

OECI Document Access

Overview

When reviewing multiple documents in a case on OECI, you may encounter a document error. The following steps will allow documents to be opened without receiving that error message.

Example Error:

OECI Case Records Search

The steps to avoid the error message is slightly different based upon how you choose to view documents. Choose the correct option below:

- [I use the case number hyperlink at the top of the Register of Actions screen.](#)
- [I use the document hyperlinks on the Register of Actions under the Other Events and Hearings header.](#)

Register of Actions: Case Number Hyperlink

1. From the Register of Actions, right-click the case number hyperlink at the top of the page.
2. Select **Open link in new tab**.
3. Click on the newly created tab in your browser to view a list of documents.
4. Use the **New** tab to move between and view documents in that case.
5. Use the **Original** tab to view the Register of Actions or return to the search.

Register of Actions: Document Hyperlink

1. From the Register of Actions, right-click the hyperlink next to the document you want to view.
2. Select **Open link in new tab**.
3. Click on the newly created tab in your browser to view a list of documents.
4. Use the **New** tab to move between and view documents in that case.
5. Use the **Original** tab to view the Register of Actions or return to the search.
