may include, but shall not be limited to, the following: the number of parties involved, the complexity of the legal issues, the expected extent and difficulty of discovery, and the anticipated length of trial.
- (3) A presiding judge shall assign any matter designated as a “complex case” to a specific judge who shall thereafter have full or partial responsibility for the case as determined by the presiding judge.
- (4) A “complex case” shall not be subject to the time limitation or trial setting procedures set forth in UTCR 7.020(5), (6) and (7); however, any such case will be set for trial as soon as practical, but in any event, within two years from the date of filing unless, for good cause shown, the trial date is extended by the assigned judge.

7.040 NOTIFY COURT OF SETTLEMENTS AND OTHER MATTERS

The parties shall report immediately to the court any resolution of any matter scheduled on the court’s docket.

7.050 EFFECT OF BANKRUPTCY PETITION

- (1) Upon notice that proceedings in an action are subject to a federal bankruptcy stay, the court must stay the action until it is shown to the court’s satisfaction that the federal bankruptcy stay has been terminated or is not applicable to the action.
- (2) Upon motion of any party, the court may sever a claim that continues to be subject to the federal bankruptcy stay or a claim as it applies to the bankruptcy debtor and proceed with the remainder of the action if:
 - (a) The action includes multiple claims or multiple parties; and
 - (b) It is shown to the court’s satisfaction that, as to one or more claims, the federal bankruptcy stay has been terminated or is not applicable.
- (3) A court must not dismiss the action stayed under this rule solely because of the bankruptcy filing. Nothing in this rule limits a court’s ability to initiate the process to dismiss an action stayed under this rule for want of prosecution under ORCP 54 B(3) or as provided by statute. However, if a party to the action responds to the court notice concerning dismissal for want of prosecution by timely application to continue the action because bankruptcy proceedings are ongoing:
 - (a) The ongoing bankruptcy proceedings constitute good cause to continue the action for purposes of ORCP or statute; and
 - (b) The court must continue the action as a pending case.
- (4) Time periods established by UTCR 7.020 or by SLR for proceeding with an action are not applicable during the stay to that action or part of an action stayed under this rule. For all or part of the action stayed under this rule, time periods held in abeyance under this subsection continue when the court proceeds and only as to that part of the action with which the court proceeds.

- (5) Nothing in this section limits a court's ability to grant dismissal of an action stayed under this rule as provided under ORCP 54 A.
- (6) References in this rule to federal bankruptcy stays are to a stay under provisions of 11 USC Sections 105, 362, 1201, or 1301. As provided under UTCR 1.010(3), this rule is applicable to all cases that may be subject to a federal bankruptcy stay, including small claims cases.

7.060 AMERICANS WITH DISABILITIES ACT (ADA) ACCOMMODATION

- (1) If an accommodation under the ADA is needed for an individual in a court proceeding, the party needing accommodation for the individual must notify the court in the manner required by the court as soon as possible, but no later than four judicial days in advance of the proceeding. For good cause shown, the court may waive the four-day advance notice.
- (2) Notification to the court must provide:
 - (a) The name of the person needing accommodation;
 - (b) The case number;
 - (c) Charges (if applicable);
 - (d) The nature of the proceeding;
 - (e) The person's status in the proceeding;
 - (f) The time, date, and estimated length of the proceeding;
 - (g) The type of disability needing accommodation; and
 - (h) The type of accommodation, interpreter, or auxiliary aid needed or preferred.

7.070 FOREIGN LANGUAGE INTERPRETERS

- (1) If a foreign language interpreter is needed for a court proceeding, the party in need of an interpreter must notify the court in the manner required by the court as soon as possible, but no later than four judicial days in advance of the proceeding. For good cause shown, the court may waive the four-day advance notice.
- (2) Notification to the court must include:
 - (a) The name of the person needing an interpreter;
 - (b) The case number;
 - (c) Charges (if applicable);
 - (d) The nature of the proceeding;
 - (e) The person's status in the proceeding;

- (f) The time, date, and estimated length of the proceeding; and
- (g) The language to be interpreted.

7.080 INTERPRETERS' REQUESTS FOR INFORMATION

If requested by a neutral court interpreter, parties in civil and criminal cases shall provide a list of specialized terminology expected to be used in the proceeding in which the interpreter will be providing services. The list shall be provided prior to the commencement of the proceeding. The list shall be kept confidential by the interpreter and is not discoverable.

CHAPTER 8—Domestic Relations Proceedings

8.010 ACTIONS FOR DISSOLUTION OF MARRIAGE, SEPARATE MAINTENANCE AND ANNULMENT, AND CHILD SUPPORT

- (1) Petitioners, when serving respondents, must attach to the petition a copy of the Notice to Parties of A Marriage Dissolution as required by ORS 107.092. Copies of the notice may be obtained from the trial court administrator's office or from the Oregon Judicial Department website.
- (2) Unless otherwise ordered by the court, general judgments in all uncontested actions for annulment or dissolution of marriage or for separation shall be entered on the basis of the affidavit set forth in ORS 107.095(4) in lieu of a hearing on the merits.
- (3) In all contested dissolution of marriage, separate maintenance or annulment actions, each party must file with the trial court administrator and serve on the other party a statement listing all marital and other assets and liabilities, the claimed value for each asset and liability and the proposed distribution of the assets and liabilities. In the alternative, the parties may elect to file with the trial court administrator a joint statement containing this information.
- (4) In all proceedings under ORS chapter 107, 108, or 109 wherein child support or spousal support is contested, each party must file with the trial court administrator and serve on the other party a Uniform Support Declaration in the form specified in Form 8.010.5 in the UTCR Appendix of Forms. A Uniform Support Declaration required by this subsection must be completed as follows:
 - (a) In all such cases, the parties must complete the declaration and required attachments.
 - (b) In all such cases, the parties must also complete the schedules and the attachments required by the schedules if:
 - (i) Spousal support is requested by either party, or
 - (ii) Child support is requested by either party in an amount that deviates from the uniform support guidelines.

The parties must file a Trial Process Selection and Waiver for Informal Domestic Relations Trial in substantially the form specified in Form 8.120.1 in the UTCR Appendix of Forms. This form must be accepted by all judicial districts. SLR 8.121 is reserved for the purpose of making such format mandatory in the judicial district and for establishing a different time for filing the form that is more consistent with the case management and calendaring practices of the judicial district.
- (3) The Informal Domestic Relations Trial will be conducted as follows:
 - (a) At the beginning of an Informal Domestic Relations Trial the parties will be asked to affirm that they understand the rules and procedures of the Informal Domestic Relations Trial process, they are consenting to this process freely and voluntarily, and they have not been threatened or promised anything for agreeing to the Informal Domestic Relations Trial process.

- (b) The Court may ask the parties or their lawyers for a brief summary of the issues to be decided.
 - (c) The moving party will be allowed to speak to the Court under oath concerning all issues in dispute. The party is not questioned by counsel, but may be questioned by the Court to develop evidence required by any statute or rule, for example, the applicable requirements of the Oregon Child Support Guidelines if child support is at issue.
 - (d) The parties will not be subject to cross-examination. However, the Court will ask the non-moving party or their counsel whether there are any other areas the party wishes the Court to inquire about. The Court will inquire into these areas if requested and if relevant to an issue to be decided by the Court.
 - (e) The process in subsections (3)(c) and (3)(d) is then repeated for the other party.
 - (f) Expert reports will be received as exhibits. Upon the request of either party, the expert will be sworn and subjected to questioning by counsel, the parties, or the Court.
 - (g) The Court will receive any exhibits offered by the parties. The Court will determine what weight, if any, to give each exhibit. The Court may order the record to be supplemented.
 - (h) The parties or their counsel will then be offered the opportunity to respond briefly to the statements of the other party.
 - (i) The parties or their counsel will be offered the opportunity to make a brief legal argument.
 - (j) At the conclusion of the case, the Court shall render judgment. The Court may take the matter under advisement but best efforts will be made to issue prompt judgments.
 - (k) The Court may modify these procedures as justice and fundamental fairness requires.
- (4) The Court may refuse to allow the parties to utilize the Informal Domestic Relations Trial procedure at any time and may also direct that a case proceed in the traditional manner of trial even after an Informal Domestic Relations Trial has been commenced but before judgment has been entered.
- (5) A party who has previously agreed to proceed with an Informal Domestic Relations Trial may file a motion to opt out of the Informal Domestic Relations Trial provided that this motion is filed not less than ten calendar days before trial. This time period may be modified or waived by the Court upon a showing of good cause. A change in the type of trial to be held may result in a change in the trial date.

The DMV must serve certified true copies of the record on the petitioner and the Attorney General. The DMV must file the original record with the trial court administrator within 30 days of service of the petition for review. The record must be accompanied by proof of service. On good cause shown, the court may extend the time for filing of the record.
- (2) The record, preceded by an index of its contents, must be securely fastened in a suitable cover or folder showing on the outside the title and agency number of the case, the name of the administrative law judge, and the date and location of the hearing. The pages of the record must be consecutively numbered at the bottom center of each page.
- (3) When the court has entered its judgment and the period for appeal has elapsed without an appeal being taken, the record will be returned to the agency, unless the court otherwise directs.

10.040 SETTLEMENT OF THE RECORD

A motion to correct the record may be filed within 7 days of the filing of the record. Unless a motion to correct is filed, the record is deemed settled. Upon filing with the trial court administrator of a motion to correct the record, the court shall direct the making of such corrections as may be appropriate, and shall fix the time within which such corrections will be made. Upon filing with the trial court administrator of the record so corrected, the record shall be deemed settled.

10.050 PETITIONER'S MEMORANDUM OF POINTS AND AUTHORITIES

- (1) The petitioner must file a memorandum of points and authorities in support of the challenge to the validity of the final order of the DMV. Points must be concise statements of the arguments supporting the petitioner's challenge to the validity of the final order. Each point must be accompanied by a reference to the page number of the record where the matter is found. Each point must be followed by a citation of authorities for that point. Points not accompanied by a reference to the record or a statement of authorities need not be considered by the court.
- (2) The petitioner's memorandum of points and authorities, including proof of service on the Attorney General at the address shown in the Certificate of Service required under UTCR 10.010, must be filed with the trial court administrator no later than 14 days after the date of settlement of the record.

10.070 SETTING HEARING DATE

- (1) Unless waived in writing by both parties, the court shall schedule the hearing within 35 days of the filing of the petitioner's memorandum of points and authorities or the settlement of the record, whichever occurs later. The court shall notify the parties of the date at least ten days before the scheduled hearing.
- (2) A party may request that the hearing be conducted by a conference call between the court and the opposing parties. The request must be granted if the office making the request is located more than 25 miles from the courthouse. UTCR 10.090 and all applicable rules of decorum in proceedings must be observed by the parties and enforced by the court during the conduct of a conference call hearing.

10.080 ORAL ARGUMENT AT HEARING

respondent shall be limited to ten minutes; but, the petitioner may reserve up to five minutes for rebuttal.

- (2) No point raised by a party's memorandum of points and authorities shall be deemed waived by the party's failure to present the point in oral argument.
- (3) If a party fails to appear at the hearing, the court shall deem the cause as to that party submitted without oral argument. A party's failure to appear shall not preclude oral argument by the other party.

10.090 ENTRY OF JUDGMENT

The court shall enter its judgment within 7 days of the hearing or, if no hearing is held, within 7 days of the time provided for hearing in UTCR 10.070(1).

11.060 PREDISPOSITION INVESTIGATION

- (1) If an investigation report is prepared under ORS 419A.012, 419B.112(2)(a), and 419C.300, it shall be made available to the parties at least 7 days before the dispositional hearing, unless the parties stipulate to a shorter time.
- (2) If jurisdiction is contested, the court shall not read the report until after jurisdiction has been established.
- (3) If the investigation produces information which the Juvenile Department or other agency preparing the report concludes should not be divulged to the child, parents or counsel, that information must, on notice to the parties, be separated from the predisposition reports and must be divulged only pursuant to court order. If the court does not issue an order to divulge such information, the court shall set forth the reasons for its action.

11.070 TEMPORARY SUSPENSION OF VISITATION RIGHTS WHEN TERMINATION PETITION FILED

CHAPTER 12—Mediation

REPORTER'S NOTE: UTCR 12.500 - 12.760, Form 12.540.1a, and Form 12.540.2 were repealed effective August 1, 2005. Replacement rules will be adopted by Chief Justice Order as stand-alone mediation rules. These replacement rules will not be part of the UTCR nor will they be subject to the UTCR process. They will be posted at:
<http://www.courts.oregon.gov/rules/Pages/other.aspx>.

CHAPTER 13—Arbitration

13.010 APPLICATION OF CHAPTER

- (1) This UTCR chapter applies to arbitration under ORS 36.400 to 36.425 and Acts amendatory thereof but, except as therein provided, does not apply to any of the following:
 - (a) Arbitration by private agreement.
 - (b) Arbitration under any other statute.
 - (c) Matters exempt by ORS 36.400.
 - (d) Any civil action exempt from arbitration by action of a presiding judge under ORS 36.405.
- (2) Notwithstanding subsection (1), each judicial district may adopt an SLR requiring arbitration proceedings under ORS 742.505 and ORS 742.521 to be conducted pursuant to UTCR 13.140, 13.150, 13.170, 13.180, and 13.190.
- (3) This UTCR chapter on arbitration is not designed to address every question that may arise during the arbitration hearing. These rules give considerable discretion to the arbitrator. The arbitrator should not hesitate to exercise that discretion.

13.030 ARBITRATION COMMISSION

- (1) Each court must establish an arbitration commission.
- (2) The function of the arbitration commission is to supervise the arbitration program and to give advisory opinions relating to arbitration.
- (3) The arbitration commission must include both judge and attorney members and, as an ex officio member, the court administrator.

13.040 RELATIONSHIP TO COURT JURISDICTION AND APPLICABLE RULES

- (1) A case filed in the circuit court remains under the jurisdiction of that court in all phases of the proceedings, including arbitration. Except for the authority expressly given to the arbitrator by these rules, all issues shall be determined by the court of jurisdiction.
- (2) Until a case is assigned to the arbitrator, Oregon Rules of Civil Procedure apply. After a case is assigned to an arbitrator, these arbitration rules apply except where an arbitration rule states that a Rule of Civil Procedure applies.
- (3) Once a case is assigned to arbitration, all motions against the pleadings, all motions for discovery, and all similar pretrial motions not then resolved will be submitted to the arbitrator only and determined by the arbitrator. The arbitrator's determination, however, will apply only during the arbitration proceeding. If a request for trial *de novo* is filed, such matters may be raised again. If the arbitrator's decision on a pretrial motion will prejudice a party on trial *de novo*, that party may file an appropriate motion with the court.

13.050 ARBITRATION WHEN CASE ALREADY SET FOR TRIAL

- (1) Cases will not be assigned to arbitration within 63 days of the set trial date, except by order of the court.
- (2) A court order is not necessary if by stipulation the parties agree upon an arbitrator and agree upon a hearing date at least 28 days before the scheduled trial date.

13.060 PLEADINGS IN CASES SUBJECT OR NOT SUBJECT TO ARBITRATION

- (1) All civil actions (including domestic relations cases described under ORS 36.405(1)(b)) will be assigned to arbitration unless one of the following occurs:
 - (a) The title of a pleading contains the words "CLAIM NOT SUBJECT TO MANDATORY ARBITRATION" in compliance with subsection (3) of this rule.
 - (b) Any party files a notice, prior to the assignment to arbitration, that the case is not subject to mandatory arbitration. The notice must state grounds sufficient to exempt the case from mandatory arbitration.
 - (c) The court orders the case removed from mandatory arbitration under ORS 36.405(2).
- (2) Notice under part (1)(a) or (1)(b) of this rule does not prevent any party from asserting by appropriate motion, that the case is subject to mandatory arbitration.
- (3) A party must place one or the other of the following in the title of a pleading in the case (including a claim, counterclaim, cross claim, third-party claim, petition, and response): "SUBJECT TO MANDATORY ARBITRATION" or "CLAIM NOT SUBJECT TO MANDATORY ARBITRATION." When a party places the "NOT SUBJECT" language in the title of the pleading, the party gives notice to the court and other parties that the case is exempted from mandatory arbitration either clearly by statute or under these rules. This language must not be in the title of a pleading for any other purpose. A party's signature on pleadings containing such language constitutes the party's certificate of such notice under ORCP 17. In all other instances, the party will place the language in the title indicating the case is subject to mandatory arbitration.

13.070 EXEMPTION FROM ARBITRATION

Within 14 days after notification by the court that the case is assigned to arbitration, any party seeking exemption from arbitration must file and serve a "Motion for Exemption from Arbitration."

13.080 ASSIGNMENT TO ARBITRATOR

- (1) The parties may select an arbitrator by stipulation.
- (2) At the time of giving notice of the assignment to arbitration, the trial court administrator shall furnish a list of proposed arbitrators as well as a copy of the procedures for the selection of arbitrators and for setting an arbitration hearing. The procedures for selection of arbitrators shall be established by the arbitration commission.

- (3) An arbitrator shall be assigned under (1) or (2) of this rule within 21 days after the assignment to arbitration.

13.090 ARBITRATORS

- (1) Unless otherwise ordered or stipulated, an arbitrator must be an active member in good standing of the Oregon State Bar, who has been admitted to any Bar for a minimum of five years, or a retired or senior judge. The parties may stipulate to a nonlawyer arbitrator.
- (2) An arbitrator who is not a retired or senior judge or stipulated nonlawyer arbitrator must be an active member in good standing of the Oregon State Bar at the time of each appointment. During any period of suspension from the practice of law or in the event of disbarment, an arbitrator will be removed from the court's list of arbitrators and may reapply when the attorney is reinstated or readmitted to the bar.
- (3) Arbitrators will conduct themselves in the manner prescribed by the Code of Judicial Conduct.

13.100 AUTHORITY OF ARBITRATORS

An arbitrator has the authority to do all of the following, but may exercise the authority conferred only after the case is assigned to a specific arbitrator and any disputes over the assignment have been settled:

- (1) Decide procedural issues arising before or during the arbitration hearing, except issues relating to arbitrability or the qualification of an arbitrator. The court may entertain a challenge to the qualification of an arbitrator on grounds that could not be discovered prior to assignment of the arbitrator to the case.
- (2) Invite, with reasonable notice, the parties to submit trial briefs.
- (3) After notice to the parties, examine any site or object relevant to the case.
- (4) Issue a subpoena, enforceable in the manner described in ORS 36.675.
- (5) Administer oath or affirmations to witnesses.
- (6) Rule on the admissibility of evidence in accordance with these rules.
- (7) Determine the facts, apply the law and make an award; perform other acts as authorized by these rules.
- (8) Determine the place, time and procedure to present a motion before the arbitrator, including motions for Summary Award (known as Summary Judgment under ORCP).
- (9) Require a party, an attorney advising each party, or both, to pay the reasonable expenses, including attorney fees, caused by the failure of such party or attorney or both, to obey an order of the arbitrator.
- (10) Award attorney fees as authorized by these rules, by contract or by law.

13.110 ARBITRATOR'S OATH

Arbitrators will be required to execute the following oath in writing on a form provided by the trial court administrator at the time of appointment:

I solemnly affirm that I will faithfully and fairly hear and examine the matters in controversy and that I will make a just award to the best of my understanding.

13.120 COMPENSATION OF ARBITRATOR

- (1) The arbitration commission shall establish a compensation schedule for arbitrators. If the arbitrator suggests that extraordinary conditions justify a different fee, and the parties concur, the fee may be adjusted accordingly. If the parties, or any of them, do not concur, the arbitrator shall direct an inquiry to the court for determination of the appropriate fee.
- (2) Within 14 days of the appointment of the arbitrator, each party must tender to the arbitrator a pro rata share of the preliminary payment for the arbitrator. Any deposit in excess of the arbitrator's actual fee will be refunded to the parties. Regardless of whether the arbitration hearing is conducted, the parties must pay a proportionate share of the arbitrator's fee. The arbitrator must submit to each party an itemized statement.
- (3) Relief from the payment of arbitration fees, in whole or in part, as provided for in ORS 36.420(3) must be applied for immediately upon a case or a small claim becoming eligible for arbitration. The court will provide the arbitrator with a copy of any order waiving or deferring all or any part of the fees.
- (4) If a party fails to tender to the arbitrator the party's pro rata share of the preliminary payment under subsection (2) of this rule and fails to obtain a waiver or deferral of arbitration fees under subsection (3) of this rule, the arbitrator may preclude the party from appearing or participating in the arbitration. The failure of a party to appear or participate in the arbitration proceeding by reason of failing to pay the arbitrator fee or obtain a waiver or deferral of the fee does not affect the ability of the party to appeal the arbitrators decision and award in the manner provided by ORS 36.425.
- (5) Any dispute as to the amount of the arbitrator's fee must be submitted to the court.
- (6) The arbitrator's fee may be considered a recoverable item of costs.
- (7) At the conclusion of the arbitration process, the court may enter a judgment in the arbitrator's favor and against any party who has not paid the arbitrator's fee in accordance with the schedule established under paragraph (1).

13.130 RESTRICTIONS ON COMMUNICATION BETWEEN ARBITRATOR, PARTIES AND ATTORNEYS

Unless all parties otherwise agree, no disclosure of any offers or settlement made by any party shall be made to the arbitrator prior to the announcement of the award. Neither counsel nor a party may communicate with the arbitrator, regarding the merits of the case, except in the presence of, or on reasonable notice to, all other parties.

Except for Rules 1, 4.1 to 4.3, 4.5 to 4.10, and 5 of the Code of Judicial Conduct, all rules of professional conduct concerning Bench and Bar apply in the arbitration process.

13.140 DISCOVERY

Discovery shall be conducted in accordance with Oregon Rules of Civil Procedure, and all motions shall be determined by the arbitrator. The arbitrator shall balance the benefits of discovery against the burdens and expenses. The arbitrator shall consider the nature and complexity of the case, the amount of controversy, and the possibility of unfair surprise that may result if discovery is restricted.

13.150 SUBPOENA

In accordance with the Oregon Rules of Civil Procedure, a lawyer of record or the arbitrator may issue a subpoena for the attendance of a witness at the arbitration hearing or for the production of documentary evidence at the hearing.

13.160 SCHEDULING OF THE HEARING

- (1) The arbitrator shall set the time, date and place of hearing and shall give reasonable notice of the hearing date to the parties and comply with ORS 36.420. The arbitrator shall also give notice of the hearing date and any continuance to the trial court administrator.
- (2) A court may adopt a supplementary local rule establishing a deadline for the arbitration hearing and a process for obtaining a postponement or continuance. A supplementary local rule may not allow the arbitration process to extend more than six months from the date the case is assigned to an arbitrator. In the absence of a supplementary local rule adopted pursuant to this section, the requirements set forth below in sections (3) and (4) shall apply.
- (3) Except for good cause shown, the hearing must be scheduled to take place not sooner than 14 days, or later than 49 days, from the date of assignment of the case to the arbitrator. The parties may stipulate to a postponement or continuance only with the permission of the arbitrator. Such postponements or continuances must also be within the 49-day period. Any continuances or postponements beyond such period require the arbitrator to obtain approval of the presiding judge. The arbitrator must give notice of any continuance to the trial court administrator.
- (4) Continuances and postponements shall not be granted except in the more unusual circumstances. Approximately two months are allocated for the arbitration process. The arbitrator is given the power to enforce the rules and will be required to maintain the schedule.

13.170 PREHEARING STATEMENT OF PROOF

- (1) At least 14 days prior to the date of the arbitration hearing, each party must submit to the arbitrator and serve upon all other parties all the following:
 - (a) A list of all exhibits to be offered showing or accompanied by a description of the document and the name, address and telephone number of its author or maker and complying with UTCR 13.190(2)(c). Each party, upon request, must make any exhibits available for inspection and copying by other parties.

- (b) A list of witnesses the party intends to call at the arbitration hearing with their addresses and telephone numbers and a statement of the matters about which each witness will be called to testify.
 - (c) An estimate as to the expected length of the hearing.
- (2) A party failing to comply with this rule, or failing to comply with a discovery order, may not present at the hearing any witness or exhibit required to be disclosed or made available, except with the permission of the arbitrator.
 - (3) Each party must also furnish the arbitrator, at least 14 days prior to the arbitration hearing, with copies of pleadings and other documents contained in the court file which that party deems relevant.

13.180 CONDUCT OF HEARING

- (1) Arbitration hearings shall be informal and expeditious. The arbitrator shall exercise reasonable control over the mode and order of interrogating witnesses and presenting evidence so as to do the following:
 - (a) Make the interrogation and presentation effective for the ascertainment of the facts.
 - (b) Avoid needless consumption of time.
 - (c) Protect witnesses from harassment or undue embarrassment.
- (2) A witness shall be placed under oath or affirmation prior to presenting testimony, a violation of which oath shall be deemed contempt of court, in addition to other penalties that may be provided by law. The arbitrator may question the witness. The extent to which the rules of evidence will be applied shall be determined in the discretion of the arbitrator.
- (3) The hearing may be recorded electronically or otherwise by any party or the arbitrator. The cost of such recording is not a recoverable item of cost.

13.190 CERTAIN DOCUMENTS ADMISSIBLE

- (1) The documents listed in subsection (2) of this rule, if relevant, are admissible at an arbitration hearing, but only if:
 - (a) The party offering the document has included in the prehearing statement of proof a description of the document and the name, address and telephone number of its author or maker, at least 14 days prior to the hearing; and
 - (b) The party offering the document promptly has made available, after request, to all other parties, all other documents from the same author or maker.
- (2) The following documents are subject to this rule:
 - (a) A bill, report, chart or record of a hospital, doctor, dentist, registered nurse, licensed practical nurse, physical therapist, psychologist or other health care provider on a letterhead or a printed bill.

- (b) A bill for drugs, medical appliances or other related expenses on a letterhead or a printed bill.
 - (c) A bill for, or an estimate of, property damage on a letterhead or a printed bill. In the case of an estimate, the party intending to offer the estimate must forward with the prehearing statement of proof under UTCR 13.170 a statement indicating whether or not the property was repaired, and if it was, whether the estimated repairs were made in full or in part, attaching a copy to the receipted bill showing the items of repair and the amount paid.
 - (d) A police, weather, wage loss or traffic signal report or standard life expectancy table.
 - (e) A photograph, x-ray, drawing, map, blueprint or similar documentary evidence.
 - (f) The written statement of any witnesses, including the written report of an expert witness which may include a statement of the expert's qualifications, and including a statement of opinion which the witness would express if testifying in person, if it is made by affidavit or by declaration under penalty of perjury.
 - (g) A document not specifically covered by any of the foregoing provisions, but having equivalent circumstantial guarantees of trustworthiness, the admission of which would serve the policies, purposes and interests of justice.
- (3) Any other party may subpoena the author or maker of a document admissible under this rule, at that party's expense, and examine the author or maker as if under cross-examination.

13.200 ABSENCE OF PARTY AT HEARING

- (1) The arbitration hearing may proceed and an award may be made in the absence of any party who, after due notice, fails to participate or to obtain a continuance or postponement.
- (2) If a defendant is absent, the arbitrator shall require the plaintiff to submit evidence sufficient to support an award.
- (3) In a case involving more than one defendant, the absence of a defendant does not preclude the arbitrator from assessing as part of the award damages against the defendant or defendants who are absent.
- (4) The arbitrator, for good cause shown, may allow an absent party an opportunity to appear at a subsequent hearing before making an award.

13.210 FORM AND CONTENT OF AWARD

- (1) The award must be in writing and prepared on a form prescribed by the court and signed by the arbitrator.
- (2) The arbitrator shall determine all issues raised by the pleadings, including a determination of any damages, costs and attorney fees where allowed under applicable law.
- (3) Findings of fact, conclusions of law and written opinions are not required.

- (4) The award must contain the caption of the case and all the following information:
 - (a) The date of the hearing, if any.
 - (b) The prevailing party and the amount of relief awarded.
 - (c) Whether any part of the award was based on the failure of any party to appear and the identity of that party.
 - (d) The name and office address of the arbitrator.
 - (e) Provision for costs and for attorney fees where allowed under applicable law.
 - (f) Interest in accordance with applicable law specifying the rate of interest and the date from which it accrues.
- (5) Within 28 days after the conclusion of the arbitration hearing, the arbitrator shall send the award to the parties without filing with the court and shall establish procedures for determining attorney fees and costs.
- (6) In dissolution cases, the arbitrator shall send the award to the parties within 28 days after the conclusion of the arbitration hearing and shall direct a party to prepare and submit a form of judgment. The arbitrator, upon request of any party, shall give the parties an opportunity to be heard on the form of judgment. The arbitrator shall then approve a form of judgment and file the award, along with the approved form of judgment, per UTCR 13.220.

1988 Commentary:

It is the intent of the Committee that 13.210(2) applies in dissolution cases.

1994 Commentary:

The Committee intends that the arbitrator determine all costs to which the prevailing party may be entitled, including the prevailing fee and share of the arbitrator's fee.

13.220 FILING OF AN AWARD

- (1) In all cases, the arbitrator shall file the award with the trial court administrator, together with proof of service of a copy of the award upon each party, within 42 days after the conclusion of the arbitration hearing.
- (2) An arbitrator may request an extension of time for filing of the award by presenting a written *ex parte* request to the trial court administrator. The trial court administrator may grant or deny the request, subject to review of the presiding judge. The arbitrator shall give the parties notice of any extension granted.
- (3) The arbitrator may file with the trial court administrator and serve upon the parties an amended award to correct an obvious error made in stating the award if done within the time for filing an award or upon application to the court to amend.
- (4) After the award is filed, the arbitrator must return all documents and exhibits to the parties who originally offered them. All other documents and materials relating to the case must

be delivered to the trial court administrator. The parties must retain all exhibits returned by the arbitrator until a final judgment is entered in the case.

13.240 JUDGMENT ON AWARD

If no request for trial *de novo* is filed within the time established by ORS 36.425(3), a judgment shall be prepared based on the arbitration decision and award and submitted to the court to be entered.

13.250 REQUEST FOR TRIAL *DE NOVO*

- (1) A party who qualifies under ORS 36.425(2) may obtain a trial *de novo* on the case determined by completing the service, filing, payment of trial or jury fee and deposit as required under ORS 36.425(2).
- (2) In addition to the provisions under ORS 36.425 relating to a trial *de novo*, the following provisions apply:
 - (a) In addition to filing a written notice of appeal and request for trial *de novo* with the trial court administrator, the party must serve on the parties a copy of the written notice of appeal and request for a trial *de novo* filed with the trial court administrator, and proof of such service must be filed with the trial court administrator.
 - (b) When cases are consolidated for arbitration and a party has filed an appeal from the arbitration award in one or more of the consolidated cases, any other party who otherwise qualifies under ORS 36.425(2) may serve and file with the trial court administrator a request for trial *de novo*, with proof of service on all other parties, within 20 days from the filing of the arbitration award or within two judicial days after the service of the initial written request for trial *de novo*, notwithstanding the lapse of 20 days from the filing of the arbitration award.
 - (c) If the trial *de novo* request is withdrawn, or abandoned, such appealing party must obtain permission of the court or there must be a stipulation of all parties to the abandonment of the appeal and the terms thereof.
 - (d) Cross appeal is not necessary to preserve issues raised in a counterclaim, because the trial *de novo* encompasses all claims raised by any party in the particular case appealed.
 - (e) The court may assess statutory costs against a party who withdraws a request for trial *de novo*.

13.260 PROCEDURE AT TRIAL *DE NOVO*

The trial court administrator must seal any award if a trial *de novo* is requested. Neither judge nor jury will be informed of the arbitration result. The sealed arbitration award will not be opened until after the verdict is received and filed in a jury trial or until after the judge has rendered a decision in a court trial.

13.280 TRIAL DOCKET

Every case assigned to arbitration shall maintain its approximate position on the civil trial docket as if the case had not been assigned to arbitration, unless, at the discretion of the court, the docket position should be modified.

13.300 PRETRIAL SETTLEMENT CONFERENCES AND ARBITRATION

Cases assigned to arbitration or the pendency of an arbitration hearing does not exclude a case from participating in a court pretrial settlement conference.

CHAPTER 19—Contempt Proceedings

NOTE: The rules in UTCR Chapter 19 were adopted pursuant to ORS 33.145 by the Oregon Supreme Court. They were originally adopted as Temporary Oregon Contempt Rules (TOCR) by the Supreme Court on the 27th of September, 1991, by Supreme Court Order No. 91-078. Although not originally adopted as UTCR, these rules were amended by the Supreme Court and added to the UTCR effective August 1, 1993, by Supreme Court Order No. 93-035. Even though added to the UTCR for purposes of citation, comment, and proposed changes, the rules in this UTCR chapter will continue to be changed only by action of the Supreme Court as provided under ORS 33.145.

19.010 SCOPE, CONSTRUCTION, APPLICATION

- (1) The rules in this UTCR chapter govern contempt proceedings under ORS 33.015 to 33.155 and are intended to promote efficient and fair resolution of contempt proceedings. The rules in this chapter will be changed only by action of the entire Supreme Court.
- (2) The rules in this chapter do not preclude courts from exercising their inherent authority in contempt proceedings over matters not covered by rule or statute, so long as that exercise fosters efficient and fair resolution of the matter.

19.020 INITIATING INSTRUMENT REQUIREMENTS AND MAXIMUM SANCTIONS

- (1) In addition to any other requirements for initiating instruments, the initiating instrument in a contempt proceeding under ORS 33.055 (remedial) or ORS 33.065 (punitive), must state:
 - (a) In the caption, the word “remedial” or “punitive,” as appropriate, and the words “violation of restraining order,” if appropriate.
 - (b) In the instrument:
 - (i) The maximum sanction(s) that the party seeks;
 - (ii) Whether the party seeks a sanction of confinement; and
 - (iii) As to each sanction sought, whether the party seeking the sanction considers the sanction remedial or punitive.
- (2) If a party is initiating a contempt proceeding under ORS 33.055 (remedial) and a related circuit court case exists, the party must initiate the contempt proceeding by filing a motion in the related case.
 - (a) For purposes of the court’s electronic case management system, the trial court administrator will treat the contempt proceeding as a separate case.
 - (b) Any subsequent filing by any party in the contempt proceeding must include both case numbers, with the contempt proceeding case number appearing first.
- (3) An initiating instrument in a contempt proceeding under ORS 33.055 (remedial) that initiates a new circuit court case must state, in the first paragraph:
 - (a) If arising from a justice court or municipal court proceeding, the court name, the case name and number, and a description of the nature of that proceeding;

- (b) If arising from an agency proceeding other than a child support proceeding, the agency name, the agency case name and number, and a description of the nature of that proceeding; or
 - (c) If arising from an agency proceeding that is a juvenile proceeding, the information required in paragraph (b) of this section as to any applicable agency or department, and any applicable juvenile department petition number.
- (4) An accusatory instrument in a contempt proceeding under ORS 33.065 (punitive) must state, as applicable:
- (a) In the caption, if arising from an existing circuit court case, the words “Related to [Court Name] Case No. [Case Number].”
 - (b) In the first paragraph:
 - (i) If arising from an existing circuit court case, the court name, the case name and number, and the nature of that case;
 - (ii) If arising from an existing juvenile court case, the court name, the case name and number, the juvenile department petition number, if any, and the nature of that case;
 - (iii) If arising from a justice court or municipal court proceeding, the court name, the court case name and number, and a description of the nature of that proceeding;
 - (iv) If arising from an agency proceeding, the agency name, the agency case name and number, and a description of the nature of that proceeding; or
 - (v) If arising from a juvenile proceeding, the information required in paragraph (b)(iv) of this section as to any applicable agency or department, and any applicable juvenile department petition number.
- (5) Maximum Sanction Imposed

The court shall not impose a sanction greater than the sanction sought. A punitive sanction is presumed greater than a remedial sanction. A punitive sanction of confinement is presumed greater than other punitive sanctions. A remedial sanction of confinement is presumed greater than other remedial sanctions.

19.030 ALLOWING REMEDIAL SANCTIONS

Rules that apply to allowing remedial sanctions in a proceeding for only remedial sanctions under ORS 33.055 also apply to allowing remedial sanctions in a proceeding for punitive sanctions under ORS 33.065.

19.040 APPLICABILITY OF ORCP AND OTHER UTCR

- (1) To the extent rules in this chapter are inconsistent with other applicable rules, the rules in this chapter govern contempt proceedings under ORS 33.015 to 33.155. Except as otherwise provided in this chapter:
 - (a) Oregon Rules of Civil Procedure (ORCP) and Oregon Rules of Appellate Procedure (ORAP) apply respectively to original and appellate contempt proceedings for remedial sanctions under ORS 33.055;
 - (b) UTCR that govern civil proceedings apply to original proceedings for remedial sanctions under ORS 33.055;
 - (c) UTCR and ORAP that govern criminal proceedings apply respectively to original and appellate contempt proceedings for punitive sanctions under ORS 33.065.
- (2) On its own motion or that of a party in a contempt proceeding for remedial sanctions, a court may determine that a specific rule of procedure would not foster the fair and efficient resolution of the contempt proceeding.
 - (a) When a court makes that determination, it may modify the specific rule or adopt a different rule for all or part of the proceeding, so long as the modified or new rule fosters the fair and efficient resolution of the proceeding. Under this rule, the court may increase or decrease time limits or may limit or exclude responsive pleadings, or both, and may also modify other rule provisions.
 - (b) The court must give all parties to the proceeding notice that describes the modified or new rule. The notice must be in writing or on the record or both.

19.050 EXCEPTIONS TO AND LIMITATIONS ON APPLICABLE ORCP IN REMEDIAL PROCEEDINGS

Notwithstanding UTCR 19.040, in contempt proceedings for remedial sanctions:

- (1) Unless the court determines that other claims should be joined for fair resolution of the contempt matter, only the following claims may be joined with a contempt claim:
 - (a) Claims that arise out of the order or judgment that the contemnor allegedly violated;
 - (b) Claims that involve facts and issues that would necessarily be determined in the contempt proceeding; and
 - (c) Other claims for contempt arising out of a related matter.
- (2) ORCP references to “complaint” include the initiating instrument in a contempt proceeding.
- (3) ORCP applicable to juries and jury trials apply only when a statute or constitution provides a specific right to jury trial in a contempt proceeding and a party claims that right.
- (4) A party may amend a pleading only on motion and with the court’s approval.
- (5) The following ORCP do not apply: 3, 5, 21 C, 21 D, 21 E, 23 A, 24 A, 24 B, 25 A, 32, 54 A(1), 54 E, 66, 73, 81 A, 81 C, 82 A(3), 84, and 85.

CHAPTER 20—Voluntary Arbitration

This chapter reserved for future use.

CHAPTER 21—Filing and Service by Electronic Means; Electronic Files of the Court

21.010 DEFINITIONS

The following definitions apply to this chapter:

- (1) “Conventional filing” means a process whereby a filer files a paper document with the court.
- (2) “Electronic filing” means the process whereby a filer electronically transmits to a court a document in an electronic form to initiate an action or to be included in the court file for an action.
- (3) “Electronic filing system” means the system provided by the Oregon Judicial Department for the electronic filing and the electronic service of a document via the Internet, excluding the electronic filing of a criminal citation under ORS 133.073. A filer may access the system through the Oregon Judicial Department’s website (<http://www.courts.oregon.gov/Pages/default.aspx>).
- (4) “Electronic service” means the electronic transmission of a notice of filing by the electronic filing system to the electronic mail (email) address of a party who has consented to electronic service under UTCR 21.100(1). The notice will contain a hyperlink to access a document that was filed electronically for the purpose of accomplishing service.
- (5) “Filer” means a person registered with the electronic filing system who submits a document for filing with the court.
- (6) “Service contact” means any party to be served electronically by the electronic filing system, through email notification.
- (7) “Other service contact” means any person associated with the filer for purposes of an action whom the filer wishes to receive email notification from the electronic filing system of documents electronically served in the action. An “other service contact” includes another lawyer, administrator, or staff from the filer’s place of business, or another person who is associated with the filer regarding the action or otherwise has a legitimate connection to the action.

21.020 LOCAL RULES OF COURT NOT PERMITTED

No circuit court may make or enforce any local rule, other than those local rules authorized by UTCR 4.090, governing the electronic filing and electronic service of documents.

21.030 FILERS

- (1) Authorized Filers
 - (a) Any person who completes an online registration form and obtains a login under subsection (b) of this section is an authorized filer in the electronic filing system.
 - (b) A filer must complete an online registration form to request a login for access to the electronic filing system and must execute a user agreement. The filer must provide information sufficient to establish the filer’s technical capacity to send and receive

electronic filings and court notices. On receipt of the required information, the electronic filing system will send an email to the filer with an activation link and login information.

(2) Conditions of Electronic Filing

To have access to the electronic filing system, each filer agrees to, and must:

- (a) Register for access to the electronic filing system;
- (b) Comply with the registration conditions when using the electronic filing system;
- (c) Maintain one or more operative email addresses at which the filer agrees to accept email notifications from the electronic filing system and electronic service of documents, provided that the filer has consented to electronic service in an action as provided in UTCR 21.100(2); and
- (d) Furnish required information for case processing.

21.040 FORMAT OF DOCUMENTS TO BE FILED ELECTRONICALLY

- (1) A document submitted electronically to the court must be in the form of a text-searchable Portable Document Format (PDF) or a text-searchable Portable Document Format/A (PDF/A) file that does not exceed 25 megabytes. The PDF or PDF/A document must allow copying and pasting text into another document, as much as practicable. A document that exceeds the size limit must be broken down and submitted as separate files that do not exceed 25 megabytes each. A filer submitting separate files under this section must include in the Filing Comments field for each submission a description that clearly identifies the part of the document that the file represents, for example, "Motion for Summary Judgment, part 1 of 2."
- (2) Except as provided in subsections (a) or (b) of this section, when a document to be electronically filed incorporates a documentary exhibit, an affidavit, a declaration, a certificate of service, or another document, the electronic filing must be submitted as a unified single PDF file, rather than as separate electronically filed documents, to the extent practicable. An electronic filing submitted under this section that exceeds 25 megabytes must comply with section (1) of this rule.
 - (a) If an electronic filing consists of a motion or similar document and a corresponding proposed order, judgment, or any other document that requires court signature, the filer must submit the document requiring court signature through the eFiling system as a separate electronically filed document from the motion. A filer submitting separate documents under this subsection must include in the Filing Comments field for each submission a description that clearly identifies the filing, for example, "Motion for Summary Judgment" and "Proposed Order Granting Motion for Summary Judgment."
 - (b) If an electronic filing is filed in a case that is not confidential by statute or rule, but includes an incorporated document that is confidential or otherwise exempt from disclosure, the filer must submit the incorporated document through the eFiling system as a separate electronically filed document. When submitting a confidential document through the eFiling system under this subsection, a filer must designate the document as confidential. A filer submitting separate documents under this

subsection must include in the Filing Comments field for each submission a description that clearly identifies the filing, for example, “Motion for Stay” and “Confidential Attachment to Motion for Stay.” A filer otherwise eFiling any confidential document, or any document in a case that is confidential by statute or rule, also must comply with UTCR 21.070(6) and (7).

- (c) The reference in section (2) to an affidavit and a declaration applies to only an affidavit or a declaration that is an incorporated document.
- (3) A proposed order or judgment, or any other document that requires court signature that is submitted electronically, must include, for the purpose of affixing a signature and signature date, a blank space of not less than 1.5 inches and a blank line following the last line of text.

Example:

Petitioner’s motion for a stay is granted. The proceedings in this action are held in abeyance pending further notification from petitioner of completion of the conditions set out in this order.

(at least 1.5 inches of blank space following last line of text)

- (4) When viewed in an electronic format and when printed, a submitted document must comply with the requirements of ORCP 9 E and UTCR 2.010 except as to any requirement that a document bear a physical signature when filed.
- (5) When submitting an electronic filing that creates a new case or adds a party to an existing case,
 - (a) A filer must enter into the “Add Party” screen the names of all known parties or all parties being added; and
 - (b) A filer must enter party names in proper case, for example, “John Doe” and not “JOHN DOE.”
- (6) The court may reject submitted documents that do not comply with these provisions as provided in UTCR 21.080(5).

21.050 PAYMENT OF FEES

- (1) Payment Due on Filing

A filer must pay the filing fees for filing a document electronically at the time of electronic filing.

(2) Fee Waivers and Deferrals

- (a) Except as provided in subsection (b) of this rule, a filer may apply for a waiver or deferral of court fees and costs, as provided in ORS 21.682 and ORS 21.685, when submitting for electronic filing a document that constitutes an appearance, motion, or pleading for which a fee is required, with an accompanying application for a waiver or deferral of a required fee. The document will not be accepted for filing unless the court grants the fee waiver or deferral.
- (b) A filer may not electronically apply for a waiver or deferral of court fees when submitting a document that initiates an action, as provided in UTCR 21.070(3)(f).

21.060 FILES OF THE COURT

(1) Electronic Filing

- (a) The electronic filing of a document is accomplished when a filer submits a document electronically to the court, the electronic filing system receives the document, and the court accepts the document for filing.
- (b) When the court accepts the electronic document for filing, the electronic document constitutes the court's record of the document.

(2) Converting a Conventional Filing into an Electronic Format

The court may digitize, microfilm, record, scan, or otherwise reproduce a document that is filed conventionally into an electronic record, document, or image. The court subsequently may destroy a document that is filed conventionally in accordance with the protocols established by the State Court Administrator under ORS 8.125(11) and ORS 7.124.

(3) Register of Actions

The following apply whether or not a document is electronically filed with the court:

- (a) For the purpose of ORS 7.020(1) and (2), the date that a document was filed displays in the date column of the register of actions for the case in the court's electronic case management system.
- (b) For the purpose of ORS 7.020(2), entry occurs on the date an event is created in the register of actions.

21.070 SPECIAL FILING REQUIREMENTS

(1) Courtesy Copies and Other Copies

- (a) The court may require that a filer submit, in the manner and time specified by the court, a copy of the document that was filed electronically and a copy of the submission or acceptance email from the electronic filing system.
- (b) When a filer submits a document for conventional filing or electronic filing, the filer need not submit for filing additional copies of that document unless otherwise required by the court.

- (c) If the petitioner in a post-conviction relief proceeding filed under ORS 138.510 intends to rely on the contents of the underlying circuit court criminal case file to support the allegations in the petition filed under ORS 138.580, then the petitioner must so state in the petition. If the petitioner intends to rely on some, but not all, of the contents of the underlying case file, then the petitioner must identify with reasonable specificity the materials on which the petitioner intends to rely. The petitioner need not attach to the petition, as part of evidence supporting the allegations, any document from the underlying case file.
 - (i) This subsection applies only if the underlying criminal case was filed on or after the date that the circuit court in which the conviction was entered began using the Oregon eCourt Case Information system.
 - (ii) The date that each circuit court began using the Oregon eCourt Case Information system is available at <http://www.courts.oregon.gov/programs/ecourt/Pages/Implementation-Map-2011-2016.aspx>.

(2) Court Order Requiring Electronic Filing and Electronic Service

Except for any document that requires service under ORCP 7 or that requires personal service, the court may, on the motion of any party or on its own motion, order any party not already otherwise so required to file or serve all documents electronically, after finding that such an order would not cause undue hardship or significant prejudice to any party.

(3) Documents that Must be Filed Conventionally

The following documents must be filed conventionally:

- (a) An accusatory instrument that initiates a criminal action, except as otherwise provided by ORS 133.073.
- (b) A petition that initiates a juvenile delinquency proceeding under ORS 419C.250.
- (c) A document that initiates an extradition proceeding under ORS 133.743 to 133.857.
- (d) An initiating instrument in a contempt proceeding, including for purposes of this rule a motion and supporting documentation filed contemporaneously with the motion under ORS 33.055 (remedial) or an accusatory instrument that initiates a contempt proceeding and supporting documentation filed contemporaneously with the initiating instrument under ORS 33.065 (punitive).
- (e) A notice of appeal from a justice court or municipal court judgment under ORS 138.057 or ORS 157.020(1), a justice court order under ORS 157.020(2), or a municipal court conviction under ORS 221.359.
- (f) A document that initiates an action that is accompanied by an application for a waiver or deferral of a required fee.
- (g) A document filed under seal or subject to in camera inspection, including a motion requesting that a simultaneously filed document be filed under seal or subject to in camera inspection, except that a document may be electronically filed in an adoption case.

- (h) Except as provided in UTCR 21.090(4), a document that is required by law to be filed in original form, such as, but not limited to, an original will, a certified document, or a document under official seal.
 - (i) If applicable law requires an original document to be filed simultaneously with another document that is electronically filed, the filer must electronically file an image of the original document with the other electronically filed document and then conventionally file the original document within 7 business days after submitting the electronic filing. An original document conventionally filed under this paragraph is deemed filed on the date of filing of the electronically filed image of the same document.
 - (ii) If the filer elects to electronically file an image of an original document as set out in paragraph (h)(i) of this subsection, the filer must include in the Filing Comments field a statement that the electronic filing submission includes an image of an original document and that the filer will conventionally file the original document within 7 business days.
 - (iii) If the filer elects to electronically file an image of an original document as set out in paragraph (h)(i) of this subsection, when conventionally filing the original document, the filer must include a notification to the court that the image was previously electronically filed.
- (i) A negotiable instrument tendered under UTCR 2.060 for entry of notation of judgment.
- (j) A document delivered to the court under ORCP 55 (H)(2)(c).
- (k) A Driver and Motor Vehicle Services Branch of the Oregon Department of Transportation (DMV) record, as defined in UTCR 10.020(1).
- (l) A petition or motion for waiver of the mandatory eFiling requirement, as set out in UTCR 21.140(3).
- (m) Any stipulated or *ex parte* matter listed in SLR 2.501 in a Judicial District's Supplementary Local Rules.
- (n) An undertaking that is accompanied by a deposit as security for the undertaking.
- (o) A demonstrative or oversized exhibit.
- (p) Trial exhibits, which must be submitted or delivered as provided in UTCR 6.050.

(4) Consolidated Cases

Unless provided otherwise by court order or SLR adopted under UTCR 2.090, a party electronically filing a document that is applicable to more than one case file must electronically file the document in each case using existing case numbers and captions.

(5) Expedited Filings

A filer who submits an expedited filing through the eFiling system:

- (a) Must include the words "EXPEDITED CONSIDERATION REQUESTED" in the Filing Comments field when submitting the filing; and

- (b) May notify the court by email or telephone, as designated on the court's judicial district website, that an expedited filing has been eFiled in the case.
- (6) Filings in Confidential Cases Made Confidential by Statute or Rule, and Other Confidential Filings
- (a) Except as provided in subsection (b) of this section, if a case is confidential by statute or rule, a filer submitting a document in the case through the eFiling system must not designate the document as confidential, because the case itself already is designated as confidential.
 - (b) Notwithstanding subsection (a) of this section, and as additionally provided in section (7) of this rule, if a particular document type is deemed confidential by statute or rule within a case type deemed confidential by statute or rule, a filer submitting such a document through the eFiling system must designate the document as confidential.
 - (c) If a confidential document is being submitted in a case that is not confidential by statute or rule, a filer submitting such a document through the eFiling system must designate the document as confidential.
- (7) Filings in Adoption Cases
- (a) Initiating documentation in an adoption case must be submitted as a unified single PDF file, rather than as separate electronically filed documents, to the extent practicable and except as otherwise provided in subsection (c) of this section. An electronic filing submitted under this subsection that exceeds 25 megabytes must comply with UTCR 21.040(1).
 - (b) The petition and related exhibits required under ORS 109.315(3) and 109.385(9) must be filed as a unified single PDF. Filers in adoption proceedings initiated under ORS 419B.529 must submit the initiating document and related exhibits as a unified single PDF. When submitting a filing identified in this subsection through the eFiling system, a filer must not designate the filing as confidential, because the case type "adoption" already is designated as confidential.
 - (c) An Adoption Summary and Segregated Information Statement (ASSIS) and related exhibits filed under ORS 109.317(2), ORS 109.385(10), and ORS 419B.529(2) must be filed separately from the petition or initiating document and related exhibits as a unified single PDF that includes both the ASSIS and any ASSIS exhibit. When submitting a filing identified in this subsection through the eFiling system, a filer must designate the document as confidential because the unified document containing the ASSIS and any ASSIS exhibit is segregated from other documents in the case file.

21.080 ELECTRONIC FILING AND ELECTRONIC FILING DEADLINES

- (1) A filer may use the electronic filing system at any time, except when the electronic filing system is temporarily unavailable.
- (2) The filing deadline for any document filed electronically is 11:59:59 p.m. in the time zone where the court is located on the day the document must be filed.
- (3) The court considers a document submitted for an electronic filing when the electronic filing system receives the document. The electronic filing system will send an email to the filer

that includes the date and time of receipt, unless the filer has elected through system settings not to receive the email.

- (4) If the court accepts the document for filing, the date and time of filing entered in the register relate back to the date and time the electronic filing system received the document. When the court accepts the document, the electronic filing system will affix the date and time of submission on the document, thereby indicating the date and time of filing of the document. When the court accepts a document for filing, the electronic filing system sends an email to the filer, unless the filer has elected through system settings not to receive the email.
 - (a) The provisions of this subsection do not apply to a proposed order or judgment, or to any other document that requires court signature, that is electronically filed.
 - (b) When the court accepts a proposed order or judgment or any other document that requires court signature through the electronic filing system, the document is deemed submitted for judge review.
- (5) If the court rejects a document submitted electronically for filing, the electronic filing system will send an email to the filer that explains why the court rejected the document, unless the filer has elected through system settings not to receive the email. The email will include a hyperlink to the document.
 - (a) A filer who resubmits a document within 3 days of the date of rejection under this section may request, as part of the resubmission, that the date of filing of the resubmitted document relate back to the date of submission of the original document to meet filing requirements. If the third day following rejection is not a judicial day, then the filer may resubmit the filing with a request under this subsection on the next judicial day. For purposes of this subsection, resubmission means submission of the document through the electronic filing system under section (3) of this rule or physical delivery of the document to the court. A filer who resubmits a document under this subsection must include:
 - (i) A cover letter that sets out the date of the original submission and the date of rejection and that explains the reason for requesting that the date of filing relate back to the original submission, with the words “RESUBMISSION OF REJECTED FILING, RELATION-BACK DATE OF FILING REQUESTED” in the subject line of the cover letter; and
 - (ii) If an electronic resubmission, the words “RESUBMISSION OF REJECTED FILING, RELATION-BACK DATE OF FILING REQUESTED” in the Filing Comments field.
 - (b) A responding party may object to a request under subsection (a) of this section within the time limits as provided by law for the type of document being filed. For the purpose of calculating the time for objection provided by law under this subsection, if applicable, the date of filing is the date that the document was resubmitted to the court under subsection (a) of this section.
- (6) If the eFiling system is temporarily unavailable or if an error in the transmission of the document or other technical problem prevents the eFiling system from receiving a document, the court may, upon satisfactory proof, permit the filing date of the document to relate back to the date that the eFiler first attempted to file the document to meet filing

requirements. Technical problems with the filer's equipment or attempted transmission within the filer's control will not generally excuse an untimely filing.

- (a) A filer seeking relation-back of the filing date due to system unavailability or transmission error described in this section must comply with the requirements in subsection (5)(a) of this rule.
 - (i) The cover letter described in subsection (5)(a)(i) must include the date of the original attempted submission and the date that the filer was notified that the submission was not successful, and explain the reason for requesting that the date of filing relate back to the original submission, with the words "RESUBMISSION OF FILING, SUBMISSION UNSUCCESSFUL, RELATION-BACK DATE OF FILING REQUESTED" in the subject line of the cover letter.
 - (ii) The Filing Comment field notification for an electronic resubmission described in subsection (5)(a)(ii) must include the words "RESUBMISSION OF FILING, SUBMISSION UNSUCCESSFUL, RELATION-BACK DATE OF FILING REQUESTED."
 - (iii) The filer may include supporting exhibits that substantiate the system malfunction together with the filer's cover letter.
- (b) A responding party may object in the same manner and subject to the same time calculations as in subsection (5)(b) of this rule.

21.090 ELECTRONIC SIGNATURES

- (1) The use of a filer's login constitutes the signature of the filer for purposes of these rules and for any other purpose for which a signature is required.
- (2) In addition to information that law or rule requires to be in the document, a document filed electronically must include an electronic symbol intended to substitute for a signature, such as a scan of the filer's handwritten signature or a signature block that includes the typed name of the filer preceded by an "s/" in the space where the signature would otherwise appear.

Example of a signature block with "s/":

- (3) When more than one party joins in filing a document, the filer must show all of the parties who join by one of the following:
 - (a) Submitting an imaged document containing the signatures of all parties joining in the document;
 - (b) A recitation in the document that all such parties consent or stipulate to the document; or
 - (c) Identifying in the document the signatures that are required and submitting each such party's written confirmation no later than 3 days after the filing.

- (4) Except as provided in section (5) of this section, when a document to be electronically filed requires a signature under penalty of perjury, or the signature of a notary public, the declarant or notary public shall sign a printed form of the document. The printed document bearing the original signatures must be imaged and electronically filed in a format that accurately reproduces the original signatures and contents of the document. The original document containing the original signatures and content must be retained as required in UTCR 21.120.
- (5) When the filer is the same person as the declarant named in an electronically filed document for purposes of ORCP 1 E, the filer must include in the declaration an electronic symbol intended to substitute for a signature, such as a scan of the filer's handwritten signature or a signature block that includes the typed name of the filer preceded by an "s/" in the space where the signature would otherwise appear.

2011 Commentary:

The Committee does not intend the requirement to include an email address in a signature block to constitute consent to receipt of service of documents by email. Electronic service of documents may only be accomplished as specified in UTCR 21.100.

21.100 ELECTRONIC SERVICE

(1) Consent to Electronic Service and Withdrawal of Consent

- (a) A filer who electronically appears in the action by filing a document through the electronic filing system that the court has accepted is deemed to consent to accept electronic service of any document filed by any other registered filer in an action, except for any document that requires service under ORCP 7 or that requires personal service.
- (b) A filer who is dismissed as a party from the action or withdraws as a lawyer of record in the action may withdraw consent to electronic service by removing the filer's contact information as provided in subsection (2)(a) of this rule.
- (c) Except as provided in subsection (b) of this section, a filer may withdraw consent to electronic service only upon court approval based on good cause shown.

(2) Contact Information

- (a) At the time of preparing the filer's first electronic filing in the action, a filer described in section (1) of this rule must enter in the electronic filing system the name and service email address of the filer, designated as a service contact on behalf of an identified party in the action. If the filer withdraws consent to electronic service under subsection (1)(b) or (1)(c) of this rule, then the filer must remove the filer's name and service email address as a designated service contact for a party.
- (b) A filer described in subsection (1)(a) of this rule may enter in the electronic filing system, as an other service contact in the action:

- (i) An alternative email address for the filer; and
 - (ii) The name and email address of any additional person whom the filer wishes to receive electronic notification of documents electronically served in the action, as defined in UTCR 21.010(7). If a lawyer enters a client's name and contact information as an other service contact under this subsection, then the lawyer is deemed to have consented for purposes of Rule of Professional Conduct 4.2 to delivery to the client of documents electronically served by other filers in the action.
- (c) A filer is responsible for updating any contact information for any person whom the filer has entered in the electronic filing system as either a service contact for a party or as an other service contact in an action.
- (d) A filer may seek court approval to remove a person entered by another filer as an other service contact in an action if the person does not qualify as an other service contact under UTCR 21.010(7).

(3) Selecting Service Contacts and Other Service Contacts

When preparing an electronic filing submission with electronic service, a filer is responsible for selecting:

- (a) The appropriate service contacts in the action, for the purpose of accomplishing electronic service as required by law of any document being electronically filed; and
- (b) The appropriate other service contacts in the action, if any, for the purpose of delivering an electronic copy of any document being electronically filed.

(4) Court Notification and Transmission Constituting Service

When the court accepts an electronic document for filing under UTCR 21.060(1)(a), the electronic filing system sends an email to the email address of each person whom the filer selected as a service contact or other service contact under section (3) of this rule. The email contains a hyperlink to access the document or documents that have been filed electronically. Transmission of the email by the electronic filing system to the selected service contacts in the action constitutes service.

(5) Completion and Time of Electronic Service

Electronic service is complete when the electronic filing system sends the email to the selected service contacts in the action.

(6) Service Other than by Electronic Means

The filing party is responsible for accomplishing service in any manner permitted by the Oregon Rules of Civil Procedure and for filing a proof of service with the court for the following documents:

- (a) A document required to be filed conventionally under this chapter;
- (b) A document that cannot be served electronically on a party who appeared in the action; and
- (c) A document subject to a protective order.

21.110 HYPERLINKS

- (1) A document that is filed electronically may contain hyperlinks to other parts of the same document or hyperlinks to a location on the Internet that contains a source document for a citation or both.
- (2) A hyperlink to cited authority does not replace standard citation format. A filer must include the complete citation within the text of the document. Neither a hyperlink, nor any site to which it refers, is part of the record. A hyperlink is simply a convenient mechanism for accessing material cited in a document filed electronically.
- (3) The Oregon Judicial Department neither endorses nor accepts responsibility for any product, organization, or content at any hyperlinked site, or to any site to which that site refers.

21.120 RETENTION OF DOCUMENTS BY FILERS AND CERTIFICATION OF ORIGINAL SIGNATURES

- (1) Unless the court orders otherwise, if a filer electronically files an image of a document that contains the original signature of a person other than the filer, the filer must retain the document in the filer's possession in its original paper form for no less than 30 days.
- (2) When a filer electronically files a document described in section (1) of this rule, the filer certifies by filing that, to the best of the filer's knowledge after appropriate inquiry, the signature purporting to be that of the signer is in fact that of the signer.

21.130 PROTECTED INFORMATION

The use of information contained in a document filed electronically or information accessed through the electronic filing system must be consistent with state and federal law.

21.140 MANDATORY ELECTRONIC FILING

- (1) An active member of the Oregon State Bar must file a document using the electronic filing system, instead of using conventional filing, unless:
 - (a) The document is required to be conventionally filed under UTCR 21.070(3); or
 - (b) The filer has obtained a waiver under subsection (2) of this rule.
- (2) An active member of the Oregon State Bar may seek a waiver of the requirement in section (1) of this rule as follows:
 - (a) The Bar member must file one of the following:
 - (i) A petition for waiver in all cases in a specific judicial district for a specific period of time.
 - (ii) A motion in an existing case for waiver in that specific case.
 - (b) A petition or motion must include an explanation describing good cause for the waiver.

- (c) A separate petition for waiver must be filed in each judicial district in which the person desires a waiver.
 - (d) If the court grants a petition for waiver, the Bar member obtaining the waiver must
 - (i) File a copy of the court's order in each case subject to the waiver; and
 - (ii) Include the words "Exempt from eFiling per Waiver Granted [DATE]" in the caption of all documents conventionally filed during the duration of the waiver.
 - (e) If the court grants a motion for waiver, the Bar member obtaining the waiver must include the words "Exempt from eFiling per Waiver Granted [DATE]" in the caption of all documents conventionally filed in the case.
- (3) If the electronic filing system is continuously unavailable for a period of more than 24 hours, an active member of the Oregon State Bar may file documents using conventional filing until the end of the first full business day after the day on which the electronic filing system becomes available.
- (4) If a filer submits a document for conventional filing in contravention of section (1) of this rule and the filer has not obtained a waiver pursuant to section (2) of this rule nor is the electronic system unavailable as described in section (3) of this rule, then court staff may, to the extent allowed by policy adopted by the presiding judge, take any of the following actions:
- (a) Direct the filer to the court's kiosk to complete the filing electronically.
 - (b) Refuse to accept the document for filing.
 - (c) Return the document to the filer as unfiled.
 - (d) Refer the filing to a judge for consideration of sanctions under UTCR 1.090.

CHAPTER 22—Enterprise Content Management System

This chapter reserved for future use.

CHAPTER 23—Oregon Complex Litigation Court

23.010 OREGON COMPLEX LITIGATION COURT

- (1) The criteria used for assignment of a case to the Oregon Complex Litigation Court (OCLC), pursuant to UTCR 23.020, may include, but are not limited to, the number of parties, the complexity of the legal issues, the complexity of the factual issues, the complexity of discovery, and the anticipated length of trial.
- (2) The UTCR apply to cases in the OCLC except where the rules in this chapter specifically provide otherwise.
- (3) Absent a motion and order for a change of venue pursuant to ORS 14.110, assignment of a case to the OCLC does not change the venue of a case.
- (4) The OCLC will be managed by a panel of three circuit court presiding judges appointed by the Chief Justice of the Oregon Supreme Court.

23.020 ASSIGNMENT OF CASES TO THE OCLC

- (1) Assignment of a case to the OCLC requires agreement of the parties, the presiding judge or designee of the court with venue, and the managing panel of the OCLC.
- (2) The following must occur for a case to be considered for assignment to the OCLC:
 - (a) The parties and the presiding judge or designee of the court with venue must confer to determine whether there is agreement to assign the case to the OCLC and to determine the special needs, facts, and issues of the case.
 - (b) The presiding judge or designee of the court with venue and the managing panel of the OCLC must confer to discuss whether the case is appropriate for assignment to the OCLC and to discuss the special needs, facts, and issues of the case.
- (3) If the agreement required by UTCR 23.020(1) is reached and the managing panel accepts a case into the OCLC, the parties must submit a stipulated order for assignment of the case to the OCLC to the presiding judge or designee of the court with venue over the case and to the managing panel of the OCLC.
- (4) Once a case is accepted into the OCLC, the managing panel of the OCLC will assign the case to a single OCLC judge.
- (5) The parties must:
 - (a) Share equally, unless otherwise agreed, the cost of copying and providing the entire court file to the OCLC judge assigned to the case.
 - (b) Make all necessary arrangements to have a copy of the entire court file delivered to the OCLC judge within 14 days of assignment of the case to the OCLC judge.
 - (c) Continue, after assignment of the case to the OCLC judge, to file all documents in the court with venue and provide copies of all filed documents to the OCLC judge.

23.030 REMOVAL OF CASES FROM THE OCLC

- (1) When an OCLC judge finds good cause to remove a case from the OCLC, the judge must confer with the managing panel of the OCLC. If the managing panel agrees that the case should be removed, the managing panel will discuss the removal and return of the case with the presiding judge or designee of the court with venue before any action is taken.
- (2) If venue has not been changed, the case may then be returned to the originating circuit court.
- (3) If venue has been changed, the case may then be returned to the circuit court with current venue absent a motion and order for change of venue pursuant to ORS 14.110 and 14.120.

23.040 CASE MANAGEMENT

- (1) Cases assigned to the OCLC are under the direct supervision of a single OCLC judge for all purposes including referral to mediation, assignment to a settlement judge, and trial.
- (2) Before the date set by the court for a case management conference, all parties must do all of the following:
 - (a) Explore early resolution of the case and prepare a discovery plan.
 - (b) Confer concerning the matters to be raised at the conference.
 - (c) Attempt to reach agreement on as many of the issues as possible.
 - (d) Report the results of their conference to the court at the case management conference.
- (3) No later than 10 days prior to trial, unless the OCLC judge has ordered otherwise, the parties must do all of the following:
 - (a) Confer and disclose to each other all exhibits, except impeachment exhibits.
 - (b) Number all exhibits.
 - (c) Reach, to the extent possible, agreement on the admissibility of exhibits.
 - (d) File with the court and provide to the OCLC judge a list of exhibits indicating the status of each exhibit.
 - (e) Reach, to the extent possible, agreement on foundation for other exhibits to which they might have substantive objections. Any agreement must be noted on the exhibit list filed with the court.
- (4) Upon compliance with UTCR 23.040(3)(a)–(e), the OCLC judge will confer with the parties to resolve any disputes on exhibits or other matters upon which a stipulation might be reached to make the trial more efficient.

23.050 CASE MANAGEMENT CONFERENCE; CASE MANAGEMENT ORDER

- (1) A case management conference will be held within 30 days of assignment of a case to an OCLC judge or at such other time as the court may order. The purpose of the case management conference is to identify the essential issues in the litigation and to avoid unnecessary, burdensome, or duplicative discovery and other pretrial procedures to ensure the prompt resolution of the dispute. The case management conference may include discussion of the following:
 - (a) The trial date.
 - (b) The need for additional parties.
 - (c) Time limits for filing of third-party complaints or bringing in additional parties.
 - (d) Severance, consolidation, or coordination with other actions.
 - (e) A discovery plan, including a schedule for the exchange of documents, conducting discovery from third parties, use of common number systems for documents production and exhibits identification, a schedule for conducting depositions, the need for protective orders or other limitations allowed by ORCP 36 C, and a date for the close of discovery.
 - (f) A time schedule for motion practice and date for submission of dispositive motions.
 - (g) Mediation or settlement, and the identity of the assigned neutral facilitator. If the case has not settled within 45 days of the trial date, the case may be assigned for settlement conference to a judge other than the OCLC judge.
 - (h) Use of technology in discovery and at trial, such as electronic or physical document depositories, videotaping of depositions, videoconferencing, and teleconferencing.
 - (i) A master list of contact information.
 - (j) The method of jury selection and resolution of disputes relating to forms for juror questionnaires, if any.
 - (k) Scheduling of a Rule 104 hearing on scientific issues, if necessary.
 - (l) Scheduling of further conferences.
 - (m) Other matters the court or the parties deem appropriate to manage or expedite the case such as whether the parties will mutually employ a court reporter to serve for the creation of the official record, use of a trial plan having timelines for the submission and resolution of pretrial motions, motions in limine, deposition designations, submission of trial memoranda and jury instructions, and timelines for the examination of witnesses and evidentiary presentations by the parties.
- (2) Following the case management conference, the OCLC judge will issue a case management order. The case management order will encompass the matters addressed at the case management conference and any other matters the judge considers appropriate for the order.

- (3) The case management order may be modified or revised, as the OCLC judge deems necessary, to meet the purpose of the OCLC rules. The parties must not deviate from deadlines and requirements established in the case management order unless authorized by the OCLC judge.

23.060 SETTLEMENTS AND DISCONTINUANCES

If a case in the OCLC is settled or dismissed, the parties must immediately inform the OCLC judge assigned to the case by telephone or email.
